Folks,

Attached is a letter from IIA to the President-elect that we wanted to share with you. As you read the letter, you will see they mention an IG Vacancy at FDIC. Thus, I have informed IIA that Jay Lerner was confirmed by the Senate last session and is in place as the FDIC IG.

Additionally, FYI - we wanted to share a link to a recent OpEd by Michael Bromwich that appeared late last week in the Washington Post - https://www.washingtonpost.com/opinions/the-investigation-of-james-comey-is-exactly-what-the-country-needs/2017/01/14/83a558b0-da97-11e6-b8b2-cb5164beba6b_story.html?utm_term=.e7d65ebf832e

Thanks

Mark

Good morning Mark; hope you are doing well. I wanted to share the attached letter that we recently sent to the Trump Transition Team concerning the important role of Inspectors General. As you will see, we included a recommendation that the administration utilize CIGIE as a resource for identifying qualified individuals to fill any vacancies.

We look forward to working with you on these important issues.

Regards,
