METHODOLOGY

Sachs Media's Breakthrough Research division surveyed regional voters, October 26-27, 2020, via random sample of the Florida voter file. The survey was not done on behalf of any candidate or cause but only to inform the public. Results are representative of likely voters in each of the respective districts. Question wording reflected ballot language with no additional context.

FINDINGS

CSC ballot language														
N=949		PARTY			GENDER		AGE			RACE				VOTE TYPE
