Call Time: 10:00:12 AM  
Session Number: 399  
Participants: ADAM SKELOS  
DEAN SKELOS

1 [Start: 03:49]

2 ADAM: We have -- no, I had a conference call  
3 with some of the, the lobbyists last night. We're setting  
4 up meetings with, with some guys.

5 DEAN: Good.

6 ADAM: It's a work thing, you know? We're going  
7 to -- it's not just going to be that. I think we're  
8 setting up meetings on Thursday, as well.

9 DEAN: Oh, good, good.

10 ADAM: So, you know, we can't even -- even though  
11 I set aside Thursday for some, you know, recovery time if  
12 we had a rough night on Wednesday --

13 DEAN: Um-hum.

14 ADAM: -- I don't think we're going to be doing  
15 that because --

16 DEAN: You got to be sharp.

17 ADAM: Yeah. It's got to be sharp. It's a work  
18 thing.

19 [Stop: 04:22]

20 [Start: 05:54]

21 ADAM: I really don't want to mix my personal  
22 life with, with Bjornulf and I really don't need -- listen,  
23 he is my best chances for being successful.

24 DEAN: No, I know that, I know that.

25 ADAM: Right?

1 DEAN: I know that.

2 ADAM: So nothing can be brought up about marital  
3 problems or past things that have happened --

4 DEAN: Oh, no, no, no, nothing, no, no.

5 ADAM: You know, because that -- I could  
6 literally give a shit about any -- once that is either --  
7 that business is either successful or fails completely,  
8 then he could go away. But in the meantime, he's got to be  
9 my best buddy.

10 DEAN: Yeah, I agree. I understand that.

11 ADAM: Okay. So that's how it works in my world.  
12 Otherwise, I lose a lot. You know, I lose the ability to  
13 pay for things.

14 DEAN: Adam, I have no problem that you have to  
15 work with him. I understand that. And you have to have  
16 meetings. And you both should be on your --

17 ADAM: Yeah.

18 DEAN: -- on your game for those meetings.

19 ADAM: Listen, I don't need that comment being  
20 said to Bjornulf, you need to be on your game, or by Gail,  
21 oh, you guys be good tonight. He's not a little kid.

22 DEAN: No, no, I know.

23 ADAM: This is a 6-figure contract that I have  
24 with a major corporation. You understand what I'm saying?

25 DEAN: No, I understand. Yeah, I do.

1           ADAM: Otherwise, you know what? We're not going  
2 to go to the dinner. We're not going to go to the  
3 dinner --

4           DEAN: Yeah, let me ask you --

5           ADAM: -- because I don't want to risk Gail  
6 having a few glasses of wine and saying something extremely  
7 stupid and embarrassing.

8           DEAN: No, I understand, I understand. Let me  
9 ask you this: Which company is he with now?

10          ADAM: He has stepped away from AbTech.

11          DEAN: Completely?

12          ADAM: Well, listen, he's CEO of AEWS, which is  
13 an engineering firm. Even though they're affiliated with  
14 AbTech, he's --

15          DEAN: Okay.

16          ADAM: -- he's separated himself, but he's also  
17 aligned his company and AbTech with Corvias, which is the  
18 multibillion dollar corporation that does the P3s.

19          DEAN: Okay.

20          ADAM: So if he can get some exclusive deals with  
21 New York -- if he could get New York as a region --

22          DEAN: Um-hum.

23          ADAM: -- and he's the exclusive engineer,  
24 AbTech is the exclusive technology portion of projects --

25          DEAN: Okay.

1           ADAM:  -- and, you know, so it's -- there you go.  
2 I mean, it's, it's a very big deal.

3           DEAN:  And who, who are you going to meet with  
4 on -- next week?

5           ADAM:  I mean, I'm, I'm hesitant to talk to you  
6 on this cell phone.

7           DEAN:  Okay.  No, we'll talk next week, then.
