April 27, 2018

Dear Summer Camp Parents or Guardians:

This letter is to inform you that the annual Roselle Park Summer Camp will be held at the Roselle Park Middle School this summer. Due to a construction project at the high school and the unexpected removal of asbestos in an affected area, the entire building must be closed for approximately three weeks.

Although, the venue will change and some modifications will have to be made to certain programs, it is our intention to continue offering a safe, organized and positive summer camp experience for your child.

In the coming weeks, Mr. Ranieri, our Summer Camp Director, will schedule an Open House to review any changes to the camp. Attached, is information concerning the change and general camp information.

Please be reassured that the Roselle Park Board of Education and the School District is committed to providing your child with a quality summer camp experience.

If you have any questions or concerns regarding the above, please don't hesitate to contact Mr. Ranieri at 908-241-4550 opt. 6 or me at the number above.

Sincerely,

Pedro Garrido
Superintendent of Schools
