Good morning:

Please find attached the referral candidates and applications for **PIN 3896, DIS, SUPV, Harrison County; PIN 3099, DIS TRNE, Forrest County; PIN 2511, DIS, SUPV, Pike County; PIN 5470, DIS TRNE, Marshall County; and PIN 2487, DIS, SUPV, Leflore County.** DIS Supervisor for Team 6 PIN was abolished and I had to reapply for another PIN. Leslie Philipp is in the process of handling that. I will email her and let her know to follow up with you.

██████████ is quarantined for ██████████ ██████████ is back at work from being quarantined.

Some DIS are working full time COVID and some are working part-time COVID.

The meetings with the DIS/Area Coordinators resumed this month. I was meeting weekly with the DIS Supervisor to discuss barriers, concerns, or issues that was impeding them from getting their work completed in a timely manner. Also, Christie and I were discussing with them grant objectives that they needed to strive towards to meet those objectives. And Christie setup some online courses for them and Passport to Partner Services online courses which started in July with deadline of September for the DIS Trainee. Team 5 will start once all their DIS Trainee are back at Crossroads.

If there is anything additional that I can help you with, please do not hesitate to communicate with me. Thanks!
