Hindu American Advocacy Works!

On Monday we asked you to contact Congress to **stop Rep. Jayapal's anti-Hindu, anti-India bill** and it worked. The House Foreign Affairs Committee didn't add H.Res 745 to the agenda this week.

You spoke. Congress listened.

Thank you for taking action. You generated over 2,500 emails to Congress in the first 48 hours.

But we can't stop, because our opponents aren't going to stop, either.

We won today, but that doesn't mean victory is guaranteed tomorrow.

Help us keep this campaign alive with a contribution of $11.

Sincerely,
Taniel Koushakjian
HAF Director of Public Policy
