[REDACTED]

I got on the bus, sat down in the back
and Mrs. human said something and I don't
remember what she said, then she
left and the bus driver said "Burt
you mask" and I told him "no"
I got sick from mask so I put my
mask down and the kids in the back
said "Put on your mask" and I said no it makes
me sick and it kept on going back
and forth then [REDACTED] went to tell
Burt then Burt came back and said
"Burt you mask" then I said
why do I have to and he said b/c we
said and the kids said b/c the principal
said, the govermenteller after them
and said you shut up you're not
involved in this so the bus stop
me and he walked away so I said
let me off the bus and he kept
on driving so I put my backpack
on and kept saying that and he
kept driving then we got there he
put out his fist to give me nucleus
so I walked by ran out of the bus
and ran to my dad and tell him,
