

STATE OF TEXAS
COUNTY OF DALLAS

CASE NO. 150020923 - ORIG

AFFIDAVIT FOR DETERMINATION OF PROBABLE CAUSE

Before me the undersigned authority on this day personally appeared LOTSPEICH, ALAN #965,
a peace officer for the State of Texas, who after being duly sworn upon oath deposes and says that he has
good reason to believe and does believe that ARREOLA, NICOLE ELAINE did
(name of accused)
commit the offense of INTOX ASSAULT CAUSE SBI PEACE OFF/FIRE/EMS PC 49.09 against
the laws of the State of Texas on October 02, 2015.

Said reason and belief is based upon the following facts and circumstances (provide narrative, using back of
this affidavit or attaching additional pages and/or case report, as needed):

On 10/2/15 I, Officer A.Lotspeich #965, responded to a major accident W/B W SH 114 at N O'Connor Rd, Irving,
Dallas County, Texas involving a marked Irving PD vehicle. The defendant, Nicole Arreola, was the driver of a
silver Jaguar traveling W/B on W SH 114 just west of N O'Connor Rd when she struck a marked Irving Police
vehicle from behind that had its emergency lights activated while blocking traffic for road construction. The
officer inside that vehicle, R.Silva #799, was transported to Parkland Hospital with a concussion, broken ribs,
and other injuries to his shoulder. The force of the impact to the back of Officer Silva's vehicle sent it off the
roadway and into a light pole in the center grass median. Arreola first denied driving but later admitted she was
and admitted she was intoxicated while doing so. She had the strong odor of alcohol coming from her breath,
bloodshot eyes, slurred speech, had defecated on herself, and admitted to consuming "five shots and a sip of
beer" earlier. She was asked to perform several SFST's and was unable to do so correctly due to being
intoxicated. Arreola was intoxicated and had lost the normal use of her mental and physical faculties due to the
introduction/amount of alcohol in her system. She was placed under arrest for Intoxication Assault SBI of
Peace Officer and read her DWI Statutory Warning. She was asked to provide a blood specimen and consented.
She was taken to Baylor of Irving where she signed the consent form prior to her specimen being taken. Her
results are pending. At the jail she consented to a PBT and provided a result of 0.144.
