DIGEST FOR ESB 50**

Citations Affected: IC 34-13-9.

Synopsis: Antidiscrimination safeguards. Indicates that the law related to adjudicating a claim or defense that a state or local law, ordinance, or other action substantially burdens the exercise of religion of a person: (1) does not authorize a provider to refuse to offer or provide services, facilities, use of public accommodations, goods, employment, or housing to any member or members of the general public; (2) does not establish a defense to a civil action or criminal prosecution for refusal by a provider to offer or provide services, facilities, use of public accommodations, goods, employment, or housing to any member or members of the general public; and (3) does not negate any rights available under the Constitution of the State of Indiana. Defines the term provider. **(This conference committee report deletes the provisions concerning elections in SB 50, as amended by the house, and inserts provisions related to the law governing adjudicating a claim or defense that a state or local law, ordinance, or other action substantially burdens the exercise of religion of a person.)**

Effective: July 1, 2015.
