Dear D.,

The third and final debate is now over and there are now only 17 days until election day, **what you may not know -- money is a major factor in our pre-GOTV plans between now and November 8th.**

That's why I'm emailing you today.

Right now, we are still more than $797,000 short of our Election Day Goal.

Since January, **Great America PAC** has taken on the Democrats and the Mainstream media ***singlehandedly.***

But now I'm personally asking: **will you to chip in $25, $50, or $250 right now -- before our window to reserve critical air time and election day resources expires?**

After November 8th, there's nothing we can do to help determine the direction of our country. I'm talking about the Supreme Court, the 2nd Amendment, and the Economy that Donald Trump will revive.

We both know millions of Americans are tired of this country spiraling out of control. But we won't have an opportunity to show them Donald Trump deserves their vote on November 8th *unless* we have your support.

Here's the truth: **a grassroots organization like ours can't afford to fall short.** If our fundraising doesn't hit our marks -- who knows what will happen to this country. *AND WE CANNOT LEAVE IT UP TO CHANCE.*
