SULLIVAN:

Protecte :

Surveillance

SULLIVAN:

WARKENTIEN: Are you gonna walk crossways like that?

SULLIVAN: Um

00:01:56

Protecte :

Walk across like this?

SULLIVAN:

Surveillance

WARKENTIEN:

SULLIVAN: Let me put this one here and (inaudible) sticks.

WARKENTIEN: Okay.

SULLIVAN: (inaudible)

Protecte :

I think it'll hold.

SULLIVAN: Alright.

WARKENTIEN:

Surveillance

Protecte :

Alright.

WARKENTIEN:

Protecte :

Surveillance

00:02:40

SULLIVAN:

Protecte :

Right.

SULLIVAN: Alright, just before we go, since all of this is on, I just wanna make sure you came to us voluntarily. Is that correct?

Protecte : Correct.

SULLIVAN: Um, we, did Detective Warkentien or anybody at the Jacksonville Sheriff's Office make you any promises of your assistance?

Protecte : No, they didn't.

SULLIVAN: Okay. And everything you're doing again is freely of your will and you reached out to us. We didn't even know you before

Protecte : Correct.

SULLIVAN: the other day, right?

00:03:04

Protecte : Right.

SULLIVAN: Okay.

00:03:23

SULLIVAN: The time is, what we said? 1:05 - He's four to six hours, alright?

Protecte : Okay.

SULLIVAN: If it happens after that, I can't guarantee it won't be on there. So just, just be cognizant of the time and see if he said the time is in there, okay?

Protecte : Okay. (00:03:43)

00:20:21 – 01:51:36

Protecte : What's going on, Tillis? I wanna know if you can help me with this, um, this motion. I'm probably gonna have to find, I'm probably gonna have to find a table to clean off before I can get into it. But I know by you having that one, um, that hearing to introduce, ah, evidence, you'll be familiar with it and, um, that's what I got going on right now. I'll probably just sit it in here for a little while.

00:20:47

TILLIS: What motion are you working on?

Protecte : Um, I, I got a Motion to Suppress that, um, that I wanna get started on and then I got a, ah, a Motion to Introduce, ah, Evidence. And, um, I just, I just done a Motion to Produce Favorable Evidence. I don't know if they'll go for it but, ah, it's worth a shot though.

00:21:17

Protecte : I was at a, a attorney visit just now.

TILLIS: Yeah.

Protecte : And my attorney, she had went over some things with me. First, she, she was gonna show me, um, some interviews where the detective had called in, ah, some witnesses on their behalf and, um, and

00:21:42

TILLIS: Well, she's still helping you, ain't she?

Protecte : Yeah. I mean she's working good; but, but, but the laptop wouldn't work at first and so that's what I was over there sittin' there waitin' on and then they had that Ebron thing going on.

TILLIS: Oh, I didn't know that.

Protecte : Yeah. They got that going on. I heard he just, ah, went over there and read a letter in open court and he took a, ah, a plea agreement.

00:22:03

Protecte : And, um, it's supposedly for 20, but I don't

TILLIS: Damn. That's kind of steep.

Protecte : Yeah. So, so, ah, they finally got the, um, the laptop to work and I seen this one girl. They had asked me, did I know her? They was like man, do you know this girl named, ah, Alexandria? And I'm like, no, I don't know no Alexandria. I don't know no Alexandria.

00:22:37

Protecte : This is what my attorney was asking me, you know? So I ain't had no reason to lie to her and I was telling her I don't know any Alexandria. But then come to find out, when they let me see her, I know exactly who they was talking about. I always knew her as Alexis, though. I never knew her as Alexandria.

TILLIS: Yeah.

Protecte : And so she ain't really say nothin' that could, um, that could be harmful to me. She just basically told the truth. You know what I'm saying? So

TILLIS: Yeah.

00:22:58

Protecte : I really, I really wasn't worried about her but what, what I was focusing on was asking my attorney questions as far as dealing with the, ah, the lack of subject matter of jurisdiction and things like that because I'm like man we, we can get into the charges but before we get into the charges, I wanna get into the arrest itself. You know what I'm saying?

TILLIS: Yeah.

Protecte : I wanna get into the arrest itself and I wanna attack everything on the front end. That way you know we may not even have to go. You know as far as what, ah, what we think we do.

TILLIS: Yeah.

Protecte : You know what I'm saying?

TILLIS: Well, if you attack it that early then, then the rest is irrelevant. Yeah.

00:23:31

Protected: Yeah. But, um, that Ebron guy man, they said, um, he, he, he said, um, basically he was saying he didn't, he didn't do anything malicious or anything. He was saying, um, the baby drowned. You know so I guess after the baby drowned, he was scared or maybe he was you know wanted to help the girl. He was in love with the girl or whatever and I don't know, I don't know what they're gonna do with the girl.

00:23:58

Protected: But, ah, he was saying that the baby drowned so I don't know if they discarded the baby by throwing him on the side of the road or if, um, if they, if they buried him. You know what I'm saying? But, um, they said, he took, he took 'em to the location or whatever and he got a little deal out of that.

TILLIS: Yeah, I heard that, too. Yeah.

Protecte : Oh, you had heard some 'em like that?

TILLIS: Yeah. Yeah, that kind of gossip going around.

Protecte : Yeah. That's basically what I heard as far as gossip, too. Yeah, but I did hear an officer saying that, um, it was a lot, it was a lot of publicity and junk behind this and it was a big day to day so you know that kind of corroborated, um, what I was hearing as far as, ah, him making a deal today.

TILLIS: Yeah.

00:24:43

Protecte : Then you know they do sentences on Fridays and junk.

TILLIS: Yeah.

Protecte : Yeah.

TILLIS: Well, shit like that weighs on its conscience too I would imagine. You know anytime you put somebody in the ground or get rid of them like that, it'll, it'll weigh on their conscience for a long time so maybe that's what prompted him to say some 'em too. You know not only gettin' a deal for himself but also you know to get off of whatever was bothering him.

Protecte : Yeah.

TILLIS: And stuff like that and

Protecte : Yeah. I ain't never, ah, took nothin' that far you know but I have done some things you know that, that weighed on my conscience as well you know like even stealing. You know what I'm saying?

TILLIS: Yeah.

00:25:18

Protecte : Out of my parent's wallet or purse or some 'em you know

TILLIS: Yeah.

Protecte : It could

TILLIS: People deal with it in different ways. Yeah.

Protecte : Yeah. Yeah.

TILLIS: All of it weighs on your conscience.

Protecte : Yeah.

TILLIS: Pretty, pretty bad

Protecte : Yeah.

TILLIS: I did, um, I copied that motion for Dee and

Protecte : Yeah.

TILLIS: I understand that, yeah, I understand it was, um

00:25:39

Protecte : Yeah. I, um, I remembered y'all was working on a motion yesterday or whatever and, um, that's what I was gonna, that's what I was gonna come to you about today because, um, after talking to my attorney, we already you know pretty much know what direction we wanna go into.

TILLIS: Yeah.

Protecte : But with her being so busy, I tried to do a lot of things on my own and, um, I don't wanna just rely on her you know I wanna, I wanna do as much as I can too, to, ah, free myself.

TILLIS: Yeah.

00:26:02

Protecte : And, um, I really strongly feel like you know if, if this motion was granted you know maybe we'll be able to, ah, work some, some type of deal out.

TILLIS: Yeah.

Protecte : Yeah. But I already know that you, ah, you may have experience with a motion that I wanna use.

TILLIS: Yeah.

Protecte : Because I remember you dealing with some 'em like that perhaps, perhaps last month or the month before or some 'em. So

TILLIS: Yeah.

Protecte : So you're done, you're done with, um, with helping, Dee?

00:26:30

TILLIS: Yeah. I'm, I'm finished with that so far for right now. Yeah.

Protecte : When?

TILLIS: I don't know. I just kind of my, ah, misdemeanor attorney, ah, contacted me and it was about an hour or some 'em ago.

Protecte : Yeah.

TILLIS: And, ah, gave me some time, odd news about, ah, about that property over there that I, that I own.

Protecte : Yeah.

TILLIS: Yeah. They're scheduling it for demolition.

Protecte : The entire property?

00:26:56

TILLIS: Well, just for the, the structure on the property. You know they're gonna tear the building down.

Protecte : Yeah.

TILLIS: And, ah

Protecte : Are you talking about the, the residence?

TILLIS: Yeah, and the house and all. Well, see once they, once they arrested me the, ah, the neighbors have been on my ass, have been on my ass for years.

Protecte : Yeah. I remembered you told me you have some really nasty neighbors.

TILLIS: Well, I had a hard time with them but, um, that's beside the point. But anyway, ah, once I was locked, once I was arrested on this charge here and put in jail, then, um, the neighbors continued to pursue the city to condemn the property.

Protecte : That's being bitter, man. That's spiteful.

00:27:30

TILLIS: To the demotion of the house - Man, they've, they've got their own agenda with whatever, with whatever it be, I'm not sure. But, um, anyway, I got some papers today, ah, ah, disclosing that they were gonna demolition that building and, um, I don't know if my fucking brother is aware of it or what's going on with him. But, um

Protecte : What's going on?

TILLIS: Hey. What's going on with you? But they, they brought that up.

Protecte : I was gonna tell you, but I was gonna wait a day and got over that way I ain't have to tell, say it twice.

MALE: I got 'cha.

Protecte : Alright.

00:28:02

TILLIS: Hey, ah, I didn't, um, I don't know if my brother is aware of it or not. I was kind of hoping he was but I didn't know whether to write him or, or just leave it alone you know. [REDACTED] Protected [REDACTED] Protected [REDACTED]

Protecte : Yeah.

TILLIS: Yeah, because, um, I don't know how extensive the demolition will be. I don't know if he knows it's occurring or what he thinks if gonna happen as far as my brother.

Protecte : Right.

TILLIS: Yeah, I don't know.

00:28:32

Protecte : Man, maybe, maybe you wanna contact him but you might wanna be careful about writin' a letter. You know you might

TILLIS: Yeah. I'm scared to contact him or say anything.

Protecte : Yeah.

TILLIS: I'm afraid not to say some 'em. It's kind of like one of them catch 22's you know.

Protecte : Has he ever came up here to see you?

TILLIS: No.

Protecte : Yeah. I was about to say if he come to see you, you can probably write it on a piece of paper and put it on a glass or some 'em.

TILLIS: Yeah, and maybe some 'em like that. Yeah, but, um

00:28:52

Protecte : Yeah. But I don't think you wanna, you I don't think you wanna write him a letter you know and I definitely don't, ah, think talking to him on the phone would be the best idea.

TILLIS: Well, I don't

Protecte : Do you, do you have a way to contact him?

TILLIS: Yeah, I can write him but writing him letters (inaudible). I can't call him.

Protecte : Yeah.

TILLIS: Yeah. I mean he, um, he knows what's on that property over there.

Protecte : Yeah.

TILLIS: Yeah, and he knows what's there and he knows, um, he knows the situation, too.

Protecte : Right.

TILLIS: But, ah, I don't know; I assume that he knows that they're fixin' to demolition that house.

Protecte : Yeah.

TILLIS: So I don't know.

Protecte : So

00:29:24

TILLIS: He might just think, my brother's got kind of a strange kind of thinking pattern.

Protecte : Yeah.

TILLIS: It's kind of like he doesn't, ah, I guess if he isn't actually, ah, his name isn't involved or he's not actually doing it, then he feels like he didn't do nothin' or some 'em. I don't know or maybe it wouldn't come back to bite him in the ass.

Protected : Yeah.

TILLIS: It's kind of like his chop shop out back you know.

Protecte : Right.

TILLIS: Yeah. As long as he don't steal the vehicles, then people bring them there you know stolen then that's okay. He doesn't mind chopping them up and using the pieces.

Protecte : Yeah.

TILLIS: But he justifies it by not, ah, by not actually stealing the vehicle himself.

Protecte : Right.

TILLIS: Well, I didn't do nothing dah, dah, dah, you know. I've just got the parts.

00:30:00

TILLIS: You know well the fucking car is stolen just like that property over there. You know what I mean?

Protecte : Yeah.

TILLIS: Yeah, and I mean the property is not in his name. But, but the, um, what's on that property can be tied to him in some ways you know. I mean he's not completely, um, oblivious to what's, what's there and how it got there and the whole situation. You know what I mean?

Protecte : When you first told me about him, I kind of took him as the type of guy that was you know thinking that he was holier than thou when you told me you know he tried to get onto you for doing dope and then you'll, and then you'll be like man look, look at you.

TILLIS: Yeah.

00:30:30

Protecte : I mean look, look, do you think I'm stupid? I know about all of this. You know I know what's going on. I see all of these different vehicles over here and all of this different stuff over here or whatever.

TILLIS: You know people try to justify their own. Do you know what I mean?

Protecte : Right.

TILLIS: Yeah, people

Protecte : But one thing isn't better than the next.

TILLIS: Yeah, but that don't, you know what I mean? That's why I'm kind of skeptical about ever pointin' the finger. You know what I mean? Because of the shit I do. You know what I mean?

Protecte : Yeah.

TILLIS: Yeah. Protected

Protecte : Right.

TILLIS: Protected Hell yeah.

Protecte : Yeah.

TILLIS: You know but yeah he is, too. I don't, you know what I mean?

00:31:00

TILLIS: Protected
Protected but that was okay.
He didn't mind if they were there Protected and, you know what I mean?

Protecte : He didn't have nothin' to say about that.

TILLIS: No, that was okay. He didn't mind that. Protected
Protected

Protecte : Yeah.

TILLIS: You know what I mean? I was like goddamn you know what time it is. You know
Protected

00:31:30

Protecte : And he wanted to do it for free?

TILLIS: Protected That ain't, that didn't that wasn't really the point. The point is that he justifies it in his mind that, that is okay.

Protecte : Yeah, in his mind he, he

TILLIS: Yeah.

Protecte : thinks it's okay because he

TILLIS:

Protected

Protected :

TILLIS:

Protected : Yeah.

TILLIS: Like hell you know, but that last time when he come over there and he, he, ah, well like the old boy, one of them guys, Jimmy, that had been coming over there, Jimmy had a little money now.

00:32:05

TILLIS: But, ah, ah, and he would come over there and, um, one night we were over there getting' high and, ah, I had, ah, Protected

Protected

Protected

Protected

Protected

Protected

00:32:35

Protecte : Yeah. I was sittin' here thinking in my head like man you've got to know who you're dealing with in order to, to let them go and to not come back and bite you in the butt.

TILLIS: You would think they would, but a lot of girls won't. You'd be surprised.

Protecte : Yeah.

TILLIS:

Protected

00:33:06

TILLIS: Protected
Protected And then I was over at my brother's later, then he offered. He and I were talking about it and he said, Protected

left. But Jimmy come back over about a week later, I guess, shit this was the early part of I don't know probably about '14, 2014, somewhere around there. The early part of it, I don't know the exact dates.

Protecte : Yeah. I, I came in here in '14.

00:33:39

TILLIS: Yeah. Well, I was, ah, still in the streets but Jimmy come over here (inaudible).

Protecte : So you ain't been in here that long. Well, like six or seven months?

TILLIS: Yeah, about a year.

Protecte : About a year

TILLIS: About (inaudible) 10 months, nine months

Protecte : Okay.

TILLIS:

Protected

Protected

Protected

Protected

Protecte : Shh-. That's like torture or some junk.

00:34:02

TILLIS: He breaks, yeah, and he breaks her fucking cheek bone and he breaks her nose. Fucking knocks some of teeth out. He beats the dog shit out of her.

Protecte : Dang.

TILLIS: And, ah, then I get on his ass. I said, god-damn, what are you doing, Jimmy?

Protecte : Is that how he off or some 'em?

TILLIS: Well, I guess, he's a freak like that.

Protecte : Yeah.

TILLIS: Yeah. That's why he pays me to come over there because he can be rough with her and he don't have no, no repercussions.

Protecte : Right.

TILLIS: You know it mean she don't go tell on him and call the police.

Protecte : Yeah, and don't go to jail.

TILLIS: Yeah. So, ah, I tell him damn, Jimmy, you know you done messed her up. Protect

Protected

00:34:27

TILLIS: So Jimmy says (inaudible) Protected
Protected

Protecte : Yeah.

TILLIS: I mean after that.

Protecte : She'll have to go to the hospital or some 'em.

TILLIS: I know, man. Protected
Protected

Protecte : Yeah.

TILLIS: You know what I mean?

Protecte : Yeah.

TILLIS: Protected Protected Hell no, Protected
Protected

Protecte : Shew (sound)

00:34:47

TILLIS: Protected

Protecte : Was she doped up?

TILLIS: No, not really.

Protecte : Dang, boy.

TILLIS: Protected
Protected

Protecte : Yeah.

TILLIS: Protected

Protecte : Protected

00:35:16

TILLIS: Protected
Protected

Protecte : You couldn't break her spirit.

TILLIS: No, exactly, you couldn't break her spirit.

Protecte : (chuckles)

TILLIS: [Redacted] Protected
old boy, David, he, [Redacted] Protected
[Redacted] Protected But, um

[Redacted] : Oh, he was pretty picky?

TILLIS: Yeah, exactly, yeah, he was kind of finicky. Well, he didn't have that much money either so but Jimmy had a little money.

00:35:42

[Redacted] : Well, man, beggars can't be choosy, man. If he didn't have enough

TILLIS: Yeah.

[Redacted] : money, you know

TILLIS: Well, anyway he, ah, [Redacted] Protected
you know.

[Redacted] : Uh huh.

TILLIS: So, ah, [Redacted] Protected

[Redacted] : Would you keep them blind-folded or they could?

TILLIS: [Redacted] Protected

[Redacted] : So you would let them see your face.

TILLIS: [Redacted] Protected

[Redacted] : So you'll let them, them see?

TILLIS: [Redacted] Protected

[Redacted] : Okay. I, that's what I'm thinking. I'm like you, you

TILLIS: Yeah.

[Redacted] : You can't be planning to let them go if you

TILLIS: [Redacted] Protected

[Redacted] : let them see the location and your face and stuff

00:36:10

TILLIS: [Redacted] Protected

[Redacted] : So you pretty much just had to judge them.

TILLIS: Exactly, yeah.

[Redacted] : On a, on an individual basis

TILLIS:

Protected

Protecte :

So you went, so were you going for like younger girls? Or, it pretty much didn't matter the age as long as she was attractive?

TILLIS:

Protecte :

Protected

TILLIS:

00:36:51

Protecte :

Because I, I had a picture in my head thinking they was probably younger or some 'em.

TILLIS:

Protected

Protected

Protected

Protecte :

Yeah.

TILLIS:

Protected

Protecte :

Yeah.

TILLIS:

Protected

Protecte :

Right.

TILLIS:

But, um, then I had

Protecte :

TILLIS:

Protected

Protecte :

Yeah. I never, I never thought about that but I know when I, yeah.

00:37:33

TILLIS:

Protected

Protecte :

Dang, man, I know that got, I know that got messy though. That had to be gruesome.

TILLIS:

Well, it took a long time but see for that well not that it was real messy because I had the nice, I had the big garage to work in. I had the facility.

Protecte :

Yeah.

TILLIS:

Protected

Protecte :

See I never thought about that part.

00:38:00

TILLIS:

Protected

Protecte :

Yeah. It's easier to carry.

TILLIS:

Protected

Protecte :

He ain't beat her up like he did the last one.

TILLIS:

But, yeah, but my brother asked me one day about coming over there and
Protected
to.

00:38:33

TILLIS:

But that morning Jimmy had, ah, he had given me four boxes of Sudafed and wanted me to cook him a quarter ounce of fucking Meth.

Protecte :

Yeah.

TILLIS:

Right. He had given me three about 350 to cook it. Yeah, all I do (coughs), all I do is cook the dope.

Protecte :

Yeah.

TILLIS:

Yeah. I didn't really supply the ingredients. I just cook it for him. But, ah, even that 350, but he had come over that morning and gave me four boxes and wanted a quarter ounce. So I told him I said, yeah, yeah, I'll cook it for you. I'll cook it for you. Let me get back with you that night and, ah, that day my brother was Protected But, ah, when he got over there, the fucking girl recognized him.

00:39:08

TILLIS:

And she knew him from somewhere. How is that for fucking luck; huh?

Protecte :

Shh-

TILLIS:

(chuckles) Yeah, and my brother

Protecte :

Big as this city is, man

TILLIS:

Well, my brother fucking freaked out, man. He's real, real like I said, he's that mother-fucker he can talk and he's got a gift (inaudible) from hell, man.

Protecte : Yeah.

TILLIS: Yeah, and act, you would never you would think he was a deacon at the church.

Protecte : (laughs)

TILLIS: The whole time he's frisking your pocket and taking your money.

Protecte : Yeah.

TILLIS: Yeah. Oh, he can talk.

Protecte : Hell yeah.

TILLIS: He's got a (inaudible) act game to go with it you know.

Protecte : Yeah.

TILLIS: So, um, she recognizes my fucking brother, right?

Protecte : And, what he does? He screams and rip.

00:39:38

TILLIS: Yeah. He freaks out. Hey, he said, Protected

Protecte : (laughs)

TILLIS: Protected

Protecte : Yeah.

TILLIS: Jimmy, Jimmy was in love with her, man.

Protecte : Yeah.

TILLIS: Protected Protected

Protecte : (laughs)

TILLIS: I said, hold up, man. Protected
Protected.

Protecte : Yeah.

TILLIS: (coughs) Protected
Protected.

Protecte : No.

TILLIS: She ain't gonna get away, man. Don't worry about it.

Protecte : Yeah.

TILLIS: Don't worry about it. She, no, if some 'em was to happen if that bitch was to say my name, then he started gettin' scared.

Protecte :

Yeah.

00:40:04

TILLIS:

Because see up to then, it wasn't nobody but me and him knew.

Protected :

Yeah.

TILLIS:

That's what I was telling you, he's, he's okay as long as nobody knows what he's doing.

Protected :

Right.

TILLIS:

Yeah, now

Protecte :

As long as his hands are clean

TILLIS:

Yeah. Now since it's outside of me and him, she's done seen him.

Protecte :

Yeah.

TILLIS:

Protected The girl knows what, knows what's going on.

Protected :

She know what time it is.

TILLIS:

Yeah, and Protected
Protected
Protected

00:40:29

TILLIS:

Bubba, he's like man you've gotta kill that bitch. And I said, hey, I don't wanna kill her, right? So he, he tells me he says (inaudible) and then I tell him; I said, look man, I've got some 'em I've gotta do this afternoon. I was referring to cooking the dope for Jimmy.

Protected :

Right.

TILLIS:

I didn't have time to get involved in that right now. Let's just put it off for a couple of days. No, no, no, he didn't wanna leave. No, no, no, I can't leave. I can't leave. Protected
Protected

Protected :

Yeah.

TILLIS:

Protected

Protecte :

Yeah.

00:40:56

TILLIS:

No. I don't wanna, I don't wanna, I don't; then he gets fucking and starts that talk game on me. Protected

Protected :

Shh-

TILLIS: And, ah, I told him; I said, look man [Protected]

[Protecte] : You

TILLIS: [Protected]

[Protecte] : Yeah. I was about to say, he would've had to do his own dirty work.

TILLIS: [Protected]

[Protecte] : Yeah.

TILLIS: And, ah, he said, okay, okay; we'll do it that way. We'll do it that way. [Protected]

[Protecte] : Uh huh.

00:41:22

TILLIS: [Protected]

[Protecte] : [Protected]

TILLIS: [Protected]

[Protecte] : Uh huh.

TILLIS: [Protected]

[Protecte] : [Protected] Shit, I can ride the bicycle down the street

[Protected] : Yeah.

TILLIS: [Protected]

[Protecte] : Yeah.

TILLIS: [Protected]

[Protected] : Right.

TILLIS: Do you follow me?

[Protecte] : I see what you're saying.

00:41:51

TILLIS: [Protected]

[Protected] : h, I, I gotta get back to the shop, man. My wife's over there and I got a customer coming and I got a car I gotta put out, blah, blah, blah, and I, I can't stay. He's just talking now to get out of it.

Protecte :

Uh huh.

TILLIS:

Because he don't wanna fuck with it no more, right?

Protecte :

He probably can't stomach it.

TILLIS:

Protected

Protecte :

He didn't puke or nothin'?

TILLIS:

No. He didn't puke then so I guess he

Protecte :

(chuckles) He just didn't wanna do it.

TILLIS:

Well, maybe that was, maybe that's what got the best of him.

Protected:

(laughs)

TILLIS:

Protected

Protected

he wasn't, he wasn't down with it no more. I don't wanna do it. I don't wanna do it.

00:42:27

Protecte :

TILLIS:

Protecte :

Protected

TILLIS:

Protected:

How do you?

TILLIS:

He's trying to talk. He's

Protecte :

00:42:58

TILLIS:

Protected

Protected:

TILLIS:

Well, I don't have, ah, I don't have any animals on my property. But down the road

Protecte :

(coughs)

TILLIS:

(inaudible) the animals don't fuck with her

Protected:

Oh, okay.

TILLIS: It's a kind of a, ah, it's kind of a wet land.

Protecte : Yeah.

TILLIS: Ah, so they don't, ah, the animals don't, ah, they don't really fuck with it.

Protecte : They can't get to it.

TILLIS: Yeah, exactly.

00:43:36

TILLIS:

Protected

Protecte : Uh huh.

TILLIS:

Protected

Protecte : Uh huh.

TILLIS: You know what I mean? Because I, well, I didn't

00:44:07

Protecte :

TILLIS:

Protecte :

TILLIS:

Protected

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

Okay.

TILLIS: Okay, and but when I was

Protecte : To travel with her

TILLIS: Yeah. So what I was gonna do was

00:44:32

Protecte :

But you was in a rush, you had to cook that dope; huh?

TILLIS: I was gonna go in there and set the dope, set the dope up and start, and start not to cook it, but just gettin' ready.

Protecte : I was about to say.

TILLIS: Protected

Protecte : I was about to say if you start cooking, you might burn down the property trying to do.

TILLIS: No, no, I wouldn't burn down the property but I

Protecte : Oh

TILLIS:

Protecte :

TILLIS:

Protecte :

Protected

00:44:56

TILLIS:

Protecte :

TILLIS:

Protecte : I was thinking about that. I was like man you've got to have, you've got to know what you're doing, for one, and you've got to have a good hot spot.

TILLIS: You gotta have a good spot.

Protecte : To last this long

TILLIS: Yeah.

Protecte : And nobody ever find out anything? I mean

TILLIS: It's been about two and a half years.

Protecte : Man, guys get caught all the time trying to do, trying to do junk.

TILLIS: See that's what (inaudible) property right now. They're fixin' to demolition that property. I don't know if my fucking brother is aware of that shit. He might be but he's probably aware of it and been gone over there but he. Protected

Protected

Protecte : Uh huh.

00:45:30

TILLIS:

Protected

Protecte :

Right.

TILLIS:

Do you follow me?

Protecte :

Right.

TILLIS:

Protected

Protecte :

Yeah. You never gave him the details.

TILLIS:

Uh, uh. No, uh-uh, because he see when he left, I got pissed off at him.

Protecte :

Yeah.

TILLIS:

And, ah, then I didn't have time so I thought well fuck it.

Protected

Protected

?

00:45:52

TILLIS:

Protected

Protecte :

He got it made. He just come over there and get laid and leave.

TILLIS:

Yeah. Well, yeah, well he's been doing that for a while but like I said, see as long as he wasn't doing anything, he didn't think it was, he was committing a crime.

Protecte :

Right.

TILLIS:

Protecte :

TILLIS:

Protecte :

Protected

00:46:34

TILLIS:

Protecte :

TILLIS:

Protected :

TILLIS:

She'll point the fucking finger at him. Then he would

Protecte : His marriage and all will be in danger.

TILLIS: Well, hell (inaudible) he would end up in prison the rest of his life.

Protecte : Yeah, his freedom and everything.

TILLIS: He would never get out of it. He would never get out of it. If he's got a witness on the stand saying, yeah, you did that, he's stuck.

Protecte : Yeah.

TILLIS: You know what I mean?

Protecte : You're right.

TILLIS: So

Protecte : You can't beat that.

TILLIS: No. Well, it's hard to beat that. It's real hard. So he, ah, so he asked me the next day when I was over there talking with him, I was telling him, man, you cost me a lot of money and a lot of time, man.

00:47:00

TILLIS:

Protected

Protecte :

Yeah.

TILLIS:

Down the street, right?

Protecte :

Yeah.

TILLIS:

Because he asked me one time before about the little blonde Jimmy beat up; he said, Protected
Protected

Protecte :

Uh huh.

TILLIS:

Protected And he said, my God. He's like well, where at down the street? So I kind of give him, he's pretty familiar with the area so I kind of give him a, a

Protecte :

He grew up around there too?

00:47:28

TILLIS:

Yeah. I kind of give him a general description of where they're at. I mean I

Protecte :

Yeah, just out there.

TILLIS:

Yeah, right beside this tree or that tree.

Protecte :

And he didn't ask any, he didn't go into detail?

TILLIS:

No. He didn't (inaudible) about detail.

Protecte : Yeah. He just wanted to make sure.

TILLIS: Yeah. He just wanted to know. You know he was just curious, I guess. So I told him that, um, so he, um, evidently he was, he (inaudible) past but then the girl recognized him and I went back over there the next day, then he was real nervous.

Protecte : (chuckles)

TILLIS: Now, well now he's scared because the girl was

Protecte : Yeah.

TILLIS: You know but now Protected

Protecte : Yeah.

TILLIS: Yeah, he was fucking there. You know what I mean? He oughta help me.

Protecte : Yeah.

00:48:00

TILLIS: Protected

Protecte : Protected

TILLIS: Protected

Protecte : Protected

TILLIS: Protected

Protecte : Protected

TILLIS: You know what I mean? I, at least you couldn't point the finger at him.

Protecte : Yeah.

TILLIS: Yeah. You know you would be, he would be he would, that witness wouldn't be there to point the finger at him but it would be just as bad if I got caught with him.

Protecte : So, so that's, so it was kind of like a, like a sex ring.

TILLIS: Protected

Protecte : Yeah.

TILLIS: Public Decency

Protecte : Public Decency

00:48:33

TILLIS: Yeah, personal, me, me personally doing it. But, ah, Jimmy got a little money and after Jimmy started paying me I thought, well, goddamn it's I can get a couple of hundred here, two hundred here.

Protecte : Yeah, that's profitable.

TILLIS: And three hundred here and yeah, yeah.

Protecte : A whole lot, ah, cheaper than tricking and going out prostituting.

TILLIS: [Redacted] Protected [Redacted]
[Redacted] Protected [Redacted] You know and plus if you want to, when the guy comes over, you ran her out. You put the money in your pocket and you don't say nothing. [Redacted] Protected [Redacted]
[Redacted] Protected [Redacted]

Protecte :

00:49:01

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS: Yeah.

Protecte : Yeah.

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS: Yeah, but the end result is the same thing. You know what I mean?

Protecte : Yeah.

TILLIS: Until you make your money off of her

Protecte : Yeah.

TILLIS: Yeah. You make your money off of her. And after about a year and a half or some 'em like that, it got to be where it wasn't really personal. Then it was more business so to speak.

Protecte : Right.

TILLIS: Yeah. I mean you were doing it.

Protecte : Protected

TILLIS: No, hell no.

Protecte : (chuckles)

00:49:31

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

Protected

00:49:58

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte : So probably genuinely fell for you for real.

TILLIS: I don't know. I tell you people are, people are strange man sometimes.

Protecte : Yeah. You never can tell how

TILLIS: But, um

Protecte : somebody mind will work though

TILLIS: I told her and, man, Protected

Protecte : That's crazy.

TILLIS: And, um

Protecte : That's crazy.

00:50:27

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

Dang, that's crazy.

TILLIS:

But I, ah, so anyway I get the news today about my fucking property, man. They are thinking about like from what I can tell by the paperwork, they're scheduling the demolition of the building and, ah, I don't know what. You know what I mean?

00:51:00

TILLIS:

I don't know what my brother is whether he knows it or not.

Protected

Protected

Protected

Protecte :

If he knows that they're gonna demolition that property, he'd probably try to step up and do some 'em.

TILLIS:

I (inaudible)

Protecte : But listen, if they bulldoze the house, does that necessarily mean they have to dig? Or, do they have to lift the foundation or some 'em?

TILLIS: I don't know. I wouldn't think they would find it.

Protecte : Yeah.

TILLIS: You know what I mean? I don't, I don't know.

Protecte : Yeah.

TILLIS: I don't know. See it's, see it's kind of close to the septic tank, though.

00:51:28

TILLIS: If you went over there digging up the, ah, sewage pipe or you're inspecting the septic tank, then you may stumble onto it accidentally.

Protected: Yeah.

TILLIS: Yeah. And the code is that if you put another, ah, mobile home or anything on the property, you have to put in an above ground septic tank.

Protecte : Right.

TILLIS: Which would mean, ah, abandoning the old septic tank

Protecte : Uh huh.

TILLIS: So if you dug that out to abandon it or maybe take it out of the ground to get rid of it

Protecte : Right.

TILLIS: Protected Do you follow me?

Protecte : Dang.

00:51:56

TILLIS: So my point is that even though my brother doesn't know Protected
Protected

Protected: Yeah.

TILLIS: Do you know what I mean? I don't know what the fuck he's doing or even if he has anything to do with the property right now or not. But

Protecte : But that, that area itself though, it's not a bad area. It's a pretty good area.

TILLIS: No.

Protecte : So it's not really hot around there?

TILLIS: No. It's not really that hot around there.

Protected : So why do you, why do you think they wanna, they wanna demolition, ah, demolition the home? Because you haven't been able to pay for it

TILLIS: No. The house is paid for but it's just somebody

Protecte : What it is? The taxes

TILLIS: No, somebody broke the windows out of it. Once I got in here

Protecte : So it looks bad. It's an eyesore?

00:52:30

TILLIS: Yeah, yeah, exactly. Yeah, the grass is all grewed up and the fence is somebody went over there and knocked the fucking fence down and done this and done that. You know what I mean? And so the place is looking bad. They've got a couple of municipal code violations against it.

Protected : Shh-

TILLIS: The neighbors are, the neighbors want it fucking tore down you know so I don't know. I don't think I'm gonna be able to do anything as far as notifying my brother. I don't think even think it would do any good because

Protected : Do you think he's that sorry? Or, is he just paranoid?

TILLIS: He's just scared; he's scared.

Protected : He's scared.

TILLIS: Fucking he's scared. Protected
Protected

Protected : What a-?

TILLIS: try to get rid of it

Protected : What about?

00:53:00

TILLIS: Even though, because now Protected
Protected and point the finger at him.

Protecte : Right.

TILLIS: Do you follow me?

Protecte : Yeah. So he pretty much think he's in the clear.

TILLIS: Yeah, exactly, he would be in the clear because if they Protected I know what he would do. He would step back and oh, I don't know what the fuck is going on; and trust me, he's got such a convincing talk in him.

Protecte : Yeah.

TILLIS: You would, you would believe that, you would never know he's lying to you.

Protecte :

Right.

TILLIS:

But he can act; yeah, that boy can fucking act now.

Protecte :

What about?

TILLIS:

Shit.

Protecte :

What about the guy who broke the girl, um

TILLIS:

Cheek

Protecte :

cheekbone? You

TILLIS:

He knows I'm in jail but he doesn't

Protecte :

But he don't know about?

00:53:30

TILLIS:

No. He doesn't know about it. He don't know about it.

Protected

Protected He don't know

Protecte :

How?

TILLIS:

Protected

Protecte :

Right.

TILLIS:

You know what I mean? That ain't, that ain't some 'em to be talking about right now but and, ah, he's the kind of guy, he don't ask much anyway. You know

Protecte :

Yeah.

TILLIS:

He might ask you a question or two but he don't really talk to me too much.

Protecte :

Right.

TILLIS:

Yeah. So I don't know, I don't think

Protecte :

Do you think he ever told anybody about what, what he was coming around there doing?

TILLIS:

Um, I don't know.

Protecte :

You ain't never had no problems.

00:53:58

TILLIS:

I didn't have no problems, but he might have shared it with somebody along the lines but I can tell you it's no problems.

Protecte :

It never came back to you.

TILLIS: No, it never come back to me; none of it has. You know what I mean? I don't, I don't, ah

Protected: Protected

TILLIS: No, not at a time. No.

Protecte: It's too much?

TILLIS: Yeah.

Protecte: You can't control all of them.

TILLIS: Yeah, it's too much to take care of and too much to control. I wouldn't, you know what I mean?

Protecte: You wouldn't even risk it.

TILLIS: Yeah. I wouldn't risk that. Protected

Protected

TILLIS:

Usually, people don't come over to the house unannounced.

Protecte :

Yeah.

TILLIS:

People call first. You know what I mean? And we really didn't have a lot of traffic.

Protecte :

Traffic

TILLIS:

(inaudible) traffic (inaudible) - You know what I mean? I would, ah, I would simply, ah, ah, I would simply, ah

00:56:00

Protecte : You got to be careful about lettin' them go though because I seen in the USA Today where Bill Cosby, he got like 50 girls come forward talking about he drug them.

TILLIS: Yeah.

Protecte : And date raped them.

TILLIS: Yeah.

Protecte : And all sort of stuff.

How many victims Jeffery Dahmer had? Wasn't Jeffery Dahmer in Florida? I think

TILLIS:

Hell, he was eatin' them.

Protecte :

Yeah. I think he had a lot of witnesses.

TILLIS:

Protected

Protecte :

Yeah, but he was cuttin' them up Protected

TILLIS:

Yeah, but he was cuttin' them up for another purpose.

Protecte :

(chuckles) I heard his victims was all males.

TILLIS:

Yeah.

Protecte : (chuckles)

TILLIS: No. He cut them up so he could eat them.

MALE: Homeboy took 20 years today.

TILLIS: Who's that?

MALE: Ebron

Protecte : Yeah. I heard about Ebron taking 20.

MALE: It's all over the news. That's what my sister just told me.

Protecte : Yeah.

MALE: Well, you know Lonna's right there in Macclenny.

Protecte : I know; I know the little dude who died, ah, Hubba Bubba, the white guy who died. Remember, he was with them when they got, ah, locked up in the hotel?

MALE: Yeah. But listen, ah, Andy, you know my, my old lady, Andy.

Protecte : Andy, I know, Andy.

00:57:46

MALE: Andy was out there with them. She was at the motel. They was at a motel, um, fucking shootin' Mollies and stuff.

Protecte : Yeah. Yeah.

MALE: They was all out there together. I'm trying to think of his name, um

Protecte : His name is Shawn, but they

MALE: Exactly.

Protecte : Yeah.

MALE: Listen, I'm a tell you. When I got sentenced, I got sentenced for a year down here for, ah, for some bullshit. He's the one that brought Andy to the courthouse out there. I got sentenced for a year back in 2012.

Protecte : That's crazy. Man, he a pretty good dude. He came up in Margaretta with me, man.

MALE: Yeah. You stayed out in Margaretta?

Protecte : Yeah.

00:58:15

MALE: So you know, ah, Tyrone Tisdale and all of them.

Protecte : Yeah. His son got messed up, too.

MALE: I know Carlos, (inaudible), I know Gerard, Robert (inaudible)

Protecte : All of them just came home from the Feds.

MALE: Yeah.

Protecte : Carlos did 10. Gerard did like 12.

MALE: Yeah.

Protecte : And Robert did like 10.

MALE: Me and Robert, me and Gerard played football together.

Protecte : Yeah, yeah, them some pretty big boys.

MALE: That boy can hit, boy.

Protecte : (chuckles) Yeah.

MALE: Yeah. I played with Lamont Williams.

Protecte : Yeah. I know Lamont.

MALE: I played with Gerard; big old fat ass, Robert. That's where I used to get my dope from.

Protecte : Yeah, I know, Rob.

MALE: I've been knowing him my whole life.

Protecte : Yeah.

MALE: My, my brother-in-law is Ricky Haines. You don't remember Lisa Law?

Protecte : Lisa, who?

MALE: Lisa Law - She was one of

Protecte : Law

MALE: the finest bitches in Baker County

Protecte : No.

00:59:11

Protecte : But he don't really take care of her?

MALE: He don't, he don't have nothin' to do with his daughter.

Protecte : He probably ain't got that money

MALE: And she's so beautiful.

Protecte : Yeah, I know.

MALE: She's so pretty.

Protecte : I saw her when she was little.

00:59:41

MALE: Listen, she just did stomp the, stomp the some 'em competition at Ricky Coliseum and her little group she got, they come in four but they got backstage passes with Chris Brown.

Protecte : Yeah. Yeah. Yeah.

MALE: She got to hang out with him.

Protecte : Yeah.

MALE: Huh.

Protecte : Chris Brown a bad boy.

MALE: She can dance. She just came up there and seen me

Protecte : Yeah.

MALE: dancing with Melissa, ah

Protecte : Man, I ain't

MALE: last not last month, the month before that

Protecte : I ain't seen Destiny ever since she was little.

MALE: She was talking about, ooh, look at that thing on your head.

Protecte : (laughs)

MALE: (laughs) I told her. I said, I said, see this. I said, every time I lie that mother-fucker just spreading. I said, I said, I said but if I go to court and if I get on the stand, I'll be able to (inaudible) prosecutor (inaudible).

Protecte : (laughs) Like a unicorn

MALE: I'll holler at you, man.

Protecte : Alright.

MALE: Yo'.

01:00:16

Protecte : Yeah. I told you about that Ebron junk. See

TILLIS: Yeah.

Protecte : He said, he talked to his girl. It's all on the news, man.

TILLIS: Yeah.

Protecte : Yeah. They gave him a little deal for 20 years, but they're probably gonna hit him with some more junk later on down the line or some junk from what I heard.

TILLIS: Yeah. Man, I figured he would've got off lighter than that since he, since he took him to the body and

Protecte : Yeah, but you know with a

TILLIS: it turned over on him

Protecte : Yeah, but you know with a baby though man then

TILLIS: Well he, not only that; he participated in it.

Protecte : Yeah, yeah, exactly.

TILLIS: It ain't like he's giving them something that he had no knowledge of.

Protecte : Knowledge of - He actually had his hands in it.

TILLIS: Yeah. If he had of had no knowledge of it

01:00:45

Protecte : He might've would've got off.

TILLIS: He probably could've used that, yeah, or some 'em like that.

Protecte : Yeah, as leverage or some 'em.

TILLIS: Yeah, but the fact that he had something to do with it.

Protecte: But then you gotta think about it. He may never have gave it up, but I heard the girl was talking, too.

TILLIS: Yeah.

Protecte: So he went to talking.

TILLIS: Yeah.

Protecte: You know like before you sink me, I need to make me a deal.

TILLIS: Well, that's exactly what happens when you get one against the other, you pick up one and you hold him, and you pick up the other one and you hold him and then you use the both against each other. Then eventually the story comes out.

Protecte: Yeah.

TILLIS: I mean all of it

Protecte: Yeah.

TILLIS: You know what I mean? All you gotta do is just sit on the mother-fucker long enough.

Protecte: Yeah.

TILLIS: And one of them will tell on the other one or they both tell on each other.

01:01:16

Protecte: I learned that at an early age. I was real young. It was me and my, my partner.

TILLIS: Yeah.

Protecte: And they grabbed us in Baldwin.

TILLIS: Yeah.

Protecte: And it was just a theft of like a, a pager.

TILLIS: A little bullshit, yeah

Protecte: Yeah, and I was like 12 or 13. They was like well your, your partner already told on you so you might as well go ahead and tell me; what happened?

TILLIS: Yeah.

Protecte: So I'm like man I don't know, I don't know. So when he when they let us both go, he comes up with his fist balled up like he wanna fight me. He was like man you told the police what happened. I said

TILLIS: He thought you were lying.

Protecte: Yeah.

TILLIS: He thought

01:01:41

Protected: I said, man, they told me you, you said what happened. They was like man they must be lying man dah, dah, dah, and I learned at an early age man, no matter what they're talking about

TILLIS: Some people don't, ah, some people don't because some people don't understand

Protecte: No. No.

TILLIS: You know my brother, my brother got caught with that fucking stolen truck in his garage, right?

Protected: Yeah.

TILLIS: They're back there cuttin' it up in the body shop and the body shop is fenced but they put a privacy fence and you can't see it from the street.

Protected: Yeah.

TILLIS: The detectives come up and they tell him, well, you know since you do body work for the public, we don't need a warrant to search your property.

Protecte: Wow.

TILLIS: So he just opened his fucking door and let them walk right back to the stolen truck.

Protected: So they ran a game on him?

TILLIS: Yeah. Well, he don't know just like what you're saying.

Protected: Yeah. He don't know the law. Yeah.

01:02:17

TILLIS: Now, he got a good talk game and he can act good. But he don't know nothing about

Protected: But he's ignorant to the law.

TILLIS: He don't know (inaudible) about the law, right?

Protecte: (chuckles)

TILLIS: So he opened the door and let them walk in, right? They walked right back to the stolen truck, right? And somebody had told on him; but, I don't know who it was.

Protected: Yeah.

TILLIS: And, ah, they walked right back to the stolen truck. And they know where it's at and sure enough it's hot and then he's looking stupid, right? And he calls me on the phone. That's when he called me on the phone and he says man I need a Bill of Sale quick for that truck dah, dah, dah and he starts to telling me, the

police is crawling all over me, man. I don't wanna go to jail and then he started gettin' real scared.

Protecte : Uh huh.

TILLIS: And, um, so I gave him a Bill of Sale and, ah, he gets, ah, he gets rid of the detectives, right? You know they take, they take the stolen truck and they take the truck he was puttin' the parts on.

Protecte : Uh huh.

01:02:52

TILLIS: And, um, eventually, they give the stolen truck back to him and the truck he was working on, right?

Protecte : Wow.

TILLIS: So I asked him later, I said well, how in the fuck did the cops get on your property, man? How, how did they get back there to the truck? He said, well, they told me that they didn't need a warrant because I painted cars for the public. And, um

Protecte : And so it's public access.

TILLIS: Yeah, but it was on private property. It's got a security fence. He

Protecte : An eight-foot fence

TILLIS: Yeah.

Protecte : There's no such thing as a private, public access.

TILLIS: So, ah, and I said, you mean you let them walk back there knowing the truck was stolen?

Protecte : He said, what the fuck was I supposed to do?

TILLIS: I said, you were supposed to tell them you didn't know what they were talking about and to leave.

Protecte : Yeah, and close the gate.

TILLIS: And that would give you ample time to get rid of the truck.

Protecte : Yeah.

TILLIS: You know what I mean? Now you know they're watching you. You get rid of the truck and you're okay.

Protecte : Yeah. You've gotta buy yourself some time.

TILLIS: But I didn't know. I didn't know you know.

Protecte : (laughs)

TILLIS: I told him. I said you

Protecte : Your brother is an idiot, man.

01:03:34

TILLIS: Well, he's smart in some ways.

Protecte : Yeah.

TILLIS: Yeah. He's real smart in some ways but he's just, just like anybody. You know what I mean? They're real smart in Math, but they're stupid in History.

Protecte : Yeah. You could be book smart.

TILLIS: Yeah.

Protecte : And you can be street dumb.

TILLIS: (inaudible)

Protecte : Yeah, yeah, whichever one

TILLIS: And vice versa, you know.

Protecte : Yeah.

TILLIS: So he's like that. He just, he just doesn't know. That's the reason he was concerning me about that bulldozer and that property and shit because there ain't no telling what that mother-fucker might do or say if they, Protected Protected Protected

Protecte : Dang boy.

01:04:00

TILLIS: Do you follow me? I don't know what he might do.

Protecte : I'll be sweatin' bullets, boy.

TILLIS: Well, I don't know.

Protecte : But no you really can't stress because it ain't nothin' you can really do for me.

TILLIS: It ain't nothin' I can do about it. No, there ain't a fucking thing I can do about it because they're gonna do what they're gonna do and there is nothing I can do about it. But the only question is, what would be his participation or would he even have any or would they even know that he was? You know what I mean? I don't know if he's over there. You know what I mean? Or, or if it even would involve him.

Protecte : You really wanna keep him out the picture.

TILLIS: Well, he ain't in the picture really, it's the (inaudible) like I said, she ain't gonna identify him.

Protecte : Yeah.

01:04:31

TILLIS: You know what I mean? She's not gonna come up and say (inaudible).

Protecte : Well, if that's (inaudible)

TILLIS: [Redacted] Protected

Protecte : (chuckles)

TILLIS: [Redacted]
Protecte : [Redacted]
TILLIS: [Redacted] Protected

Protecte : [Redacted]

TILLIS: [Redacted]

Protecte : [Redacted]

TILLIS: [Redacted] Protected
[Redacted] Protected You know but see
by then I done got kind of a, a judge of character in that respect.

Protecte : Uh huh.

TILLIS: I told him man (inaudible) don't worry about it. Oh, no, no, no; he's freaking out
you know

Protecte : But listen

TILLIS: and shit so I don't know

01:05:01

Protecte : If he was to get the heat pulled up under his butt, he may it ain't no telling what
all he'll say about whatever.

TILLIS: Well

Protecte : It might be some more junk.

TILLIS: Yeah. And it don't, well, it won't take much to (inaudible). It definitely wouldn't
take much to carry him.

Protecte : Yeah.

TILLIS: Yeah. It wouldn't take much to carry him.

Protecte : But like you said, it's good that he don't know where the, where the others are.

TILLIS: No.

Protecte : But, but I mean that general location, they may be able to find him.

TILLIS: Well, yeah (inaudible) yeah because it's not that hard of an area. Once you get there in that general location. [REDACTED] Protected

[REDACTED] Protected

[REDACTED] :

01:05:33

TILLIS:

[REDACTED] :

TILLIS:

[REDACTED] :

TILLIS:

[REDACTED] :

[REDACTED] Protected

TILLIS: Yeah, six or seven foot, an eight foot, six foot or some 'em like that.

[REDACTED] :

I think it's six.

TILLIS:

Yeah.

[REDACTED] :

So if it's two foot short shy of that, that's kind of deep.

TILLIS:

Yeah.

[REDACTED] :

Because shoot if they can take a whole pine box and stick it in the ground

TILLIS:

Well, you're six foot tall.

[REDACTED] :

Oh, yeah, yeah, yeah; you're right. I ain't think about it like that.

TILLIS:

You're six foot tall.

[REDACTED] :

Yeah.

TILLIS:

So four foot, that's an even

01:06:07

[REDACTED] :

That's like waist high.

TILLIS:

Yeah.

[REDACTED] :

A, a torso maybe, yeah.

TILLIS:

(inaudible)

[REDACTED] :

About waist high, yeah, you're right.

TILLIS:

(inaudible) a hole

Protecte : No. That ain't much.

TILLIS: No. That ain't much of a hole.

Protecte : That ain't much. That's just deep enough to bury

TILLIS: (inaudible) the hole is four feet deep

Protecte : But it doesn't necessarily have to be that wide.

TILLIS: Well, if, if, if you, if you dig a hole six inches deep and you put this book in the hole

Protecte : And then put dirt on it.

TILLIS: And you cover it up

Protecte : It's not gonna be four foot.

TILLIS: How thick is the book? Three inches

Protecte : Six, yeah, three inches

TILLIS: And if it's six inches deep

Protecte : It's only three inches.

01:06:36

TILLIS: It's only three inches from the surface.

Protected: It's only three inches before you can get to it. Yeah.

TILLIS:

Protected

Protecte : It's only three foot.

TILLIS: You're only three foot from the

Protected: Deep, yeah, from the surface

TILLIS: Yeah, exactly. So

Protecte : Yeah. I never thought about that.

TILLIS: Yeah. So you have to understand too that from the surface wise you're not really that deep.

Protecte : That deep

01:06:55

TILLIS: And he got in the general location shit and they might,

Protected

Protected

 and not only that, I don't know. Ah, you know it's been almost a, well, it's been a year since I've been there.

Protecte : So it was kind of spontaneous how the whole thing started.

TILLIS: Yeah.

Protecte : That, that wasn't your intention.

TILLIS: Pretty much, it was spontaneous, yeah, it was pretty much spontaneous how the whole thing until, until I found out that Jimmy would fucking pay and how

Protecte : That was steady income.

TILLIS: Well, I can make money and then you can fucking you got, Protected and then it turned into some 'em else, I guess. You know what I mean?

Protecte : I mean that's steady money. I mean that's money you can begin to depend on.

TILLIS: Yeah.

Protecte : You can count on it.

TILLIS: Yeah. Yeah, well

Protecte : If Jimmy's paying that often, I mean

TILLIS: Yeah.

01:07:36

Protecte : You said he liked to, he liked to come around and hit them.

TILLIS: Yeah. Well, at least you know, at least he ain't in the fucking picture so

Protecte : Yeah.

TILLIS: Protected you know they'll relate it to him.

Protected : That you got to worry about.

TILLIS: Yeah. It ain't them I got to worry about. I worry about my brother, though.

Protecte : I mean the more people that know though man

TILLIS: Yeah.

Protecte : The more, the dangerous that whole situation is.

TILLIS: Yeah, fuck yeah it is. Yeah. Well, as it was my brother and me were the only ones that knew about the, about the, ah Protected.

01:08:03

TILLIS: Protected but hell the way this case looks for me, it doesn't look like I'm gonna get out of it anyway. So it's hard to beat a cop case.

Protected : Yeah. I had a, I had a friend man.

TILLIS: It's hard to beat a cop case.

Protecte : Yeah. I had plenty case law man back on his, ah, Aggravated Assault On a Officer.

TILLIS: Yeah.

Protecte : Well, it was a vehicle though. He

TILLIS: Yeah.

Protecte : He was trying to escape and they didn't identify themselves and it was supposed to be a sale and so he, when they came running up at him in all black with a ski mask on, he just accelerated the car.

TILLIS: He just drive off?

Protecte : Yeah, and one officer got his foot ran over and they gave him, I think, Attempted Murder On an Officer

TILLIS: Yeah.

Protecte : or some junk

01:08:36

Protecte : And he went to trial and he lost in Cooper's courtroom. Man, and he showed me all type of case law that said otherwise. Like he maybe should've, should've won or at least maybe get a mistrial or a hung jury or some 'em. Man, those people deliberated for like 20 minutes.

TILLIS: Well, them cops they

Protecte : They're a part of the court. I mean the system.

TILLIS: Well, I mean, the whole case is, is it's, it's pretty, ah, it's pretty bad. It's got a lot of holes in it but me with no, no lawyer it's hard for me to present that case to a jury and actually get the jury to understand what happened.

Protecte : Yeah.

01:09:04

TILLIS: And the Public Defender, he just sat right there at the table and told me, look, they're not gonna let me help you. He basically told me, look, the State's not gonna let me help you.

Protecte : Ask

TILLIS: They're gonna convict you. They're gonna send you to prison and, if you beat it on appeal, that's how you're gonna get out of prison.

Protecte : So listen

TILLIS: And that's it.

Protecte : He's not, they're gonna, they're not gonna let him help as far as being

TILLIS: Not representing me

Protecte : Oh, not even representing. I thought it was just as a side counsel.

TILLIS: No.

Protecte : But even if he was your representative

01:09:26

TILLIS: They'll, they, the Public Defender gets up and he, he does the minimal amount to make it look like I have representation.

Protecte : Yeah.

TILLIS: But he won't call, he won't go find a witness.

Protecte : Right.

TILLIS: He won't take a deposition from a witness. He won't take the evidence and send it over to the forensics law and prove that my boot didn't make that print in the mother-fucker shirt.

Protecte : Yeah.

TILLIS: I mean I know my print didn't make the boot print on the, on the officer's shirt.

Protecte : Right.

TILLIS: He wasn't even wearing that shirt when he arrested me.

Protected : Yeah.

TILLIS: He had a Special Task Force shirt on him.

01:09:54

Protected : What about, what about the private investigator? She can't do nothin'.

TILLIS: Shit, she ain't

Protecte : (chuckles)

TILLIS: I'm telling you, man. You did the right thing on hiring that one.

Protected : Yeah. Yeah, I'm glad.

TILLIS: (inaudible)

Protected : I seen, I seen how she was slacking on your case. I'm like man I'm not going with that lady, man.

TILLIS: No, she won't. Hell no. You know

Protecte : It's

TILLIS: I'm trying to get her to go out there and do, I said, do a shirt line up. I said, the cop wasn't even wearing that shirt when he arrested me. There were witnesses to the arrest. If you'll just question them and give them a shirt line up, they will tell you, oh, no, the cop wasn't even wearing that shirt.

Protecte : Yeah.

TILLIS: (inaudible) shirt over here

Protecte : Yeah, because

TILLIS: And I can prove that he didn't even have that shirt on when he says I kicked him.

Protecte : Because

TILLIS: She couldn't even do that.

01:10:27

Protecte : When all of them came, they all should've been wearing the same uniform; right?

TILLIS: Yeah, they were.

Protecte : So now he had on some 'em

TILLIS: They were.

Protecte : Yeah. So he had on, so now he has on some 'em different than the other ones.

TILLIS: In the picture, he took a picture of this alleged group, man. He's got on a fucking different shirt altogether.

Protecte : But

TILLIS: How come he got on a different shirt on than the rest of everybody?

Protecte : But, are the other officers in the picture?

TILLIS: No.

Protecte : So you don't, so they can't prove what the other ones was wearing.

TILLIS: But the witnesses, the ones that came and arrest me

Protecte : They know.

TILLIS: seen the shirt he had on

Protecte : Uh huh.

01:10:50

TILLIS: It had the big old police across the front.

Protecte : Right.

TILLIS: Then they would've said, no, that's the shirt that they was wearing right there.

Protecte : Right.

TILLIS: That's not the shirt that has the boot print on it. She couldn't even do that.

Protecte : So, do you think, do you think it's on, on film by, by your neighbors having those, um, those cameras pointed at your house?

TILLIS: He's probably got a DVD or

Protecte : But he

TILLIS: a souvenir

Protecte : Yeah. (laughs)

TILLIS: But he won't give it up. He's the same one that's got the house condemned, the one that bulldozed. He's, my neighbors are not gonna give it up.

Protecte : Yeah.

TILLIS: They're not gonna give it up. I tried to get the Public Def-, when they first arrested me, I told the Public Defender, I said, look man, it was all happening right up under a security camera.

01:11:20

TILLIS: If you go to this address, I gave him the name and the address.

Protecte : Yeah.

TILLIS: And if you tell them you want that security disk

Protecte : Yeah.

TILLIS: It'll show you I didn't commit the crime.

Protecte : Yeah.

TILLIS: That's the first (inaudible) we don't need that.

Protecte : (chuckles) So listen

TILLIS: But it was right after that, and he told me because I asked him, I said, well why, why don't we need the security? And, why don't you wanna talk to my witness? And then he came, and I kind of cornered him in the corner. Well, why aren't you helping me?

Protecte : Yeah.

TILLIS: What the fuck are you doing, man?

Protecte : Yeah.

01:11:43

TILLIS: I'm telling you, I didn't commit that crime. Now I might have done a bunch of other things in my life, but I didn't commit that crime.

Protecte : And maybe the other stuff is what makes it look like you done that, too.

TILLIS: I got a bad record.

Protecte : But listen

TILLIS: That's the reason it was because I got a bad record.

Protecte : But listen; remember you showed me a, a, a map of like a layout of the house and stuff?

TILLIS: Yeah.

Protecte : Just to give me an idea of

TILLIS: Yeah (inaudible) from and

Protecte : Yeah, and where the cameras was positioned.

TILLIS: Yeah.

Protecte : Okay. Now, I remember you telling me this and showing me this and you said, you showed the private investigator.

01:12:13

Protecte : But when you first came to the Public Defender with this information, did you show him the same thing like?

TILLIS: Oh, yeah (inaudible) map and gave it to him.

Protecte : Yeah, because I mean that map was interested. That was detailed to the site. Even I could've went out there

TILLIS: Then when I cornered him in the corner and said, why aren't you helping me? That's when he finally confessed. He says, look man, the State is not gonna let me help you, man.

Protecte : Thh- (sound)

TILLIS: They want you to go to prison. I said so, are you gonna stand there beside me while they send me to prison, knowing that I didn't fucking commit that crime?

Protecte : Right.

TILLIS: He said, well, you got a bad record. I said, what the fuck does my record got to do with it? So I committed crimes in the past

Protecte : But some of stuff

TILLIS: you know

01:12:45

Protecte : That's on your record, does it necessarily mean you done it if you copped out? Or, if you was just charged with it? I mean

TILLIS: How do I know?

Protecte : You, you, you have to realize like you could've just had your back against the wall and knew it was in your best interest to take two or three years.

TILLIS: Yeah. If you were guilty, you're guilty.

Protecte : Then yeah you're guilty regardless if you done it or not.

TILLIS: I got shit in my jacket I've never even been arrested for.

Protecte : Yeah.

TILLIS: You know what I mean?

Protecte : Thh- (sound)

TILLIS: Bad some bad stuff

Protecte : That's crazy.

TILLIS: I've got bad stuff on my record I was never even arrested for. That I didn't even do.

Protecte : So

01:13:12

TILLIS: And, and after this day, I can't figure out, why they didn't arrest me?

Protecte : So listen, by you owning the property, you can't just sell it and get the money and use it for an attorney or some 'em?

TILLIS: It's hard to sell (inaudible).

Protecte : Yeah.

TILLIS: The place is condemned. The dirt

Protecte : And it doesn't

TILLIS: The dirt is worth \$20,000.00. Well, that's about all the dirt is worth.

Protecte : Yeah.

TILLIS: You can't it's not like it's, it's not like it's a, ah, it's a (inaudible) dollar home

Protecte : High value

TILLIS: in a real nice neighborhood that you could get off of it for a hundred thousand dollars cheap.

Protecte : Yeah.

TILLIS: quick

Protecte : Easy

TILLIS: Yeah. It's not like that. You'd be selling the dirt. The dirt has a structure on it, but if they bulldoze that structure

01:13:43

Protecte : It would cost them money.

TILLIS: Well, now you got a lien against the property. If the dirt sells for \$25,000.00, you gotta five or six thousand dollar lien against it. You gotta satisfy the lien so in the end yeah, I tried to, when I first come to jail, I solicited private attorneys and tried to trade them.

Protecte : The property

TILLIS: Yeah.

Protecte : for their representation?

TILLIS: Yeah, and I was scared to do that because (inaudible) god-damn property.

Protecte : (chuckles)

TILLIS: Well, it didn't have no choice. I'm thinking well fuck it. Trade the god-damn property, hire the lawyer, get out and

Protected

Protected

Protecte : Yeah.

01:14:14

TILLIS: I mean that's my, it was my intent.

Protecte : Yeah.

TILLIS: But, ah

Protecte : That would've been a good idea.

TILLIS: I couldn't even, I couldn't even do that.

Protecte : You probably could still do it, right?

TILLIS: Huh?

Protecte : You probably could still do it.

TILLIS: Shit. No, I ain't gonna get out. I'm not gonna get out of this (inaudible).

Protecte : So, why you say you couldn't do it? If

TILLIS: Because I'm never gonna get out of the cop charge; my ass going to prison. By the time if I, if I beat it on appeal, it'll be, what? Two or three years and probably somebody else will be on it and they'll (inaudible)

Protecte : Dang boy.

TILLIS: I don't know what the fuck will happen but it'll, it'll be unheard of.

01:14:44

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protecte :

TILLIS:

Protected

01:15:11

Protecte :

TILLIS:

Protecte :

Oh, you can get DNA out of the bones?

TILLIS:

I would think so.

Protecte :

Yeah, you probably can.

TILLIS:

Yeah.

Protecte :

Because they do bone marrow transplants, that's probably dealing with

TILLIS:

And the (inaudible) was probably deteriorated right now.

Protecte :

Oh

TILLIS:

But I'm sure there's some DNA in the bones

Protecte :

In the bone itself

TILLIS:

itself

Protecte :

Dang boy. So the only way to really get rid of a body is to burn it up or feed it to the gators or some 'em.

TILLIS:

It won't burn.

Protecte :

It won't burn?

TILLIS:

No, the body won't burn.

Protecte : It won't completely burn?

TILLIS: Uh, uh.

01:15:39

Protecte : Wow. But will it destroy it, what, what needs to be destroyed?

TILLIS: I don't know.

Protecte : Dang.

TILLIS: I went to a cremation one time where the body was cremated. You know the crematory?

Protecte : Uh huh.

TILLIS: And, ah, they put the body in the furnace and it didn't burn it all up.

Protecte : Dang.

TILLIS: The pelvic and part of the skull was attached.

Protecte : Dang, that's crazy, boy.

TILLIS: I mean they had a furnace.

Protecte : Yeah. They got fire pumping good.

01:15:59

TILLIS: Exactly. Yeah, it's not like just throwing it in the bond fire in the back yard.

Protecte : No, it's a furnace.

TILLIS: Yeah.

Protecte : An enclosed pit

TILLIS: Yeah. To my understanding, if you just put the body in the fire, it wouldn't even you'd burn the flesh and the bones will still be there.

Protecte : Dang boy.

TILLIS: I have no clue.

Protecte : That's a hard, that's, that's hard. That's what I'm thinking of like dang Confession
Confession

TILLIS: Yeah.

Protecte : You've got to know what you're doing, boy. See a lot of people they, they, they think they know what they're doing or they think you know this

TILLIS: Yeah.

Protecte : this, this you know like professional, you know what I'm saying?

01:16:29

TILLIS: You know it was professional. You know what I mean? I guess if you acquire or experience as you go

Protected: Yeah.

TILLIS: If you don't get caught on the first one

Protecte: Yeah. The more experience the more you do it.

TILLIS: Yeah, I mean so I mean I don't

Protecte: You got to

TILLIS: Well, through the years I mean I, I sh-, when I was out in California, I shot a guy out there.

Protecte: Yeah.

TILLIS: Yeah, and trying to, about four or five of them tried to beat my ass. I shot him. I shot a guy in San Juan parking lot one time.

Protecte: Yeah.

TILLIS: And, ah, I don't know if I killed him or not. I left him. The one in California I didn't kill him. He lived.

Protecte: Yeah.

TILLIS: The one in the, ah, San Juan parking lot, I don't know if he died or not. But that's been a fucking 20-something years ago.

Protecte: What kind of gun was it?

01:17:00

TILLIS: I don't know, a fucking .22.

Protecte: Was it close up? Well, you know

TILLIS: Yeah.

Protecte: It takes a while. That bullet could've kept traveling. He could've died later.

TILLIS: But anyway, my point is that, ah, I, ah, through the years and, ah

Protecte: You just experienced?

TILLIS: Yeah, being you know what I mean and that kind of, that kind of lifestyle so to speak, I just might say.

Protecte: That's a hard way to live, boy.

TILLIS: Well

Protecte : Because like you say, well, back to what you said as far as with the conscience, man. I mean eventually man something has to

TILLIS: Something has to give.

Protecte : Has to trigger, yeah, man.

01:17:31

TILLIS: Yeah. It ain't, ah, it ain't as easy as it sounds. That's for sure.

Protecte : Yeah, then I think about stuff like karma and all type of stuff coming back, man.

TILLIS: Well, well, we all, we all, we all, ah, we all get what we so that's one of the reasons them prosecuting me now for the cop charge, even though

Protecte : It ain't really about, yeah.

TILLIS: It ain't even about that.

Protecte : It's not even about that.

TILLIS: It's probably about the karma and shit I've done. I've done a lot of (inaudible).

Protecte : Yeah.

TILLIS: [REDACTED] Protected [REDACTED]

Protecte : Shh-

TILLIS: You know what I mean? [REDACTED] Protected [REDACTED]

Protecte : Yeah.

01:18:00

TILLIS: Yeah, four years or some 'em like that [REDACTED] Protected [REDACTED] Yeah. It ain't the and it ain't the only time I've ever

Protecte : So

TILLIS: been in that situation

Protecte : So when you was, when you was traveling like, like what you said about in, ah, California

TILLIS: Yeah.

Protecte : So you was living kind of wild out there, too?

TILLIS: Yeah. But I was doing like, like

Protecte : Crazy stuff

TILLIS: Yeah. Well, not as not like this here [REDACTED] Protected [REDACTED] that's you know

Protecte : That's different.

TILLIS: So, yeah, that's different. Over the years but, um, they, ah

Protected: Are those the only kind of ways you try to get rid of people by, by shootin' them? You never tried any other kind of way?

01:18:30

TILLIS: Protected

Protecte: No.

TILLIS: It's too noisy.

Protecte: No, I'm talking about the, the

TILLIS: On the street?

Protecte: Yeah, like the guy with the .22 in San Juan?

TILLIS: No (inaudible) with a gun.

Protecte: Yeah.

TILLIS: Yeah, I mean

Protecte: It is too noisy, though.

TILLIS: Yeah, I know it. I had that in my, in my criminal history right now, there's a, ah, ah, there's a, ah, Leaving the Scene of An Accident With Injury that happened two years ago.

Protecte: Yeah.

TILLIS: I think it was.

Protecte: That wasn't even that long ago.

01:18:54

TILLIS: Yeah, and I can't remember the exact date but it's, but it's Leaving the Scene of An Accident With Injury. It's a third degree felony and I was never even arrested for it.

Protecte: Wow.

TILLIS: And, ah, yeah, I never and the cops never come questioned me or nothin'. But the Protected ah, her boyfriend was stalking her.

Protecte: Uh huh.

TILLIS: He followed her to the Gate station and slapped her around in the parking lot about 3:00 in the morning. She's got my car. I was asleep in the bed. She wakes me up and said, hey, I need some cigarettes. So I gave her some money and I gave her the keys. I said, look, go around there to the Gate station. I don't wanna get up. She goes around to the Gate station. Her ex-boyfriend had been stalking her. She, ah, she gets some cigarettes.

01:19:29

TILLIS: She comes out. The guy races up in the parking lot and jumps out and starts slapping her around. She finally gets away from him and gets in the car and comes home.

Protected: He must've knew your car.

TILLIS: Oh, yeah, yeah. He's been stalking her for a while, right? She comes back to the house. It's about 2:30 in the morning. She's all crying and hysterical. The first thing she goes for is I got a pistol beside the bed, right?

Protected: Uh huh.

TILLIS: She's fucking, she's hysterical and gettin' the gun. I said, what the fuck are you doing? She said, I'm gonna go around there and shoot that mother-fucker. I said, hold up; you ain't taking my fucking gun and my car and going to shoot nobody. You know what I mean?

Protected: Uh huh.

TILLIS: Don't (inaudible) the gun.

Protected: Yeah.

TILLIS: Whatever you do, don't, you know what I mean?

Protecte: It's too noisy.

01:20:00

TILLIS: Yeah, don't use a gun. It causes too much attention. The police is gonna be all over you. So she sat down and she told me what happened. And I said, ah, I'll tell you what, you, ah, let's ride around there and, ah, let me have a conversation with him.

Protected: Uh huh.

TILLIS: You know and this guy is a big dude now.

Protecte: (laughs)

TILLIS: (inaudible)

Protecte: Yeah.

TILLIS: He's a pretty good-sized dude, right? So, ah, I drive and I get in the fucking passenger seat, right? And she drives around there and, um, we get there and there's two or three of them standing out in the street. So I tell them I said, ah, I said, ah, ah, she wanted me to just, she wanted to drive by me just shooting and keep going.

01:20:36

TILLIS: I said, fuck no, I'm not gonna shoot that dude. I'm telling you; don't do it like that, right? So we get close to him and she runs over and bam fucking 45 miles an hour and just runs right over him. I fucking get pissed off so I tell her to go back

to the house. So I go back to the house and I put the car in the garage. I gave her some money. I gave her a phone. I tell her look man get fucking lost and don't come back. Now everybody knew the car. They knew me, but the thing with her was she was the same build, about the same shape, and her hair is about the same length in color.

01:21:03

TILLIS: The windows were tinted in the car and it was fucking 2:30 in the morning on a dark kind of night.

Protecte : Uh huh.

TILLIS: Here the car comes by at 45 miles an hour.

Protecte : They're gonna think it's you.

TILLIS: Well, it was hard to identify me.

Protected : Uh huh.

TILLIS: Now they had just seen her at the Gate station driving the car.

Protected : On camera probably

TILLIS: Well, I'm sure. Okay. So they don't even know that she come by the house and got me. I was slumped down in the passenger seat; but, at first, I didn't want them to see me. I'm thinking just ease up on them and let me get a look at the situation. Maybe I'll get out and maybe I won't.

Protecte : Uh huh.

TILLIS: You know what I mean? It depends on what it looks like.

Protected : Uh huh.

01:21:30

TILLIS: She just runs over the mother-fucker.

Protected : (chuckles)

TILLIS: She thought she killed him, right? I get back to the house and I put the car up and she leaves. I expect the S.W.A.T. Team to come get me because it's my car.

Protected : Right.

TILLIS: They never come. They never come, never come. Two days later, I'm still at the house with the blinds pulled down. I'm thinking well, where in the fuck are they at?

Protected : (chuckles)

TILLIS: They never even come questioned me. Never nothing, right? About a week later, she comes back to the house and knocks on the door and I said, what in the fuck happened?

Protecte : Well, yeah, what are you doing here?

TILLIS: You know what I mean? I know you (inaudible), I've seen the mother-fucker on the road. He lived. I said he lived.

Protecte : Wow.

01:22:03

TILLIS: I said, no, shit. She said, yeah I broke both of his legs and his pelvic. I don't know, ah, some shit like that. You know what I mean? That, ah, they, ah, so anyway she tells me that, ah, ah, that, that, ah, the cops questioned her and it's over.

Protecte : Yeah.

TILLIS: Okay. I get picked up on this charge here. I get my, ah, criminal history and I'll be god-damn if it's not my criminal history but I was never even arrested and never questioned, never nothing.

01:22:33

TILLIS: Fucking Ashley, I don't know whatever happened to her but, ah, but old Peter he fucking lived. I thought the mother-fucker would've died. And then she was telling me once she comes back and she said, I thought you were gonna tell on me. I said, oh, I don't wanna fucking tell on you but god-damn you're trying to get me sent to prison for the rest of my life.

Protecte : For real

TILLIS: Yeah, and, ah, and then she said well you didn't do, you didn't do. I said, well, I'm in the fucking car. You used my car. I just as well done it.

Protecte : Yeah.

TILLIS: You know what I mean? I just as well had been driving the car and with my criminal history, ain't nobody gonna believe me.

01:23:02

TILLIS: You know they're gonna fucking, they're gonna, they're gonna, ah, pick you up, pick me up and they're gonna fucking let you go and throw me to the wolves. You know so I don't you know. I shit it's just yeah I never even, so they used that criminal history just like now with this case I'm on with the cop case. They're using all of that criminal shit in my background. Some of it I didn't even do; some of it I did do.

Protecte : Yeah.

TILLIS: Yeah. I mean so maybe it's karma to bite me in the ass because trust me (inaudible), I've done my, ah

Protecte : That's a wild story.

TILLIS: I've done my, ah

01:23:39

Protecte : That's a wild story, man. Buddy got ran over going 45. I would've thought he would've been out of there. But ain't no telling though maybe the front, the front of the car hit him versus, ah, ah, both sets of tires running over him. And then it'll probably, ah, depend on where, where it what it ran over. It could've run over his legs.

TILLIS: Yeah. Yeah. Well, it, it run over him pretty good. So

Protecte : Dang.

TILLIS: But she didn't kill him.

Protecte : I couldn't imagine feeling no junk like that sittin' in the car.

01:24:07

TILLIS: Well, 40 miles an hour and a fucking car just runs you over.

Protecte : Yeah, sittin' in the car feeling some junk like that and boom, boom.

TILLIS: It happened so fast.

Protecte : Yeah.

TILLIS: It happened so fucking fast. You know what I mean?

Protecte : And then you got out of the

TILLIS: One minute she's just driving on and the next minute then the mother-fucker is up in the air and I was like you know.

Protecte : Dang.

TILLIS: But she was hysterical but (inaudible) upset and this, that, and the other. Hell, she had a good fucking reason for killing the son of a bitch anyway, the way he was fucking with her.

Protecte : Yeah.

01:24:31

TILLIS: Yeah (inaudible) but hell, that's what I, that's what I was telling you about karma and shit just like the cop charge. Hell, even if

Protecte : Yeah.

TILLIS: You know it ain't even that I, that I did this crime.

Protecte : Right.

TILLIS: That I'm in jail for

Protecte : That's not even the issue.

TILLIS: Yeah, it's not. The issue is my criminal history and the shit I got away with and dah, dah, dah, dah, dah, dah, dah, dah. You know what I mean? And now they're fucking trying to hang me for some 'em I didn't even do. Hell, they know

they can read the police report and realize that I didn't. You know what I mean? That I didn't fucking

Protecte : I know

01:25:05

TILLIS: There are so many holes in the god-damn case.

Protecte : I know at least, I know at least a

TILLIS: It doesn't even matter.

Protecte : I know at least a few, few, a few of the guys in here. They probably could read the report and know these guys didn't do what they're being charged with.

TILLIS: Well, they, they were doing some 'em though just like me. I might've not of, I might've not of helped the fucking cop the other night when I kicked him, but I wasn't doing some 'em.

Protecte : Yeah.

TILLIS: I mean I wasn't doing, they come out there with a misdemeanor warrant. They had a reason to be there. It's not like I was completely innocent.

Protecte : Yeah.

01:25:31

TILLIS: You know what I mean? But I wasn't guilty of what they said I did.

Protecte : Some things, some things are just unbelievable though. Because

TILLIS: Yeah.

Protecte : I mean the way they're shootin' people out there right now, if you would've just came, if you would've rushed at them with two knives, you would've been shot or tasered or some 'em.

TILLIS: Yeah. Yeah, yeah, they would've been shot my ass. They would've had a good reason to shoot me.

Protecte : Yeah.

TILLIS: They would've had a good reason to shoot me. They should've shot me if I come out there like that you know.

Protecte : So what I'm gonna do is, the motion that you wrote up to introduce, um, evidence

TILLIS: Yeah.

01:26:00

Protecte : I'm gonna go off of that format and just include my grounds.

TILLIS: Yeah.

Protecte : And I'm gonna give it to the attorney because she may come back tonight or even the private investigator. If the private investigator comes tonight, I can give it to her and she could probably pass it along to the attorney. What I wanna do is I wanna get her to, to scrutinize it and look over it and just make sure you know everything, everything looks okay and if she could make the proper amendments if it's any type of mistakes in it.

TILLIS: Yeah.

Protecte : Yeah.

TILLIS: Well, yeah, I would definitely suggest having your attorney look over it and she has to adopt it. You know what I mean?

Protecte : Yeah. She got to adopt it before I submit it as well but see we have a little time because I don't go back to court until, ah, until March.

01:26:36

Protecte : I don't remember the exact date but it was sometime maybe like the first week of March.

TILLIS: Yeah.

Protecte : Maybe like March, March the 8th or some 'em

TILLIS: Yeah.

Protecte : But, um, I wanna get on it now; I don't wanna wait until the last minute. And that's why when I came from out in the hall from talking to her, I said, well shoot and I'll go in there and if Tillis isn't busy

TILLIS: Yeah.

Protecte : You know what I'm saying? Then I'll, I'll get him to, um, help me with the motion because I remember you saying, you had wrote up, ah, your own.

TILLIS: Yeah.

Protecte : Ah, for the, for the, for the hearing or whatever.

TILLIS: Yeah.

01:27:03

Protecte : And I got, I got the Motion to Suppress so I'll let you look over that and make sure I didn't make any mistakes on it.

TILLIS: If that attorney doesn't adopt it in court, (inaudible)

Protecte : They're not, they're not gonna accept it.

TILLIS: Even if you're Pro Se

Protecte : Yeah.

TILLIS: And write the motion, that court hardly even they'll entertain it if you're Pro Se, but as far as gettin' any action, it's almost impossible.

Protecte: They're not gonna respect you being Pro Se, probably.

TILLIS: And yeah, some of them judges recent that shit.

Protecte: Yeah.

TILLIS: Yeah.

Protecte: It's kind of like a slap in the face.

TILLIS: That judge I got he made it well known that

Protecte: He got it out.

01:27:30

TILLIS: He doesn't appreciate Pro Se clients in his courtroom.

Protecte: He got it out for guys who are Pro Se.

TILLIS: Yeah, I know. He's just a hard judge you know. It's just what it is.

Protecte: I heard he was strict.

TILLIS: Yeah.

Protecte: But I heard he was strict on the State and the, um

TILLIS: Well, I don't know.

Protecte: And the, ah, the, the defendant. It doesn't, it didn't look like he was strict on the State at all?

TILLIS: Well, ah, well he, he, he alleges to be strict on the State but he hasn't imposed any sanctions on the State that restricts them from their prosecution.

Protecte: Yeah.

01:28:01

TILLIS: He, he imposed sanctions on me that hindered me from preparing a competent defense.

Protecte: Uh huh.

TILLIS: You know so effectively, he's denying me the right to defend myself.

Protecte: Yeah.

TILLIS: Yeah. I mean if you won't give me a continuance for two months and let me get a private investigator and hire a forensics expert and do analysis on that footprint to show you that my boot didn't do that, then you're effectively denying me the right to represent myself you know.

Protecte :

Yeah, I agree.

TILLIS:

Yeah, I mean so that's what I'm telling you. It's not even about the case anymore you know.

Protecte :

Shh-

01:28:28

TILLIS:

And then I get this paper about them bulldozing my house and I figure shit, they're fixin' to unearth one of them bodies over there. And then that one is probably gonna lead to the other two and God only knows what else that's gonna fucking lead to. You know what I mean?

Protecte :

That junk like

TILLIS:

By the time they get through unearthing and looking around, no god-damn telling how much, how many skeletons are gonna come out of the closet, you know? So it ain't even gonna matter.

Protected :

That junk snowballing downhill, man.

TILLIS:

Well, you gotta figure, if you live a life like that for 50 years

Protecte :

Some 'ems gotta come back.

TILLIS:

Well, when you, you know what I mean?

Protecte :

And catch up.

TILLIS:

Yeah. It's like you build a house and then once the roof starts rotting, when it gets good and rotten and falls in, you know what I mean? It falls in.

Protecte :

Yeah.

01:29:02

TILLIS:

It falls in so you know, it's kind of you know kind of from the perspective I see it, it is what it is.

Protecte :

But you never though man, I mean, they could just bulldoze it and clear off the, the debris or whatever

TILLIS:

If it wasn't so close to the septic tank (inaudible)

Protecte :

Yeah.

TILLIS:

Even if they sell the property or somebody takes the property, once they go in there and upgrades the sewage system so that they can put another trailer on it or put a house on it

Protecte :

Yeah.

TILLIS:

Protected

Protecte :

Yeah.

TILLIS:

Protected

Protected

01:29:31

TILLIS:

Protected

Protected

that one is gonna lead to this. It's gonna lead to that. Do you follow me?

Protecte :

Yeah, because

TILLIS:

It'll be a domino effect. The next thing you know shit

Protecte :

Because my parents, they live in the country and in the country anytime you get a piece of property and you put a house or a trailer on it, you have to get a septic tank and a, and a light pole like a telephone pole.

TILLIS:

Yeah.

Protecte :

And those septic tanks, they're dug and they and concrete is laid inside of that hole.

TILLIS:

Yeah.

Protecte :

But like every few years, a truck has to come out and pump it out.

TILLIS:

And pump it out. Yeah.

01:30:00

Protecte :

So that's what an above ground septic tank looks like?

TILLIS:

Well, the septic tank is below ground. The drain field is above.

Protecte :

Okay, the drain field, okay.

TILLIS:

Yeah. So they have to change it. See right now the drain field is above because the drain field and the tank are below ground.

Protecte :

Okay.

TILLIS:

When you upgrade it, you have to put the drain field above ground.

Protecte :

So, what does the drain field look like?

TILLIS:

It's just a, a pipe. It's a big tank, concrete tank in the ground where all the piss and shit goes in.

Protected :

And then it's a lid.

TILLIS:

And there's a pipe where the liquid will run out into a lot area.

Protecte :

Oh, yeah, yeah, yeah, yeah, yeah.

TILLIS:

And that's called a drain field.

Protecte :

Yeah, okay, I've seen that.

01:30:29

TILLIS: The actual waste will stay in your tank.

Protecte : Yeah, yeah, yeah, yeah; I've seen that.

TILLIS: You know I mean

Protecte : Yeah. The liquid just rise just causes it to rise. So you want all of the liquid out. That way the waste could stay to the bottom and it'll gradually rise up.

TILLIS: [REDACTED] Protected

Protecte : But see

TILLIS: I'm not sure how far that's going because the shit you and I talked about that, trust me, that ain't even all of it.

Protecte : Yeah.

01:30:56

TILLIS: I mean we can sit in here for hours and hours and hours.

Protecte : Yeah, because you have to be careful who you're talking to. You have to

TILLIS: Man, just some of the stuff is a little further back. It's really not even irrelevant.

Protecte : Right.

TILLIS: But if, if I'm in prison serving this sentence here (inaudible) trouble for it, (inaudible) 30 years.

Protecte : Yeah.

TILLIS: [REDACTED] Protected

Protecte : Right.

TILLIS: I'm already in there.

Protecte : Yeah.

TILLIS: I'm doing 30 years. I'm 55, 55 and 30, is what? 85 - I'm not gonna live to get out.

Protecte : Right.

01:31:23

TILLIS: So I wouldn't give a fuck if you [REDACTED] Protected

Protecte : (laughs)

TILLIS: You can't touch me. (chuckles) Do you follow me?

Protecte : Yeah, I get what you're saying.

TILLIS: I don't give a rat's ass what you do over there.

Protecte : Yeah. Yeah.

TILLIS: You know what I mean? But other people are involved too, and I hate to see them get real fucked up.

Protecte : Yeah.

TILLIS: My brother being one because he was over there. You know what I mean?

Protecte : Yeah, because he might

TILLIS: He's my brother and I love him.

Protecte : Yeah, but

TILLIS: Yeah.

Protected : And he probably could look out for you, at least while you're doing that time so it wouldn't be so hard.

TILLIS: It ain't even that. I just hate to see him get fucked up over Protected
Protected

Protecte : Yeah.

01:31:49

TILLIS: You know what I mean? And then end up in god-damn jail when you know so I mean I don't know. That's what I was telling you. When I got that paper today about them bulldozing the house, I don't got no fucking clue what's gonna happen.

Protecte : Yeah.

TILLIS: But I do know that it ain't gonna be long in the making Protected
Protected
Protected

Protecte : Yeah.

TILLIS: And then they'll be looking at me crazy.

Protecte : Thh-

01:32:17

TILLIS: But, what the fuck does it matter if I'm doing a fucking 30-year bid and I'm 60 years old?

Protected : Yeah.

TILLIS: Do you follow me? I wouldn't give a fuck if you Protected
Protected

Protecte :

(laughs)

TILLIS:

You know what I mean? I don't give a shit (inaudible) or

Protected

Protected

Protecte :

Yeah.

TILLIS:

Protected

Protecte :

I bet you, Jim

TILLIS:

whichever one, you know what I mean?

Protecte :

I bet you, Jimmy, miss you. Yeah. Yeah.

TILLIS:

Yeah. He probably does, man. He like to come over there and get high with me and hang out.

Protecte :

Yeah.

01:32:42

TILLIS:

Yeah, he did, he fucking he'd come over there and get high and fucking, it was a safe place to, ah, a safe place to hide out kind of

Protecte :

Yeah.

TILLIS:

where the dope was free

Protecte :

Yeah.

TILLIS:

I mean because I never, you know he'd go out and he'd brought boxes over there and I cook it for him, but I never charged him. But you know he would come and get high; it was not like he had to pay. And then he would come over there and he'd get high and then he liked that mess. He liked that fucking mess.

Protecte :

Yeah.

TILLIS:

And then he'd come over there and he'd get and he's a, he's a freak anyway. Prot

Protected

Protected

They

was safe. You know what I mean?

01:33:12

TILLIS:

So Jimmy was kind of happy in that spot. He knew I got arrested. I haven't had any contact with him.

Protecte :

Yeah.

TILLIS:

I don't, don't really intend to (inaudible). It's not like I was trying to you know.

Protecte :

He, he's probably waitin' on you to get back get, get back out so he could get off some more.

TILLIS:

Shit. Yeah, he's been online and looked at me. He knows probably he probably knows I ain't gettin' out.

Protecte : Yeah.

TILLIS: Yeah. He's probably, he's probably already realized that. Yeah, there were people at the house when I got arrested and seen what happened.

Protecte : Yeah.

TILLIS: Yeah.

Protecte : And didn't come forward?

TILLIS: Scared

Protecte : Thh-

TILLIS: Probably scared

01:33:40

TILLIS: They, ah, no, they were witnesses to the whole fucking thing so I'm sure that Jimmy has an understanding of what I'm up against you know. So I, what does it matter? I mean if they take me to trial which they're doing next month anyway and they're give me the 30 years (inaudible), what does it matter if they tack something else on me and on me and on me?

Protecte : Uh huh.

TILLIS: You know what I mean? (inaudible)

Protected : Yeah.

TILLIS: Yeah. You know it's kind of like the end. You know what I mean? It's kind of like having a second degree felony and they come in and charge you with 10

Protected : Some misdemeanors

TILLIS: third degree, third degree felonies

Protecte : Yeah.

01:34:18

TILLIS: Yeah. What the fuck (inaudible)? And you're wasting your god-damn ink and your paper.

Protected : Right.

TILLIS: Yeah, I mean

Protecte : You're right. It's the same way. I think about when you're already in jail and they write you DRs. Like, what is a Disciplinary Report gonna do when I'm facing felonies?

TILLIS: Well, if you're doing mandatory time and you're in prison, you get a DR.

Protected : Oh, yeah.

TILLIS: So what the fuck? When they write you a DR and put you in (inaudible) gain time.

Protecte : You're right, you're right. You're right. It can affect you if you get gain time, but if you are mandatory then it has no effect on you.

TILLIS: It don't make no sense. What you're gonna do?

Protecte : Yeah.

TILLIS: You know I mean that situation (inaudible) can't touch me.

Protecte : Right.

01:34:46

TILLIS: They can't really do much to me. You know what I mean? Other than come over here and question me or talk with me and I wouldn't give a rat's ass you know.

Protecte : (laughs)

TILLIS: By now (inaudible)

Protecte : Yeah. I'm pretty sure you know how to handle being, being probed and, and

TILLIS: Yeah.

Protecte : messed with or whatever, jigged at or whatever and whatever, harassed

TILLIS: Well, sometimes you talk to them and sometimes you don't. It depends on the situation.

Protecte : Yeah.

TILLIS: You know what I mean?

Protected : I never talk to them.

01:35:13

TILLIS: Well, I have in the past but most of the time I don't. It just depends, you know?

Protected : Yeah.

TILLIS: But it's just not a good practice.

Protected : No, I don't got nothin' to say. I

TILLIS: It's not a good practice.

Protecte : I have absolutely nothing to say, man.

TILLIS: Yeah. Yeah, and they don't, ah, they don't, ah, they just I mean they I guess I can sit tight and wait and see if they bulldoze the house and then wait, ah, and wait to see what happens. You know what I mean?

Protecte : Yeah. I'm a take me a leak real quick.

TILLIS: Yeah.
(someone whistles)

Protecte : (urinates)

TILLIS: Yeah, now but like I say, it don't it's not even about what I'm in here for (inaudible).

Protecte : Yeah.

01:37:01

TILLIS: Yeah. You know it ain't that I like being in here though. It is what it is.

Protecte : I, I definitely don't like being in here. I gotta get out

TILLIS: Yeah.

Protecte : to my son and my, my daughter and my wife, man

TILLIS: Yeah.

Protecte : Straight up man, I, I got a life to live man. I was going to work, going to school, providing for my family, man.

TILLIS: Well, your case is a bullshit case to start with.

Protecte : Yeah.

TILLIS: You know what I mean? And the circumstances

Protecte : Yeah. I'm pretty sure everything will work out for me.

TILLIS: Yeah.

01:37:29

Protecte : I just gotta keep fightin', man. That's why I'm doing as much as I can. Even though I've got a lawyer, I still gotta write these motions and study this case law

TILLIS: Yeah.

Protecte : and stuff, man

TILLIS: Well, you gotta stay on top of it.

Protecte : If I'm not in there sleep man, I'm normally studying my case. I, I used to work out a lot. I don't even work out anymore. I said, I'll do that once I get on the street, man.

TILLIS: Hey, ah, I don't, ah, it's hard to, ah, it's hard to fight a case. You really gotta stay on top of it.

Protecte : When you got that? Today

TILLIS: Yeah. This is the information I was telling you about. The property being, ah, ah

Protecte : I was sleep when they called mail. That came in regular mail?

01:38:03

TILLIS: No. This, ah, you know the lawyer brought this up here to me.

Protecte : Oh, yeah, yeah; my fault. You, I forgot you

TILLIS: Yeah.

Protecte : told me, you said the attorney came over

TILLIS: Yeah, but the misdemeanor charge is but there was a place in here that said some 'em about, ah, ah, I don't know. In here somewhere, it says some 'em about new owner.

Protecte : A new owner?

TILLIS: Yeah, I know it. See that place was paid for and it was in my fucking name and when it says new owner it kind of, it kind of threw me because, ah

Protecte : You would have to sign something, man.

01:38:35

TILLIS: Well, no, not necessarily. It depends on how they take it from you. They can take property from you, man. You don't, ah

Protecte : Without you not signing anything?

TILLIS: Exactly, yeah. Yeah, exactly, yeah. Yeah, like this says, ah, superseded with new owner.

Protecte : Yeah.

TILLIS: Multiple residence violation

Protecte : Superseded meaning, um

TILLIS: The, the one that came after it.

Protecte : Yeah.

01:39:02

TILLIS: Yeah. And I don't know what in the hell that means. That's what this one I was telling you about my brother kind of scared me, because I don't know what this mother-fucker

Protecte : So, do you think he might be the new owner?

TILLIS: I don't know. He knows that fucking body is back there. Maybe he's back there trying to do some 'em with it so that, do you follow me?

Protecte : Yeah.

TILLIS: I don't know. He might be looking out for me. You know

Protecte : That's crazy, man.

TILLIS: It don't really matter.

Protecte : That's crazy.

TILLIS: If I can get word to him, if I can get word to him, I would tell him don't, don't fuck with it. Leave it alone because even if they find it, I'll take the heat.

Protecte : Yeah.

TILLIS: You know what I mean?

Protecte : Yeah.

01:39:32

TILLIS: Because you know it's not like she's gonna get up and do a god-damn thing anyway.

Protecte : Yeah.

MALE: Hey, what's going on?

Protecte : What are you fixin' to use? Dit ball

MALE: Yep, he (inaudible)

MALE: (inaudible)

Protecte : Yeah. This guy got them trash books. (chuckles)

TILLIS: Huh, yeah.

Protecte : He got them trash books. I had this one here and this one.

MALE: Yeah. I (inaudible) a page or two

Protecte : Yeah.

MALE: both of them man and just put it back down

Protecte : Yeah.

01:40:01

Protecte : You probably want that one on top.

MALE: Yeah, I

Protecte : Yeah, that sucker well we used to tie straps to them and make sure it don't, make sure it don't wobble or nothin'.

MALE: (inaudible)

Protecte : Yeah.

TILLIS: Yeah. And so I don't know what, what he's gonna do you know about this situation.

Protecte : Yeah.

TILLIS: But as far as me

01:40:29

Protecte : Man, I've been thinking about that Ebron junk, boy.

TILLIS: Well

Protecte : I wonder, what that girl is gonna get, man?

TILLIS: Well, it's you know it ain't never right when you kill a mother-fucker.

Protecte : Yeah.

TILLIS: You know what I mean? You know it ain't no way to testify what you do when you're doing stuff like that.

Protecte : Right.

TILLIS: You know what I mean?

Protecte : Especially not no baby

TILLIS: Well, well a baby is worse.

Protecte : Yeah.

TILLIS: That's what I'm gettin' at. Yeah, but who is to say what's worse than someone else?

Protecte : Yeah.

TILLIS: You know what I mean?

Protecte : Yeah. Yeah. You're right about that.

TILLIS: (inaudible) bad as the other, you shouldn't be doing neither one of them - When you start killing a little baby two or three years old

01:40:57

Protecte : That's out of control, man.

TILLIS: Yeah. What the fuck can you gain from that? You know what I mean? Or, nothin'

Protecte : Nothing

TILLIS: That's why (inaudible) mother-fucker is raping little kids three and four-years-old, and five-years-old.

Protecte : Yeah.

TILLIS: I mean if you're gonna rape a mother-fucker, at least rape some girl you can fuck. You know what I mean?

Protecte : Thh-

TILLIS: I'm not saying rape is right.

Protecte : Yeah.

TILLIS: Don't get me wrong, you know what I mean?

Protecte : Yeah.

TILLIS: But, but why do that to a small child that's innocent and is two, you know?

Protecte : That's crazy, man.

TILLIS: But I you know people do, people do crazy things. You know what I mean?

Protecte : You're right.

01:41:28

TILLIS: People, people react in crazy ways, too.

Protecte : Yeah.

TILLIS: People that you would normally think were sane.

Protecte : Right.

TILLIS: You know and, and then you have people that put on such a façade of righteousness.

Protecte : Uh huh.

TILLIS: That you would never think they did anything.

Protecte : Right.

TILLIS: Oh, he couldn't of done anything. Well, listen to him, he's a deacon in the church and he's this and he's a (inaudible) and he donates money to the homeless and to the soup kitchen down there and feeding the homeless and all of that.

Protecte : (chuckles)

TILLIS: Then you come to find out he's stealing from the church and, and

Protecte : Yeah.

TILLIS: molesting the children in the choir

Protecte : Yeah.

01:42:00

TILLIS: And I'm like damn you know.

Protecte : You never see it coming. You never know who you're dealing with.

TILLIS: Exactly, people just that's what I was telling you about my fucking brother. That mother-fucker has got such a talk game from hell that I, and his acting game is so good that you would talk to him and you know.

Protecte : You would believe he

TILLIS: You would never (inaudible)

Protecte : He was capable of none of that.

TILLIS: (inaudible) truck - He'd talk himself right out of that shit.

Protecte : (chuckles)

TILLIS: He called me on the fucking phone and said, look man, I've got to have a Bill of Sale quick.

Protecte : Yeah.

TILLIS: I said, for what? He said, man, I've got a hot truck and the cops are crawling all over me.

01:42:33

TILLIS: I said, you mother-fucker you mean you take a fucking hot truck to your shop and you don't have a Bill of Sale?

Protecte : Shh-

TILLIS: You should have gotten the Bill of Sale first.

Protecte : Yeah, before you even took (inaudible)

TILLIS: He said, well, let's not argue about the details, man. I need a Bill of Sale right now.

Protecte : Yeah.

TILLIS: That's what I fucking (inaudible) and he fucking goes over there with the Bill of Sale and talks his way right out of it just like that. It when they got through, they brought him that stolen truck back (inaudible), I mean (inaudible) with a fucking title. They give him the stolen truck back with a title.

Protecte : They legalized it.

TILLIS: Yeah.

01:43:02

Protecte : So they legalized it.

TILLIS: And gave him the fucking truck (inaudible) gave it to him.

Protecte : So what he, what, what they? What?

TILLIS: He not only talked himself out of it, but he talked himself into gettin'

Protecte : Gettin' it legalized

TILLIS: Yeah, gettin' the other one back and I couldn't do nothin' but shake my head. I said

Protecte : So

TILLIS: Boy you're, you're good. (laughs)

Protecte : So they

TILLIS: You're good.

Protecte : They probably didn't know what, what a Bill of Sale really supposed to look like.

TILLIS: Well, it's just a Bill of Sale but I, I guess it was legal tender.

Protecte : Yeah.

TILLIS: You know what I mean?

Protecte : Yeah.

01:43:30

TILLIS: I mean I didn't do nothing but write the mother-fucker with my hand.

Protecte : Yeah.

TILLIS: I didn't even notarize it.

Protecte : Thh-

TILLIS: So it wasn't like it was notarized a legal document.

Protecte : Right.

TILLIS: Do you follow me?

Protecte : Uh huh.

TILLIS: Yeah, because I didn't have time. He told me; he said, look, I ain't got time to fuck with it, man. I need a Bill of Sale like right now.

Protecte : Yeah. (yawns)

TILLIS: He said (inaudible) and then on top of that and he tells me. I said, well, give me the VIN numbers off the vehicle and he said, I don't have the VIN number. I said, how in the fuck am I gonna write you a Bill of Sale without the VIN numbers? He said, you got to come over here and get them.

Protecte : Wow.

TILLIS: I said, you want me to walk over to your house with all of them cops and get the VIN numbers off of the truck. He said, man, I'm in a bad spot. I need help.

01:44:00

TILLIS: I shit you not; I drove over to that house. I took some, I took some, ah, deed papers to the property and I went over to his house and there was probably 30 fucking cops (inaudible) there. And I got out of the car and the cops was, oh, what are you doing? You know and they just stopped me; right?

Protecte : Uh huh.

TILLIS: And I looked at my brother and I held the deed up to the property, to my property, right?

Protecte : Uh huh.

TILLIS: And I said, look, I've got some legal work dealing with some real estate and, ah, he needs to sign these papers so I can give them to my lawyer. So the cops took the fucking and it was a dead, it was a legal deed, right? So he's looking at the deeds and he's looking at the paperwork and it's for real. It's got a fucking stamp. You know what I mean? It's a real deed.

01:44:34

TILLIS: He looks at it and he says, oh, well, ah, okay. He didn't know so I go back to my brother and I told him, I said here, just act like you're looking at that and, ah, I said, where is the truck? And he points to it and I said, ah, I said okay in a few minutes when the cops get close to me I'm gonna say that I gotta piss. Then you point me over to the point of the fucking fence over there behind them cars to take a piss. And when I get behind them cars, it's your responsibility to get the god-damn cops' attention so I can go over there and get the VIN number.

Protected: Uh huh.

01:44:58

TILLIS: You know he said alright, alright that's a deal, right? (laughs) So he stands over just like he's looking at the papers, right? And I'm fucking, hey, I gotta piss. He says go over there behind that old fucking car right and I go over behind that car and sure enough he pulls the police's attention just long enough and I walk right around the car and write the VIN number down, and walked right back out, and walked out between them cars like I got through pissing. He never even knew it.

Protecte : Shh-

TILLIS: And then he, and then he takes that and goes and gets (inaudible) a clear title. I told him I said, you know I said it's one thing you get out of trouble with that. But god-damn it's some 'em else that, that you not only got out of trouble but now you got

Protecte : The police assistance

TILLIS: Yeah. You got the fucking truck and a clear title; god-damn, man.

Protecte : (chuckles)

01:45:38

TILLIS: But he's that smooth. He's that fucking smooth, man. That cat's smooth.

Protecte : He made me think about that song Smooth Criminal.

TILLIS: Oh, he's smooth, god-damn he's smooth, but you know he got, he got a god-damn, ah, he's got a sex charge in his jacket too from way back.

Protecte : Yeah.

TILLIS: Yeah. And he's fucking he, I mean he ain't no, he's got felonies.

Protecte : He ain't no saint. Yeah.

TILLIS: Yeah. He's got felonies too now.

01:45:58

TILLIS: He's got, he's got a little sex charge from way back. But he's been under the radar for so long now that

Protecte : Yeah.

TILLIS: He's under the radar.

Protecte : But he's been on, he's been on that type of lifestyle though.

TILLIS: Yeah. He's still on it. He's just under the radar.

Protecte : Yeah.

TILLIS: god-damn [Protected]
[Protected]

Protecte : That satisfies it.

TILLIS: [Protected]
[Protected]

Protecte : Yeah. That satisfies his little crave, though.

TILLIS: Yeah. Yeah. He [Protected]
[Protected]

Protecte : Uh huh.

TILLIS: [Protected]
[Protected]

Protecte : (laughs)

TILLIS: I'm like god-damn

01:46:29

Protecte : How was you to know she was gonna recognize him?

TILLIS: How? Who in the hell knows, right? I remember one time I, I wasn't even fucking arrived, right?

Protected: Uh huh.

TILLIS: I got stranded and, ah, so I go over to a store. This been about 15 years ago when they had pay phones beside the stores, and I'm standing beside the store and I'm acting like I'm talking on the phone; right?

Protecte: Uh huh.

TILLIS: And I'm waitin' for somebody to drive up, park the car by the gas pump and go inside to pay, and I'm gonna go out there and crank the car up and drive off.

Protecte: Uh huh.

TILLIS: So I can get to where I'm going.

Protected: Uh huh.

TILLIS: All I need is just a point A, point B transportation.

Protecte: Uh huh.

TILLIS: That's all I want. You know what I mean? I ain't stealing it and charging it up or nothin' like that. (chuckles)

01:47:00

TILLIS: So I'm talking on the phone; sure enough this guy comes up in a Marquis, this big old fucking Marquis and, ah, he gets out of the car and he goes in. I notice that he doesn't put his hand in his pocket when he gets out; something to indicate that he's still on the switch. So he goes in the store and I walked over (inaudible) and I cranked the car up and drive off. I drive about three blocks. All of a sudden, there's a Pinto behind me. I don't where this Pinto, a little Ford Pinto. The Pinto ain't no (inaudible) Marquis.

Protecte: Uh huh.

TILLIS: Right, so I fucking get on the Marquis and I was making some turns and I speed off and I leave that Pinto, right? So I'm thinking damn I don't know what the Pinto where he, what was that about you know?

Protecte: Uh huh.

01:47:30

TILLIS: So I pulled up in this fucking drive way to turn around. I pulled up in the drive way to turn around and this girl comes running out and says hey, hey, what are you doing in my father's car?

Protected: Thh-

TILLIS: Of all the fucking cars for me to pick to turn around in, I turned around in

Protecte: That's crazy.

TILLIS: the god-damn guy that owns the fucking car

Protected: car

TILLIS: daughter - It was his fucking daughter's car. (laughs)

Protecte: That's crazy.

TILLIS: It was right around the corner from the gas station. Apparently, he was going to visit his daughter.

Protecte: Uh huh.

TILLIS: And he stopped there to get some gas. I steal the car. I don't know who was in the Pinto. I never found that out. They chased me. I turned around in the drive way and that's that was the guy's destination to begin with. A small world, small world

Protected: A small world

01:48:04

TILLIS: I'm thinking yeah she comes running out and she's like, well, what are you doing in my father's car? And I'm thinking father's car, what the fuck are you talking about? And I'm thinking to myself, there is no way in hell I'll steal this guy's car and you're his daughter. It is just too fucking, too coincidental.

Protected: He probably, he probably got somebody

TILLIS: That's what I did.

Protected: He probably got somebody that was driving that Pinto to help try to catch you.

TILLIS: god-damn I don't know who it was, I never did find out - I drove that fucking car down the street, down the street about two miles, and got out of it and left it. I thought that car is too hot. Fuck that. Yeah, I walked the rest of the way. I said, fuck that. I ain't

01:48:33

Protecte: That's the same type of coincidence like how your brother

TILLIS: Yeah.

Protecte:

TILLIS:

Protected

01:49:00

Protecte: Yeah, like you said, you gotta cook that dope up, man.

TILLIS: Yeah. Well, old Jimmy, he like that fucking Meth, man. But you figured, I cooked a quarter ounce of dope for him for \$300.00. It's probably about \$45.00 a gram.

Protecte : Uh huh.

TILLIS: Cheap - Then he's having a little party over at his house.

Protecte : Making money back?

TILLIS: No. He's just having a party. He's just you know party dope.

Protecte : Uh huh.

TILLIS: That's all it is. You know but that way people come over and do dope for free and he don't have to spend a lot of money you know.

Protected : Uh huh.

TILLIS: He'd bring me the box of Sudafed and I cook the shit you know. It's four boxes, I cooked almost eight grams right there at a quarter ounce you know. He gave me 300 to cook it. He's averaging about \$45.00 a gram. That's not too bad.

Protected : Uh, uh.

01:49:38

TILLIS: It takes me about two hours, two and a half hours to cook it so I get 300 for a couple of hours work.

Protected : Uh huh.

TILLIS: And I need to, you know what I mean?

Protecte : That ain't bad at all.

TILLIS: Yeah. You know it's a pretty win situation all around.

Protecte : You just got you a few different, ah, hustles. That way you can keep money coming in.

TILLIS: Yeah, exactly; yeah, yeah. Well, that's how I support myself pretty much. You know what I mean? Between the whores and the cooking a little dope or whatever it is, you know until the fucking police showed up with a misdemeanor arrest warrant and then wa-la.

Protecte : (laughs)

01:50:04

TILLIS: Here I am in jail for this and the whole fucking thing hits the fan, and then I'm laying in my bunk thinking okay, well, the Public Defender ain't gonna help me. I'm fixin' to get 30 years. It looks like I'm gone. You know what I mean? I might beat it on appeal, but the odds of them Protected
Protected even if I beat it on appeal, I'm gonna get out and I have to fight that.

Protecte : You might, you might be able to win the first go around. That way you don't even have to go to prison. Go to

TILLIS: Yeah.

Protecte: You might.

TILLIS: They ain't gonna let me win.

Protecte: Yeah. It sounds like they're against you.

01:50:31

TILLIS: When you go to a jury trial, man, you have to understand objection, cross-examine, direct examination, ah, how to object. When the State objects (inaudible), how to, how to lead the, how to lead the witness into telling the jury you know it's about presentation.

Protecte: So you wouldn't, you wouldn't let the Public Defender represent you

TILLIS: Shit no.

Protecte: um, once you got into the trial?

TILLIS: The Public Defender

MALE: (inaudible)

Protecte: Yeah.

TILLIS: The Public Defender ain't gonna do nothin' but just, they ain't gonna do nothing but hang your ass (inaudible).

Protecte: Yeah.

TILLIS: I gotta go use the bathroom anyway, man. Let me

Protecte: Alright. I'm a, ah

TILLIS: (inaudible) let them boys (inaudible)

01:51:02

Protecte: When I get through with the motion, I'm a, um, I'm a show you the format.

TILLIS: Okay.

Protecte: I'm a show you the format of the motion and you tell me; what time it is?

TILLIS: Alright, I'll look at it.

Protecte: Alright.

TILLIS: She's gonna type it all for you, though.

Protecte: Yeah. Yeah, yeah, she's gonna do it like she did the last motion. She's gonna make it, she's gonna make it look real professional and all of that but I, I wanna go ahead and just include the grounds myself.

TILLIS: Yeah.

Protecte : You know what I'm saying?

TILLIS: I'll include the grounds and I'll let her do the arguing. I'll just let her argue it. Old Dee been sleep all day. (01:51:36)

04:04:37 – 04:06:55

TILLIS: I'll tell you. What's going on, man?

Protecte : What's going on, Tillis?

TILLIS: If I, see if I give you a, if I give you my brother's name and a phone number, do you think maybe you could arrange for someone to, to call him?

Protecte : Yeah.

TILLIS: Yeah.

Protecte : Yeah, I might be able to do that.

TILLIS: Okay. I, ah, I, ah, I (inaudible) I wanted, ah, I'll tell you what I'll do, I'll get, I'll, ah, come on let's get a pen and I'll tell you what it is and you can write it down.

04:05:07

TILLIS: Ah, when you call your family I'll, ah, by then I'll be thought of what I wanna tell him and I'll just, I'll write it down and bring it to you.

Protecte : Okay.

TILLIS: And that way you can just tell it to him on the phone.

Protecte : Alright, let me go get some 'em to write with.

TILLIS: Yeah.

Protecte : Is somebody on the toilet?

TILLIS: No. He ain't, he just

MALE: Alright, what's going on with you?

TILLIS: Hey, you, you write it down. I'll tell you. That way can

Protecte : Okay.

04:05:32

TILLIS: I (inaudible) writin' sometimes better. Ah, Claud Tillis, C-L-A-U-D.

Protecte : Uh huh.

TILLIS: Tillis, T-I-L-L-I-S; ah, his phone number is, ah, 608-1680. That's my brother. That's the one I was telling you about with the property. I don't know what, what

he's gonna do whether he's over there messing with that property or what he's doing.

Protecte : Yeah, but see

TILLIS: I'm just trying to get a message to him.

Protecte : Yeah.

04:06:02

TILLIS: So I'll, ah, I'll go over there and, and write down, ah, what I wanna tell him or whatever.

Protecte : Okay.

TILLIS: And then I'll, I'll get back with you

Protecte : Alright

TILLIS: before you make the call

Protecte : Okay. Yeah, that shouldn't be too hard.

TILLIS: Okay. That'll get, alright I'll, I'll catch up with you.

Protecte : Alright.

TILLIS: Are you finished copying that, Dee?

04:06:23

DEE: I'm working on it right now. I'm pretty much, I've got some pages for you. But

TILLIS: How many?

DEE: I was gonna, um

TILLIS: Just give it to me at one time. Yeah.

DEE: Proofread them before I

TILLIS: Yeah. Okay, that'll help me out. I'll get back with you.

DEE: (talks to Tillis) Alright. (talks to Protecte) Hey, ah, what you wanted to say?

TILLIS: I'll tell you in a little while. (04:06:55)
