CUSTOMER'S DECLARATION OF VALUE

THIS IS A TARIFF LEVEL OF CARRIER LIABILITY - IT IS NOT INSURANCE

Unless you select the Alternative Level of Liability shown below your shipment will be transported under our mover's FULL (REPLACEMENT) VALUE level of liability. If any article is lost, destroyed or damaged while in your mover's custody, your mover will, at its option, either 1) repair the article to the extent necessary to restore it to the same condition as when it was received by your mover, or pay you the cost of such repair; or 2) replace the article with an article of like kind and quality, or pay you for the cost of such a replacement. An additional charge applies for this level of liability; to avoid this additional charge, you must select the Alternative Level of Liability shown below.

Under the Full (Replacement) Value level of liability your shipment will be transported based on a rate of not less than \$2000 or \$4.00 per pound multiplied by the actual weight of the shipment, whichever is greater. If you wish to declare a higher value for your shipment, you must indicate that amount below.

The value of my shipment is: \$

You must also select one of the following deductible amounts under the Full (Replacement) Value level of liability that will apply for your shipment (if you do not make a selection, the "No Deductible" level will apply):

No Deductible () Initial \$250 Deductible () Initial \$500 Deductible () Initial \$1000

ALTERNATIVE LEVEL OF LIABILITY - Released Value of 60 Cents Per Pound Per Article. (Waiver of Full (Replacement) Value)

If any article is lost, destroyed or damaged while in your mover's custody your mover's liability is limited to the actual weight of the lost, destroyed or damaged article multiplied by 60 cents per pound per article. This is the basic liability level and is provided at no charge. It is considerably less than the release value of household goods. If you do not select this Alternative Level of Liability, your shipment will be transported at the Full (Replacement) Value level of liability and you will be assessed the applicable valuation charge.

To waive the Full (Replacement) Level of Liability and to select the Alternative Level of Liability, you must write, on the line below, the words "60 cents per pound".

The value of my shipment is: 60 Cents Per Pound

Your signature is REQUIRED here: I acknowledge that for my shipment I have 1) either waived the Full (Replacement) Level of Liability (I declared a value under the Full (Replacement) Level of liability and selected a deductible amount, if appropriate, and

As per our conversation 5/6/2014 @ 9:25 am I would be willing to guarantee all the services listed on your moving estimate for a guaranteed price of \$15,500.00 based on the following additions that would be your expense:

1. Hiring a flat bed tow truck on pick up and destination. (approximately \$100.00 each location) to load and un-load the jeep into our 53' Trailer.
2. In the event a shuttle truck is needed in California there will be an additional \$700.00 charge.

To book the move would require a \$2,000.00 deposit to lock in the rate and pick up date.

Thanks
Anthony Aglione
