

BEFORE ME, the undersigned authority, on this day personally appeared the undersigned affiant who, after being duly sworn by me, on oath stated: My name is E. Montenegro #6991 and I am a peace officer of the City of Dallas, Dallas County, Texas. I, the affiant, have good reason and do believe that on or about the 10th day of March, 20 17, one (name of suspect) RISER, Bryan, Keon did then and there in the City of Dallas, Dallas County, Texas commit the offense of Capital Murder, a violation of Section 19.03 of the Texas Penal Code, a Capital Felony.

Affiant's belief is based upon the following facts and information which Affiant received from:

Affiant's personal investigation of this alleged offense.

_____, a fellow peace officer of the City of Dallas, Dallas County, Texas, who personally participated in the investigation of this alleged offense, providing this information to Affiant, and whose information Affiant believes to be credible.

On Friday, March 10, 2017, at about 11:39 p.m., Dallas Police officers responded to 200 Santa Fe Avenue, Dallas, Texas, [Trinity River] regarding a dead female in the water. The dead female, later identified as Liza Saenz, was found shot multiple times.

During the course of this investigation, three suspects were identified and arrested for their participation in the kidnapping and killing of Complainant Saenz. Charges of Capital Murder have been filed on the three individuals involved in the participation and killing of Complainant Saenz. Due to the sensitive nature of this case those individuals will not be named but will be referred to as witness, associate #1 and associate #2.

On August, 12, 2019, Assistant District Attorney (ADA) Trey Stock informed Detective Montenegro, #6991, that the witness, who at the time was a suspect in the Capital Murder, and will be referred as witness from hereafter, wanted to come forward with information regarding Suspect Riser's participation and involvement in the Capital Murder case of Complainant Saenz. Arrangements were made between the witness' attorney to have the witness transported to Dallas Police Headquarters to be interviewed. The witness will not be named at this time. Providing detailed information of the witness could put the witness in immediate danger. The assistance of the FBI-Public Corruption Unit was requested.

On August 14, 2019, the witness was transported to Dallas Police Headquarters from the Dallas County Jail with the assistance of the US Marshals Service. Detective Montenegro read the witness' Miranda Warning in the presence of the attorney. The witness waived his rights and agreed to talk to Detective Montenegro in the presence of his attorney. The witness incriminated the suspect in connection with the death of Complainant Saenz and with the kidnapping and killing of a second victim, Complainant Douglas.

The witness lost communication with the suspect; however, in 2013 they reconnected. From that point, they began communicating back again through cell phone. During their communication, Suspect Riser contacted the witness and asked him [witness] if he was still doing the things that they were doing when they were young [referring to the licks and burglarizing]. According to the witness, the suspect shared his plan with the witness. The plan was that the suspect would provide intelligence on "spots" [drug houses] and the witness and the witness' crew would rob the drug houses. The arrangement and agreement were that if any drugs were taken, the witness would keep the drugs and if any money and guns were taken the suspect would keep them. The witness stated that the plan did not materialize because Suspect Riser came to him with another job which consisted in the kidnapping and killing of an individual.

The witness and Suspect Riser met at various places. They met at a donut shop near Simpson Stuart and Bonnie View and at Miller Family Park located at 2800 Persimmons where they discussed the plan to kidnap and kill Complainant Douglas. The suspect provided the witness with a physical description of complainant Douglas and where he could be located. The suspect drove the witness to the location where the complainant was at and identified him as the person that needed to be kidnapped and killed. Suspect Riser offered the witness \$3500.00 dollars for the kidnapping and killing of the complainant. The witness accepted the offer.

Several days after the meeting with the suspect, Complainant Douglas was located by the witness and associate #1. The complainant was stopped, handcuffed, and placed in associate #1's vehicle. They drove the complainant to 200 Santa Fe where he was shot and killed. The complainant was dumped in the river. Several days later, the suspect went to associate #1's residence to pay the agreed amount of \$3500.00 dollars. This was later corroborated by a text message sent from the witness to the suspect providing associate #1's address [REDACTED]
