Dear Chairman Truex,

As you know the United States Supreme Court is considering the question of whether same sex marriage should become legal.

In the spirit of bi-partisanship, I ask you to join with me in supporting same sex marriages. I believe this is both a legal and human rights issue. How can we explain to a gay or lesbian veteran of Iraq that they are "less" than a full citizen?

Last week the National Chair of the Republican party offered an evaluation of your party. Among the many comments was that Republicans "...were not inclusive... ." Additionally, all polling has indicated solid majorities of the American people and Floridians, specifically (51/41), now support this marriage concept. Perhaps the most interesting result was the ABC poll indicating over 80% of those voters under 30 support legalizing same sex marriage. This is a generation that will be the future of our nation.

Recently, the American Academy of Pediatrics declared that allowing same sex couples to marry and possess full adoptive and foster care rights would be in the best interests of the child.

Tom, you are a loving and decent person. Please join me in this civil rights/human rights cause. RNC Chairman Reince Preibus stated that Republicans need to be more inclusive. I agree with your national Chairman.

I look forward to your prompt and positive response.

Thank you so much.

Sincerely,

Mitch Ceasar
Chairman
