NARRATIVE:

This case has been assigned and reviewed. At about 1300 hours I received a call from Cpl. B. Doty that he needed my assistance with a burglary and a vandalism that had occurred at 1600 Phillip Fulmer way and that this burglary had occurred in room 230. Upon my arrival there I was met by Sgt. Busico and Cpl. Johnson who was the responding officer to the scene. I also made contact with Mr. Kevin Zurcher, Mr. Patrick Lawson, Mr. William Whitesell and Mr. David Elliot who were present in room 230. At that time I began to photograph the scene and the offices that had been vandalized. Mr. Lawson's and Mr. Whitesell's room had been vandalized and appeared to have been ruffled through. At that Time I contacted the Knoxville Police Department's Crime lab to assist me with fingerprinting the scene. At approximately 1500 hours Officer Warren with the forensics unit with the Knoxville Police Department arrived on scene and recovered several prints from numerous locations throughout the scene.

At about 1530 hours Cpl. Doty also arrived on scene to assist me with this investigation. We then were able to access video from a hallway camera just outside of room 230. At about 0350 hours on 02/23/13 I observed a male whom I was able to identify as Troy Wills walk down the hallway carrying a saw in his right hand. At about 0353 hours on the video Mr. Wills walks down the hallway and attempts to enter another door with a key. Mr. Wills then walks off camera and returns with another saw. He then walks back to the main entrance of room 230 and does not come back onto camera until approximately 0431 hours when he leaves the building.

Mr. Wills was the only individual who entered the room during those hours and he is the only one who is seen on camera coming in and out of the room. Based upon this information I was able to secure two warrants for his arrest. @1033070 (Vandalism) @1033069(Burglary).

NARRATIVE:

On 02/27/2013 at about 1000 hours I went to the city county building to inspect some property that had been burned that was believed to me U.T. Property. Upon my arrival I was met by Lt. Steven Webb and Sgt. Mark Harvey of the Knox County Sheriff's department. At that time they escorted me to the property room where I saw the remains of a Gatorade cooler and a trash can which contained a Sentry safe.

Upon further investigation it was determined that the safe was indeed U.T. Property and that it belonged to a Mr. Chad Newman who works for the University of Tennessee there were also several documents that had been burned that allegedly were placed inside the brown Wilson briefcase that belongs to Mr. Whitsell. I am still attempting to get hold of Mr. Wills for questioning. All property and evidence was transferred from KCSO to the sally port of UTPD where it was placed inside of the evidence storage area.
