Michelle,

Thank you for your kind offer. I am forwarding this into the appropriate PPE workstream with Dept of Health. They will ask you some basic questions on the details of the offer and then hopefully progress it from there.

Best wishes

Theodore

Dear Theodore,

I hope this email finds you well.

Michael Gove has asked to urgently contact you.
We have managed to source PPE masks though my team in Hong Kong.

They have managed to secure 100,000pcs per day of KN95 which is equivalent to N95 or FFP2. In order to commit to this 100,000pcs per day could you please get back to me asap as freight will also need to be secured.

Hope to see you in The House of Lords when we get out of lockdown.

Kindest Regards,
Michelle

Baroness Mone OBE
