CAUSE OF DEATH

51. The medical autopsy completed by the Dallas County Medical Examiner shows that Mr. Timpa’s death was the result of excessive physical restraint.

FACTS SHOW THAT OFFICERS USED EXCESSIVE, DEADLY FORCE

56. Mr. Timpa was unarmed

57. Mr. Timpa did not resist arrest.

² A copy of Mr. Timpa’s death Certificate is attached hereto as Exhibit 2.

58. Mr. Timpa did not evade arrest or detention.

59. The Dallas Police Department did not remove or recover any weapons from Mr. Timpa.

60. Mr. Timpa had not physically attacked the police officers at the scene.

61. It is believed that Mr. Timpa suffered cardiac arrest because of trauma inflicted by the Dallas police officers.

62. John Doe # 1, 2 and/or 3 employed deadly force against Mr. Timpa.

63. John Doe # 1, 2 and/or 3 were acting under color of law when he/she used force against Mr. Timpa.

66. John Doe # 1, 2 and/or 3 manifested conscious indifference to Mr. Timpa by holding him face down for 13 minutes, at least, applying excessive pressure to Mr. Timpa's head and torso.

67. It is believed that the excessive pressure applied by the John Doe # 1, 2 and/or 3 to Mr. Timpa's chest cut off the blood flow to their heart, causing Mr. Timpa's heart to arrest.

69. The use of excessive force in this instance was clearly unreasonable.

70. John Doe # 1, 2 and/or 3 knew or should have known that the use of excessive force in this instance was unreasonable, and constitutionally excessive.

71. John Doe # 1, 2 and/or 3 violated Mr. Timpa's Fourteenth Amendment rights.

NO REASONABLE OFFICER COULD BELIEVE THAT USE OF FORCE WAS JUSTIFIED

72. John Doe # 1, 2 and/or 3's actions of restraining Mr. Timpa were deliberate, malicious, and exercised with a wanton/reckless disregard for Mr. Timpa's constitutional rights.

73. Since at least 1994, the Fifth Circuit has held that certain forms of restraint, like the one used in this case, fall under the deadly force prohibition of the Fourth Amendment under certain circumstances. *See Gutierrez v. City of San Antonio*, 139 F.3d 441, 447-49 (5th Cir. 1998).

74. Fourth and Fourteenth Amendment jurisprudence has clearly established that police officers cannot use excessive force upon an unarmed suspect who is not showing signs of active resistance.

75. The force utilized by John Doe # 1, 2 and/or 3 was excessive, and, therefore, constituted an unreasonable seizure of Mr. Timpa in violation of the Fourteenth Amendments to the United States Constitution.

76. John Doe # 1, 2 and/or 3's actions constituted an unlawful deprivation of Mr. Timpa's liberty without due process of law in violation of the Fourteenth Amendment to the United States Constitution.

Summary of How the Death Occurred:

On August 10, 2016, at approximately 10:13 p.m., the subject was with an unidentified black male at the New Fine Arts store in the 1700 block of Mockingbird Avenue. The subject became irrational and ran out of the store. Witnesses said the subject believed someone was after him. A security guard followed the subject out of the business and east on Mockingbird Lane. The subject began walking into traffic so the security guard tried to physically restrain him. A second security guard was driving by the location, saw the altercation, and stopped to aid the first security guard. The security guards work for different companies. The two were able to put the subject into handcuffs. At this point, an officer arrived and put his handcuffs on the subject. Additional cover officers arrived and they attempted to gain control of the subject. DFR was called to the scene and the subject was placed in the ambulance, then he stopped breathing. The subject was transported to Parkland Hospital where he was pronounced. Officers did not use an Electronic Control Weapon or an impact weapon. An independent civilian witness was at the scene and provided a statement. Three of the involved officers were wearing body cameras.
