Participants: ADAM SKELOS  
BJORNULF WHITE

1 A. SKELOS: Hey.

2 WHITE: Hey, what's going on?

3 A. SKELOS: Not much. What have you been up to?

4 WHITE: It's been a nonstop day.

5 A. SKELOS: Yeah?

6 WHITE: I'm sorry I'm just calling you now.

7 So --

8 A. SKELOS: No, that's all right.

9 WHITE: So, what's --

10 A. SKELOS: (Indiscernible)

11 WHITE: -- what's up?

12 A. SKELOS: Well, it's, it's good and it's  
13 annoying and -- Nassau County is -- Ed says he's going to  
14 get the 400,000 out, which is the good news. But then he  
15 said -- then he started talking about, well, Adam, it's  
16 not -- it's a design build and we can't do that until the,  
17 the P3s are, you know, passed in Albany.

18 I said, Ed, I get that. I go, we're working on  
19 that and we're going to have that, you know, hopefully by  
20 April, if not before then. I said, that being said, this  
21 has nothing to do with that. Our contract was pending  
22 federal approval, but we just need the 400,000 for the work  
23 that, you know, we, we've done that's been allocated for  
24 these projects, and Tim Kelly's just sitting on it. He  
25 goes, all right, I'll get that out.

1           But I think everyone's like kind of in limbo  
2 waiting for the P3 stuff. So --

3           WHITE: Yeah --

4           A. SKELOS: Are you there? Can you hear me?

5           WHITE: Yeah, yeah. No, I can hear you.

6           A. SKELOS: Okay.

7           WHITE: I said, I said, Jesus, this -- the saga  
8 continues.

9           A. SKELOS: Yeah. So I'm hoping that the 400,000  
10 can help somewhat with -- at least like putting an order  
11 through for, you know, one device for Bay Park.

12          WHITE: Right.

13          A. SKELOS: You know, for AbTech. I just want to  
14 show them something.

15          WHITE: Right.

16          A. SKELOS: And then we have to just really start  
17 pushing Nick and Mike Avella big time. And we've been  
18 doing it on our end as far -- in the Senate with the Long  
19 Island Nine for the P3s. I had a conversation with five of  
20 them last night from this area, and they're all putting in,  
21 you know, requests for, for exactly what we want. But we  
22 have to have the lobbyist put the correct wording in.

23          WHITE: Okay.

24          A. SKELOS: And, and that's -- the faster we --  
25 they do that for us, the faster we can, you know, move it

1 along.

2 WHITE: Okay.

3 A. SKELOS: But, yeah, I mean, it's -- can I, and  
4 can I be honest with you?

5 WHITE: Yeah.

6 A. SKELOS: It's like he had no fucking idea what  
7 the project even was about.

8 WHITE: Mangano? Really?

9 A. SKELOS: Yeah. He's like, great, so is this,  
10 is this the, the sewage plant, right? I'm like, no, Ed.

11 WHITE: No.

12 A. SKELOS: No. No, Ed, you had a press  
13 conference about it.

14 WHITE: Yeah, I know, like three months ago. Do  
15 you remember that?

16 A. SKELOS: Yeah. And there was like a whole  
17 bunch of cameras there. And he goes, oh, oh, okay, the  
18 sewer, stormwater drains. So I -- so it's not like the  
19 sewage plant? I said, no, no.

20 WHITE: Jesus.

21 A. SKELOS: Yeah, it, it was bad.
