Friends, tomorrow Democrats Donna Shalala and Debbie Mucarsel-Powell will campaign together with Nancy Pelosi and Barbara Lee. Lee is one of the strongest apologists and sympathizers of the Castro and Maduro regimes. She has consistently praised Fidel Castro and done her best to protect the murderers in charge of Venezuela. And these two members of Congress are coming to Miami to campaign with Shalala and Mucarsel-Powell.

WHEN: Wednesday, October 17, 2018, at 2:15 pm

WHERE: 354 Minorca Avenue, Coral Gables, FL 33134

PLEASE JOIN ME TO PROTEST THEIR VERY PRESENCE IN A CITY WITH SO MANY IMMIGRANTS THAT HAVE SUFFERED SO MUCH AT THE HANDS OF THESE CRUEL DICTATORS.

Miami, FL – Today, the campaigns of Democrats Donna Shalala for Congress,

District 27, and Debbie Mucarsel-Powell for Congress, District 26, announced that they will be campaigning with House Minority Leader Nancy Pelosi (D-CA) and Congresswoman Barbara Lee (D-CA). The event will take place tomorrow, October 17th at 3pm in Coral Gables (354 Minorca Ave). See below for website link.

Shalala and Mucarsel-Powell have shown their true colors and ignorance of the suffering of the Hispanic community in South Florida by campaigning alongside a radical congresswoman who has stood up for dictatorial, murderous actions of the Cuban and Venezuelan despots. As recently as two years ago, Barbara Lee mourned the death of the Cuban dictator, Fidel Castro Castro, saying “He led a revolution in Cuba that led social improvements for his people.”

Congresswoman Barbara Lee also stands up for the brutal dictatorship of Nicolas Maduro in Venezuela. In 2015, Lee authored a letter asking then-President Obama not to sanction the corrupt murderers that lead the Venezuelan government and that are starving their own people to death.

Links to the news articles can be found at the end of this release.

“Although they have little ties to this community, Shalala and Mucarsel-Powell should at least try to understand the suffering this community has withstood at the hands of these killers and oppressors of freedom and democracy. These two candidates should stand with the people of Cuba and Venezuela and all freedom-seeking countries, rather than standing with those few ignorant fools who sympathize and apologize for these dictators’ crimes against humanity. On behalf of a suffering community, I ask Ms. Shalala and Ms. Mucarsel-Powell to NOT stand with Barbara Lee and accept the support of a radical apologist and sympathizer of murderous dictators”, said Nelson Diaz, Chairman of the Republican Party of Miami-Dade County.

Miami, Florida – Debbie Mucarsel-Powell knows her extremist values are so out of touch with the South Florida community she has been on a lying spree to cover it up. But fortunately for South Florida voters she is finally going to be honest about the extremist she truly is as she rallies with Barbara Lee in South Florida today. Congresswoman Lee is one of the most radical leftist extremists in Congress. Over the years she has befriended and defended the likes of the Castro Brothers, Nicolas Maduro, Daniel Ortega, and FARC terrorists in Colombia. Lee was also the only Member of Congress to vote against the resolution that allowed the United States to defend itself by attacking al-Qaeda after the 9-11 attacks.

Qaeda after the 9-11 attacks.

"We knew Debbie had poor taste in friends considering her over $700,000 pay day from a Ukrainian oligarch linked to contract killings and $5,000 check from an accused child molester, but a pro-Castro, pro-Maduro communist ally is a new low," **Curbelo spokesperson Joanna Rodriguez said.** "How Debbie Mucarsel-Powell can think she could represent the victims of communism and dictatorships like Cuba, Venezuela, and Nicaragua that make up the South Florida community after today is inconceivable. She has slapped the survivors of these murderous regimes in the face with this despicable move."

As people across South Florida celebrated the passing of Fidel Castro's brutal stranglehold on the island, Debbie's new friend Barbara Lee wanted America to "stop and pause and mourn his loss." According to Lee, Fidel Castro "led a revolution in Cuba that led social improvements for his people" and was "dedicated to the Cuban people."

To recap, she must mean improvements like…

- The murder of four unarmed civilians on a humanitarian mission in 1996
- "Ruthless suppression of freedom of expression" (per Amnesty International)
- "Widespread use of short-term arrests and ongoing harassment of people who dare to publish their opinions defending human rights or challenging the arbitrary arrest of a relative" (also per Amnesty International)
- Harboring Soviet nuclear missiles aimed at the United States
- The death of thousands of innocent Cubans as logged by the Cuba Archive
- The theft of billions of dollars in American property
- The continued harboring of fugitives of American justice

Lee's sympathy for brutal communist regime's extends beyond Cuba. On Venezuela, Lee has advocated AGAINST sanctions on the brutal Maduro regime.
