Contact was made with the reportee Patrick Zayrelli in the FLPD lobby. Mr. Zayrelli advised that he works for Dependable Website Management which is a cyber bullying and reputation management company. He says that his client Attorney Gary Ostrow hired him because a group of attorney`s were attacking his character and tarnishing him reputation on line due to an incident that occurred with him years ago.

Mr. Zayrelli stated that his company contacts the parties and ask them to take their posts down, which is what he said he did when he called all the listed attorneys but each one of them became defensive and started cursing at him. He was especially concerned because according to him, one of the attorneys Brian Tannebaum who practices in Miami told him that he would have BSO deputies arrest him.

Mr. Zayrelli said that the next day after he called the attorney`s all of his social media accounts (facebook,twitter) were all filled with negative posts about him by all of the attorneys and some had even posted pornographic material on his facebook account. Mr. Zayrelli wanted the incident to be documented. He was given a case number for this incident.
