TRANSFORMING VIDEO SURVEILLANCE INTO ACTIONABLE INTELLIGENCE

BriefCam Pricing Proposal
Mesquite Police Dept.

Prepared by: Comprehensive Communication Services
DIR Contract #: TSO-3915
Quotation Number: 1204
www.comprehensivecom.net

DATE 3/11/2019

Prepared by: Gary Collins

BriefCam's unique fusion of Computer Vision and Deep Learning technologies, together with its patented Video Synopsis® application, enables:

- Rapid review hours of video in just minutes and the ability to quickly pinpoint people and objects of interest
- Quantitative insights from your video surveillance data for decision support
- Near real-time notification of critical security, safety, and operational events impacting your organization so that you can manage events as they unfold

BriefCam Investigator

- Single-User Single System Video Investigation
- Full suite of tools for video search:
    - Search by object type such as man, woman, car, truck, bicycle.
    - Search by attributes such as color and size
    - Search by behavior such as path of travel or stopping for a period of time.
- Import video files in standard formats from external sources such as DVDs and USB drives.
