My husband and I were told about it by the Physios at Auckland Hospital when he had a Stroke.

2. What previous involvement have you had with the Society?

Please provide your answer here

None before John had a stroke.

3. Why do you want to become a member of the Society?

Please provide your answer here

I believe that when you receive great support from a charitable Society you have an obligation to join and support them.

4. Why are you applying for membership now?

Please provide your answer here

I want my husband to continue receive the wonderful help he has received and values from LFT

5. How do you intend to contribute to the Society as a member?

Please provide your answer here

I will help in any way I am asked to

6. Please give details of other charitable organisations in which you are involved (including name and purpose of the charity and nature and period of involvement)

Please provide your answer here

Currently I am President of Ranfurly Care Society, 52-56 Ranfurly Rd. Epsom. We support people with intellectual disabilities and have used the therapeutic pool for our residents and students for many years. It is the only therapeutic pool we know of in Auckland

I have been involved with Ranfurly Care 30 years.
