Description of Incident

On the above date and approximate time, this writer McKinsie Johnson, met with Inmate Jason Thomaschaske #349577 for PRC purposes. During the course of the interview he stated that he is having problems with his cell mate, Steven Avery #122987. When I asked further about what some of his issues where Inmate Thomaschaske stating the following: "he is disrespectful, a disgusting human being, he never leaves his cell". Inmate Thomaschaske said, "I want to kill the guy" - this writer did not take that as a threat but more of his frustration with residing in a cell with Inmate Avery. Inmate Thomaschaske said he addressed the issue with the cell hall sergeant, which Inmate Avery knows. Since addressing it with cell hall staff, Inmate Thomaschaske stated that Inmate Avery is now intentionally doing things to incite him and Inmate Avery stated to Inmate Thomaschaske, 'go ahead and do something, then I can sue WCI for not protecting me' since Inmate Thomaschaske has discussed with cell hall staff their issues and he hasn't been moved. I encouraged him to follow the chain of command and to write to Captain Bauer.

Description of Incident

On the above date and approximate time, this writer received a phone call from Earl Avery. Earl Avery indicated to this writer that Inmate Steven Avery #122987, continues to write him and his ex-wife, Candy Avery. Earl Avery indicated that while Inmate Avery #122987 was at WSPF, Earl Avery requested that Inmate Avery no longer contact him via mail, phone or third party as the letters were threatening in nature. This writer asked that Earl Avery and Candy Avery send in the letters they received for proof that Inmate Avery was violating the 'cease contact' order. This writer reviewed his Social Services File which contained a 'cease contact' order from WSPF in which Inmate Avery was ordered to cease any and all contact with Earl Avery; dated 01/20/14. This writer sent Inmate Avery another cease contact order for both Earl and Candy Avery; dated 1/03/14. When this writer receives the letters from Earl and Candy Avery I will write a Conduct Report and forward to security.

Description of Incident

On the above date and time, I Officer K. Schultz was working as the Visits Officer in the Visits Room at GBCI. Inmate Dassey, Brendan #516985 was attending a visit with his mother, Tadych, Barbara. This is a follow up Incident Report that was previously reported back in June 2013, and the Incident Report that was filied has not shown up on my record. Barbara is a former co-worker of mine and shortly before recieving notification from the State of Wisconsin of employment, Barbara informed me that her son, Dassey was currently incarcerated at Green Bay Correctional Institution. Dassey has no previous knowledge of me, does not know who I am and doesn't make any attempts to solicite me as an Officer. Barbara makes no attempt to contact or solicite me as a staff member. I do not believe that Dassey being housed at GBCI will hinder my job duties and keep me from being firm, fair and consistent with him or any other inmates. I believe that if he request special treatment that I will address the inappropriate behavior accordingly and I will report it to a supervisor without hesitation.

Report documents a staff member who worked with this inmates mother at a previous job. It doesn't appear as if there will be a conflict of interest, and report is therefore a matter of record.
