Dear [Redacted],

WHAT IF YOUR FRIENDS, YOUR NEIGHBORS, AND YOUR COMMUNITY KNEW WHETHER YOU VOTED?

Why do so many people fail to vote? We've been talking about the problem for years, but it only seems to get worse. This year, we're taking a new approach. We're sending this mailing to you, your friends, your neighbors, your colleagues at work, and your community members to publicize who does and does not vote.

This chart shows the names of some of your friends, your neighbors, and other people you know, showing which have voted in the past. Your voting record is a public record. After the November 4th election, your friends, your neighbors, and other people you know will be able to find out who voted and who did not vote.

DO YOUR CIVIC DUTY---VOTE!
