LIFE'S NECESSITIES

FRIDAY, APRIL 21 • 8AM - 12 NOON • NAPLES DAILY NEWS • 1100 IMMOKALEE RD., NAPLES

GRACE PLACE For Children & Families

"During the summer months, our Friday Food Pantry is burdened. We find our pantry shelves are more likely to be barren, necessitating our need to purchase more food, demand is at its highest and our volunteer workforce is sparse. In Golden Gate, more than 95% of the elementary school students are on free and reduced meals so the summer months mean families must provide for more meals.The "Satisfy the Hunger" campaign builds awareness of this need and raises funds to help provide food. We are grateful for this partnership for without it, we would struggle to meet the need and families and children would be hungry."

Dr. Tim Ferguson, Chief Executive Officer
Grace Place for Children and Families
