Recorded Telephone Calls

PREPAID Cellphone

Call Date: March 10, 2015  
Call Time: 09:15:45 AM  
Participants: ADAM SKELOS  
BJORNULF WHITE

1           WHITE: Hi.

2           A. SKELOS: Hey. What happened?

3           WHITE: I picked up and you weren't there, and  
4 then I tried to call you back and then I was getting an  
5 incoming call from your other phone.

6           A. SKELOS: Oh, all right. So your package  
7 arrived.

8           WHITE: Okay. What did you think of it?

9           A. SKELOS: I -- honestly it looks -- it looked  
10 great. It was enough and not too much, you know, but got  
11 to the point. I hadn't had a chance to talk to you before  
12 you wrote it but I was hoping that you would put in kind of  
13 how the funding works on it, and you did that, I think,  
14 effectively. So it was perfect.

15           That's -- really, the funding portion of the, the  
16 entire project is what I want to stress, what I want, you  
17 know, want them to focus on because, listen, it's just  
18 important.

19           So I'm going to give this over to my dad on  
20 Thursday, and some point today or tomorrow I'm going to  
21 stop in and see Ed and give him a copy as well and tell him  
22 exactly what we need him to do, to steer the governor away  
23 from just design-build for everything, focusing on the  
24 storm water stuff. And I'm also bringing a copy of that  
25 article of why it's important and what we're fighting for

1 as far as the 800 million for water infrastructure  
2 projects.

3           So now not only does he have, you know, the  
4 private sector funding, 90 percent of a project, but he has  
5 a state, you know, account that allocated money  
6 specifically for what we're doing and why it all makes  
7 sense. So it all came together perfectly. I've just got  
8 to let them know -- I've just got to educate him on what  
9 he, what he's got to ask for.

10           WHITE: Okay.

11           A. SKELOS: You know, but, yeah, yeah, I think it  
12 was good, really good job.

13           WHITE: Okay. All right. Just -- yeah, I  
14 wanted to make sure that you had gotten it and that, that  
15 it looked okay.

16           A. SKELOS: You should definitely on your own  
17 send a copy to Tom Croci, just saying, you know, this is  
18 kind of an overview of what we were talking about and --

19           WHITE: Okay.

20           A. SKELOS: -- that's it.
