Re: FOI request 18/192

Dear Ms Lavin,

I refer to the request which you made under the Freedom of Information Act 2014 for records held by this body:

"appointments diaries for the Minister for Agriculture for the year of 2017 in full (and up until June 2018 if possible)"

I have made a decision to part grant your request in relation to records held by this office. Copies of the relevant records are enclosed. Personal information has been redacted pursuant to Section 37 of the Freedom of Information Act 2014:

"**37.** (1) Subject to this section, a head shall refuse to grant an FOI request if, in the opinion of the head, access to the record concerned would involve the disclosure of personal information (including personal information relating to a deceased individual)."

Where an exemption under Section 37 is invoked, consideration must be given to the public interest considerations under Section 37(5). It is my view that the public interest, in this case, does not warrant the release of this information. In relation to balancing the public interest that full access be granted, and the public interest in ensuring the right to privacy, I find that the over-riding public interest is in making sure that a person's personal information will not be made public.

You may appeal this decision. A fee of €30.00 applies for an appeal for all non-personal records. In the event that you need to make such an appeal, you can do so by writing to the Freedom of Information Unit, Department of Agriculture, Food & the Marine, Grattan House, Grattan Business Centre, Dublin Road, Portlaoise, Co. Laois or by e-mail to foi@agriculture.gov.ie.

Payment can be made by electronic fund transfer by contacting the Cash Office, Department of Agriculture, Food & the Marine, Cavan, telephone number 049 4352053 or 049 4368254 quoting the above reference number or by way of bank draft, money order, postal order or personal cheque made payable to the Department of Agriculture, Food & the Marine. You should make your appeal within 4 weeks from the date of this notification, where a day is defined as a working day excluding, the weekend and public holidays. However, the making of a late appeal may be permitted in appropriate circumstances.

The appeal will involve a complete reconsideration of the matter by a more senior member of the staff of this body.
