The Honorable Michael Froman
United States Trade Representative
Office of the United States Trade Representative
600 17th St. NW
Washington, DC 20508

Dear Mike,

I quickly wanted to send you a note and congratulate you on your confirmation last Wednesday. The President couldn't have found a better person for this job, especially with the TTIP negotiations gaining steam now.

Please let me know if there is anything GMF can do to help you with these efforts. We would be more than happy to host you in Washington D.C. or any of our European offices for any public remarks or private conversations with different stakeholders you might find useful. I know that my colleague Nicola Lightner already shared an invitation for you with your staff to speak at a plenary session at our upcoming Atlantic Dialogues conference (an event similar to Brussels Forum) in Morocco at the end of October this year (see attached). But we are obviously open to working with you and your staff to identify the most appropriate and useful event, format, or topic for the goals that you hope to accomplish in your new position.

Congratulations again!

Best Wishes,

Craig Kennedy
