Mr. Winston

I have received your Public Records Act request dated 04/15/15.

I am the current CalGang ® Custodian of Records for PRA purposes as part of my duties as the peer elected Chairperson of the California Gang Node Advisory Committee (CGNAC).

4/15/2015

Detective Ryan Cooper
Los Angeles Police Department
100 West 1st Street
Los Angeles, CA 90012

Dear Detective Cooper,

I am a journalist with the Center for Investigative Reporting, a news organization located in Emeryville, California. Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.), I obtain copies of the following records in .csv file format, which I understand to be held by your agency:

1. The number of people, statewide, who have been added to and removed from the CalGang Database from January 1, 2010 to the present date (April 15, 2015)

   There were 106723 people added and 140479 removed during the timeframe you have requested.

2. The number of people, statewide, that have been added to and removed from the CalGang database from January 1, 2010 to the present date, (April 15, 2015), broken down by the demographics of age, race, gender, location/zipcode, and which CalGang node agency inputted and/or retains the data (the agencies include but are not limited to: California Department of Justice, California Youth Authority, Fresno County Sheriff, Kern County Sheriff, Los Angles County Sheriff, Los Angles Police, Orange County District Attorney, Riverside County Sheriff, San Bernardino County Sheriff, San Diego Police, San Jose Police, Santa Barbara Police, Sonoma County Sheriff, California Chiefs of Police Association, California State Sheriff's Association, California District Attorney's Association).

   See attached statistics broken down by the participating Nodes.

This request applies to all documents in possession of the Los Angeles Police DepartmentDepartment, including electronic records. It also includes documents that were created by a member of another government agency or a member of the public, including Hawkins Data Center and Orion Scientific Systems.

Please respond to this request within ten days, either by providing all the requested records or by providing a written response setting forth the legal authority on which you rely in withholding or redacting any document and stating when the documents will be made available.

If we can provide any clarification that will help identify responsive documents or focus this request, please contact me at (917) 334-5403 or awinston@cironline.org. Please note that the Public Records Act allows a member of the public to request records by describing their content, rather than asking for specific documents by name; an agency that receives such a request must "search for records based on criteria set forth in the search request."

Because the Center for Investigative Reporting is a nonprofit organization that makes all information it receives through PRA and FOIA requests available to the public, I ask that you waive any fees. I also request that any records maintained in electronic format be provided in that same format, to avoid copying costs. However, should you be unable to do so, the Center for Investigative Reporting will reimburse the Los Angeles Police Department for the direct costs of copying these records (if the Los Angeles Police Department elects to charge for copying) plus postage. If you anticipate that these costs will exceed $20, or that the time needed to copy the records will delay their release, please contact us so that I can arrange to inspect the document or decide which documents I wish to have copied. Otherwise, please copy and send them as soon as possible, and I will promptly pay the required costs.

Thank you for your time and attention to this matter.

Sincerely,

Ali Winston
