Hi Mr. Briggs and Ms. Cacciatore,

My colleague, Brad Racino, and I are working on deadline for a story to be published and would like to speak with you about it.

We have questions about nonprofit organizations associated with Briggs Law Corp., based on an examination of filings with local, state and federal agencies, as well as communication from the government agencies to the nonprofit organizations regarding failure to file legally required documents.

We also have questions about board structures, contingency fees and checks from the city to Briggs Law Corp Trust Account marked “FBO” Ms. Karin Langwasser.

We also have questions about the Southwest Center on Renewable Energy.

We also would greatly appreciate a chance to talk with you about what kind of advocacy, organizing and research SCORE is currently doing or has done in the past, as reported in its IRS 990s.

We also have questions about SCORE's financial information reported in the IRS 990s. Specifically, we notice on page one of FY 2010 990 (attached) that SCORE had an end-of-year balance of zero dollars after starting the year with $251,954. The only expenses listed in lines 10-17 on page one are $20,000 for consulting fees, with no accounting for the other $231,954.

We also would like to formally request to inspect SCORE's FY 2012 IRS 990 (7/1/2011-6/30/2012), which the IRS does not have. The IRS recommended we contact SCORE to obtain this document, as your group is required to provide access to it upon request.

We have contacted Mr. Powers and Ms. Langwasser’s office to request access to the FY 2012 990, but we have not heard back from either of them.

We would appreciate it if you could please call or email as soon as possible.

Thank you,
Brooke
