PROBABLE CAUSE BELIEF IS BASED UPON THE FOLLOWING FACTS AND CIRCUMSTANCES:

1. Your affiant has been employed by the Pennsylvania State Police since 1999 and from 2005 to the present I have been assigned to the Criminal Investigation Unit at the Troop R, Blooming Grove Station, Pike County, Pennsylvania. During this time I have been involved with hundreds of criminal investigations, during which I have completed and executed search warrants. Many of these investigations have resulted in the arrest and successful prosecution of individuals for violations of various criminal statutes, including Criminal Homicide. Based upon my knowledge, training, and experience I know that obtaining DNA evidence from a suspect is instrumental in solving a variety of crimes, including Criminal Homicide. I also know through my knowledge, training, and experience that DNA obtained from a person's body via buccal swab, blood, or hair sample can be compared to DNA recovered from objects collected by police during the course of an investigation.

2. On 09/12/14, Corporal Bryon DICKSON of the Pennsylvania State Police Troop R, Blooming Grove Patrol Unit was working the 1500-2300 shift. Corporal DICKSON was working his shift in full uniform and was operating a marked patrol unit; car # R04-2. At approximately 2250 hours, Corporal DICKSON was exiting the front door of the Blooming Grove station towards his vehicle which was parked in front of the station. As Corporal DICKSON exited the front door, he immediately dropped to the ground in front of the door where he remained motionless. These actions were observed via the station surveillance system.

3. On 09/12/14 at approximately 2245 hours, PCO Nicole PALMER arrived at PSP Blooming Grove to work her 2300-0700 shift. PALMER entered the building through the front door. According to PALMER, she proceeded to the Communication Room. PALMER indicated that she observed Corporal DICKSON walk through the lobby towards the front door. PALMER states that she heard a noise which she related sounded like a firecracker. She stated that she looked out the window to the lobby towards the front door and she observed Corporal DICKSON on the ground. PALMER exited the Communication Room and walked into the lobby. She opened the exterior door and approached Corporal DICKSON who was motionless on the ground. PALMER asked Corporal DICKSON what happened and he informed her that he had been shot and needed help. While PALMER was attending to Cpl. DICKSON Eric Matthew

FREIN fired another shot in the direction of front entrance to PSP Blooming Grove and PALMER stated that she saw a cloud of white residue on the floor in the lobby. She then returned from outside to the lobby and attempted to use a telephone to call 911, which was unsuccessful. PALMER returned to Corporal DICKSON and he asked her to bring him inside but she was unable to. PALMER re-entered PSP Blooming Grove and called for assistance.

4. On 09/12/14, Trooper Alex DOUGLASS of the Pennsylvania State Police Troop R Blooming Grove Patrol Unit was working a 2300-0700 shift. Trooper DOUGLASS was in full uniform. Trooper DOUGLASS, at the time of the shooting of Corporal DICKSON, was in the lower parking lot of PSP Blooming Grove was observed on video surveillance approaching the front of the building walking towards Corporal DICKSON who was remained motionless on the ground. As Trooper DOUGLASS approached Corporal DICKSON, he looked into the lobby at which time he fell to the ground. Trooper DOUGLASS was then able to crawl into the lobby. As Trooper DOUGLASS lay on the lobby floor, Trooper William FELLIS of PSP Blooming Grove exited the secure door and entered the lobby where he retrieved Trooper DOUGLASS and brought him into the secured portion of the station.

5. According to video surveillance at the PSP Blooming Grove Station the duration of time between the first and fourth shot was approximately ninety (90) seconds and the Troop R, Forensic Services Unit recovered a total of three (3) projectiles from the front of the PSP Blooming Grove Station.

6. On 09/12/14, members of PSP Blooming Grove Patrol Unit executed a rescue attempt for Cpl. DICKSON. Members utilized a marked patrol SUV and drove to the front parking lot. The vehicle was used as a shield to protect members while they brought Cpl. DICKSON into PSP Blooming Grove. Members of the PSP Blooming Grove Patrol Unit began to render medical assistance immediately to Cpl. DICKSON and Trooper DOUGLASS. PROBABLE CAUSE BELIEF IS BASED UPON THE FOLLOWING FACTS AND CIRCUMSTANCES:

7. On 09/13/14, an autopsy was performed on Corporal DICKSON by Dr. Gary ROSS, Chief Medical Examiner of Lackawanna County. Dr. ROSS ruled the cause of death as multiple gunshot wounds and the manner of death as Homicide.

8. On 09/13/14 a line search was performed by members of various law enforcement agencies in the wooded area across from the PSP Blooming Grove Station. During the search Tpr. George MURPHY, of the PSP Dunmore Station, located four (4) spent .308 caliber cartridge casings marked AFF88. The casings were located in an area consistent with the area where the shooter would have positioned himself to shoot Cpl. DICKSON and Tpr. DOUGLASS. The casings were subsequently sent to the PSP Wyoming Regional Laboratory for ballistic analysis.

9. On 09/15/14 the PSP Blooming Grove Station received a telephone call from James Leon NOVAK, who indicated that he was a resident of the Blue Heron Development, located in Blooming Grove Twp., Pike County. On 09/15/14 at approx. 0830 hours NOVAK reported that he was walking his dog through a wooded area in Blue Heron Estates. According to NOVAK as he was walking along a path in the woods of Blue Heron Estates he observed a vehicle slightly submerged in a retention pond. He related that he thought the vehicle may have been stuck. NOVAK related that he approached the vehicle, which he described as a green Jeep. He related that as he got closer to the vehicle he did not see anyone inside. NOVAK indicated that the Jeep was on private property and he was suspicious because the vehicle was abandoned with its windows open. He subsequently called 911 and reported a suspicious vehicle.

10. Tpr. Jeremy CARROLL, of the PSP Blooming Grove Patrol Unit, responded to the Blue Heron Development on 09/15/14 and proceeded to the area and located the vehicle that was slightly submerged in the retention pond. CARROLL indicated that he observed a chain barrier covered with PVC piping that had been damaged. The vehicle appeared to have traveled from the area where the damage occurred. CARROLL proceeded to the vehicle, which was a green Jeep Cherokee Sport with a PA registration of DJV 5220, and observed in the pond.

11. A records check indicated that the green Jeep Cherokee was registered to E. Michael and Deborah FREIN, who had a Canadensis, PA mailing address,

which is located in Monroe County. An NCIC check of the green Jeep Cherokee bearing PA registration DJV 5220 revealed that the vehicle had not been entered as stolen.

12. On 09/15/14 your affiant and Tpr. Michael MULVEY applied for a Search Warrant for the green Jeep Cherokee registered to E. Michael and Deborah FREIN. The Search Warrant was approved by Pike County District Attorney Ray TONKIN and was subsequently issued by Court of Common Pleas Judge Gregory CHELAK.

13. On 09/15/14 your affiant and members of the PSP Troop R, Forensic Services Unit executed the Search Warrant on the green Jeep Cherokee Sport registered to E. Michael and Deborah FREIN at Rays Auto Repair in Milford, PA at 1856 hours. During the search Tpr. James HITCHCOCK of the PSP FSU Unit located two spent .308 cartridge casings marked AFF88 under the passenger side rear seat. Also located during the Search Warrant was a valid PA driver's license for Eric Matthew FREIN (which indicated his address was 308 Seneca Lane in Canadensis, PA), a Social Security Card for Eric Matthew FREIN, a PA Game Commission Range Permit for Eric Matthew FREIN, two water bottles that had been opened, multiple cigarette butts, and a sweatshirt. The water bottles, cigarette butts, and sweatshirt were subsequently submitted to the PSP Wyoming Regional Laboratory for DNA analysis and a DNA profile was obtained.

14. On 09/16/14 the .308 cartridge casings recovered from the woods across from the PSP Blooming Grove Station were compared to the .308 cartridge casings located in the Jeep Cherokee Sport at the PSP Wyoming Regional Laboratory by ballistics expert Cpl. Joseph GOBER. The conclusion was that the tool marks on all casings recovered from the scene were a match to the casings recovered in the Jeep Cherokee Sport. According to Corporal GOBER, the individual characteristics from the firing pin impression, ejector, and extractor of the cartridge casings recovered in the woods across from PSP Blooming Grove were a match to the cartridge casings recovered within Eric Matthew FREIN'S vehicle.

Eric Matthew FREIN'S residence. The Search Warrant for Eric Matthew FREIN's residence was issued by District Justice Michael MUTH on 09/16/14.

16. On 09/16/14, members of the Pennsylvania State Police proceeded to Eric Matthew FREIN's residence in Canadensis, PA and executed the Search Warrant. During the Search Warrant process, Eric Matthew FREIN'S father, E. Michael FRIEN indicated that two firearms were missing from the residence. He described one weapon as an AK-47 and the other was a .308 rifle with a scope. During the Search Warrant process Eric Matthew FREIN'S mother, Deborah FREIN, indicated that the green Jeep Cherokee bearing PA registration DJV-5220 registered in her and her husband's name was utilized by Eric Matthew FREIN for the past two years as his personal vehicle. Also during the Search Warrant, members of the Pennsylvania State Police located fourteen (14) AFF88 spent cartridge casings in the garage, which were produced by the same manufacturer as the cartridge casings located at the scene and in Eric Matthew FREIN'S Jeep. While searching Eric Matthew FREIN'S bedroom members of the PSP located a book titled Sniper Training and Employment.

17. On 09/16/14 Tpr. Edward MCCARTHY and Tpr. Carl IVES, both of the PSP Blooming Grove Crime Unit, interviewed E. Michael FREIN and he related that he was a retired Major in the United States Army with twenty eight (28) years of service. FREIN related that he had trained Eric Matthew FREIN in shooting skills, that Eric Matthew FREIN was a member of the rifle team in high school, and that Eric Matthew FREIN was a better shooter than he (E. Michael FREIN) was and Eric Matthew FREIN "doesn't miss."

18. On 09/16/14 your affiant, Cpl. Benjamin CLARK, and Tpr. Michael MULVEY obtained an arrest warrant from District Court 60-3-02 in Pike County, Pennsylvania for Eric Matthew FREIN, charging him with Murder of the First Degree, Attempted Murder in the First Degree, Criminal Homicide of a Law Enforcement Officer, Attempted Criminal Homicide of a Law Enforcement Officer and other related offenses under Title 18 of the PA Crimes Code.

19. On 09/18/14 electronic surveillance of Eric Matthew FREIN's cell phone indicated that at approx. 1400 hours he was in Price Twp., Monroe County, Pennsylvania, which was approx. 3 miles from his residence. As a result,

members of the Pennsylvania State Police and other Law Enforcement Agencies responded to the area on 09/18/14 and remained there to the date of Eric Matthew's FREIN capture. Searches of the area by members of the PSP and other Law Enforcement agencies prior to Eric Matthew FREIN's capture resulted in locating a campsite, which was located on State Game Lands in Price Twp., Monroe County. Located at this campsite were personal items belonging to Eric Matthew FREIN, including but not limited to his check book and his cell phone. Also located at the campsite were clothing, food, water bottles, a bag of garbage, ninety nine (99) rounds of .308 ammunition marked AFF88 contained in an olive drab pouch, two (2) Improvised Explosive Devices/bombs, a camouflage tarp, and camouflage netting.

20. The water bottle and olive drab ammunition pouch recovered from the camp site were subsequently forwarded to the PSP Laboratory for DNA analysis and DNA profiles were obtained.

21. The bag of garbage recovered at the campsite was subsequently examined by Tpr. James HITCHCOCK of the PSP Forensic Services Unit and Tpr. Mark PIZZUTI of the PSP Blooming Grove Crime Unit and they located handwritten notes. The writings appeared to be notes done in a first person narrative and included the following passages: "Fri Sept 12th got a shot around 11 pm and took it." "He dropped (sic).....I was surprised at how quick." "I took a follow up shot on his head/kneek neck area." "He was still and quiet after.....Another cop approached the one I just shot." "As he went to kneel I took a shot at him and jumped in the door. His legs were visible and still. I ran back to the jeep.... I made maybe half a mile from the GL road and hit a road block. I didn't expect one so soon. It was only 15-20 min. I did a K turn ¼ a mile from them and pulled into a development I knew had unfinished access (sic) road....." "Hearing helos I just used my marker lights missed the trail around a run off pool and drove straight into it. ! Disaster!" "Made half attempt to stash AK and ran." A review of the notes did not give any indication that the identities of either Trooper shot were known by the shooter. The handwritten notes were subsequently forwarded to the PSP Question Documents Section for analysis.

22. On 09/24/14 Cpl. Edward ISENBERG, of the PSP Bureau of Criminal Investigation, went to Eric Matthew FREIN's residence and received consent from the his mother, Deborah FREIN, to seize personal items of Eric Matthew

FREIN that would contain his DNA. ISNEBERG subsequently seized a dental pick from Eric Matthew FREIN'S bathroom, which was directly off his bedroom at residence. The dental pick was subsequently forwarded to the PSP Laboratory for DNA analysis.

23. On 10/06/14 I was notified by Jeffery ZACHETTI of the PSP DNA Forensic Laboratory Section that a DNA pseudo standard for Eric Matthew FREIN was obtained from the dental pick seized from his bathroom on 09/24/14. ZACHETTI also related that the DNA pseudo standard from the dental pick was linked to the DNA profile obtained from the water bottle and olive drab ammunition pouch located at the campsite in the State Game Lands in Price Twp., Monroe County on 09/18/14.

24. On 10/21/14 I spoke with Jeff FUMEA, who is the Forensic DNA Scientist Supervisor at the PSP Greensburg Regional Laboratory and he related that the DNA pseudo standard for Eric Matthew FREIN from the dental pick was linked to the DNA profile obtained from the water bottles, sweatshirt, and cigarettes recovered from the Jeep Cherokee bearing PA registration DJV 5220, which was located in Blooming Grove Twp., Pike County on 09/15/14.

25. After an extensive search and manhunt Eric Matthew FREIN was taken into custody on 10/30/14 by members of the United States Marshalls Service at the Birchwood Pocono Airpark, in Pocono Twp., Monroe County, PA. Eric Matthew FREIN was subsequently transported to the PSP Blooming Grove Station, located at 434 SR 402 in Blooming Grove Twp., Pike County.
