MEMORANDUM

TO: All Superintendents

FROM: Joseph Bellnier, Deputy Commissioner for Correctional Facilities
Jeff McKoy, Deputy Commissioner for Program Services

SUBJECT: New York Times, Sunday March 1, 2015

DATE: March 3, 2015

It has been brought to our attention that the New York Times, Sunday Edition, March 1, 2015 has a cover story entitled "A Brutal Beating Wakes Attica's Ghost: A Prison, Infamous for Bloodshed, Faces a Reckoning as Guards Go on Trial." This article is found on pages 1 (Front page), 18, 19, and 20.

The Central Office Media Review Committee reviewed this article on March 2, 2015. Pages 18, 19, and 20 have been found unacceptable as portions might be disruptive to orderly facility operations. The Central Office Media Review Committee determined that guidelines II-D: present a clear risk of lawlessness or rebellion against Government authority; guideline II-E: advocates by clear implication, disobedience toward prison personnel; H-3: contains map that could aid inmates in an escape; and H-6: map provides information instructive in methods for rioting.

All copies of this Sunday Edition of the New York Times must be referred to the Facility Media Review Committee for redaction and completion of the Media Review process. The Facility Media Review Committee is directed to redact pages 18, 19, and 20 exactly as shown on the attachment.
