also, check out James Knox's site editing from first glance). his email is

he's looking for some critiques (it definitely needs some if you want to talk to him, or you can just send stuff to me.

# A MASSIVE taxpayer-funded check? For doing nothing?

According to Gallatin County's own budget documents government spending exploded under Joe Skinner, swelling from \$38 million in 2005 to a projected total of over \$130 million in 2010.

**That's a 342 percent increase in six years!** And what does Joe Skinner plan to do with a county government that's 342% bigger? Well, for one, pay people to do nothing.

Joe Skinner took a cool \$1 million in taxpayer cash in exchange for a pledge to not turn his property into housing developments – something he admits he was never planning to do.

That's right. Joe Skinner took \$1 million in taxpayer cash to do nothing. And now that he's on the County Commission he's pushing even more huge giveaways of taxpayer-funded checks.

Skinner boasts to the liberal Trust for Public Land that Gallatin taxpayers "tax(ed) themselves" finance his taxpayer cash giveaways. Skinner is also pushing for more taxpayer spending on the giveaway program because "a lot of other counties are looking to us as a model."

**Call Joe Skinner at 388-4554 BEFORE the June 8 Republican primary**. Tell him to drop his big-spending, radical environmentalist agenda and begin protecting property owners and taxpayers.

**EVERYTHING BELOW WE DO FOR INVITEES IS FREE OR AT COST.** This page contains several key profiles, guides, and templates that have made all the difference for dozens of candidates across the US. Campaigns are won by a steady building of a base of support (including the all-important donor base in the \$10-\$25 range); by knowing oneself, one's opponent, and one's district; and by wise use of resources.

1) **Candidate Resource Outline (PDF):** This document goes over the resources listed on this page, and lists a basic voter contact plan.

2) **Candidate & Campaign Profile (MS Word):** This document is no fun, but it is essential to complete first. It serves as due diligence for the candidate to know his own race, and provides advisors with the info needed to give wise guidance. Fill it out to the best of your ability and email or fax it in; we'll help fill in the details. ([here's a PDF](#) - if you don't have Word, just fax it in). NEW ADDITION: DOWNLOAD and fill out [this "4-Square" profile](#) - we'll go over it in the training.

3) **Fundraising Tools:** The fabled "[Coffee Memo](#)"; more to come here, such as a basic phone script to use when making fundraising calls (don't worry, everyone else hates those, too). If you're inclined, you might consider sending the Oil & Gas, Realtors, or other key industry types [this nifty Industry Press Kit](#) - it could get you a favorable interview, some money, an endorsement or maybe a helpful mailing. If you've got any media coverage in your district, it doubles as a media kit.

4) **Campaign Resources:** a [Basic Palm Card](#), and what a [what a well-designed yard sign](#) looks like. If you want some design help, print those PDF's and fax us your edits right on the page, and we'll get on top of it. And don't go anywhere without a few of [these volunteer/supporter sign-up sheets](#) on your clipboard - you never know when someone will want to help!

5) **Data:** When the time comes, we've got the best voter lists in the state. We have placed an excellent tool for creating your housefile in a true database - [CLICK HERE TO DOWNLOAD](#) a template for MS Access that will make your data, your Campaign Finance, and your fundraising 100 times easier now, and especially in the future.

6) We're working on a YouTube video format that we can help get you that "personal feel" - which means support - in far-reaching areas of your district. Your opponent won't have a clue about this kind of campaigning.

7) **Web Site:** NEW: Fill in this form ([click to download](#)), and we'll provide you a basic website - you provide the info (most of which the above info will cover), and we'll put up a basic site with email and supporter signups, and online contribution capabilities. [Check out our sample website HERE.](#)

That oughta get you started. We'll come up with more as time goes on.

*SO NOW, JUST LIKE when my wife tells me she's got this great new idea to organize the basement, and I'm standing there in my paint-streaked overalls, the question is: "Honey, what the heck to I do now??"*

### **CLICK HERE TO DOWNLOAD THE MAIL AGENDA**

#### **PHASE 3: MAIL PROGRAM**

- 1) Yes, everyone is having a cow over absentees being mailed out on Monday. Don't panic. All absentees should be chased with a postcard right away and a letter within a few days, but most are not returned on the spot.
- 2) We'll go over the introductory mail, the issue mail, the "wife letter" and the final candidate letter. [Click here](#) to download a sample of a very successful - and polled - wife letter.
- 3) We'll write custom mail for each candidate.
- 4) You win.

#### **OLD STUFF FOR POSTERITY BELOW:**

#### **OUR SECOND SET OF WINNING items candidates should be doing by MAY 1st or ASAP:**

1) **MAIL YOUR HOUSE FILE:** By now, you should have your file in to me if I am going to help get your first (or next) fundraising mail out. I have emailed you a proven template for editing, and provided a database shell to input your names and addresses into. Along with walking, you should be getting fundraising underway and have at least 25% of your target amount in the bank. NEXT WEEK, WE'LL GET STARTED PHONE CALLING FOR CONTRIBUTIONS - THIS MAKES MORE MONEY THAN MAIL.

*Your first "house file" fundraising mailer should drop by April 25 at the latest!* Depending on how far away you are, we can produce a high-quality mailing for you and your volunteers to stuff, stamp, and seal for the cost of paper and ink - or we can get it assembled cheaply at a local mail shop.

2) **DATA** - By tonight's call, I should have emailed data lists to you. This data is the latest scrubbed, updated, phone appended data available, with the VoterVault info added after it was cleaned up. I can't vouch for the VoterVault part of it. Most VV data, from what I understand, was entered based upon what previous candidates entered in the field.

WE'LL BASE UPDATED WALING LISTS OFF OF THESE FILES, UNTIL I

GET THE ISSUE-ID LISTS TOGETHER.

#### **Here's the first couple of simple - and critical - items candidates need to get to us by April 1st or ASAP:**

- 1) **FILL OUT** the "Candidate & Campaign Profile" and get it to us ASAP. You can type into the Word document and email it, or we'll receive it as a PDF in our email if you simply fax it to us at 406-551-4333. We can't build your website without that basic info first.
- 2) **BUILD YOUR HOUSE FILE:** A "house file" is just a fancy word for supporter list. Unlike incumbents or previous officeholders, first-time campaigners usually don't have a list of potential donors sitting around. What you need to do is make a list of EVERYONE (family member, friend, businessman, customer, Bible Class member, etc.) you can THINK of, to send your first fundraising letter to. EVEN IF THEY DISAGREE WITH YOUR POLITICS. More on that in our upcoming conference call. The list should preferably be typed into an MS Excel spreadsheet, but we can help if you write it down and fax it. Start with your Christmas card list - can you top 100?

*Your first "house file" fundraising mailer should drop by April 7-10* or so. Depending on how far away you are, we can produce a high-quality mailing for you and your volunteers to stuff, stamp, and seal for the cost of paper and ink - or we can get it assembled cheaply at a local mail shop.

3) **DOWNLOAD AND EDIT**, if you so choose, the palm card and yard sign template, edit in the white space on the same page, and fax it in. We can design and print it in "2-color" for the cost of paper, or send it to a print shop for the 4-color digital printing treatment.

4) **WEB SITE**: Send us a nice campaign photo of yourself, and if you can, photos about you and your campaign. You out fishing, you knocking on doors, you helping in the community. More is better; we'll use the best ones.

**THAT'S ALL FOLKS, FOR NOW**. Soon, we'll have a mail schedule together and examples of actual mail pieces. Mailing for money early and often is the way to go, but it's almost never worth doing campaign mail before 5 weeks out. Based upon budget and need, we can soon discuss a custom mail strategy that will work for you.

You'll Thank us on Election Day

## Common Sense

Common Sense is hard to find in government these days. Leaders in both political parties sometimes think that we can borrow or spend our way to prosperity. I disagree. Prosperity relies on hard working people saving and investing in their businesses, their education and their communities, treating each other fairly and expecting the same in return. Government, through taxation and regulation in excess, is the biggest obstacle in self reliance. "I believe that the most efficient government is the least government." The erosion of our Constitution and Bill of Rights is a direct result of government stealing away our prosperity. It is the responsibility of the sovereign people to hold their public servants accountable for their actions. Until we as a people take our responsibility seriously and select our leadership by their moral character rather than their popularity change for the better will not happen. The right to vote is a precious right and requires a responsible person to seriously consider the candidate with values and character that will protect your right to Life, Liberty and the Pursuit of Happiness.

### I believe:

- ➔ in the values and ideals that inspired our Founders.
- ➔ the principles set forth in the Declaration of Independence are immutable and timeless.
- ➔ the best government is the least government.
- ➔ that rights are unalienable, by virtue of our creation and they come with responsibilities.

# Bob Wagner

## Integrity

Integrity is developed by our values. I value my relationship with my God above all. Wisdom is a gift to those who seek it. Our Founding Fathers recognized this and proclaimed Divine Providence could be the only explanation for the creation of the Declaration of Independence and our Constitution. These documents were intended to restrain our government.

I sincerely hope you share my values and will consider me when you vote in our primary election. I promise to fight hard in Helena for these values and work tirelessly for positive change in our state government - smaller government, fair and lower taxes, fiscal accountability, responsible stewardship of our natural resources, competitive quality education, policies that encourage strong family values, personal responsibility and private property rights.

## Many "Republicans" .....

- have little respect for the limitations that We the People have written into our Constitutions.
- aren't too concerned with run-away government as long as it runs their way.
- are not ashamed to act like Big Government Democrats.

My voting record speaks for itself. I supported:

1. The Made in Montana Firearms Act.
2. The State Sovereignty Declaration.
3. Economic stability through Sound Money (HB 639)
4. Pro-Life and Pro-Family values.
5. Smaller government by efficiency and transparency in all state dealings.
6. Equal access for rural education.
7. Responsible and economical energy development.
8. Protection of Private Property Rights.
9. Responsible management of Public Lands.
10. Funding to restore and repair the Ruby Dam.

"Crossing the Aisle" is a virtue in only two situations:

1. When working for a compromise in how best to accomplish a Constitutionally authorized duty.
2. On the occasion when one recognizes that he is wrong in his Constitutional understanding of duty and then chooses to do what is right according to his better understanding.

**Bob Wagner represents in black and white.**

If the Constitution does not authorize it, I cannot support it.

If a measure is morally wrong, I cannot support it.

If a measure meets Constitutional muster, I will always give my support to wise implementation.

**Bob Wagner isn't into:**

Expensive, colorful ads that distract from the content of who I am.

Pesky phone calls during dinner hours, or any other time.

Door hangers, flyers and campaign junk left at your doorstep to litter the neighborhood

I will attend Candidate Forums in your area and answer any questions you might ask to the best of my ability. I will be happy to discuss issues that concern you by phone at 287-5343, or via e-mail at [bobwagner4leg@yahoo.com](mailto:bobwagner4leg@yahoo.com).

If you wish to support me and my efforts to restore our Constitutional Republic you may request flyers, news articles I have written, and yard signs. I will see that you get them.

I would appreciate your help and support. Please use the attached form in this flyer.

**Bob Wagner is beholdng only to the principles of our Constitutional Republic  
NOT to associations, special interest groups or the "Good Old Boys"**

Christian, what were the two counties that I was getting lists from? I know it was Park and something else. I also don't remember which department of the city handles this so that I can call them.

# Taxpayers for Liberty

From Rand Paul's recent victory in Tennessee to Ken Buck's sweep of the Colorado State Assembly last Saturday, **Taxpayers for Liberty continues to prove it's effectiveness.**

You know you're doing something right when a "tough" campaign like Jane Norton's is left quaking in its boots, and is reduced to dirty and baseless attacks against limited-government watchdog groups. Buck's proven record as a fiscal conservative is a clear juxtaposition against Jane Norton's tax and spend reputation—one she will bring to the US Senate if she is able to petition onto the ballot and conjure up enough continued support to overcome the TEA Party, 9/12 and grassroots movement that is sweeping the Buck campaign along for the moment.

Buck said it best at the assembly: "This is a great process. It is a process where our candidates need to respect the assembly by coming here and asking for your support." (quoted from The Coloradoan:

<http://www.coloradoan.com/article/20100522/UPDATES01/100522008/GOP+candidates+make+itches+to+d+elegates>)

Norton's support for Referendum C and it's nearly \$6,000 per family per year cost continues to haunt her. Her campaign distortions, fiscally liberal record and governmental-growth policies do not sit well with Colorado voters, and we aren't the only ones to point this out:

Warren Todd Houston, a Chicago Free-lance Journalist: <http://www.publiusforum.com/2009/08/31/nrsc-in-colorado-hey-lets-endorse-a-tax-raiser/>

Senator Greg Brophy, in opposition to Referendum C: <http://senatorbrophy.blogspot.com/2009/07/rerun-of-op-ed-on-ref-c.html>

Colorado Independent: <http://coloradoindependent.com/46743/gop-senate-candidate-norton-goes-on-the-record-'ive-not-been-a-lobbyist'>

Vincent Carroll in the Denver Post: [http://www.denverpost.com/opinion/ci\\_15137485](http://www.denverpost.com/opinion/ci_15137485)

Like Rand Paul, we fully expect the educated voters of Colorado to make the right decision in endorsing only fiscally conservative candidates to present their party after the August primary—and we will continue to fight for the limited government agenda, allowing the pro-freedom and anti-tax movement to continue it's momentum towards rescuing America from the fate currently befalling Greece and other nations whose European Socialist tendencies are proving time and again to be their undoing.

From her website:

### 1. Affordable Healthcare

Our current system of health insurance and healthcare is unsustainable and riddled with inefficiencies. In 2007, total national health expenditures were expected to rise 6.9 percent — two times the rate of inflation.

Systematic problems in our healthcare system significantly increase the cost of medical care and health insurance for employers and workers and affect the security of families. We need a comprehensive, multi-faceted approach to health insurance reform to give all Americans access to affordable health care options. The majority of Montana's businesses are small-businesses with less than 20 employees. If you fix health insurance for small businesses, you fix it for Montana.

### My Healthcare Values:

1. Affordable
2. Preventative
3. Competitive
4. Transparent
5. Efficient
6. Realistic

### I will work to:

1. Increase the availability of insurance purchasing pools for small business
2. Provide Tax-based incentives to assist with purchasing health insurance
3. Implement cost containment measures

### 2. Mental Healthcare System Reform

Montana's mental health care system is in crisis. On February 7th, 2008 Montana was identified as the state with the highest rate of suicides in the nation - exactly double the national average. This situation is not new to Montana, as we have consistently been ranked in the top 5 for over two decades. However, the suicide rate has been resistant to interventions thus far, necessitating a comprehensive, state-wide plan to address the causes of the high suicide rates and expanding care networks and education about the topic. The

Department of Health and Human Services has attempted to put together such a plan, but needs help from legislators to accomplish their goals. I will be working to make these goals a reality.

Montana is a geographically isolated state, making the provision of adequate mental health services to rural residents extremely difficult. The number of psychiatrists in the state, especially child psychiatrists, is seriously inadequate to address the needs of Montanans. We lack comprehensive community treatment programs that are necessary to avoid burdening the police and emergency room staff with psychiatric situations they are not equipped to handle. Statewide, there is a need for more psychiatric inpatient beds - the supply of which are shrinking. If there are not beds in hospitals, local officials must place psychiatric patients where there are enough beds, which often means jails and prisons. This process perpetuates a "criminalization" of mental illness that reinforces a stigma against the mentally ill.

In order to address these problems, DPHHS has created a pilot community crisis center in Billings, which has significantly reduced the burden on police and the Billings Clinic Psychiatric Inpatient Center. The community crisis center is a place meant for people who are experiencing a crisis due to psychological or addiction issues to go for immediate help and referral to other care providers. The state plans to expand this program to other cities in the near future. I believe that creating comprehensive community care networks is essential to reduce the strain on Montana's mental health system.

I will work to:

1. Increase awareness of suicide prevention
2. Develop community provider networks and expand community crisis center models throughout the state.

3. Improve communication and community linkages with mental health and substance abuse service systems. ;

### 3. Public Lands & Wildlife

In 2006, almost one million state residents and nonresidents spent \$1.1 billion on wildlife recreation in Montana. Hunting, fishing and recreational opportunities in our state generate revenue and support jobs. I am committed to the preservation of our natural resources for current and future generations. I am also committed to protecting the public's ability to enjoy these resources, fish and wildlife habitat protection and enhancement, and public hunting and fishing opportunities. Our economy and our identity as a state rely on our abundant fish and wildlife and the public's right to access our public lands. I believe that our fish and wildlife should not be commercialized or only be for the enjoyment of a select few. Fish and wildlife should be managed for the public and the habitat should sustain genetically diverse and healthy populations of wildlife. Montana's resources provide unprecedented opportunities for diverse wildlife based recreation and are a driving force for the state's economy.

I will work to:

1. Defend the public's right to access public lands
2. Expand programs that provide incentives for landowners to allow hunting and fishing
3. Promote access to public lands that are not currently accessible
4. Protect and enhance wildlife habitat and migratory corridors

The Habitat Montana Program, Block Management Program, conservation easements, critical habitat acquisition, fishing access sites, and other Montana Fish, Wildlife, and Parks landowner incentive programs are examples efforts to provide public access to wildlife on private lands and should be expanded to provide the maximum benefit of our fish and wildlife to all Montana citizens.

#### 4. Quality Education

Education is what makes our country great. It is the wisest investment we, as a nation, could ever make. Quality education of our children is what is going to reduce poverty, reduce crime and keep our economy strong. In the long run we will get returns much greater than what we have invested. I believe that education should not be a partisan issue. We need to work together with local school districts and education experts to come up with a permanent fix to our continuing struggles with education funding.

### HD71: Les Gilman:

Main Street Advocacy is mailing for him. Max Baccus is running ads for Les Gilman as well. Governor Schweitzer has been holding town hall within his district for Les Gilman and against Bob.

Believes that the rights of the majority and minority are different, says it's the job of the legislature to protect the rights of the majority whilst not overcoming the rights of the minority.

From his website:

1. "We must make Montana work for business so business can put Montanans back to work"

The state legislature and all of Montana needs to realize that the only way to strengthen our economy, enhance the tax base and ultimately provide for the essential services is to provide a climate within the state where businesses both large and small can prosper. In so doing, we create new jobs, increase per capita earning and spending and get money moving again. Good paying jobs in the renewable resource industries and the wise use of our other natural resources will restore confidence and vitality in our economy which in turn invigorates main street businesses and communities in general.

2. "The larger the government, the smaller the individual"

The culture and heritage of Montana stands firmly on the shoulders of rugged individualists who struggled and prevailed against what at times must have seemed to be insurmountable odds. The individual liberties we enjoy and the responsibilities we accept are founded in that heritage. If the government chooses to limit those liberties or relieve us of those responsibilities then we become less significant in our own opinion and certainly in the eyes of those accepting the authority. Whether child, student, parent, teacher, laborer, professional, employee, employer, sportsman, landowner, business owner or retiree, we all must accept the responsibilities entrusted to us by the founders of our society to provide for ourselves and participate in the collective provision for those needs and services which are beyond the scope of the individual.

3. "Sustaining our Heritage"

The enjoyment of our public lands and wildlife, the right to hunt and

fish, own guns and speak freely without fear of reprisal are things we have traditionally accepted as fundamental liberties. The privileges and responsibilities of private property ownership, the expectation of an opportunity to provide for our families and the need to assure a quality education for our children have not historically been questioned. As Montanans we must vigorously defend our heritage to assure our future. Efforts to limit our access to public lands, impose undue regulatory and tax burdens on small businesses and create an atmosphere where the family farms and ranches can no longer survive will certainly result in adverse changes to the communities we call home.

#### 4. "Collaborating for the Greater Good"

The landowner sees it one way, the recreationist another. The taxpayer is worried about increased taxes, the educator about the shrinking dollar and rising costs. Rarely in life or government do we face a choice without consequences. We have all learned that the role of our elected officials is to "Assure the rule of the majority while protecting the rights of the minority". There is no way to accomplish that role without a body of open minded individuals with a desire to serve their constituents and a commitment to work diligently for the good of Montana by finding common ground when possible and agreeing to disagree respectfully when not.

#### 5. "Education-our burden-our hope"

More so in education than in any other field of endeavor are our efforts returned to us with dividends. We must provide for a quality education for Montana's greatest treasure to assure a better life for all of our children and to supply the ever increasing technological demands of today's work force. We can be proud of the work ethic, the moral character and the determination of our youth. We must accept

the challenge to spend our education dollars wisely to provide the knowledge needed to complete the package for their future and ours.

**SD23: Alan Olson**: a leftist RINO. In the state legislature from 2000-2008 in HD46, he was Supported in 2006 by the League of Women Voters (<http://lwvmt.montana.com/07actionagenda.htm>) -- one of two Republicans supported by this leftist organization.

2007 -- introduced HB 114, which would have created a huge new government bureaucracy - the Montana Transmission and Pipeline Authority. The bill would have subsidized a whole new government Board to build new transmission lines and pipelines across family farm and ranch land to transport power out-of-state. Rural voters became concerned this new government bureaucracy would use its sweeping powers to take private property through eminent domain. (<http://ruralvoters.org/scorecard/PB2007>)

"The Montana project may take years, but supporters remain hopeful. "I think (this one) is the real deal," said Montana state representative Alan Olson. "But it's going to take time. (We've) been in here for the long haul. Projects like this don't happen in 20 months." " (2006 CTL project, <http://www.thefreelibrary.com/The+promise+of+synthetic+fuel:+coal-to-liquid+technologies,+pioneered...-a0155664507>)

"In 2003, however, a new problem developed. Rep. Alan Olson (R-Roundup) introduced, at the behest of the coal mining industry, a bill changing Montana's coal mine reclamation standards. MSUMRA always had tough requirements for reclamation and revegetation. Only native plant species were allowed for revegetation, and a company had to show by meeting plant diversity and density standards that the reclamation would be viable for a long period of time. The promise of MSUMRA was that, after reclamation, the land would look relatively as it did before mining, and that it would support the same land uses. Meeting this goal proved expensive and time-consuming for the mining companies, so they decided to change the law. Rep. Olson's bill was passed. It did a number of things, but made one fundamental change to the law: instead of reclaiming land for pre-mining uses, companies can now reclaim to a "higher and better use." Sounds good, right? Unfortunately a "higher and better use" could be anything from a trailer court to an industrial park to a

golf course to vast, flat fields of grass."

"Baugues closed the mine in 1998 and returned to Tennessee owing an estimated \$2 million in debt to Montana businesses. He owed state fines of more than \$531,000. In addition, the Montana Department of Environmental Quality collected \$428,200 on a reclamation bond that Baugues forfeited.

Eight years ago, for the first time in state history, a coal-mining permit was revoked for environmental violations. That meant Baugues or another developer would have to start over and spend millions to obtain another permit.

However, during the first months of 2001, then Rep. Alan Olson, R-Roundup, sponsored a bill reinstating the coal mining permit for the Bull Mountain Coal Mine No. 1.

On Oct. 1, 2001, Baugues and Mountain Inc. paid a settlement payment to Montana of \$300,000.

The same day, then-Gov. Judy Martz, R-Mont., held a news conference in Roundup to announce reopening of the mine, plus plans to build two coal-fired power plants nearby and a short-distance railroad to Broadview so the coal could be shipped on the BNSF Railway.

In 2002, the mining permit was transferred to Bull Mountain Properties Investments (BMPI), which was headed by Parthemos. The mine reopened in early 2004.

In January 2005, the mine missed its payroll, fell behind on its property taxes and owed an estimated \$1.00,000 to a trucking company.

In November of 2005, the DEQ ordered the company to stop mining a coal seam that was uncovered when the company was clearing a site for a power plant because the company lacked the proper permit.

Also that fall, a coal industry veteran with 30 years experience, DeMichieci, became president and chief executive of BMP Investments Inc. Parthemos stepped down from those jobs, but stayed on as chairman of the board."

Rural voters became concerned this new government bureaucracy would use its sweeping powers to take private property through eminent domain.

It is very apparent from the national political scene that this problem is widespread. As a freshman Senator, I know that I would have a lot to learn about the specifics of the legislative process, so my initial goals are general and based on the skills I already possess.

the same skills to foster a sense of common purpose and accomplishment.

- As the son of a respected judge, I was taught to look at issues on their own merit and to not bring personalities into the equation. I will bring this perspective to Helena every day.
- As a property owner, I am familiar with the issue of taxation. I believe that if we must be taxed, we must be taxed fairly and the tax revenues collected must be spent fairly. I will diligently pursue this goal.
- As a father of three, I have come to understand that the education of our children is one of our most important priorities. I will work hard to solve the funding and resource problems that our schools face in District 35.
- As an energy consumer, I am amazed at the advances in new energy technology and believe that Montana is an ideal place to foster further energy innovations. I would like to see such innovation take place in District 35."

**EVERYTHING BELOW WE DO FOR INVITEES IS FREE OR AT COST.** This page contains several key profiles, guides, and templates that have made all the difference for dozens of candidates across the US. Campaigns are won by a steady building of a base of support (including the all-important donor base in the \$10-\$25 range); by knowing oneself, one's opponent, and one's district; and by wise use of resources.

**1) Candidate Resource Outline (PDF):** This document goes over the resources listed on this page, and lists a basic voter contact plan.

**2) Candidate & Campaign Profile (MS Word):** This document is no fun, but it is essential to complete first. It serves as due diligence for the candidate to know his own race, and provides advisors with the info needed to give wise guidance. Fill it out to the best of your ability and email or fax it in; we'll help fill in the details. ([here's a PDF](#) - if you don't have Word, just fax it in). **NEW ADDITION: DOWNLOAD and fill out this "4-Square" profile** - we'll go over it in the training.

**3) Fundraising Tools:** The fabled "[Coffee Memo](#)"; more to come here, such as a basic phone script to use when making fundraising calls (don't worry, everyone else hates those, too). If you're inclined, you might consider sending the Oil & Gas, Realtors, or other key industry types [this nifty Industry Press Kit](#) - it could get you a favorable interview, some money, an endorsement or maybe a helpful mailing. If you've got any media coverage in your district, it doubles as a media kit.

**4) Campaign Resources:** a [Basic Palm Card](#), and what a [what a well-designed yard sign](#) looks like. If you want some design help, print those PDF's and fax us your edits right on the page, and we'll get on top of it. And don't go anywhere without a few of [these volunteer/supporter sign-up sheets](#) on your clipboard - you never know when someone will want to help!

**5) Data:** When the time comes, we've got the best voter lists in the state. We have placed an excellent tool for creating your housefile in a true database - [CLICK HERE TO DOWNLOAD](#) a template for MS Access that will make your data, your Campaign Finance, and your fundraising 100 times easier now, and especially in the future.

**6) We're working on a YouTube video format that we can help get you that "personal feel" - which means support - in far-reaching areas of your district. Your opponent won't have a clue about this kind of campaigning.**

**7) Web Site: NEW:** Fill in this form ([click to download](#)), and we'll provide you a basic website - you provide the info (most of which the above info will cover), and we'll put up a basic site with email and supporter signups, and online contribution capabilities. [Check out our sample website HERE.](#)

That oughta get you started. We'll come up with more as time goes on.

SO NOW, JUST LIKE when my wife tells me she's got this great new idea to organize the basement, and I'm standing there in my paint-streaked overalls, the question is: "Honey, what the heck to I do now??"

**CLICK HERE TO DOWNLOAD THE MAIL AGENDA****PHASE 3: MAIL PROGRAM**

- 1) Yes, everyone is having a cow over absentees being mailed out on Monday. Don't panic. All absentees should be chased with a postcard right away and a letter within a few days, but most are not returned on the spot.
- 2) We'll go over the introductory mail, the issue mail, the "wife letter" and the final candidate letter. [Click here](#) to download a sample of a very successful - and polled - wife letter.
- 3) We'll write custom mail for each candidate.
- 4) You win.

**OLD STUFF FOR POSTERITY BELOW:****OUR SECOND SET OF WINNING items candidates should be doing by MAY 1st or ASAP:**

1) **MAIL YOUR HOUSE FILE:** By now, you should have your file in to me if I am going to help get your first (or next) fundraising mail out. I have emailed you a proven template for editing, and provided a database shell to input your names and addresses into. Along with walking, you should be getting fundraising underway and have at least 25% of your target amount in the bank. NEXT WEEK, WE'LL GET STARTED PHONE CALLING FOR CONTRIBUTIONS - THIS MAKES MORE MONEY THAN MAIL.

*Your first "house file" fundraising mailer should drop by April 25 at the latest!* Depending on how far away you are, we can produce a high-quality mailing for you and your volunteers to stuff, stamp, and seal for the cost of paper and ink - or we can get it assembled cheaply at a local mail shop.

2) **DATA** - By tonight's call, I should have emailed data lists to you. This data is the latest scrubbed, updated, phone appended data available, with the VoterVault info added after it was cleaned up. I can't vouch for the VoterVault part of it. Most VV data, from what I understand, was entered based upon what previous candidates entered in the field.

WE'LL BASE UPDATED WALKING LISTS OFF OF THESE FILES, UNTIL I

GET THE ISSUE-ID LISTS TOGETHER.

**Here's the first couple of simple - and critical - items candidates need to get to us by April 1st or ASAP:**

1) **FILL OUT** the "Candidate & Campaign Profile" and get it to us ASAP. You can type into the Word document and email it, or we'll receive it as a PDF in our email if you simply fax it to us at 406-551-4333. We can't build your website without that basic info first.

2) **BUILD YOUR HOUSE FILE:** A "house file" is just a fancy word for supporter list. Unlike incumbents or previous officeholders, first-time campaigners usually don't have a list of potential donors sitting around. What you need to do is make a list of EVERYONE (family member, friend, businessman, customer, Bible Class member, etc.) you can THINK of, to send your first fundraising letter to. EVEN IF THEY DISAGREE WITH YOUR POLITICS. More on that in our upcoming conference call. The list should preferably be typed into an MS Excel spreadsheet, but we can help if you write it down and fax it. Start with your Christmas card list - can you top 100?

*Your first "house file" fundraising mailer should drop by April 7-10* or so. Depending on how far away you are, we can produce a high-quality mailing for you and your volunteers to stuff, stamp, and seal for the cost of paper and ink - or we can get it assembled cheaply at a local mail shop.

3) **DOWNLOAD AND EDIT**, if you so choose, the palm card and yard sign template, edit in the white space on the same page, and fax it in. We can design and print it in "2-color" for the cost of paper, or send it to a print shop for the 4-color digital printing treatment.

4) **WEB SITE**: Send us a nice campaign photo of yourself, and if you can, photos about you and your campaign. You out fishing, you knocking on doors, you helping in the community. More is better; we'll use the best ones.

**THAT'S ALL FOLKS, FOR NOW.** Soon, we'll have a mail schedule together and examples of actual mail pieces. Mailing for money early and often is the way to go, but it's almost never worth doing campaign mail before 5 weeks out. Based upon budget and need, we can soon discuss a custom mail strategy that will work for you.

You'll Thank us on Election Day

# One-Page Summary for SmartSimpleCampaigns.com

*Expert campaign consulting with a track record of success*

**Ground/Walking Program:** Turn-key program for winning the ground game. You'll be handed a walking program, volunteer door-to-door script, tiered walking lists, and if desired, a well-designed "palm card" for lit dropping around the district.

**Navigating Issue Group Surveys:** We'll help candidates to know what surveys to send back, which ones to ignore, and which groups are likely to do issue-based voter mobilization (which can help or hurt!). If candidates are solid on the issues, they could see thousands of pieces of friendly survey results mail into their districts as the groups activate their members

**Data Services:** You'll get data with the best party and issue ID from various sources

- o All data has the latest updates from the National Change of Address database – if someone moved last month, candidate will know, saving time and money
- o Walking lists with likely voters – no wasting time with folks who don't vote
- o Absentee Chase data available
- o Phone lists for canvassing, hard-to reach rural areas, and GOTV
- o Mailing lists with regular purging of "already voted"
- o Issue ID lists – hardcore issue-ID'd, high-propensity voting households – voters who will 'stick' once they address them on that issue

**Fundraising:** We'll help create and implement a turn-key fundraising program

**Opps Research:** Comprehensive opposition research on opponents & districts

**General Strategy:** Weekly training on "the three deadly myths of campaigning", focusing on core objectives, handling the press, planning and budgeting, maximizing campaign opportunities, and more. Call us anytime to handle crises or questions, pesky reporters, newspaper profile and miscellaneous editing, etc.

**Proven Direct Mail Program: (3-week voter contact plan)** Choose your own vendor or one of our affiliate will print, assemble and mail the letters at cost plus, with .23 cent bulk rate postage: (cost of complete package is usually only slightly more than one 1<sup>st</sup> class stamp). ## **Memorandum:**

To:           MIR  
              How-to Files  
              Saber Campaigns

From:        John C. Headley (JCH)

Re:           How-to set up coffees (and other small fundraisers)

Attached:    How-to have a successful coffee

---

Coffees -- and similar small fundraisers -- are one of the most simple programs you will do in the campaign ... yet one of the most valuable.

I strongly urge you to make time for this simple program. If this is neglected a great deal of money, political base and volunteers will be lost.

Basically, small fundraisers serve like prospect mail for grass-roots campaigns -- a technique for acquiring new donors and volunteers with little expenditure of campaign time or money.

The results may not seem impressive at first, but over time yield a full harvest of income and workers. This program works best for pro-life, conservative campaigns.

It taps and builds our base.

This memo is designed to get your campaign going in the right direction, not to answer every question that comes up.

However, I think you will find most of the steps outlined here.

## **Starting**

Make an exhaustive list of supporters:

- Donors
- Fellow church members and/or leaders
- Friends
- Family
- Republican Party members
- Conservative leaders
- Conservative activists
- Other members of organizations like: Boy Scouts, Girl Scouts, Kiwanas, Chamber of Commerce, Rotary, etc.
- Etc.

## **Call and Ask**

Sit down, call and ask the people on your list (starting with those with whom you have the closest personal relationship) to have a few friends over so you can meet them.

It is that simple.

I repeat. It is that simple. Just sit down, call and ask the people on your list to have a few friends, associates or fellow church members over for coffee (or soda or chips or nothing at all) so you can meet them.

It doesn't have to be complicated.

Remember: KISS (Keep It Simple Sweetheart).

It's a few friends and family in the living room or den. That's all it has to be.

## **Callee Responses & Caller Answers**

When you call and ask people to have a coffee (or other small event) you will find there are similar ways (or excuses, whichever is the best way to describe it) people will try to say no.

The following are a few of the more common callee objections and a sampling of proper caller responses:

- |   |   |
|---|---|
| R | I don't know how to get <u>people to come</u> .   |
| A | It's simple. Just call and ask friends to come over as a personal favor to you. Call and say their presence is requested as you host an event for the next (office being sought and name of candidate).   |
| R | I don't have the time.  |
| A | This will take less time than a movie and you will help take America back from the liberals. Please (callee's name) what <u>evening</u> or <u>weekend</u> can <u>you</u> have <u>people</u> over for me.  |
| R | I don't know how <u>many people</u> will show!  |
| A | That's OK. Only a handful would be all right. If more show that's great too, but I really am trying to talk to <u>people one on one</u> . I can only get to know so many at a time anyway.  |
| R | I don't know how to have a <u>big event at my house</u> . I wouldn't know were to start.  |
| A | That's OK. Anyone that has a living room or a den can have people over. You see all you need is a small room for a few people to come over and sit down while I speak with them. All you need to do is say you will have people over, call some of your closest friends/neighbors/family to come over and -- voila -- with a little bit of drink and cookies, you have a coffee for me.<br>There's nothing to it. |

There should be no excuse for someone not doing this. Everyone can and should do this. Even the person with a one bedroom apartment. The key is to Keep It Simple Sweetheart.

Don't accept no for an answer. Find some way for everyone to say yes to you.

## **Scheduling**

As soon as the would-be coffee holder says yes, staff should set up or confirm the date and time.

Staff should thank and encourage host and then go into the set scheduling routine of getting directions, reconfirming time and date and getting phone numbers for work and home.

Three days before the event, a staffer should call the coffee holder and ask how many they think are coming, and say "Oh, as a reminder, you might want to call the people that said they are coming again, just to make sure they remember."

Remember, for virtually all events, the phone call to likely attendees is the key to turnout.

Staff should also go over the timing of the event with the host; when the candidate will show, what will happen, etc.

As the campaign gets really busy, try setting up circuits for the candidate to run on these coffee trips. Schedule several in a cluster with little drive-time between. This way more can be accomplished each night and weekends.

A coffee generally takes 1-2 hours. However, the candidate need be there for as little as thirty minutes. So more than one may be scheduled per night in any area.

Another technique is on Wednesday or Sunday nights have a pastor invite everyone over to his house or over to the "neutral" fellowship hall and have the candidate speak to a large group of the church folk there.

# Successful Coffee Events Make Money

**Preperation:** Staff and/or a volunteer(s) get on site early to help set-up:

- Warm-up to host
  - Give written candidate introduction to host -- short bullet version
  - Put up signs \*
  - Sign up sheet
  - Small table with simple campaign literature
  - Decorate \*
  - Lapel stickers
  - Support cards
  - Pens (1 per person)
- {\* = at larger coffees }

**Program:** Open coffee on time or -- if substantial number of people are on the way -- 5 -15 minutes late.

- **Introduction:** Host begins with the usual thanks and goes into prepared introduction of candidate.
- **Campaign speech:** Given by candidate. It must say something about our Founding Fathers.
- **Money pitch transition:** Immediately after the formal candidate campaign speech (as soon as whatever applause stops) the candidate [or Money Pitch Giver] should say something like “One more thing, if the volunteers would come forward now and pass out the support cards, I hope you will fill it in and show your support for my campaign. After everyone gets a card and pen ... I want to share the vision I have for this campaign.”  
(see attached pitch for money)

**Money Pitch:** Delivered by candidate or someone credible who will follow the script.

- \* Distribute “support cards”: Begin this only when the candidate signals to start [if no signal is given, listen to the speech and begin when it says to].
  - \* Be sure to ask everyone if they need a pen.
  - \* MPG (Money Pitch Giver) should ask the audience if everyone got a card and pen.
  - \* MPG should wait to make sure everyone [including himself] gets one.
  - \* MPG should ask everyone to fill out the “support card” and say if they will be “Citizen for ‘Candidate’”, and/or a volunteer.
  - \* MPG [only if not the candidate] should write a check to the campaign, no matter the amount.
- Another good technique to increase contributions is to plant 1 or 2 supporters in the audience to “spontaneously” write checks or give cash. This really boosts the group dynamic just like the diamond formation increases crowd responses to speeches.

**Perpetual Nature:**

When you have the event, have the candidate warm up to the attendees and then ask if they will have a similar event at their home (or office, if appropriate). Ask one-on-one (or even better, ask with the host beside you). Don't accept no for an answer.

Each coffee of 6-7 people should reproduce 2-3 more coffees. You repeat this over and over till there is no more time for coffees or you win the election, whichever comes first.

**Notes:**

1. Be sure everyone signs in when they come in to the event. We want everyone's address and phone number.
2. Getting their money is the single most important activity at a coffee. Treat it as such.
3. All of these people have come out for you. They are our base. Everyone should give something. **NO EXCUSES!!** If they are poor get \$20, \$15, or \$5. Do not make it sound like you only need that little, instead show you understand the demands of a family and you appreciate all gifts.
4. The ask for money and request to write a check should take several minutes. Do not rush the crowd. I repeat, do not rush the crowd.

## **Money Pitch for Campaign Events**

Instructions: Memorize pitch ideas and most of the language first. Once you can say it virtually identical to script then adapt to a fine tuned delivery and script.

One more thing, if the volunteers would come forward now and pass out the support cards I hope you will fill it in and show your support for my campaign. After everyone gets a card and pen ... I want to share the vision I have for this campaign.

Just a moment ago, I mentioned our Founding Fathers and the fact that they pledged their lives, their fortunes and their sacred honor to establish and win the freedoms we enjoy today.

I am reminded of General George Washington and how valiantly he led the Continental Army against the Red Coats. He had to have a least three things to win that war: First, troops. Second, ammunition. And, third, as he put it, the Providence of the Almighty.

My friends, you are the troops. I will need your help to stuff envelopes, put signs up, get bumper stickers on cars, work the polls, and talk to your friends.

But, you know, the best troops in the world will not be able to win many battles unless they have the proper ammunition.

Many times General Washington could not engage the British in battle because he and his troops lacked sufficient ammunition. What was worse was there were many times when he occupied the high ground and had a superior position, but had to retreat in the face of the British because his soldiers did not have enough ammunition to carry on the fight. Often General Washington would write to the Continental Congress that was

meeting in Philadelphia, and plead for more supplies and ammunition so that his army could finally win the fight for freedom.

I am in a similar position. I will have to engage the enemy in battle. I will have the high ground of standing for principle. I will have the superior position. And gauging from the excitement of the campaign and turn out at events, I will have the troops.

The question is, will I have the ammunition? Or will I be forced to retreat like General Washington because my campaign lacks the ammunition to effectively engage the enemy?

Because this is a peaceful revolution -- a revolution at the ballot box -- my campaign does not need musket balls and gun powder as General Washington did. As you know, on the political battlefield, money is our ammunition. Without that crucial ammunition our chances of victory are very slim. But with that ammunition, we will ultimately prevail no matter what the odds, just as General Washington did.

Let me give you an important reason to give today and not hesitate.

I know some of you may be thinking, "He does not need the money now, he will need it in October and November, just before the election." The fact is, if you give right now, others will match your gift 10 times over between now and November.

Many people will only contribute to our campaign if they see I am raising money on my own. Therefore, by the time contributions arrive in October, it is too late to convince the fence sitting contributors to join the battle.

That is why you must help today.

If you would like to give a \$1,000 to my campaign, but can't afford it, I will tell you right now how you can give my campaign \$1,000 worth of help.

If you give my campaign \$100 today, by election day your \$100 investment will multiply to \$1,000 or even more.

Remember, our Founding Fathers pledged their lives, their fortunes and their sacred honor to secure the blessings of liberty for this nation. The least we can do is be involved and make a contribution today to help make sure the freedom fighters of today have the ammunition to win the battles this year.

Now, if you would take that support card and if you have not already filled it out, please take a moment and put your name, address and other information on it.

Also, please mark if you will be a "Citizen for XXXX" and if you will volunteer for my campaign.

Now most importantly if you have not already taken out your checkbook or wallet please do so and make your most generous gift possible to XXXX for XXXX. Fill in the card and put it in the envelope.

---

*-- Pause, Watch crowd to see they are doing this. Allow time for them to fill out cards and check before final close. --*

---

Whether you can afford \$100, \$200, or \$500 -- or if for you \$15, \$25, or \$50 is a sacrificial gift -- I urge you to be as generous as possible.

You have my pledge to be a careful steward of your trust.

In just one moment a volunteer will come around and take up your envelopes, please complete your forms.

---

*-- Watch and wait for them to finish ... keep eyes on them, this is a powerful motivator. --*

---

[Thank Host, volunteers, and supporters then dismiss everyone. Do continue to mingle.]

# Fairbank claims HD 30 GOP nod

by Peter Kates  
Reporter

A slim margin of less than 200 votes gave Rob Fairbank the victory in the Aug. 11 Republican primary race for House District 30.

Fairbank's total of 1,764 votes topped second place vote-getter Tamara L. Cunningham's tally of 1,584. Leo J. Johnson finished third, receiving 1,212 votes.

southern Lakewood and Morrison. "I'm very pleased — it was a spirited three-way primary," Fairbank said. "Now it's time to get to work and make sure the seat stays Republican."

Fairbank credits targeting voters as the key to his victory.

Republican Rob Fairbank will face Democrat E.C. Garthe in the House District 30 contest in November.

Fairbank defeated Tamara Cunningham and Leo Johnson Tuesday night in the Republican primary battle to replace Norma Anderson, who was forced to give up her seat because of term limits.

Fairbank, 32, garnered 1,764 votes, or 38.68 percent. Although Cunningham topped Fairbank in the GOP assembly in April, her success didn't carry over to Republican voters Tuesday. She collected 1,584 votes, or 34.74 percent. Johnson, who petitioned his way onto the ballot, finished with 1,212 votes, or 26.58 percent.

# MONTANA CITIZENS FOR RIGHT TO WORK

## 2010 Candidate Survey

1. A state Right to Work law provides that no worker can be denied a job because he or she either joins or does not join a labor union. Such a law guarantees that each individual worker can freely choose whether or not to join or financially support a union.

**WILL YOU SUPPORT EFFORTS TO ENACT A STATUTORY RIGHT TO WORK LAW IN MONTANA (INCLUDING PROCEDURAL AND AMENDMENT VOTES)?**

YES \_\_\_ NO \_\_\_

2. Union officials have historically sought to gain bargaining powers over public employees. But in seeking such powers, union officials have not sought to bargain solely for those government workers who would join a union. Instead, they also demand the monopoly power to bargain for every person employed within a work unit -- including those individuals who do not desire union representation. For this reason, Right to Work supporters oppose any imposition of monopoly bargaining over public employees by union officials.

**WILL YOU OPPOSE ANY ATTEMPT TO IMPOSE MONOPOLY BARGAINING ON PUBLIC EMPLOYEES?**

YES \_\_\_ NO \_\_\_

3. "Agency shop" clauses in collective bargaining agreements compel workers who choose not to join a union to pay the equivalent of monthly dues to labor unions. Workers are forced to pay the "agency fees" under the threat of dismissal.

**WILL YOU OPPOSE LEGISLATION DESIGNED TO GRANT "AGENCY SHOP" PRIVILEGES TO UNION OFFICIALS?**

YES \_\_\_ NO \_\_\_

4. Currently in Montana, state law authorizes the use of so-called "project labor agreements," which can keep non-union companies from bidding or working on state-funded projects. These agreements ensure that more workers are corralled into forced unionism and lead to more spending and higher taxes.

**IF ELECTED, WILL YOU SUPPORT A BAN ON ALL "PROJECT LABOR AGREEMENTS" WHICH WILL ALLOW CONTRACTORS TO BID ON STATE CONSTRUCTION PROJECTS REGARDLESS OF WHETHER OR NOT THEIR EMPLOYEES PAY DUES TO A UNION OFFICIAL?**

YES \_\_\_ NO \_\_\_

## **Sample Campaign Overview**

**It's good to have a basic write-up about yourself, your district, and your campaign. Your candidate profile, which is the first item on the SmartSimpleCampaigns.com agenda, will contain most of this information.**

### **Here's a sample:**

Rob Faircloth is a mechanic at BNSF, a grassroots issue advocacy organization. He and his wife, Mary Ann, live in southern Jefferson County with their sons Christopher (5) and Will (2). A native of Des Moines, Iowa, Rob is a graduate of West Des Moines Dowling High School. In 1988, Rob received his B.A. in Political Science from St. John's University (Minnesota).

A Republican, Rob Faircloth has a lengthy political resume.

During the 1996 election cycle, Rob was the executive director of the Colorado Republican Party. As Political Director, Rob created and directed the Party's successful Campaign Management College and oversaw the long-running Republican Leadership Program. In addition to running the GOP's political education programs, Rob regularly consulted with Republican candidates for the legislature... helping them design winning campaign strategies.

In 1988, after graduating from college, Rob joined the staff of the Republican National Committee in Washington D.C. as a delegate tracker.

During the 1990 election cycle, Rob served as Deputy Political Director for the Colorado Republican Party, assisting legislative campaigns and directing incumbency projects.

Rob was named Program Director of the Independence Institute 1991, where he managed the business and program activities, and wrote regular articles for the Golden, Colorado based think tank.

Rob managed Bill Owens' campaign for Colorado Treasurer in 1994. The campaign received nearly 60% of the vote, making Owens the first Republican State Treasurer to be elected in 20 years.

In 1996, Rob co-lead a campaign management seminar for pro-democratic Ukrainian political parties on behalf of the International Republican Institute in Kiev, Ukraine.

Rob and Mary Ann Faircloth are active members of St. Jude Catholic Church, where Mary Ann has been Director of Youth Ministry for 10 years. Rob is also involved in Boy Scouts and coaching T-ball.

On August 11<sup>th</sup>, Rob Faircloth received the Republican nomination for State House District 30 by winning a three-way primary.

# Sample district overview

## The District

House District 30 is currently represented by Norma Baumenschnitzel, who is running for the State Senate. The district is located in the east-central section of Jefferson County and wraps around the irregular boundaries of the southwestern corner of the City and County of Darby. The northern district boundary is West Jewell Ave., and the southern line runs along Bowles Ave. then dips south to include the area around Dakota Ridge High School.

House District 30 lies within the Sixth Congressional District and Senate Districts 13 and 22. It includes southern Lakewood, the town of Morrison, the Willow Springs area and parts of unincorporated South Jeffco.

## Voter Registration

Mr. Garthe is a self-employed environmental consultant and his wife works for the Jefferson County School District.

# Sample budget

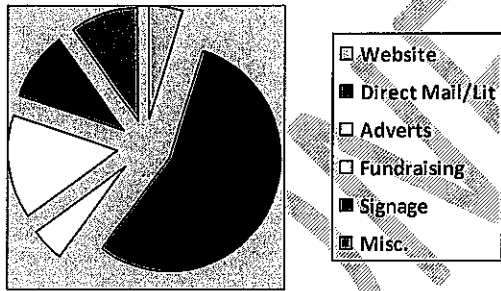

Projected fundraising before Election Day: \$10,000

## Fundraising goals:

- \$3,500 by April 15
- \$2,500 by June 8
- \$2,000 by September 1
- \$2,000 by November 2

Website: \$500  
Direct mail and literature: \$5,500  
Print adverts: \$500  
Fundraising efforts: \$1,500  
Yard signs, bumper stickers, etc.: \$1,000  
Miscellaneous expenses: \$1,000

Even if you meet these goals, **DO NOT STOP FUNDRAISING!** Any extra funds or funds not used for their specified purpose should go into fundraising efforts, direct mail and (potentially) radio or print adverts. **75%-80% of your budget should be put into generating more funds (which also generally gets your campaign message out) and direct mail/direct constituent contact**—NEVER more than 10% on yard signs, if that.

# Basic Campaign plan

## Campaign schedule

The following shows typical dates for most major actions and decisions in a State Legislature campaign, depending upon people, money available, and the intensity of the race. It is an important feature of a campaign plan to include this, as well as keep a continually-updated copy—adding in events and other important campaign dates—during the election cycle.

### Important dates to remember:

March 15, 2010: Filing deadline

May 10, 2010: Regular voter registration closes

May 10, 2010: **Absentee Ballots drop**

May 27, 2010: Report to Secretary of State all contributions from beginning of campaign-May 23, 2010. **Up until primary:** all contributions from a single source over \$100 must be reported within 48 hours of receipt.

June 8, 2010: Primary date, polls open from 7am to 8pm

June 28, 2010: Report to Secretary of State all contributions from May 24-June 23.

**Early March:** Form Election/Steering Committee; Begin work on general strategy; Start coffee schedule; Start assembling lists of contributors, supporters; calendar for local events that need to be attended.

**10-11 Weeks Out:** Draft campaign plan, strategy, budget; Build website; Open bank account; File C-2, C-1, other forms you may need.

**9½ Weeks Out:** Print Pledge Cards and Candidate Fact Sheet for fundraising needs; Start designing campaign materials; Go live with Web site; Begin fundraising for early money needed.

**9 Weeks Out:** Start printing campaign materials (brochure, Palm Cards, etc.); Order precinct sheets, mailing labels, precinct maps from County Clerk; Get sign permits (if applicable).

**8 Weeks Out:** Fundraising event for major donors, key supporters to invite friends and contacts, continue coffee fundraisers.

**7 Weeks Out:** Large signs go up; Begin endorsement drive; Plan phone bank.

**6 Weeks Out:** Start precinct walking and shopping centre walking—every week until primary (*see below for walking schedule*).

**4 Weeks Out:** Conduct Phone Bank (for names of supporters); begin absentee ballot chase—every week until primary (*see below for phone bank schedule*).

**2 Weeks Out:** Put up remaining signs and posters (if any).

**1 Week Out:** Mail final letter to non-absentee voters.

**3 Days Out:** Get Out the Vote campaign (*see below for schedule and events*).

**2 Days Out:** Get Out the Vote campaign.

**Primary Day:** Get Out the Vote campaign; **9 p.m. Victory Party!**

**5-10 Days after Primary:** Take down signs and posters, note addresses for general election.

### **Precinct Walking Schedule and Block Walk Program**

6 weeks before the Primary election, you need to have your volunteers out in force walking precincts and being in visible, public places with literature (such as shopping centres, farmers markets, local events, parades, etc.). Your walking schedule should first start with a focus on absentee voters.

**6 Weeks Out:** Divide up walking lists and precinct maps (works best if 2 people walk each precinct); train volunteers with door-to-door script and when to walk—evenings, all day Saturday and afternoon/evening Sunday.

**5 Weeks Out:** Continue walking program.

**4 Weeks Out:** Continue walking program.

**3 Weeks Out:** Continue walking program; can begin absentee ballot chase while walking (i.e. going to absentee houses that haven't yet turned in ballot, offer to take ballot in for them, pay for stamp, etc.)

**2 Weeks Out:** Continue walking program.

**1 Week Out:** Continue walking program until 3 days before Primary, then switch to GOTV program.

### **Phone Bank Schedule**

When conducting a phone bank, there are many options as to what the calls can contain. Sample scripts are provided later, but you need to decide what you want to include in these calls—it could be a simple “what is the most important issue to you?” or “Do you support [candidate]?” call or it could include a short 3-5 question survey (3-4 issues and 1-2 on candidate questions). Phone calls are best made during the afternoon and evening, including weekends.

**4 Weeks Out:** Begin phone bank, focus on absentee voters, call for supporters/more volunteers and reminder to vote.

**3 Weeks Out:** Continue phone bank program.

**2 Weeks Out:** Continue phone bank program.

**1 Week Out:** Continue phone bank program until 3 days before Primary, then switch to GOTV program.

### **Get Out the Vote (72 Hour) Campaign**

This is the final push. Each hour counts. This is the time to get your volunteers rallied and ready to go forward, kicking it off the night before is a good idea. Continue walking precincts and phone banking—these should now focus on getting voters out to the polling places. It is legal and recommended, if you have the manpower, to pick up absentee ballots, and to offer rides to the polls. Include sign waving at high-traffic locations during lunch hour and evening—reminder to vote as well as to vote for YOU.

## **Campaign Platform**

Using the issues from your Candidate Profile (Abortion & Life Issues, Guns, Taxes/Spending and Government, Federal Marriage Amendment, Crime/Death penalty, Forced Unionism, Development [Energy, Resources, Building] and Other Issues), form simple statements explaining your position on these issues to your district. These should be used for your website, to construct talking points, used in mailings and for volunteers to answer questions when walking or phoning. For example (remember, this is only an example):

**Abortion & Life Issues:** I believe that all life is sacred, and I will work hard to protect life—from conception to old age. I will fight against all legislation that would further allow or fund abortions, contraceptives and euthanasia or mercy killing.

**Guns:** I am proud to support the right to keep and bear arms with as little government interference as possible, I support the Firearms Freedom Act, and as such will protect your gun rights in the state legislature.

**Taxes/Spending and Government:** "I'm from the government and I'm here to help," are some of the most terrifying words in the English language. It is my position that the government should have a severely limited role in the lives of its constituents and I will work to reduce the size and scope of government. This also includes reducing taxes and cutting spending. I am committed to not supporting any non-vital services currently provided by the government, and fighting to make sure no more are added to your already too high tax burden.

**Right to Work:** No one should be forced to join a union in order to secure a job in the state of Montana. I will be a leader in passing legislation in Montana to protect the rights of workers and fight against forced unionism.

**Federal Marriage Amendment:** I believe in the sanctity of the family and that marriage is between a man and a woman. I support and will do all I can to help with the passage of the Federal Marriage Amendment.

**Crime/Death Penalty:** I am a supporter of the death penalty when it is necessary in the punishment of crime. I will fight to keep the death penalty in Montana. I also believe in fitting the punishment to the crime and will fight to make sure that the guilty are brought to justice.

**Development [Energy, Resources, Building]:** We must responsibly develop and manage our natural resources to provide jobs and wealth creation, and to reduce our dependence on other states and nations for our needs. I am 100% in favor of private property rights and oppose the excessive government mandates and regulations on what individuals are allowed to do with their property.

**Health Care:** I oppose the Federal government ramming socialized healthcare through with one-size-fits-all mandates and penalties for people who cannot afford or

do not want to buy insurance. The way to cut costs is to eliminate Montana's prohibition on buying health coverage from outside of the state, and allow plans to be purchased from anywhere in the U.S. I also favor the right for individuals, families and small businesses to be able to choose how much coverage to include, from major medical only to coverage for minor visits.

**Other Issues:** I am a staunch conservative and will fight for your individual liberties. This means keeping the government out of your life and reducing its reach into your wallet. Please feel free to contact me via email if you have specific concerns not addressed above.

## Fundraising

There are three key ways to do fundraising: mail, phone and in person.

Fundraising by mail and phone can be done in a plethora of ways. One of the key methods is mail fundraising letters, then follow up the ones that don't come back 2-3 weeks later with a phone call, and keep repeating this process until election day.

It is imperative that you, the candidate, do the bulk of the fundraising calls. You will receive a much better response rate that way. While this is sometimes time consuming, it is necessary to make the time to do fundraising for a successful campaign. We recommend setting a certain amount of time aside every day; perhaps between dark and about 8:45PM.

In addition to the coffee fundraisers (see below), you will probably want to conduct a "campaign kick-off" fundraiser/volunteer recruitment, and/or 1-2 "meet the candidate" events. Many times, in-person contact is the easiest way to raise money. That is why the coffee fundraisers are so successful, and why a few larger events will help your fundraising even more.

### ***The famous "Rothfeld coffee memo"***

Please carefully read this important document (in a separate pdf). This is a proven way to increase your support and fundraising and will be an integral part of your winning campaign.

## Volunteers

### ***Election Committee/Steering Committee/"Kitchen Cabinet"***

A very important part of your campaign is selecting a few key friends, advisors and volunteers to help you out—between 4 and 7 is generally a good number, but whatever works best for your campaign. You have the option to assign a myriad of jobs in this committee, such as campaign manager, volunteer coordinator, treasurer, webmaster, someone to take care of lists and mailing, media liaison and so on.

You will want a campaign manager, if nothing else to have someone else as a liaison when you can't respond to things right away and to make sure everyone else stays organized. It is good to have someone else in the campaign with authority, especially if a dispute with volunteers is to come up or another issue/problem that requires someone you trust to be able to handle if you can't be there.

This group of people will be useful in:

- drafting your campaign theme, slogan, catch words;
- drafting your campaign plan;
- drafting your campaign budget;
- implement your campaign plan;
- bouncing ideas for your campaign off of;
- recruiting volunteers; and
- helping conduct and monitor fundraising.

There are, of course, many other invaluable services this core group of volunteers will provide. The most important thing is to make sure that these are good, solid, trustworthy and committed volunteers.

### ***Jobs***

Below is a list of jobs you can use volunteers for. You don't need to use them all, but this is a great tool to give your volunteers as they work to recruit even more people to help on your campaign.

#### General

- Data entry
- Filing
- Drive and accompany candidate
- Run errands
- Research, gather and organize information

### ***Block walk program***

The "block walk" program is the walking program. As early as you can, usually 10 weeks or so before the Primary election occurs, you should begin walking the precincts in your district. In addition, you should have a volunteer presence at major local events, parade, farmers markets, flea markets, in shopping centres, etc. Having a presence at these events shows those in your district that you know what's going on there and care about the people in your district.

Walking precincts is the easiest way to gain support. Having that face-to-face contact with a volunteer, neighbour or family member is one of the greatest influences on winning their support—and their vote.

Walking precincts is very easy—it only takes a couple hours per day or every other day (depending on the size of the precinct and how many volunteers you have). When making a list of houses in the precinct that need to be visited—mid-to-low propensity voters (i.e. those who have voted in 0-2 of the last four elections) are the best targets, as well as independent voters. High propensity voters (i.e. those who have voted in 3-4 of the last elections) generally only need a mailer and a phone call, especially if they already support you. It is also best to identify absentee voters and track through the county clerk and records office.

You should equip each of your volunteers with a map and list of houses to walk in that precinct. You should ask if they have a clipboard they can use, or keep a few on hand to pass out with lists (but make sure to get them back!). They will also need to make sure to bring a pen with them in order to take notes on the walking lists. They should be given the door-to-door walking script (see below—fill in the blanks as appropriate and send each volunteer out with one) to help them know exactly what to

do, to ask, etc. You will need to provide walking materials (palm cards that are hole-punched with a rubber band through it are excellent, as they can be left on door knobs if there is no answer. Finally, briefly instruct your volunteers on what to do after visiting a house as far as denoting responses on the walking list.

### ***Door-to-door walking script***

## Website

Your website is a very important component of your campaign. This is often one of the first impressions of your campaign that a constituent will have, so you need to make it a good one. Unless you or someone you know has a background in web design, it is best to outsource this project. A good website does not need to be expensive or have a lot of information, but it does need to be functional. We recommend a "three page brochure" website as a minimum. Aspects of a website you are going to want are:

- **Welcoming front page**—including a picture of you, your family, talking with constituents, etc. as well as important campaign information
- **About the Candidate page**—brief biography of you, qualifications, family, etc.
- **Issues page**—include brief summaries of your positions of important, popular issues
- **Contact page**—include information for others to get a hold of you or your campaign, such as email and/or phone.
- **Volunteer and Donate page**—include information or a form for potential volunteers and/or donors to easily get plugged into your campaign.

Other items you can consider including:

- **Blog**—you can include a blog page so you or your campaign can easily post important information to you campaign website.
- **Links**—this can be for important links to other campaigns, important things in your district, etc.
- **Social media**—you can include links to your Facebook, Twitter, Tumblr or other pages. This isn't so important in districts that are less metropolitan

## Signs, bumper stickers, etc.

Campaigns are won on a variety of fronts: fundraising, mailing, volunteers, calls, walking and name recognition. One way to help with name recognition is to use yard signs and bumper stickers. HOWEVER, should not be a major part of your campaign. Mailing, walking and phone calls are significantly more effective, and often signs are just a blackhole sucking away money from more important campaign aspects. Your mail program should be your first priority—and you can win a campaign without any signage. If you do purchase signs, you should buy not more than 250-300 yard signs and a similar number of bumper stickers. You will also probably want to invest in several larger signs (2'x4' and/or 3'x6' and/or 4'x8') to go on the sides of businesses (make sure to have their permission first) or on people's larger property near busy roadways. These are also good to bring to events and make sure your name is seen there.

Yard signs should not go up until about three weeks before Election Day. They should go in the yards of those who ask for them and in strategic, hi-visibility locations and thoroughfares. Make sure to know about the local rules and regulations governing where signs can go so your campaign doesn't get into trouble over something as silly and easily avoidable as a misplaced sign.

## Precinct organisation plan

Before you can walk precincts, pass out signs, host local coffee fundraisers, etc., you will need a plan. You will work on this plan with your Election/Steering Committee. You will want to have lists of all the precincts and data on them all so you can begin pulling together walking lists, call lists and strategic locations for fundraisers. The more organised you are on this end, the easier and smoother things will go when it's "crunch" time as the Primary Day gets closer and closer. You may want to assign one or two members of your committee to work solely on this—taking the data and coming out with a plan.

## Absentee ballot plan

This plan is going to use a combination of mailing, walking and calling. You will want to have a system in place before the ballots drop on May 10. Most absentee ballots are returned in the first week and last few days/day of the Primary. Your plan should look something like this:

**Day ballots drop (May 10):** Send out first mailer to absentee voters.

**One week after ballots drop (May 17):** Begin walking precincts and calling voters who have not yet returned ballots, offer to pay for postage for ballots or to pick them up and deliver them. The more ballots you can get back in, the larger your margin of victory will be.

**Two weeks after ballots drop (May 24):** Continue walking precincts and calling voters. Send mail to houses that aren't being/can't be walked, reminding them to vote and vote for you.

**One week before Primary (June 1):** Continue walking precincts and calling voters. This is crunch time, a strong and persistent presence now is necessary.

**Three Days prior--Primary Day (June 6-8):** Determine who still hasn't turned in their ballots and continue calling, offering to take ballots in, etc. Remember—every vote counts!

## Press releases, media, etc.

### ***Earned vs. paid media***

There are two kinds of media in a campaign: earned and paid. Earned media is free, and easy to come by if you know where and how to look. It comes in a few forms: letters to the editor, showing up at events and being interviewed, calling into talk radio shows, etc.

You will want to recruit as soon as possible a few writers to can put together 10-15 letters to the editor to start with—and continually add to this. They only need to be simply letters, but on specific issues or topics. These can then be sent to other supports to edit and sign their names to. This is called ghost writing, and it is very easy to get others willing to take a few minutes, change some of the writing around and sign their name. You may also find others willing to write their own letters. Flooding newspapers every week with letters to the editor from your supports will ensure that at least a few get published.

If you have the money, you can do some paid media. Adverts in newspapers are the least expensive of paid media. You may want to look into college papers as well as local papers when doing this. If you are able to obtain extra funds (\$2,000-\$5,000) and want to run a radio advert, your best bet is to buy radio time the week leading up to the Primary. Keep it simple and catchy.

### ***Media packet/Press kit***

Below is a sample of a cover letter and what to include to send to the media, letting them know who you are and try to earn some free media coverage. Making sure they know you will make media easier to gain later on in the election.

The software mogul Tim Gill has a mission: Stop the Rick Santorums of tomorrow before they get started. How a network of gay political donors is stealthily fighting sexual discrimination and reshaping American politics

by Joshua Green

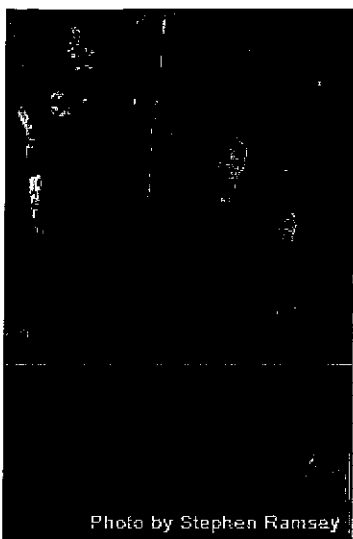

## They Won't Know What Hit Them

**Tim Gill** outside his home in Denver

A tough loss can be hard to swallow, and plenty of defeated politicians have been known to grumble about sinister conspiracies. When they are rising stars like Danny Carroll, the Republican speaker pro tempore of Iowa's House of Representatives, and the loss is unexpected, the urge to blame unseen forces can be even stronger—and in Carroll's case, it would have the additional distinction of being justified. Carroll was among the dozens of targets of a group of rich gay philanthropists who quietly joined forces last year, under the leadership of a reclusive Colorado technology mogul, to counter the tide of antigay politics in America that has generated, among other things, a succession of state ballot initiatives banning gay marriage. Carroll had sponsored such a bill in Iowa and guided it to passage in the state House of Representatives, the first step toward getting it on the ballot.

Like many other state legislatures last year, Iowa's was narrowly divided. So all it would take to break the momentum toward a constitutional marriage ban was to tip a few close races. If Democrats took control of the House and Senate, however narrowly, the initiative would die, and with it the likelihood of further legislation limiting civil rights for gays and lesbians. And, fortuitously, Carroll's own

reelection race looked to be one of the closest. He represented the liberal college town of Grinnell and had won the last time around by just a handful of votes.

Over the summer, Carroll's opponent started receiving checks from across the country—significant sums for a statehouse race, though none so large as to arouse suspicion (the gifts topped out at \$1,000). Because they came from individuals and not from organizations, nothing identified the money as being “gay,” or even coordinated. Only a very astute political operative would have spotted the unusual number of out-of-state donors and pondered their interest in an obscure midwestern race. And only someone truly versed in the world of gay causes would have noticed a \$1,000 contribution from Denver, Colorado, and been aware that its source, Tim Gill, is the country's biggest gay donor, and the nexus of an aggressive new force in

national politics.

Carroll certainly didn't catch on until I called him after the election, in which Democrats took control of both legislative chambers, as well as Carroll's seat and four of the five others targeted by Gill and his allies. Carroll was just sitting down to dinner but agreed to talk about his loss, which he attributed to the activism of Grinnell College students. A suggestion that he'd been targeted by a nationwide network of wealthy gay activists was met with polite midwestern skepticism. But Carroll was sufficiently intrigued to propose that we each log on to the Iowa Ethics and Campaign Disclosure Board's Web site and examine his opponent's disclosure report together, over the telephone.

Scrolling through the thirty-two-page roster of campaign contributors revealed plenty of \$25 and \$50 donations from nearby towns like Oskaloosa and New Sharon. But a \$1,000 donation from California stood out on page 2, and, several pages later, so did another \$1,000 from New York City. “I'll be darned,” said Carroll. “That doesn't make any sense.” As we kept scrolling, Carroll began reading aloud with mounting disbelief as the evidence passed before his eyes. “Denver ... Dallas ... Los Angeles ... Malibu ... there's New York again ... San Francisco! I can't—I just cannot believe this,” he said, finally. “Who is this guy again?”

Tim Gill is best known as the founder of the publishing-software giant Quark Inc., and for a long time was one of the few openly gay members of the Forbes 400 list of the richest Americans. He was born in 1953 to one of Colorado's well-known Republican political families. (The town of Gill in the north-central part of the state is named after them.) After earning a degree in applied mathematics and computer science from the University of Colorado at Boulder, Gill founded Quark in his apartment in 1981, in the manner of other self-made computer magnates like Bill Gates and Steve Jobs, with a \$2,000 loan from his parents.

While Gill participated in gay activism in college, his passions ran more toward differential calculus, and he didn't feel particularly beset by his homosexuality. He had come out to his parents when he was a teenager and been accepted. It was the very ordinariness of his upper-middle-class upbringing, in fact, that made his political awakening such a shock. In 1992, a ballot initiative approved by Colorado voters altered the state constitution to prohibit laws aimed at protecting gays and lesbians (it was overturned by the U.S. Supreme Court). Gill noticed bumper stickers supporting the measure on the desks of some Quark employees. Not long afterward, he set up the Gay & Lesbian Fund for Colorado, through which he donates to “mainstream” charities—libraries, symphonies, vaccination clinics, even a *Star Trek* exhibit at the Denver Museum of Nature and Science—to spread the message that gays and

lesbians care about the same things as everyone else. In 2000, he sold his interest in Quark for a reported half-billion dollars in order to focus full-time on his philanthropy.

Even as he has shied from the spotlight, Gill has become one of the most generous and widest-reaching political benefactors in the country, and emblematic of a new breed of business-minded donor that is rapidly changing American politics. A surge of new wealth has created a generation of givers eager to influence politics but barred from the traditional channels of participation by recent campaign-finance laws designed to limit large gifts to candidates and political parties. Like Gill, many of these figures are entrepreneurs who have made fortunes in technology. And like Gill, many turned first to philanthropy, revolutionizing the field by importing strategies from the business world and largely abandoning the old dispositions toward moneyed dilettantism and gifts to large foundations in favor of creating independent charitable enterprises that emphasize innovation and accountability. The Gates Foundation, founded by Bill Gates and his wife, Melinda, is a prime example of this new results-oriented philanthropy.

Gill's principal interest is gay equality. His foundations have given about \$115 million to charities. His serious involvement in politics is a more recent development, though geared toward the same goal. In 2000, he gave \$300,000 in political donations, which grew to \$800,000 in 2002, \$5 million in 2004, and a staggering \$15 million last year, almost all of it to state and local campaigns. Gill, who considers himself a "pathological introvert," normally shuns media attention, but he agreed to meet with me in his Denver office last November, on the eve of the election, to explain what he is trying to accomplish.

"My goal is to see that all Americans are treated equally regardless of sexuality," he told me when we met. Tall and lean, Gill is a vigorous fifty-three years old, a sci-fi buff and an avid snowboarder (he runs a social networking site for gay snowboarders, called Outboard). He was dressed in the manner of a successful Denver businessman—casual, but not overly so, in jeans, a sports shirt, and Italian leather shoes. In our conversations, he gave the impression of someone who feels he has been picked on and now, having acquired the means, fully intends to do something about it.

Gill led me through his evolution as a donor. For years he gave generously to gay organizations and dutifully supported gay-friendly candidates. His guiding ambition was helping to teach other donors and nonprofits how to operate more efficiently, and he had organized a series of major-donor conferences toward that end. But several years ago, a growing number of his peers began to sense that they were playing in the wrong arena. "A lot of [gay donors] are driven, cycle to cycle, by the notion that there's going to be an epiphany—that one day they'll wake up and accept us," he said. "But this group had spent millions of dollars on philanthropy, and yet woken up the morning after the election to see gay-marriage bans enacted all across the country."

Gill decided to find out how he could become more effective and enlisted as his political counselor an acerbic lawyer and former tobacco lobbyist named Ted Trimpa, who is Colorado's answer to Karl Rove. Trimpa believes that the gay-rights community directs too much of its money to thoroughly admirable national candidates who don't need it, while neglecting less compelling races that would have a far greater impact on gay rights—a tendency he calls "glamour giving." Trimpa cited the example of Barack Obama: an attractive candidate, solid on gay rights, and viscerally exciting to donors. It *feels good* to write him a check. An analysis of Obama's 2004 Senate race, which he won by nearly fifty points, had determined that gays contributed more than \$500,000. "The temptation is always to swoon for the popular candidate," Trimpa told me, "but a fraction of that money, directed at

the right state and local races, could have flipped a few chambers. ‘Just because he’s cute’ isn’t a strategy.”

Together, Gill and Trimpa decided to eschew national races in favor of state and local ones, which could be influenced in large batches and for much less money. Most antigay measures, they discovered, originate in state legislatures. Operating at that level gave them a chance to “punish the wicked,” as Gill puts it—to snuff out rising politicians who were building their careers on antigay policies, before they could achieve national influence. Their chief cautionary example of such a villain is Senator Rick Santorum of Pennsylvania, who once compared homosexuality to “man on dog” sex (and was finally defeated last year, at a cost of more than \$20 million). Santorum got his start working in the state legislature. As Gill and Trimpa looked at their evolving plan, it seemed realistic. “The strategic piece of the puzzle we’d been missing—consistent across almost every legislature we examined—is that it’s often just a handful of people, two or three, who introduce the most outrageous legislation and force the rest of their colleagues to vote on it,” Gill explained. “If you could reach these few people or neutralize them by flipping the chamber to leaders who would block bad legislation, you’d have a dramatic effect.”

Gill’s idea was to identify vulnerable candidates like Danny Carroll and move quickly to eliminate them without the burden of first having to win the consent of some risk-averse large organization or board of directors. Another element of this strategy is stealth. Revealing targets only after an election makes it impossible for them to fight back and sends a message to other politicians that attacking gays could put them in the crosshairs. Independence also allowed Gill to pursue an element of his philosophy that chafes many national gay organizations: the belief that enduring acceptance can be won only with Republican support. “If you want a majority, you have to change people’s minds,” he said, noting that in Colorado, Republicans outnumber Democrats. “Just because you’re conservative doesn’t mean you’re antigay.”

With that in mind, he assembled a bipartisan team of political operatives and tested his theory in 2004, quietly targeting three antigay Colorado incumbents; two of them went down. Through the combined efforts of a host of progressive interest groups, including many supported by Gill, Democrats captured both chambers of the legislature for the first time in forty years. Gill’s decision to back Democrats in Colorado was the only choice that would produce the gay-tolerant leadership he’s pursuing. But ten years from now, he told me, he hopes he’ll be able to give evenly to Republicans and Democrats.

Convinced his approach was sound, Gill decided to go big. When I visited his headquarters last fall, liberals were working alongside conservatives on a list compiled by his top consultants—one a national Democratic consultant, the other a former Karl Rove protégé—of seventy races in which a key antigay candidate was vulnerable or the outcome of a race was likely to affect control of the legislature. The list included state legislators, governors, and judges, not just Republicans but Democrats as well—like Philip Travis, the Democratic legislator leading the push to overturn gay marriage in Massachusetts.

From the standpoint of an entrepreneur, Gill saw opportunity and believed he could amplify his return on investment. Last spring, he sponsored another conference for wealthy gay donors, only this one designed to steer money to the right political races instead of the right nonprofits. His pitch was simple: Instead of waiting for a political savior to fix everything, consider donating to these races, where you’ll have more effect at a fraction of the cost. As Trimpa later characterized the rationale for such an approach: “We live in a post-*Will & Grace* society. Americans believe and understand that

gay people are everywhere, and most view them in a mainstream context. But this is a recent development, and the political world has not yet caught up—it's lagging behind. The day will come when all of this is aligned, but we're not there yet."

In the 2006 elections, on a level where a few thousand dollars can decide a close race, Gill's universe of donors injected more than \$3 million, providing in some cases more than 20 percent of a candidate's or organization's budget. On Election Day, fifty of the seventy targeted candidates were defeated, Danny Carroll among them; and out of the thirteen states where Gill and his allies invested, four—Iowa, Michigan, Pennsylvania, and Washington—saw control of at least one legislative chamber switch to the Democratic Party. (In Massachusetts, Travis decided to retire rather than seek reelection.) The national climate, which was strongly anti-Republican, helped bring about this transformation. But Gill's stealth campaign was both effective and precedent-setting. For the first time, in a broad and organized way, gays had taken the initiative in a sweeping multistate strategy and had mostly prevailed.

The history of gays as open participants in American politics is a relatively brief one, though it contains clear antecedents for what Gill is attempting to do. In the 1950s, the homophile movement first sought social acceptance for gays and lesbians through a handful of small, politically cautious organizations like the Mattachine Society, which sponsored newsletters and discussion groups and lobbied to end police raids targeting gay activities. The Stonewall riots and the gay-liberation movement of the 1960s and '70s worked toward securing the legal protection afforded by federal minority status, to diminish discrimination and blackmail. The devastating rise of AIDS in the 1980s halted momentum toward the political mainstream and helped solidify gays' status as victims in the public mind. The failure of state and federal government to respond to the crisis, however, prompted gays for the first time to organize to provide the care and services others would not. Explicitly gay philanthropy grew from a few million dollars a year in the early 1980s to around \$100 million in the early 1990s, as independent, privately funded organizations came into being.

When AIDS finally did register as a national pandemic, political acceptance of homosexuals remained limited even in the most liberal spheres. In 1988, Michael Dukakis declined gay contributions to his presidential campaign after deeming them too politically risky. Bill Clinton's candidacy, four years later, appeared to change that. Clinton openly accepted millions of dollars from many rich activists, promising a broad federal assault on AIDS, a federal antidiscrimination statute, and, most famously, an executive order lifting the military's ban on gays. "When Clinton was elected, everyone thought there would be this epiphany on gay rights," said Patrick Guerriero, a former Republican state legislator and mayor in Massachusetts who runs Gill's political team, the Gill Action Fund (which operates independently of his foundation). "Instead, the only two major pieces of legislation were a disaster: 'Don't ask, don't tell' and the Defense of Marriage Act. The experience of the '90s taught us that there is no magic president who's going to fix everything."

The Clinton presidency is one of the major fault lines dividing gay politics, and disappointment with it was one of the motivating forces behind Gill's move away from national politics. But his is a controversial view. Jeff Soref, an heir to the Master Lock fortune who became a prominent philanthropist during the AIDS crisis and was later appointed to the Democratic National Committee, vigorously disputes the notion that Clinton's presidency was a failure and doubts that Gill's response to it is the appropriate one.

"Clinton broke the silence about the AIDS epidemic," Soref says. "He told gay people we were part of his vision for America. He directed federal money to AIDS research. He gave us an AIDS czar and a liaison in the White House and an executive order banning discrimination in the federal workforce. He invited us to the table and gave us a place in the Democratic Party. One of the problems with Tim's strategy is that he's turning people away from national politics at a time when Democrats have just achieved a big victory—one that we weren't as big a part of as we might have been, perhaps because of his steering gay money away from the national level. I've personally gotten calls, pre- and postelection, from Democratic leaders who feel the gay community has not been as supportive in this election as in previous ones. There's a tangible downside to disengaging. In a competitive environment, our issues may not get the attention we want them to get."

Soref cited the possibility that the new Democratic Congress may soon consider a long-desired national employment nondiscrimination bill as one reason not to abandon Washington. "I can understand Tim's frustration," he says. "But his way, state by state, will take years. There's nothing like passing national legislation that benefits everybody equally."

As the amount of money in politics continues to grow, against a backdrop of deep Democratic frustration over the party's narrow losses in the last two presidential races, the momentum of the Democratic world is moving in a direction closer to Gill's than to that of traditional Washington insiders. Well beyond its gay facet, Democratic politics is increasingly dominated by rich donors who share Gill's dissatisfaction with traditional methods of party politics. This group believes that conservatives were able to reshape American politics because they built, over the last forty years, a broad movement independent of the Republican Party to support conservative candidates and espouse their ideals—an achievement liberals now wish to match. Beginning in 2004, many of these rich Democratic donors lavished tens of millions of dollars upon new independent enterprises, like America Coming Together and the Democracy Alliance, meant to impose accountability and tactical discipline on the liberal movement, expressly to improve Democrats' performance at the polls.

What came into being instead were large, cumbersome outfits—technically independent, but hardly nimble—comprising many of the same strategists and warring interest groups that had collectively lost the election in 2000, and again in 2004. (In frustration, several of the party's biggest donors, including George Soros and Peter Lewis, severely curtailed their giving last year.)

Gill's decision to shift away from national politics seems dictated even more by his philosophy about how to engage most effectively in politics than by the mediocre gains chalked up during the Clinton years. "If your objective is to innovate and take risks, you move faster with a small group," Gill's political director, Guerriero, told me. "If Columbus had needed a conference call before setting sail for America, he'd still be at the dock." (This kind of gridlock has long hampered the Human Rights Campaign, the country's largest gay political organization.) Though Gill, too, has suffered disappointments, his grand experiment is, for better or worse, more consistent with the pragmatic direction of twenty-first-century politics than anything else on the Democratic horizon. Whether that achievement derives from the unique frustrations within the gay community or from the history and ability of that community to organize to help itself, it is changing gay politics, and it could change Democratic politics as well.

A large part of Gill's credibility stems from the example of his home state. His influence on Colorado's politics has been much more public than his recent national efforts. For years a reliably old-conservative Mountain West enclave, Colorado had a political culture that tended toward

libertarianism until, in the 1990s, the Republican leadership turned hard to the right. Before he became active in national politics, Gill had been spurred to action locally by the 1992 ballot initiative prohibiting laws to protect gays and lesbians, and his involvement intensified several years later after he was deeply offended by a Republican legislator's introduction of a bill banning any discussion of homosexuality in Colorado's public schools. Since then, Gill has become the top political donor in the state. Aided by his record as a community leader, he has managed to achieve limited victories for gay equality, most notably getting Colorado's socially conservative Republican Governor Bill Owens to agree in 2005 to a bill protecting gays under the state's hate-crimes law.

During this time, Gill formed an alliance with three other major donors (two of them tech moguls, one of them gay) to find a way to moderate the state's politics and loosen the grip of Republican social conservatives. Working in conjunction with progressive groups throughout Colorado, "the Four Millionaires," as they came to be known, built a kind of information-age political machine that enabled Democrats to outspend Republicans for the first time in years.

On Election Day 2004, as George W. Bush carried the state handily, Democrats captured both chambers of the legislature. "There's no doubt that Tim Gill and some of the other wealthy funders contributed mightily to the takeover," Andrew Romanoff, the Democratic speaker of the House, told me. Romanoff believes that voters perceived Republicans as caring more about marginal social issues like gay marriage than about the economic woes hampering the state economy. "The difference between our agenda and theirs was the difference between the kitchen table and the bedroom door." Last fall, Democrats extended their gains in the legislature and captured the governorship as well.

One component of Gill's strategy includes courting that element of the Republican Party that's open to compromise, while at the same time making clear that gay bashing will now come at a price. "You have to create an atmosphere of fear and respect," said Trimpa, "and set up the proper context for them to do the right thing." But neither Gill's checkbook nor the Republicans' woes have stopped social conservatives from pressing their agenda. Last year, when it became clear that Colorado Republicans intended to back a ballot initiative banning gay marriage, Gill and his allies moved first to frame the debate by pushing Referendum I, a bill endorsing domestic partnerships, and spending \$5 million to promote it.

This effort also included some shrewd inside maneuvering. Colorado is home to a prominent Christian-right movement, centered on James Dobson's Colorado Springs organization, Focus on the Family. Gays held no realistic hope of defeating the marriage ban. So to create a more favorable environment for domestic partnerships to become law, Gill's operatives worked to divide their opponents into two camps: those conservatives who wanted to ban only marriage but would countenance partnerships, and the rest, like Dobson, who wanted, as Trimpa put it, "to ban the whole ball of wax." They reached an informal truce with the moderate element of the conservative movement to back only the marriage ban and to not oppose the referendum on domestic partnerships. Among this faction's leaders was an adversary of Dobson's within the evangelical community, the Reverend Ted Haggard of the New Life Church.

As I arrived in Denver a week before the election, Haggard's life became a national sensation. He first denied, but later resigned because of, a report that for years he had paid for sex with a gay prostitute through whom he had also bought crystal meth. The story exploded across the state, yielding full-banner headlines for four days running in *The Denver Post* and wall-to-wall footage of Haggard's awkward semi-denial to a local TV news crew.

While the pundits predicted that the scandal would demoralize conservative voters and benefit the state's liberals, Gill's organization held no such illusions. Its polling showed that the vote on domestic partnerships had been running near even, but now this development seemed certain to tip things against them. Trying to explain why, Trimpa characterized it best by grimly invoking "the gay ick"—his rueful term for the tendency of well-meaning and fair-minded straight voters to become turned off when gay issues focus explicitly on sex. The Haggard episode, which fed right into the Mark Foley congressional page scandal then in full bloom, created, Trimpa believed, the worst possible environment in which to put gay-rights issues on the ballot. On Election Day, the initiative failed, 53–47.

To date, twenty-seven of the twenty-eight state ballot initiatives banning gay marriage have been approved, including those in three of the four states last year where Gill funded efforts to oppose them (Arizona voters, with Gill's help, defeated one last November). The losses seem to have neither dulled Gill's resolve nor prompted him to rein in his spending. "As an engineer, I like experiments," he explained. "The only way you find new tools is to take one out and try it, and I'm perfectly happy to be in this for the long haul." His general success in state races has already stimulated plans for a larger target list in 2008 and a seminar, scheduled for next March, to brief interested high-net-worth donors. The challenge, he believes, will be expanding the ranks of donors while maintaining the focus of those who participated last year and now face the ultimate temptation in "glamour giving," the 2008 presidential race. "You hope that the forces of darkness will be the ones distracted by the shiny bauble of the presidency," Gill said. Then he excused himself to continue mapping out a state-by-state conquest that already has advanced gay interests in politics, even as the need for his surreptitious methods suggests how far they still have to go.

# **Four steps to victory with SmartSimpleCampaigns:**

## **Step One: Getting Started**

The most important thing here is to fill out the Candidate Profile, go through the Participation Checklist, have the wife letter questionnaire filled out, and provide us with all the requisite items listed in your participation check list. The sooner we have these from you, the sooner we can start on your program, candidate memo, website and/or palm card.

- *Candidate Resource Outline (MS Word)*
- *Candidate Sample Database (Excel)*
- *SmartSimple Participation Checklist (Word)*
- *Wife Letter Questionnaire (Word)*

## **Step Two: Campaign Plan and Budget**

The key to a good, successful campaign is a solid campaign plan. We've provided a sample to get you started. You also need to set up your budget and start fundraising as soon as possible. This means spending several hours a day (2-4) on the phone doing fundraising—you, as the candidate, are the most effective fundraising tool in your arsenal. You need to assemble your election team and begin recruiting volunteers. We'll help you set an attainable budget and work on voter and volunteer contact with you. See the Atlantic Monthly article for "Motivational Reading" as well, to see what conservatives are up against

## **Step Three: Long-Term Plans**

It's important to set your calendar as soon as possible. You also need to work on setting up coffee fundraisers (read the memo in this section for great fundraising information) and network with other candidates to coordinate on literature drops, and find out what's working and what's not in their campaigns. Getting your volunteers out and in the game now doing fundraising and precinct walking will reap great benefits on election day.

### *Files:*

- *Rothfeld Coffee Memo (pdf)*
- *Lobbyist Industry Press Kit (pdf) (optional)*

## **Step Four: Public Contact and Plan Execution**

Finally, you want to pace yourself and stay focused on core objectives. Once you've been at it a while, it's easy to get caught up in "Yard Sign Wars" and how you're being treated in the press – but the most important things remain: Fundraising and Voter Contact. However, this is also the time to develop your ability to interact with the public: your constituents, the media, and your opponent. This is the time to work on letters to the editor program and other earned media starting now. We'll help you craft bullet points, simple stump speeches, debate points, and help you in dealing with the media.

AND

Whenever something is being done FOR an outside person - providing palm cards, information, etc. - even when at the request of someone else in our office...

...please ACKNOWLEDGE the request to the requestor, and COPY ME on the initial acknowledgement AND the final output.

EXAMPLE 1: Dimitri asked me for a walk list for a guy in Indiana. I forwarded the Excel file to Andrew and asked him to put it in our oh-so-sweet format.

Under the new policy, when Andrew finished it, he would acknowledge (as he did) and he'd copy me on the result.

This way I know it happened, can answer questions about it, and have closure on the task.

EXAMPLE 2: Jerry O'Neil Requests palm cards from Sarah. She asks Nolan to handle it. She'd copy me on the forwarded request, then Nolan would copy me on the email telling O'Neil his stuff is shipping.

Thanks everyone, I appreciate all your hard work.

Andrew, I didn't accuse you of anything but being unavailable.

I gave you the info for Paul's card in NC, then there was still confusion about his address being in DC. You didn't reply.

Then on the URL registration thing, I gave you all the info to register it, but then you tried to have her do it privately without emailing or calling me first.

You don't let me know where things are at, or very rarely.

So you are being defensive when I have not called into question your work product, or amount of time working. It is, and has been, about your wanting to work independently and on your own schedule, when I can never get a hold of you, even when you are not in class.

I asked you to email me about all the different things last night, and didn't get anything.

Sorry if that came off harsh, but I think you are overreacting.

JC will be here to manage projects a bit so that will make things move more smoothly. But we need to have more dialogue on progress and questions and snags.

**I even saw you last night.** It is not the case that you cannot get a hold of me.

I am getting tired fast of working with you like this. It's not functional, it's disrespectful, and if I'm going to continue working with you on things like this, and future projects we have, something's going to change. I will talk to you about this in person.

Guys:

As promised (to Andrew) my comments about the site:

- 1) Do it NOW
- 2) For content, you should have different sections, labeled "media", "supporting organizations", "issues" "bailouts & spending", "other state tea party groups" etc. I would do the site as MontanaTeaParty.com and then feature Bozeman's party. This will give us the opportunity to call the organizers in other cities and post their schedules, etc., and have an "in" to perhaps get their lists as well.
  - a. Under each, link content and maybe create RSS feeds. You could at least do this with archived and extant media about the Bozeman tea party – there's so much already!
  - b. You should also link to the video or audio of the city commission debate at which the victory was achieved – with Carl Graham's comment about it being the epitome of civic virtue and engagement (or however he put it).
  - c. Henry's TV interviews are awesome. Put them up, and see if you can host them in case they rotate them out of their servers.
- 3) Post pictures and create a photo album and clickable video archive.
- 4) Link a downloadable PDF of the event itinerary, the event poster (even if its current form, it is in final stages), and perhaps a link to (or photos from) some of the many "tea party signs and ideas for signs" that are out on the web. Also feature a lot of the great original signs from the first tea party. Avoid the Obama Hitler signs and the other ones that will embarrass our cause for now (although some of those are my favorite).
- 5) Put a PayPal "donate now" button prominently on the site RIGHT AWAY!

This is REALLY late in the game, I encourage you to get this site up ASAP. Once it is, I'll see if I can write some great post content for it.

- 6) ALSO, SOLVE THE HOSTING ISSUE IMMEDIATELY! This site should be up as soon as it's got minimal content on it; I will immediately forward at that point. One way to get traffic is to let people walk through it every day as it gets fleshed out with content.

- Christian

PS: Since I have a piece of scum, anonymous vermin, trying to do harm me right now (this just began in the past couple days), please do not post any photos of me on the blog, as I do not want the cause to be harmed until I can ID and figure out what to do with a Judas among the Ron Paul set who is out to harm my reputation. ### **Local volunteer fireman Dan Skattum announced Monday he has filed for House District 62**

“Montana's hardworking families and small businesses are under attack by special interests and government bureaucrats for whom 'more' is never quite enough. Montana's legislature needs common sense conservatives who will fight to restore jobs, root out government waste and fraud, and balance environmental protection with responsible development jobs,” said Skattum. “I am the only candidate in this race who will defend our values and fight for the taxpayers and families of Livingston, instead of spending recklessly.”

“Wild spending might make one popular at wine tastings and art shows, but it's hurting people here in Livingston who actually pay the bills. Whether it's bureaucrats who want to micromanage small business owners, attacks on traditional Montana values, or politicians who let our roads crumble while fully funding their pet projects, the buck stops right here, right now, with me,” said Skattum.

Skattum, a Livingston Republican who works as a maintenance tech for MDOT, has a deep family history in Livingston and has served with distinction as a local volunteer fireman. He will compete for the seat currently held by Bob Ebinger, who recently earned the dubious distinction of "second biggest pork-barrel spender" in the Montana State House according to Montanans in Action's tracking website. Skattum says he felt compelled to run because, as a 5th generation Montanan, he is concerned about the state's economic future, and wants to restore Constitutional limits on government.

If elected as State Representative, Skattum plans to sponsor or support legislation to restore high-paying jobs in the natural resources, railroad and other sectors, to enact comprehensive property tax reform, and to eliminate the business property tax.

For more information, or to schedule an interview, contact Skattum at 406-223-0545 or visit his website at [www.votedanskattum.com](http://www.votedanskattum.com).

Date, 2010

Dear Friend:

The tax-and-spend politicians in Washington, D.C. are out of control.

Bailouts. Nationalization of entire industries. Skyrocketing debt on top of record deficit spending. It seems as if there's no end in sight.

But the worst part about it is -- if you and I don't turn the tide and soon -- our children and grandchildren are the ones who will suffer the most.

They're the ones who are going to be FORCED to pay for our politicians' spend-now-pay-later actions.

That's why with the May 18, 2010 Republican Primary fast approaching, we at the Taxpayers for Liberty believe it's important you hear the truth about your candidates' views on the critical issues facing our country.

You see, it's vital those of us who support low taxes, limited government, balanced budgets and fiscal responsibility do everything we can to turn things around before it's too late.

Unfortunately, in your U.S. Senate race, Republican candidate Trey Grayson's record and public statements on critical tax-and-spend issues are cause for real worry.

First off, Trey Grayson has stated he would gladly vote for unbalanced UN-balanced budgets that INCREASE our federal deficit -- because balancing the budget immediately, Grayson says, is "impractical."

You see, Trey Grayson, prefers a "10-year plan" to balance the budget -- just like President Barack Obama.

Of course, you and I have seen time and again politicians make the ridiculous promise to "begin planning" to balance the budget "sometime in the future when it's convenient."

And yet their spending NEVER stops.

The truth is, Trey Grayson has no plans to even lift a finger in the fight to balance the budget.

Not only that, but Trey Grayson has REFUSED to oppose earmarks and other pork barrel spending.

Instead, he wants to leave himself wiggle room to support new taxpayer-funded "bridges to nowhere" should he decide to.

But perhaps you and I shouldn't be shocked at any of this.

After all, just in 2008, Trey Grayson supported a whopping \$50 million tax increase on the residents of Boone County!

I'm sure you'll agree, there are already enough folks in Washington that believe

your paycheck belongs to them.

And it's not just the big-spending Democrats either.

In recent years, you and I have seen more than a few free-wheeling Republicans who have fallen in love big government, as well.

Today, those same big spending Republicans are lining up in support of Trey Grayson because they rightly recognize "he's one of them."

That's why it's vital you turn Trey Grayson around IMMEDIATELY.

With a faltering economy and a federal deficit approaching \$13 TRILLION, these are serious times.

We literally can't afford any more politicians who want to have it both ways on critical tax-and-spend issues.

So please contact Trey Grayson at once, and tell him to reverse his pro-tax-and-spend positions and apologize for his support of a \$50 MILLION tax increase for Boone County.

And while you're at it, please contact Republican U.S. Senate candidate Rand Paul.

You see, Rand Paul has been endorsed by Republican Senators Jim Bunning and Jim DeMint – two of the most small government, anti-tax conservatives in Washington – for his fiscally-conservative stands.

Rand Paul has said he will refuse to vote for any unbalanced budget, refuse all earmarks and pork-barrel spending and any new tax increases.

So thank Rand Paul for his ~~stands~~ positions as a "defender of taxpayers".

Of course, this effort isn't cheap, so if you can afford a contribution of \$250, \$100, \$50 or \$35, I'd really appreciate it.

But whatever you do, please contact Trey Grayson at once, and tell him to reverse his pro-tax-and-spend positions and apologize for his support of a \$50 MILLION tax increase for Boone County before it's too late.

Sincerely,

Gary Paumen  
Andrew O'Neill  
President Executive Director

P.S. In your May 18 Republican Primary race, the bad news is Republican Trey Grayson has publicly stated he'll support unbalanced budgets that INCREASE our deficit, earmarks and pork barrel spending.

And in 2008, he supported a \$50 MILLION tax hike for Boone County residents.

Please contact Trey Grayson at once, and DEMAND he reverse his pro-tax-and-spend positions and apologize for his support for tax hikes before it's too late.

If you have time, please thank Rand Paul for pledging to refuse to support unbalanced budgets, refusing earmarks and standing in 100% opposition to pork-barrel spending and to ANY any and ALL new tax increases.

## **Taxpayers for Liberty**

### 2010 Tax Reform Candidate Survey – Explanation of Questions

1. Tax increases are frequently passed through Congress to fund special interests or to retroactively cover the costs of previous overspending. Of the different proposals to curb Congress' appetite for taxation, there has been enduring and significant support for an amendment to the United States Constitution requiring that any tax increase be approved by a recorded vote of two-thirds of both houses of Congress (also known as a "supermajority").
2. Under the current tax system, employers are forced to do the government's job of tax collection by withholding taxes from employee paychecks. Because of forced withholding, working Americans are less aware of the personal cost of government. If working people were required to pay taxes to the government like any other bill, they would become more aware of what it costs to keep the government running and would be more likely to scrutinize its size, scope, and spending.
3. Americans are faced with taxes on their income, businesses, investments and property. Yet, they face some of the highest taxes upon their death. Grieving relatives are often forced to give the IRS up to 50% of the value of their family home, farm, or business after a relative passes away even though that property has already been taxed. This often forces the breakup and sale of family farms and businesses, and robs many families of their legacy and productive enterprise.
4. The Capital Gains Tax imposes punitive taxes on job-creating investments and taxes citizens for "gains" – many of which are largely the result of inflation. Many prosperous nations recognize that investment comes with risks and rewards have no capital gains tax.
5. Every year the Alternative Minimum Tax (AMT) drains resources from an increasing number of working Americans. Originally intended so that the very wealthy didn't use legal loopholes to evade taxes altogether, the AMT is now being levied on middle class Americans as monetary inflation causes wages to rise. As a substitute, Congressman Charles Rangel (D-NY) has proposed H.R. 3970 which claims to eliminate the AMT, but which would actually increase tax rates by almost 10% for the middle class and increases self-employment tax, penalizing about 25 million small businesses that drive the U.S. economy.
6. In only 5 of the last 40 years has the federal government taken in enough revenue to cover its budget. This has resulted in a spiraling federal "on book" debt burden of over 8 trillion dollars -- with many times that in "off book" debt paid by printing money -- draining resources desperately needed for a healthy economy.
7. Public support for a major tax increase is not in itself an indicator of future voting behavior, but helps fill in a candidate's background. Please attach an additional sheet of paper if you would like to present details about a tax you have publicly supported, and you believe it was necessary or advantageous.
8. Every year, hundreds of candidates sign a "No Net Tax Increase"-type pledge. Such a pledge does not bind or determine future voting behavior, but it can help the public to gauge a candidate's attitudes toward taxes and spending.
9. Local and state government lobbying at the Federal level has exploded by nearly 400% in the past decade. Meanwhile, federal agencies and quasi-public organizations use taxpayer funds to raise taxes and government spending. For example, the Legal Services Corporation routinely uses federal funds to pursue partisan political cases and sue taxpayers for more social welfare spending.
10. Frequently lawmakers must vote for legislation with little information on the total costs. And the public is often completely in the dark until later.
11. Subsidies and price fixing cost consumers dearly. Corn subsidies in the United States totaled \$56.2 Billion from 1995-2006, mostly due to what is now seen as economically unsustainable, environmentally damaging ethanol production. In addition, U.S. consumers pay \$1.4 billion per year for inflated sugar costs due to government price fixing. These are but two examples of the massive economic impacts of special interest lobbying and big-government federal policies.
12. Student performance has reached historical lows, yet the Department of Education's budget has increased to \$67.2 billion, including under President Bush. Rather than reaching the classroom, virtually every dollar of these funds fuel nearly 240 federal education bureaucracies, encroaching on local control.

It serves as due diligence for the candidate to know his own race, and provides advisors with the info needed to give wise guidance. Fill it out to the best of your ability and email or fax it in; we'll help fill in the details. (here's a [PDF](#) - if you don't have Word, just fax it in). **NEW ADDITION: DOWNLOAD** and fill out this "4-Square" profile - we'll go over it in the training.

**3) Fundraising Tools:** The fabled "[Coffee Memo](#)"; more to come here, such as a basic phone script to use when making fundraising calls (don't worry, everyone else hates those, too). If you're inclined, you might consider sending the Oil & Gas, Realtors, or other key industry types [this nifty Industry Press Kit](#) - it could get you a favorable interview, some money, an endorsement or maybe a helpful mailing. If you've got any media coverage in your district, it doubles as a media kit.

**4) Campaign Resources:** a [Basic Palm Card](#), and what a [what a well-designed yard sign](#) looks like. If you want some design help, print those PDF's and fax us your edits right on the page, and we'll get on top of it. And don't go anywhere without a few of these [volunteer/supporter sign-up sheets](#) on your clipboard - you never know when someone will want to help!

**5) Data:** When the time comes, we've got the best voter lists in the state. We have placed an excellent tool for creating your housefile in a true database - [CLICK HERE TO DOWNLOAD](#) a template for MS Access that will make your data, your Campaign Finance, and your fundraising 100 times easier now, and especially in the future.

**6) We're working on a YouTube video format that we can help get you that "personal feel" - which means support - in far-reaching areas of your district. Your opponent won't have a clue about this kind of campaigning.**

**7) Web Site: NEW:** Fill in this form ([click to download](#)), and we'll provide you a basic website - you provide the info (most of which the above info will cover), and we'll put up a basic site with email and supporter signups, and online contribution capabilities. [Check out our sample website HERE.](#)

That oughta get you started. We'll come up with more as time goes on.

SO NOW, JUST LIKE when my wife tells me she's got this great new idea to organize the basement, and I'm standing there in my paint-streaked overalls, the question is: "Honey, what the heck to I do now??"

**CLICK HERE TO DOWNLOAD THE MAIL AGENDA****PHASE 3: MAIL PROGRAM**

- 1) Yes, everyone is having a cow over absentees being mailed out on Monday. Don't panic. All absentees should be chased with a postcard right away and a letter within a few days, but most are not returned on the spot.
- 2) We'll go over the introductory mail, the issue mail, the "wife letter" and the final candidate letter. [Click here to download](#) a sample of a very successful - and polled - wife letter.
- 3) We'll write custom mail for each candidate.
- 4) You win.

**OLD STUFF FOR POSTERITY BELOW:****OUR SECOND SET OF WINNING items candidates should be doing by MAY 1st or ASAP:**

1) **MAIL YOUR HOUSE FILE:** By now, you should have your file in to me if I am going to help get your first (or next) fundraising mail out. I have emailed you a proven template for editing, and provided a database shell to input your names and addresses into. Along with walking, you should be getting fundraising underway and have at least 25% of your target amount in the bank. NEXT WEEK, WE'LL GET STARTED PHONE CALLING FOR CONTRIBUTIONS - THIS MAKES MORE MONEY THAN MAIL.

*Your first "house file" fundraising mailer should drop by April 25 at the latest!* Depending on how far away you are, we can produce a high-quality mailing for you and your volunteers to stuff, stamp, and seal for the cost of paper and ink - or we can get it assembled cheaply at a local mail shop.

2) **DATA -** By tonight's call, I should have emailed data lists to you. This data is the latest scrubbed, updated, phone appended data available, with the VoterVault info added after it was cleaned up. I can't vouch for the VoterVault part of it. Most VV data, from what I understand, was entered based upon what previous candidates entered in the field.

**WE'LL BASE UPDATED WALING LISTS OFF OF THESE FILES, UNTIL I**

**GET THE ISSUE-ID LISTS TOGETHER.**

**Here's the first couple of simple - and critical - items candidates need to get to us by April 1st or ASAP:**

- 1) **FILL OUT** the "Candidate & Campaign Profile" and get it to us ASAP. You can type into the Word document and email it, or we'll receive it as a PDF in our email if you simply fax it to us at 406-551-4333. We can't build your website without that basic info first.
- 2) **BUILD YOUR HOUSE FILE:** A "house file" is just a fancy word for supporter list. Unlike incumbents or previous officeholders, first-time campaigners usually don't have a list of potential donors sitting around. What you need to do is make a list of EVERYONE (family member, friend, businessman, customer, Bible Class member, etc.) you can THINK of, to send your first fundraising letter to. **EVEN IF THEY DISAGREE WITH YOUR POLITICS.** More on that in our upcoming conference call. The list should preferably be typed into an MS Excel spreadsheet, but we can help if you write it down and fax it. Start with your Christmas card list - can you top 100?

*Your first "house file" fundraising mailer should drop by April 7-10* or so. Depending on how far away you are, we can produce a high-quality mailing for you and your volunteers to stuff, stamp, and seal for the cost of paper and ink - or we can get it assembled cheaply at a local mail shop.

3) **DOWNLOAD AND EDIT**, if you so choose, the palm card and yard sign template, edit in the white space on the same page, and fax it in. We can design and print it in "2-color" for the cost of paper, or send it to a print shop for the 4-color digital printing treatment.

4) **WEB SITE**: Send us a nice campaign photo of yourself, and if you can, photos about you and your campaign. You out fishing, you knocking on doors, you helping in the community. More is better; we'll use the best ones.

WE'VE GOT ALL THE TEMPLATES FOR YOU. We'll have a mail check (if together and separate if needed) and please. All you do is copy and paste into the white space, and if you want to add a photo, you can. We'll design and print it for you. We'll have a mail check (if together and separate if needed) and please. All you do is copy and paste into the white space, and if you want to add a photo, you can. We'll design and print it for you.

CONFERENCE CALL AGENDA 5/2/2008:

WINNING WITH DIRECT MAIL

We'll also touch on surveys and general stuff.

---

Looking forward to 8:45 PM!

Conference call number: 616-712-8000

Access code: 632199#

INSTRUCTIONS: Call the 616 number, then when prompted, punch in the access code and "pound" (# sign). If any problems, I will have both my direct phone lines open at 406-333-2272 and 406-451-1070 to help.

You'll Thank us on Election Day

Let me share the campaign plan I typically recommend:

- F&F Letter – send by early November
- Coffees (see attached memo)– you can start scheduling these through your network of friends as soon as you choose to – the earlier the better
- Jan 1 – Filing begins – we’ll keep an eye on people who may file, on both sides, through the March deadline
- My goal would be to have you raise \$5000 by January 1, and \$15000 for your race in total. That would be 100 people at \$50, then up to 200 people at an average \$75. I can help you get there as things move along, but the initial money that comes in depends on you.
- FUNDRAISING MAIL PROGRAM: Start early with the F&F letter, and alternate mailing and calling it every 30 days (mail every 60, call every alternate 60), growing the list. I’ll help you find donors, and I will help link you up with others who can find you donors, do fundraisers with their business associates, etc.
- WALKING PROGRAM: I’ll provide lists for you to walk your district. The key is hitting the households that vote, and not wasting your time on ones that don’t.
- EARNED MEDIA: Your volunteers should start writing (but not submitting!) letters to the editor, etc. right away. These won’t get sent in until a couple of months out from Election day, but it takes a while to have what I recommend: 10 letters a week going in from different folks, for the last 10 weeks of the campaign. Right now you need writers (and they are hard to find, but I’ll provide ideas), later you will need signers for those letters.
- 3<sup>rd</sup> PARTY – There are surveys you should ignore at your peril (e.g. Conservation voters), and ones you should fill out because it will help you to be recognized by grassroots groups as “good” on their issue (e.g. Montanans for Tax Reform pledge). The ones I recommend will only be heard about by conservative-leaning voters. Some candidates tell me they don’t sign surveys. I don’t help them, because I find those are the ones who “go wobbly” when it comes time to vote on the Floor and the pressure’s on.
- CAMPAIGN MAIL PROGRAM: My campaign mail strategy is very late-stage, but deadly effective. Voters just don’t pay much attention until late in the game. Nothing but fundraising mail goes out until the last month before Election Day, too early and it’s a waste of money. The campaign mail program consists of (in order of importance):
  - “Final letter” – This is sent right before Election Day to polling place voters, earlier to absentee voters.
  - “Wife letter” – Men only, of course. This letter goes out in handwritten form and it extremely effective in both winning votes and insulating from attacks.
  - “Introductory” letter, with opinion survey/reply device, and a return envelope. This will usually generate 1/3 to 2/3 of its cost back in new financial supporters.
  - Issue mail: We’ll find out the “single-issue” voters on particular issues and send them a targeted letter about your position on their issue (pro-life, pro-gun, etc.). Once yours on this issue, they shan’t be easily swayed by the rhetoric of the opposition.
  - Postcard – I recommend only one key graphic piece that you can use for doorknocking/lit dropping and for mailing, unless you end up with a lot of money to spend. This can be one your absentee chase mailers.

- Business letter, letter on a particular issue in the district, etc. – A letter to businesspeople in the district, with a lot of red meat in it, or some other hot issue.
- YARD SIGNS ETC.: This stuff (like pretty much everything) should be funded AFTER your mail program. I guarantee you, you run with ZERO signs and a great mail and canvassing program against someone whose signs appear to be everywhere but has a weak mail/walk program, and you'll destroy them. Once you do get signs, buy maybe 500-750 at most and put them up 3 weeks from Election Day in primarily only 2 places: the yards of people who ask for them and on strategic, hi-visibility locations and thoroughfares.
- RADIO, CABLE TV, ETC.: Wendy spent a lot of money on radio and it probably helped push her numbers up, but I don't attribute her win to it. She won big, but her opponent ran a weak campaign. I'd recommend doing more mail and IF it looks like you can raise the money, planning a late-stage radio program. With a little work you can get a lot of free coverage early on.

Andrew

A couple points about the website....

1. There is a reference/link in the upper left side of the first page to art@artwittich.com if folks have questions---can you change that now to art@wittich4senate.com?
2. Can you add a section for letters to the editor? I expect to be receiving some of those soon. Once a letter runs, can we manage the site to add the link (or scan and include as content)?
3. the first page only has 2 or 3 sentences and than requires the person to click "read more". Since that is not that long, can we just have it on the first load up page?
4. I will be putting up signs next weekend--I would like my logo to be somewhere on the website as it will be good branding
5. If someone uses the blog function, will there entry be automatically added without my authorization? I don't want a negative comment posted.

Thanks

**PLEASE VOTE on June 8, 2010 for**

People expect State budget deficits next year, which will predictably lead to attempts to increase taxes on businesses, property owners, and individuals.

While budget cuts will be controversial, Montanans simply can't afford more taxes.

I have decided to run in the 2010 election for the Montana State Senate, and I need your help to apply our shared principles, along with my twenty-five years worth of legal experience protecting constitutional rights, and my demonstrated commitment to conservative ideals, for:

- Spending restraint and accountability,
- Respect for constitutional rights to liberty and property, and
- Promoting private sector prosperity by adding value to our State's natural resources.

I will fight for:

- Less Taxes and Spending
- Pro Property Rights
- Pro Gun Rights
- Pro Life

Senate District 35 stretches from Three Forks to West Yellowstone, with Manhattan, Churchill, Gallatin Gateway, and Big Sky in between. As your new State Senator, I will be your conservative, experienced, effective voice in the Montana State Senate.

- Veteran - honorably discharged
- Experienced

  - Constitutional Law
  - Business Leader

The good news is the website at wittich4senate is up and running  
The bad news is it incomplete--I thought you would finalize before switching over from artwittich.com  
As I mentioned earlier....

- My forehead is chopped off
- It says "I will be running" when I am in fact running
- There are no issue areas
- No contribution area

Please correct it-and remove until finished

# A MASSIVE taxpayer-funded check? For doing nothing?

What can a 342% increase in government spending buy Joe Skinner?

Needless million-dollar giveaways funded by taxpayers.

**Western Tradition Partnership**  
P.O. Box 11894  
Bozeman, MT 59718  
[www.WesternTradition.org](http://www.WesternTradition.org)

*Paid for by Western Tradition Partnership. Western Tradition Partnership is a tax exempt non-profit organization under IRC 501 (c)(4), and does not endorse, support or oppose candidates for election*

According to Gallatin County's own budget documents government spending exploded under Joe Skinner, swelling from \$38 million in 2005 to a projected total of over \$130 million in 2010.

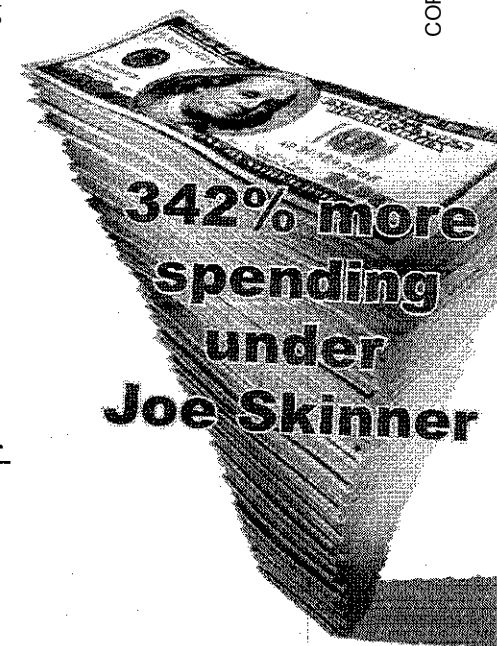

**That's a 342 percent increase in six years!** And what does Joe Skinner plan to do with a county government that's 342% bigger? Well, for one, pay people to do nothing.

Joe Skinner took a cool \$1 million in taxpayer cash in exchange for a pledge to not turn his property into housing developments – something he admits he was never planning to do.

That's right. Joe Skinner took \$1 million in taxpayer cash to do nothing. And now that he's on the County Commission he's pushing even more huge giveaways of taxpayer-funded checks.

Skinner boasts to the liberal Trust for Public Land that Gallatin taxpayers "tax(ed) themselves" finance his taxpayer cash giveaways. Skinner is also pushing for more taxpayer spending on the giveaway program because "a lot of other counties are looking to us as a model."

**Call Joe Skinner at 388-4554 BEFORE the June 8 Republican primary**. Tell him to drop his big-spending, radical environmentalist agenda and begin protecting property owners and taxpayers.

**Call Commissioner Joe Skinner at 388-4554.**  
**Tell him to stop his million-dollar giveaways and**  
**342% increase in government spending**

Art,

Yes, I will make all of the changes you requested. Let me know when you get letters to the editor and I can put them up on the site, or you can if you want that ability.

Also, comments must be pre-approved before they appear publicly.. so we have full control over what content is posted.

A couple points about the website....

1. There is a reference/link in the upper left side of the first page to [art@artwittich.com](mailto:art@artwittich.com) if folks have questions--can you change that now to [art@wittich4senate.com](mailto:art@wittich4senate.com)?
2. Can you add a section for letters to the editor? I expect to be receiving some of those soon. Once a letter runs, can we manage the site to add the link (or scan and include as content)?
3. the first page only has 2 or 3 sentences and than requires the person to click "read more". Since that is not that long, can we just have it on the first load up page?
4. I will be putting up signs next weekend--I would like my logo to be somewhere on the website as it will be good branding
5. If someone uses the blog function, will there entry be automatically added without my authorization? I don't want a negative comment posted.

Thanks

The PayPal link has been added and people will now be able to donate straight from your website. I would suggest changing the password for your PayPal account, as I won't be needing to access it anymore.

The orange "feed" button on the left-hand side will be used for people who want to subscribe to your website through RSS (really simple syndication). Anyone who uses RSS will know what that icon means, and how to use it. It takes users, depending on their browser, to a page that allows them to subscribe to your website. If you don't know how to use RSS, you should look into it when you have some free time.. it's very cool :)

I see the Pay Pal account is still not included--is there something we need to do to make this happen?

I also noticed that if you click the contact envelope in the lower left hand corner from any of the sub pages (eg, about me, issues, etc) it doesn't work. Only the front page link works. Please fix this

Is it a problem if the icon with orange semi circles in the lower left stays (it opens a "feed" box)?

Finally please add my logo somewhere on the site (Amanda emailed them)--the signs are going up this weekend and I want people to be able to connect the "dots"

Andrew  
Thanks for making the changes

- I see the Pay Pal account is still not included--is there something we need to do to make this happen?
- I also noticed that if you click the contact envelope in the lower left hand corner from any of the sub pages (eg, about me, issues, etc) it doesn't work. Only the front page link works. Please fix this
- Is it a problem if the icon with orange semi circles in the lower left stays (it opens a "feed" box)?
- Finally please add my logo somewhere on the site (Amanda emailed them)--the signs are going up this weekend and I want people to be able to connect the "dots"

Thanks

Sincerely,

I don't know if you have seen this, but a friend just sent this to me.  
I haven't read it yet though.

<http://www.businessweek.com/ap/financialnews/D9J0RJO80.htm>

The organization was involved in some nasty Republican legislative primaries earlier this year, backing the most favored conservatives with mixed results. In past general elections, the organization has attacked Democrats in close elections with Republicans.

The violations found by Unsworth in the initial report are numerous, including that WTP created a group called Coalition for Energy and the Environment to hide activity.

"The evidence is overwhelming that CEE was established by WTP as a sham organization to create the illusion that WTP was not directly involved in campaign activities directly opposing candidates for public office," Unsworth wrote. "The evidence shows that WTP's ultimate purpose in Montana in 2008 was not to discuss issues, but to directly influence candidate elections through surreptitious means."

The commissioner also points out that the group told potential donors that it would keep all the fundraising confidential, and told them they could give an unlimited amount of money -- contrary to Montana campaign finance law.

The commissioner said more information needs to be gathered to before he can levy a fine or sanctions. He said he will be seeking interviews under oath with principals involved in the group.

Unsworth said the activity of the group runs counter to campaign finance law that requires candidates and political groups to disclose where their money comes from and how they spend it.

"In short, the people of Montana have determined that they have an absolute right to know who is behind efforts to influence elections, how much money is being spent on those efforts, and where the money comes from," Unsworth said. "WTP's failure to register as a political committee and publicly disclose the true source and disposition of funds it used to oppose candidates for the Montana Legislature frustrates the purpose of Montana's Campaign Finance and Practices Act raises, the specter of corruption of the electoral process and clearly justifies an action seeking a civil penalty."

He said WTP did not cooperate with the investigation.

For now... if you can get on the cloud and type up Art Wittich's profile that's on there in a pdf, that'd be awesome. You can also put it on the wiki. I'll let you know if I think of anything else... but that's it for now.

Hi all,

I'm unavailable today--I won't have my phone with me.

Just wanted to clarify of all involved that I asked Jeremy to put 2000 in our postal account and get an additional 3 rolls of regular bulk (30000) and the two rolls of non-profits that we ordered.

I don't have the next mailing to start--although I might have it tomorrow. I'd like Nolan & Jeremy to take as much of today off as possible and everyone to take tomorrow off.

I'll let them know about Sunday--I'll be in touch tomorrow to let them know what to expect for Sunday.

Thank you all-- I'll be in touch and I'll be more available after Christian & Peggy Sue leave on Monday.

Allie

Today we ensured that all trays that we could collect from the hand-inserters were sealed, stamped, sleeved and tagged. They are on a shelving unit by the garage door, ready to go in my truck tomorrow. Tomorrow we are waiting on trays 6,19,29,36,37,38,39,42,43,44,47 - a total of 11 trays, Daniella has 5 left and Jennifer, we think, has 6, which means there is no tray missing.

Amber brought back a tray she had worked on overnight; she had a little trouble with it, but it was easy to fix. She said her BZN landlords were in town so she had to go be there while they did a walk-through. She said she would be back later - thought I heard noon..... But I have not seen her since, and I am ready to leave.

Will do Jerry, the edit has been made to your palm cards and we will put them in queue for printing. Attached is a sample of the palm card front, just so you can see it.

Thanks.

Christian, Allison & Andrew,

The Northwest Montana Fair is starting next Wednesday and it is time for me to start my campaign for the general election. In order to run a respectable campaign I need to have some handouts. After thinking it over, I have decided to put the information I was thinking of putting on a tri-fold brochure on the website you created for me instead ([www.votejerryoneil.com](http://www.votejerryoneil.com)) and hand out a palm card instead. It worked in the primary so I don't see why it won't work in the general.

Being a woos, I am going to run to the middle for the general. Therefore rather than advertising my "pro-life" stance, I will advertise my "pro-family" stance. Please make this change and then send me the same amount as you sent me for the primary; I believe it was 4,000 cards. I won't need the whole order for the fair so, if you need to, feel free to send me a partial order I can use for the fair. If that doesn't work let me know and I will see if I can use the ones I have left from the primary election for the fair and wait for the new ones for door to door.

I not going to be in this morning. Josie and I have a fever and are not feeling well. I will take care of getting the Rosters for the RTW mailing printed off.

Nolan is driving to Billings and probably won't be back until after noon.

Just continue to work on the RTW mailing. If I'm feeling better I'll call and talk about inserting etc later. You now have letterhead and signature.

E-mail me if you need me.

I'll be coming into town at 1 for Josies apt. You can trade me CL's car at that point or can come get it earlier.

JC maybe you can kind of manage how all this get's done but we needed to be out of the out house yesterday.

I told Nolan it doesn't need a detailed cleaning. Throw the sheets in the laundry and wash them. Don't have to remake the beds or do any real cleaning. Put things back where they go as far as dishes and any furniture we moved.

Pack up all our stuff. I think you'll need to buy a magic eraser because Josie colored on the wall downstairs--with washable maker. I'll bring one when I come to see Hettie.

The mail shop:

still needs to have the trailer emptied; rest of the trash that's in the shop moved and the rest of the paper that needs to go in the shed in the shed. Let's also put the little trailer in the shed for now. Then we need to finish cleaning etc. Why don't we plan on all of us including me and Kristin to the shop tomorrow at say 8am? I have to be free by noon.

If it fits for Nolan

# MONTANA CITIZENS FOR RIGHT TO WORK

## 2010 Candidate Survey

1. A state Right to Work law provides that no worker can be denied a job because he or she either joins or does not join a labor union. Such a law guarantees that each individual worker can freely choose whether or not to join or financially support a union.

**WILL YOU SUPPORT EFFORTS TO ENACT A STATUTORY RIGHT TO WORK LAW IN MONTANA (INCLUDING PROCEDURAL AND AMENDMENT VOTES)?**

YES \_\_\_ NO \_\_\_

2. Union officials have historically sought to gain bargaining powers over public employees. But in seeking such powers, union officials have not sought to bargain solely for those government workers who would join a union. Instead, they also demand the monopoly power to bargain for every person employed within a work unit -- including those individuals who do not desire union representation. For this reason, Right to Work supporters oppose any imposition of monopoly bargaining over public employees by union officials.

**WILL YOU OPPOSE ANY ATTEMPT TO IMPOSE MONOPOLY BARGAINING ON PUBLIC EMPLOYEES?**

YES \_\_\_ NO \_\_\_

3. "Agency shop" clauses in collective bargaining agreements compel workers who choose not to join a union to pay the equivalent of monthly dues to labor unions. Workers are forced to pay the "agency fees" under the threat of dismissal.

**WILL YOU OPPOSE LEGISLATION DESIGNED TO GRANT "AGENCY SHOP" PRIVILEGES TO UNION OFFICIALS?**

YES \_\_\_ NO \_\_\_

4. Recently, in several states, union officials have sought to mandate so-called "neutrality agreements" on businesses seeking to bid on state contracts. "Neutrality agreements" prohibit employers from countering union officials' propaganda during organizing drives and guarantee that employees only hear one side of the story.

**IF ELECTED, WILL YOU OPPOSE SO-CALLED "NEUTRALITY AGREEMENTS" AND ALLOW WORKERS TO HEAR ALL AVAILABLE INFORMATION?**

YES \_\_\_ NO \_\_\_

Additional Comments: I AM A PARTNER IN A SMALL MANUFACTURING COMPANY (ENTERCOURTMENTAL TRUCK BODY'S 45 EMPLOYEES) AND I SUPPORT RIGHT TO WORK. I DON'T, HOWEVER, SUPPORT PLEDGES DISGUISED AS SURVEYS. I WILL NOT PLEDGE A VOTE BEFORE READING THE BILL.

Dear Christian,

Thank you for sending me a survey. I am currently placing all my energy in answering constituent questions and preparing for the upcoming election. I have spent numerous days in Helena getting information on issues that concern the voters in the legislative district I currently represent.

I am and have always been a supporter of business, especially small business in Montana.

Please stay well

When everyone get's there:

RTW replies that weren't used can get boxed up and put in the storage unit

nolan print out palm cards for Hoag frist thing!!

Unpack and bundle anything stamped in the kitchen (bundle by 50 and with like stamps)

Organize the storage unit and move extra paper in there.

I'll help with the RTW mail when I get there and then we can throw extra stuff away

## WTP grows nationally, to become American Tradition Partnership

*Name change reflects group's nation-wide expansion, new federal fights*

*ATP rapidly growing, earning reputation in D.C. and across the country as nation's most effective grassroots advocate*

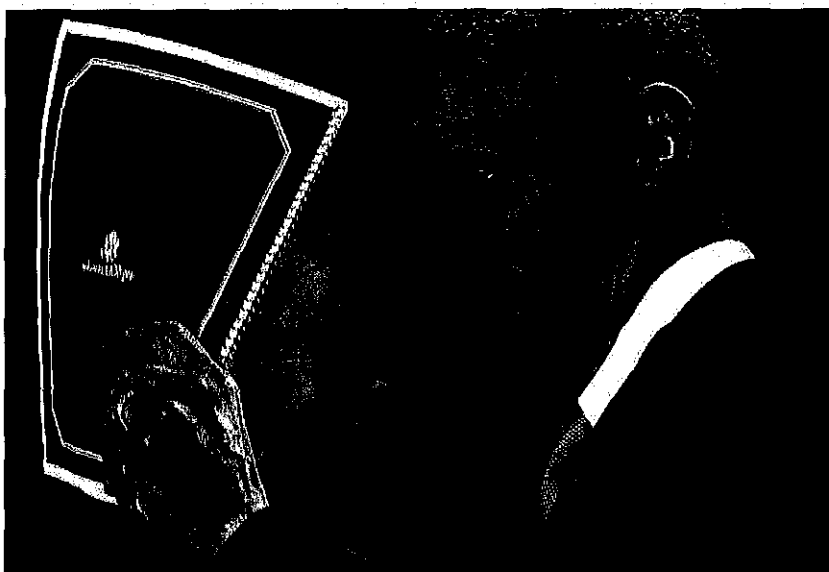

WASHINGTON -- Over the next several months, WTP will be transitioning to a new name -- American Tradition Partnership -- to reflect growing national involvement.

"American Tradition Partnership better reflects our rapidly growing membership, our expanding nation-wide reach and our aggressive efforts on Capitol Hill beginning in 2011," said Executive Director Donald Ferguson. "Western Tradition Partnership will continue to run state-level efforts in our key states, but ATP will be the 'tip of the spear.'"

ATP's new Web site can be found at [www.americantradition.org](http://www.americantradition.org). ATP can be followed on Twitter at @ATPAmerica. ATP also maintains a Facebook presence that can be found by searching for "American Tradition Partnership."

ATP will lead the fight in 2011 against federal Cap and Tax legislation, which Obama has promised to bring back "in chunks." The group will also fight for a recorded vote on a new law stripping the EPA and other agencies of their unchecked, unaccountable authority to invent and impose wide-reaching regulations. Obama is looking at using the EPA's regulatory authority to enforce Cap and Tax even if Congress rejects it.

-WSQ

Despite his party losing control of the House of Representatives over his Cap and Tax bill, Obama's radical green agenda still has life on Capitol Hill. New Speaker John Boehner has appointed a loyal crony of Big Green to chair the House Energy and Commerce Committee, and a proposed bill stripping the EPA of unchecked power faces many obstacles in the GOP-run House.

This article about WTP's suit has 4 negative articles (DemocRat talking points memo must have been faxed out), and no positive.

A federal judge is quoted as saying that WTP secured the rights of the Tea Party across Montana, with their previous suit. If you know any Tea Party-types, please ask them to post pro-free speech comments as well.

## **Pro-business groups sue to invalidate campaign-finance laws**

By MIKE DENNISON Gazette State Bureau Nov 22, 2010

HELENA — Two pro-business groups, including one accused of illegally hiding its campaign donors and expenditures in Montana, sued the state Monday, seeking to invalidate a broad range of state campaign-finance laws.

Western Tradition Partnership (WTP) and the Montana Citizens for Right to Work, both of which sometimes mail material attacking legislative candidates shortly before elections, said the suit challenges laws that impose "onerous and constitutional burdens upon (those) engaged in political speech."

The lengthy suit, filed in state District Court at Helena, not only sought to exempt the two groups from the laws and further investigation by the state, but also said the Office of Political Practices' entire investigative process is unconstitutional.

"The time has come for the Office of Political Practices to be cleaned up and reformed," said Donald Ferguson, executive director of WTP. "That starts by stopping (Political Practices Commissioner Dennis) Unsworth's abusive tactics and violations of constitutional rights."

Unsworth ruled Oct. 21 that the Denver-based WTP is a political committee and had violated state law by failing to report campaign-related spending or its donors.

"Instead of standing up and identifying their secret donors, or challenging the findings against them with facts, they choose to attack the law itself," Unsworth said Monday.

He added that Montanans have the right, under their laws, to know who is financing political speech, "and I intend to enforce (those laws)."

WTP, which describes itself as a "grassroots lobbying organization dedicated to fighting environmental extremism" and promoting natural-resource development, and the Right to Work group, which says it's fighting "compulsory unionism," are challenging many of those laws as unconstitutional.

In either the 2008 and 2010 elections in Montana, both groups have sent questionnaires to state legislative candidates, asking about issues important to the groups.

If the candidates fail to answer the questionnaire or give answers contrary to the groups' position, the groups sometimes then mail material to voters shortly before the election, attacking the candidate for his or her actions related to the questionnaire. The mailers often mention the candidate's opponent as having filled out the questionnaire in favor of the groups' positions.

The two groups maintain these mailers are educational and are not meant to influence the outcome of elections.

The lawsuit filed Monday said this "issue advocacy" communication is not subject to Montana's political committee laws, and that the laws themselves are unconstitutionally vague.

The state laws that says an expenditure can be regulated if it's "for the purpose of influencing the results of an election" is "impermissibly vague and overbroad," the lawsuit said.

The suit also asked a state judge to invalidate Montana's law prohibiting corporations from making "in-kind" donations to help candidates; to throw out a law requiring groups to identify themselves on political mailers; and to block further investigation by Unsworth of other complaints filed against WTP.

WTP even asked the judge to forbid Unsworth from publicly distributing his Oct. 21 decision against the group, saying it is causing the group "irreparable harm to its mission and reputation" with "unsubstantiated allegations" and by revealing its internal communications and fund-raising strategies.

The suit also said Unsworth's investigatory process violates constitutional rights because it doesn't give the target a chance to for a hearing or to cross-examine witnesses before a ruling is issued.

HELENA — A conservative group has filed a lawsuit in its fight against charges that it illegally hid work to influence elections.

Western Tradition Partnership was the group also behind the lawsuit that lifted Montana's century-old ban on corporate political money.

The Montana Commissioner of Political Practices filed a lengthy complaint last month against the group.

The ethics chief argued the group violated campaign finance law numerous times by failing to disclose money spent on pieces attacking candidates for office.

Western Tradition Partnership and another group countered Monday in the new lawsuit that the commissioner's investigation oversteps its legal boundaries and violates WTP's constitutional rights.

They are on a shelving unit by the garage door, ready to go in my truck tomorrow. Tomorrow we are waiting on trays 6,19,29,36,37,38,39,42,43,44,47 - a total of 11 trays, Daniella has 5 left and Jennifer, we think, has 6, which means there is no tray missing.

Amber brought back a tray she had worked on overnight; she had a little trouble with it, but it was easy to fix. She said her BZN landlords were in town so she had to go be there while they did a walk-through. She said she would be back later - thought I heard noon..... But I have not seen her since, and I am ready to leave.

This is good, I would just explain what the blog is thusly:

Suits in Strange Places is a blog through which a few "road warrior" type fundraising guys, in their travels across the U S of A, stop into off-the-beaten-path or otherwise unique roadside restaurants, pubs, and taverns, eat, drink, and tell the world about their experience.

In the Deep South, it's smoked ribs, in Detroit it's a 50-year old burger joint once owned by al Capone's bagman, in Chicago, it's pizza that's so deep dish you'd need a tow truck to get to the other side.

We are looking for a kind of "line-art" logo for the Suits In Strange Places blog.

The idea behind this logo is to mesh half of a suit with half of a pilsner beer glass. Although it is not depicted in the illustrations attached, we would also like to incorporate a fork horizontally along the bottom of the logo.

We will award the job based on prototype.

I have been more than available for contact, you have not replied to any of my messages I've sent. In fact, this is the first message I've received from you. YOU have not been available, and YOU'VE made this impossible to resolve.

As far as my email regarding the money I am still owed, you could have responded by paying me what I am still overdue by 2 months, as entailed in my email to you. I told you in my email I would start taking back work I've done and not gotten paid for. I wasn't paid, so I took my work back. I gave you ample time to respond, but you chose not to.

I'm not sure why you've contacted my lawyer, as what is taking place between us has no relevance to arrangements with my lawyer. I have not mentioned anything going on between us to my lawyer, so I don't know why you'd say she says I don't have interest in resolving this.

I am not sure what to do here  
You know exactly what you're supposed to do here. The only problem between us is that you and Allie haven't payed me the amounts I've listed on my invoices dating back 2 months.

I contacted the lawyer that I found for you, but she seems to telegraph as well that you have no interest in resolving this.

## Financial Reform

Outline via Washington Independent:

<http://washingtonindependent.com/83193/a-guide-to-the-tangled-financial-reform-bill>

Via Downsize DC:

- \* The bill's already over 1,400 pages
- \* it stacks the deck in favor of Citigroup and Goldman Sachs, who have endorsed the bill <http://tinyurl.com/335vb74>
- \* it places onerous new regulations on community banks and retailers who had nothing to do with the financial crisis, meaning . . .
- \* many small business will fold and consumers will face higher prices and fewer choices

Concerns should stem from the creation of the "Consumer Financial Protection Agency"

- which will have the power to monitor financial transactions and share info with other agencies including the IRS

Broad definition of financial institution which could allow the fed to bail out and nationalize any business with a vote of 2 out of 3 members of the board of governors

Regulation of credit cards, mortgages, etc could restrict low income Americans with access to credit

Proxy access allows corporations to vote on any shareholder initiative used by unions to make operations support their agenda

Via NY Post: "Deep in Sen. Blanche Lincoln's (D-Ark.) bill, passed by the Agriculture Committee last week (it will be merged with the Dodd bill), are exemptions to rules mandating transparency in the trading of complex financial derivatives, such as the credit-default swaps that figured so prominently in the Wall Street meltdown. One of the most troubling is Sen. Debbie Stabenow's (D-Mich.) amendment that would exclude the captive finance arms of certain manufacturers from the bill's requirements that derivatives only be traded over exchanges and through a clearinghouse. Only a handful of firms would be excluded -- chief among them, of course, the automakers."

Please finalize the copy I sent you earlier today and get it to Larry ASAP; he says he can get the site up within our budget and have it done by Friday or so. He tells me his system is scalable

Please help him get that done - perhaps you can get some ideas by looking at the links he has provided below.

Please let me have approval and input on look-and-feel, etc., and go

ahead and work with Larry to get him what he needs - feeds, studies from other groups, how you'd like it to work, etc. Larry is going to do the site from A-Z including graphics.

Paul, we'll set up the site and the social media aspects so that you can access it but so can we over here, in case we want to tweak, or maybe for nights Andrew drinks too much Red Bull.

I'm excited to get this done so I can go raise money, so let's get it done "enough" and then hone it from there. Lar

Larry:

I need a web site on a somewhat tight timeframe.

It's for a conservative 501c3 working in the energy/environment issue mix, called Western Tradition Institute. We started out Western but are going national.

Our 501c4 website can be seen at [www.westerntradition.org](http://www.westerntradition.org) <<http://www.westerntradition.org/>> , but don't let that place any limitation on what we can do with the c3 site.

I need a decent-looking basic WordPress site up ASAP (already have the framework), then we can build the site's functionality on an ongoing basis.

Please contact me as soon as possible at 970-397-0082, or via email.

Thanks.

## About WTI

### Founding Principles

Western Tradition Institute was founded as a 501(c)3 not-for-profit charitable public policy research and educational foundation. Our mission is to lead a national discussion about environmental issues, including air and water quality and regulation, responsible land use, natural resource management, energy development, and free-market principles of stewardship.

For too long, self-styled “environmentalists” have dominated the public discourse, stifled debate, intimidated the public and private sector alike via the courts, and “community organized” their way into every aspect of private life in the United States.

WTI proposes that they be taken head-on to restore balance and assert Constitutional rights to liberty, property, and due process.

**Our Foundation for Public Policy** seeks to fill a void in the “think tank” establishment, where research and ideas often circulate within the policy community without ever impacting the grassroots. With that goal in mind, our educational strategies cover a range of mediums and forums, from papers, studies, presentations, meetings, presentations, and video. We hold off-site discussion forums, set up informational booths at local events and post information in public places. We are continually seeking new ways to discuss how our choices related to the range of issues one might loosely call “environmental” affect our lives, economy, and environment.

Although we are not a lobbying organization, our educational activities may include providing education and information to the public and to policymakers, as well as providing testimony at public hearings. Lawmakers, rulemaking committees, and government agencies make better policy decisions when provided with the sort of reliable and detailed research that our organization conducts.

### Commitment to Independence

Western Tradition Institute is a 501(c)3 organization founded solely for charitable purposes. We make our research available to everyone, including elected officials, candidates for elected office, and legislative staffers without regard to their political affiliation.

We maintain intellectual and financial independence from partisan interests, and do not serve at the whim of any particular industry or private concern. History proves that no political party is devoid of a self-serving agenda and that the free and open exchange of ideas and goods, with minimal interference, yields the best possible outcome. Our long-term dedication is not to a political party but to the belief that responsible, free-market

**environmental stewardship is possible without onerous supervision, heavy regulation, and requisite coerced financial support of taxpayer-funded institutions.**

**WTI is governed by an independent board of directors with no direct ties to interested parties and never advocates for the election or defeat of any candidate for elected office.**

**Western Tradition Institute: Independent. Proactive. Incisive.**

## **Research Areas**

Our goal is to provide timely, independent, and in-depth analysis of issues related to natural resource and land management, energy development, and environmental stewardship. With this goal in mind, we select areas of research that will impact debate by providing an alternative to the established “sides” of an issue.

### **The “Environmental Landscape”**

We all want clean air, water, and soil. How has this innate desire, rooted even in the basic survival instinct, been turned into a tool for statist? Western Tradition Institute delves into genesis and evolution of the multi-billion-dollar “environmental lobby”, revealing that “green” has less to do with plant life and more to do with the argent tint of cold, hard cash. While selling themselves as the savior of the Earth and all its inhabitants, organizations such as Greenpeace, the Sierra Club, EarthFirst!, Earth Justice and many, many others have turned so-called environmentalism into a multi-billion dollar non-profit industry.

Still, billions more are being made by profiteers, most famous of them Al Gore, who are banking on a global system of government-mandated carbon credits, costly “Low-Emissions Environmental Design” (LEED) certifications, and myriad other tax- and rent-seeking schemes supported by the beneficent Environmental Left and its allies in the public policy arena.

WTI, led by the indefatigable Executive Director Paul Chesser, commits our members to “follow the money” even if that investigation means leaving a giant “footprint” over the landscape of the far-reaching Environmental Left.

### **Natural Resource Management**

The debate over managing natural resources often comes down to questions of efficiency, cost, and environmental impact. We perform primary research as well as critique and disseminate consumer-level information on the costs and benefits of various approaches to water forest, land, and energy policy, but we also strive to provide a long-term view, whether through life-cycle analysis or triple-bottom line accounting.

### **Land Management and Property Rights**

Although the heart of today’s natural resource debate focuses on the range of energy options available for use and development, we also take interest in issues of public land ownership, property rights, forest management, access and multiple use, environmental regulation, and open space.

### **Energy Development**

Today's debate about choosing from a range of energy options often conceals the more important discussion about long-term energy policy. Government regulations put into place decades ago impact current private-sector decisions about research, development, and investment.

The hyper-politicization of our national and state-level energy policy debate has occurred at a rate that large industry management and information structures have been unable to keep pace with. Every spill, every sound bite is seen by opposing forces – and more recently by bureaucratic agencies themselves – as an opportunity to bolster one's case for or against fossil fuels, alternative energy, and any number of other environmental agendas.

With literally trillions of dollars of capital and lifetimes of human effort and achievement at stake, we are committed to keeping issues of cost/benefit, productivity and human and capital costs, government regulation, subsidies, and tax structures at the forefront of conversations about energy and the environment.

### **Environmental Stewardship**

Given the long-term orientation of our organization, it should come as no surprise that environmental stewardship is an issue in which we perennially involve ourselves. Too often temporary considerations take precedence over long-term thinking, especially when the tactics of misinformation and hysteria are used.

No longer can the long-established paradigm wherein the farmer, the rancher, the homeowner, the logger were considered trusted environmental stewards be taken for granted. Now, aggressive campaigns by non-governmental organizations and bureaucratic agencies alike aim to place any and all resources and property under government control, if not outright government ownership are a constant. If the classic, free-market concept of local and/or private stewardship is to remain viable, steps must be taken to vigorously defend it.

One of our primary goals as an educational nonprofit is to steer the thought process of environmental stewardship – including endangered species policy, land use rules, and ownership – from temporary, malleable concerns to a perspective that encompasses all dimensions of the debate.

Larry,

Attached is the text for the first pages of the site. Some pieces are missing (Address, phone #) and others will be added later (press releases) -- it should all be pretty straightforward. Let me know if you have any questions.

Christian and Paul:

I made the changes to the text we discussed in the earlier exchange about content (cutting out references to the Environmental Law Center and Sustainable Communities project; adding news feeds). Let me know if you think of anything else to change.

The very short version is I believe that, barring objection, Larry Ward and his group [PoliticalMedia.com](http://PoliticalMedia.com) are the ones to do our WTI website. Please finalize the copy I sent you earlier today and get it to Larry ASAP; he says he can get the site up within our budget and have it done by Friday or so. He tells me his system is scalable

Please help him get that done - perhaps you can get some ideas by looking at the links he has provided below.

Please let me have approval and input on look-and-feel, etc., and go ahead and work with Larry to get him what he needs - feeds, studies from other groups, how you'd like it to work, etc. Larry is going to do the site from A-Z including graphics.

Paul, we'll set up the site and the social media aspects so that you can access it but so can we over here, in case we want to tweak, or maybe for nights Andrew drinks too much Red Bull.

I'm excited to get this done so I can go raise money, so let's get it done "enough" and then hone it from there.

See attached the WTI logo in PSD and PNG, not quite done but please let me know what you think. Email me with any questions.

Larry:

I need a web site on a somewhat tight timeframe.

It's for a conservative 501c3 working in the energy/environment issue mix, called Western Tradition Institute. We started out Western but are going national.

Our 501c4 website can be seen at [www.westerntradition.org](http://www.westerntradition.org), but don't let that place any limitation on what we can do with the c3 site.

I need a decent-looking basic WordPress site up ASAP (already have the framework); then we can build the site's functionality on an ongoing basis.

Please contact me as soon as possible at 970-397-0082, or via email.

Thanks.

## About WTI

### Founding Principles

Western Tradition Institute was founded as a 501(c)3 not-for-profit charitable public policy research and educational foundation, coupled with an aggressive environmental law center. More recently, WTI launched a successful pilot program, the Economically Sustainable Communities (ECT) Project. Our mission is therefore threefold: 1) Lead a national discussion about environmental issues, including air and water quality and regulation, responsible land use, natural resource management, energy development, and free-market principles of stewardship; 2) Aggressively litigate in matters of environmental concern on behalf of our members; and 3) Educate, equip and empower communities to confront the environmental lobby's assault on liberty and property, at all levels.

For too long, self-styled "environmentalists" have dominated the public discourse, stifled debate, intimidated the public and private sector alike via the courts, and "community organized" their way into every aspect of private life in the United States.

WTI proposes that they be taken head-on to restore balance and assert Constitutional rights to liberty, property, and due process.

**Our Foundation for Public Policy** seeks to fill a void in the "think tank" establishment, where research and ideas often circulate within the policy community without ever impacting the grassroots. With that goal in mind, our educational strategies cover a range of mediums and forums, from papers, studies, presentations, meetings, presentations, and video. We hold off-site discussion forums, set up informational booths at local events and post information in public places. We are continually seeking new ways to discuss how our choices related to the range of issues one might loosely call "environmental" affect our lives, economy, and environment.

Although we are not a lobbying organization, our educational activities may include providing education and information to the public and to policymakers, as well as providing testimony at public hearings. Lawmakers, rulemaking committees, and government agencies make better policy decisions when provided with the sort of reliable and detailed research that our organization conducts.

### Commitment to Independence

Western Tradition Institute is a 501(c)3 organization founded solely for charitable purposes. We make our research available to everyone, including elected officials, candidates for elected office, and legislative staffers without regard to their political affiliation.

We maintain intellectual and financial independence from partisan interests, and do not serve at the whim of any particular industry or private concern. History proves that no political party, no private cartel is devoid of a self-serving agenda, and that the free and open exchange of ideas and goods, with minimal interference, yields the best possible outcome. Our long-term dedication is not to a political party but to the belief that responsible, free-market environmental stewardship is possible without onerous supervision and heavy regulation - and the requisite coerced financial support -of taxpayer-funded institutions.

WTI is governed by an independent board of directors, with no direct ties to interested parties, and never advocates for the election or defeat of any candidate for elected office.

**Western Tradition Institute: Independent. Proactive. Incisive.**

## **Research Areas**

Our goal is to provide timely, independent, and in-depth analysis of issues related to natural resource and land management, energy development, and environmental stewardship. With this goal in mind, we select areas of research that will impact debate by providing an alternative to the established “sides” of an issue.

### **The “Environmental Landscape”**

We all want clean air, water, and soil. How has this innate desire, rooted even in the basic survival instinct, been turned into a tool for statists and utopian anti-progress? Western Tradition Institute delves into genesis and evolution of the multi-billion-dollar “environmental lobby”, revealing that “green” has less to do with plant life and more to do with the argent tint of cold, hard cash. While selling themselves as the savior of the Earth and all its inhabitants, organizations such as Greenpeace, the Sierra Club, EarthFirst!, Earth Justice and many, many others have turned so-called environmentalism into a multi-billion dollar non-profit industry.

Still, billions more are being made by profiteers, most famous of them Al Gore, who are banking on global system of government-mandated carbon credits, costly “Low-Emissions Environmental Design” (LEED) certifications, and myriad other tax- and rent-seeking schemes supported by the beneficent Environmental Left and its allies in the public policy arena.

WTI, led by the indefatigable Executive Director Paul Chesser, commits to our members to “follow the money” even if that investigation means leaving a giant “footprint” over the landscape of the far-reaching Environmental Left.

### **Natural Resource Management**

The debate over managing natural resources often comes down to questions of efficiency, cost, and environmental impact. We perform primary research as well as critique and disseminate consumer-level information on the costs and benefits of various approaches to water forest, land, and energy policy, but we also strive to provide a long-term view, whether through life-cycle analysis or triple-bottom line accounting.

### **Land Management and Property Rights**

Although the heart of today’s natural resource debate focuses on the range of energy options available for use and development, we also take interest in issues of public land ownership, property rights, forest management, access and multiple use, environmental regulation, and open space.

### **Energy Development**

Today's debate about choosing from a range of energy options often conceals the more important discussion about long-term energy policy. Government regulations put into place decades ago impact current private-sector decisions about research, development, and investment.

The hyper-politicization of our national and state-level energy policy debate has occurred at a rate that large industry management and information structures have been unable to keep pace with. Every spill, every sound bite is seen by opposing forces – and more recently by bureaucratic agencies themselves – as an opportunity to bolster one's case for or against fossil fuels, alternative energy, and any number of other environmental agendas.

With literally trillions of dollars of capital and lifetimes of human effort and achievement at stake, we are committed to keeping issues of cost/benefit, productivity and human and capital costs, government regulation, subsidies, and tax structures at the forefront of conversations about energy and the environment.

### **Environmental Stewardship**

Given the long-term orientation of our organization, it should come as no surprise that environmental stewardship is an issue in which we perennially involve ourselves. Too often temporary considerations take precedence over long-term thinking, especially when the tactics of misinformation and hysteria are used.

No longer can the long-established paradigm wherein the farmer, the rancher, the homeowner, the logger were considered the trusted, ideal stewards be taken for granted. Now, aggressive campaigns by non-governmental organizations and bureaucratic agencies alike aim to place any and all resources and property under government control, if not outright government ownership are a constant. If the classic, free-market concept of local and/or private stewardship is to remain viable, steps must be taken to vigorously defend it – intellectually [[link to our Public Policy center page](#)], in the courts [[link to our Environmental Law page](#)], and on the ground [[link to our ESC page](#)].

One of our primary goals as an educational nonprofit is to steer the thought process of environmental stewardship – including endangered species policy, land use rules, and ownership – from temporary, malleable concerns to a perspective that encompasses all dimensions of the debate.

## **Donate**

Your contribution to Western Tradition Institute will further our mission to protect and advance free-market, rational environmental policy at the Federal, State, and Local level.

You may direct your contribution to one of our three primary programs (Public policy, Law Center, or Local Communities) by indicating your desire in the “comments” section of your contribution form.

**Subject:** Re: let's resolve this

Andrew,

I have not treated you with disrespect and I won't play go-between if you can't manage to at least to that.

"Later in the month" was during July! Donnie was here in July and heard the discussion I had with you. You've been off the radar for 2 weeks! So, how do you figure it was long passed? July ended 3 days ago and you've been out of the picture for 2 weeks! Do you really feel justified in this?

I'm not going to argue about who contacted you because I really don't care at this point. You agreed to meet with Sandra and you didn't. She e-mailed you repeatedly and you ignored her and she waited in the office for 2 days.

As for when Christian got your e-mails--when they were downloaded and when he read them are obviously not the same thing. A good friend of ours was dying on Friday and I'm sorry if he missed it!

We've contacted an atty. as well as the police and deleting "your work" which you were paid for--or under contract is illegal. Call the police and ask. If a mechanic fixes a car and doesn't get paid its illegal for him to disable the car. I assure you that you are incorrect in your assumption that you are entitled to do so.

**As far as getting things resolved;** here's what we purpose so it's all over in one quick bit. We will leave a drive; bill of "sale" and contractor agreement at our attorney Kevin Browns office by 9:30 tomorrow morning.

Fred Paoli, Paoli & Brown  
120 W Callender Street # 201  
Livingston, MT 59047-2667

### Car:

We've ordered notarize the title but it can take up to 3 weeks to get to us. Christian will notarize the bill of sale. Please e-mail me the vin # and the millage on the car to do that. You will be able to get a temp tag for \$5 from the DMV on C & Lewis and return both of the plates. The idea is that you won't be driving on our plates and we won't risk any liability if you get in an accident. I will forward you the title when it arrives.

### Files/mic and all intellectual property:

- 1). Anything you deleted or took down you put back up.
- 2). Sending files isn't going to work because they are too large. We will leave a blank drive that you can transfer them to at the atty.'s office. Christian wants anything and everything you created and worked on. He will leave you as detailed a list as he can come up with, with the drive -- he wants everything and just because he forgot it to put it on the list doesn't mean he doesn't want it.
- 3). Passwords-Christian is confident that he does not have all the passwords. He will try to think of any that weren't on the google doc.
- 4). Microphone

### Mics:

Signed independent contractor agreement and I will leave it at the office if you want me to e-mail it to you please let me know.

He would like a letter from you resigning your position with Taxpayers for Liberty--he'll provide the letter at the atty.'s office also.

Pay:

Christian will be traveling to CO for a funeral tomorrow he won't be able to check the files until he arrives. He will give me the ok and I will deposit a check before 10:00am on Thursday. If you would prefer I will leave a check with the atty. and you can pick it up from his office on Thursday morning. I need you to send me an updated spreadsheet of the payments you've made as owe for the computer and a combined invoice for June and July. Please deduct the \$700 already paid to you.

Thanks,  
Allie

I was not contacted by Edward Soady, and I don't even know who Christina is. There is absolutely no reason for Christian to have contacted my attorney regarding this matter, and the regurgitated excuse you used about me not answering my phone is ridiculous. It's 2011, and there are at least 7 different technologies you could have gotten a hold of me on. Don't be thick. You both made no effort to contact me, and there's no doubt about that.

I think you had better re-think the accusation that deleting my own work is theft. I produce work under the assumption I would be getting paid, I didn't get paid, I take the work back. It's a very simple process to comprehend, and I'm more than sure a judge would have no problem comprehending that as well.

heard you agree to get paid for your contract work later in the month  
Notice that "later in the month" has long past.

Christian didn't see your e-mail threatening to destroy property from the 28th until this morning  
Do you really think I am that stupid? I can always tell when people read my emails, because I am notified via an HTML script in my signature. He read my email in the morning of the 28th, which is why I proceeded with the redaction of my work. It is not my problem if he chose to read my email and ignore it. And no, he would not have taken legal action because he has no legal grounds. I own my productions until I am paid for them.

I have no problem sending Christian his files, videos, and passwords. I will send them tonight. Although I don't know why you think I would store locally any passwords used in office work. All passwords I used are on shared Google documents, and Christian knows right where to find them.

I thought the Yeti microphone was a gift to me from Utah, but if he wants that back.. whatever. What other physical stuff do you think I have of Christian's?

You never sent a non-disclosure agreement, I don't know why that hasn't happened yet.

I can put a single license plate in your mailbox tonight on my way to Livingston. I will need the remaining one to drive with. As soon as I get the title and change the car's registration, I will be able to return the other license plate.

After these things have been done on my end, what do you think would be a reasonable time-frame for you to deposit money into my account and send me the title to the Honda Civic? Tomorrow before 12pm?

Andrew,

When you and I met two weeks ago on Monday we agreed that you would wrap things up with Sandra at the end of the week and get your final pay check. You agreed with me that things had just run their course and that there was no point in making each others lives hell. You decided to completely renee on that agreement, ignoring Sandra, Christina and even Edward Soady in specific attempts to resolve this. Of course he tried the lawyer he found for you, you don't answer phone calls.

Here are our intentions as they have always been:

You give Christian or even an neutral party like Edward or an Atty the following:

- 1). All of his files, videos, passwords etc.
- 2). Christians other physical stuff--his Yeti microphone
- 3). Non-dislosure agreement
- 4). the plates for our car.

Here is what we will provide you when you do that:

- 1) Your final pay check; minus what you owe for the computer we loaned you money for.
- 2). the title to our honda civic/ a letter of sale.

And now it seems that you are escalating things by deleting work, which is by any legal standard theft. This needs to get resolved without any further escalation; if Christian calls the police you are already guilty for destroying his property (videos and websites).

It seems that you are now attempting to make your actions about "getting paid" but I have 3 people who heard you agree to get paid for your contract work later in the month and it was "no big deal." I hope you understand that this is only going to escalate things to civil and criminal legal action. I don't understand what the point of that could possibly be. Please contact myself; Christian; or any nutral party of your choosing like Edward Soady or Sandra to resolve this today.

Christan didn't see your e-mail threating to destroy property from the 28th until this morning (he was pretty upset when he saw it) because he was traveling back home from CO, his good friend Mike Kopp's wife died, we had Josie's biological family in town all weekend proceeding the termination hearing yesterday. If he had I think he already would have taken legal action.

Please, lets resolve this, this morning--or please e-mail me and tell me that is your intention.

Sarah: Please recycle Lee's 2008 memo and get it to Jedd Coburn (send him a link to the wiki [jnc@nrtw.org](mailto:jnc@nrtw.org)) ASAP.

Let Lee know what is going on too, we can have this stuff by Friday to him unless jedd says otherwise.

Thanks. I'll call you tomorrow.

Hey Wes, your website just about done: [www.WesProuse.com](http://www.WesProuse.com). Thanks for hanging in there, I've been so swamped! At this point, everything should be going smoothly.

I've already activated a PayPal account on your behalf.. the username//password combination is [wes@wesprouse.com](mailto:wes@wesprouse.com)// [REDACTED] if you are interested. I provided them with your bank account information so they can make the link, which is required to receive online donations.

You should be receiving two small deposits into your checking account. Those deposits are their way of confirming that it is actually your account. When you get those deposits within the next few days, please send me the amounts so that we can get it activated.

Also, if you have a press release or something like that announcing your campaign, or any campaign literature you may have, could you please send me that as well? The front of your website needs to display something like that.

Wes, at this point, all the website needs is content for the pages. The article that generally go on the front page are current events of your campaign. You could put press releases, endorsements, news articles, articles you've written, and more on the front page. It's really up to you. All you would need to do is email me any of the previously listed things, and I will put it online.

As far as content for the other pages, if you would like me to add/change any of them, just email me and let me know. Exact verbiage is preferable.

Also, Wes, are you fully reading my emails? In order for your to accept online donations through PayPal, you need to send me the amounts PayPal has deposited into your account. That is how they verify that you are actually who you say you are. If you could please send me this information, that would be great.

Thanks,

Bob, like I've asked, I need content to put on the pages. The structure is of the site is done unless you have any critique. I need verbiage from you to put on the pages. A press release, endorsements, current campaign events would also be nice to display on the front page: anything to let viewers know what you're up to, what you support, and what you're currently doing politically.

As for the different pages, can you please send me verbiage for the pages you would like to have show up?

Give me a call if you would like to discuss this further

Thanks,

Dear Christian:

**I agree!**

Montana has been without the freedom and economic opportunity of a state Right to Work law for too long.

It's critical that all the candidates in my district take a public stand opposing forced unionism and supporting a state Right to Work law for Montana.

To help ensure this, I have:

Contacted the candidates in my district and urged them to pledge 100% opposition to forced unionism by returning their Candidate Surveys at once.

Enclosed a contribution of:

\$250            \$100            \$50            Other \$            \$25

Name:

Address:

City/State/Zip:

Please make your check payable and return to:  
Montana Citizens for Right to Work

Note: Contributions to the Montana Citizens for Right to Work are not tax deductible as charitable contributions.

Andrew, Kristin, Jeremy, and Nolan:

I am really sorry for escalating the blowup Allie and I had last night.

So much for setting a good example.

The last thing I want is for people we care about and work with to have to go through something like that when our work is already pretty demanding and challenging.

I am committed to making changes, both personally and in our arrangement between the Creative/Consulting Department (my side) and Production (Allie's side) to avoid the recurring problems between Allie and me.

I'm sorry to have disappointed you all, especially considering how well things have been going on the team overall.

Thanks for not ditching us, which you would have every right to do after such a situation.

Regards,

Christian

3

4 A BILL FOR AN ACT ENTITLED: "AN ACT CREATING THE WORKERS' FREEDOM ACT; PROVIDING AN

6 SECTIONS 39-31-201, 39-31-205, AND 39-31-401, MCA; REPEALING SECTIONS 39-31-204, 39-33-101,  
7 39-33-102, 39-33-103, 39-33-104, AND 39-33-105, MCA; AND PROVIDING AN EFFECTIVE DATE."

8

9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

10

11 NEW SECTION. **Section 1. Short title.** [Sections 1 through 12] may be cited as the "Workers' Freedom  
12 Act".

13

14 NEW SECTION. **Section 2. Policy.** It is the public policy of the state of Montana, in order to maximize  
15 individual freedom of choice in the pursuit of employment and to encourage an employment climate conducive  
16 to economic growth, that the right to work not be subject to restraint or coercion. A person's right to work may not  
17 be infringed or restricted based on membership in, affiliation with, or financial support of a labor organization or  
18 on refusal to join, affiliate with, or financially or otherwise support a labor organization.

19

20 NEW SECTION. **Section 3. Definitions.** As used in [sections 1 through 12], the following definitions  
21 apply:

22 (1) "Employer" means an individual, corporation, association, organization, or entity that employs one  
23 or more persons. The term includes the state and its political subdivisions and all districts, boards, commissions,  
24 or other units whose governing body exercises governmental powers. The term also includes an employer of  
25 agricultural labor.

26 (2) "Labor organization" has the meaning provided in 39-31-103.

27

28 NEW SECTION. **Section 4. Freedom of choice guaranteed.** A person may not be required as a  
29 condition of employment or continuation of employment to:

30 (1) resign or refrain from voluntary membership in, voluntary affiliation with, or voluntary financial support

1 of a labor organization;

2 (2) pay dues, fees, assessments, or other charges of any kind or amount to a labor organization;

3 (3) pay a charity or other third party, in lieu of payment to a labor organization, an amount equivalent to  
4 or a pro rata portion of dues, fees, assessments, or other charges regularly required of members of a labor  
5 organization; or

6 (4) be recommended, approved, referred, or cleared by or through a labor organization.

7  
8 **NEW SECTION. Section 5. Voluntary deductions protected.** (1) It is unlawful for an employer to  
9 deduct from the wages, earnings, or compensation of an employee any dues, fees, assessments, or other  
10 charges to be held for, transferred to, or paid over to a labor organization unless the employee has first presented  
11 and the employer has received a signed written authorization for the deductions.

12 (2) The authorization given pursuant to subsection (1) may be revoked by the employee at any time by  
13 submitting written notice to the employer 30 days before the date of revocation. An employer receiving an  
14 authorization from an employee shall promptly notify the employee in writing of the employee's right to revoke  
15 the authorization by giving the employer 30 days' written notice.

16  
17 **NEW SECTION. Section 6. Agreements in violation and actions to induce agreements illegal.** (1)  
18 An agreement, understanding, or practice, written or oral, implied or expressed, between a labor organization and  
19 an employer that violates the rights of an employee guaranteed by [sections 1 through 12] is void.

20 (2) Any strike, picketing, boycott, or other action by a labor organization to induce or attempt to induce  
21 an employer to enter into an agreement prohibited by [sections 1 through 12] is illegal and constitutes a violation  
22 of [sections 1 through 12].

23  
24 **NEW SECTION. Section 7. Posted notice required.** An employer shall continuously display the  
25 following notice at a place or places where it may be readily seen by all employees in the employer's business  
26 establishment and shall furnish a copy of the notice to each employee when the employee's employment begins  
27 and ends:

28 **EMPLOYEE FREEDOM OF CHOICE**

29 Under the law of the State of Montana, an employee is protected in the exercise of the employee's freedom of  
30 choice to join or to refrain from joining a labor organization. It is unlawful for a labor organization and an employer

1 to enter into a contract or agreement that requires the employee to pay dues, fees, assessments, or charges of  
2 any kind to a labor organization as a condition of obtaining or retaining a job. Under this law, an employer may  
3 not discharge or otherwise discriminate against an employee because of the employee's decision to join a labor  
4 organization or the employee's refusal to join or to pay dues, fees, assessments, or other charges to a labor  
5 organization.

6  
7 **NEW SECTION. Section 8. Coercion and intimidation prohibited.** It is unlawful for a person,  
8 employer, or labor organization or an officer, agent, or member of a labor organization to:

9 (1) (a) intimidate or threaten to intimidate an employee or prospective employee or any person residing  
10 in the employee's or prospective employee's home; or

11 (b) damage or threaten to damage the employee's property;

12 (2) compel or attempt to compel an employee to:

13 (a) join, affiliate with, or financially or otherwise support a labor organization;

14 (b) refrain from joining a labor organization; or

15 (c) forfeit rights guaranteed by the provisions of [sections 1 through 12]; or

16 (3) cause or attempt to cause a person to be denied employment or an employee to be discharged from  
17 employment because of support or nonsupport of a labor organization by inducing or attempting to induce another  
18 person to refuse to work with the employee.

19  
20 **NEW SECTION. Section 9. Penalties.** A person, employer, or labor organization or an agent or  
21 representative of an employer or labor organization who violates the provisions of 39-31-201, 39-31-205, [section  
22 15], 39-31-401, or [sections 1 through 12] is guilty of a misdemeanor and upon conviction shall be fined an  
23 amount up to \$1,000. A violation of [sections 1 through 12] is an absolute liability offense as provided in 45-2-104.

24  
25 **NEW SECTION. Section 10. Civil penalties.** A person harmed as a result of a violation or threatened  
26 violation of 39-31-201, 39-31-205, [section 15], 39-31-401, or [sections 1 through 12] may:

27 (1) file a complaint to enjoin the violator or person threatening violation; and

28 (2) recover damages, including costs and reasonable attorney fees, resulting from the violation or  
29 threatened violation.

Hi Kelly,

If you're willing to help that would be great. After doing a couple trays myself we decided these trays should pay \$8. per tray. They take me 40 minutes to do one.

If you can please tell me how many trays you think you could complete by tomorrow at noon we'll bring them over and pick them up if that's easier or I could bring them here and you could stop over--whatever works for you. Then after doing a few if you still want to do some over the weekend you can let me know how many and we'll get them to you. We have 30,000 peices of mail to do this week and 50 more next so we have lots to do.

Thanks,

Dear Friends:

If you're like me, it seems like you never really get to know all of your candidates before Election Day.

And it's especially hard considering how low some folks will go to smear their opponent with misinformation and sometimes outright lies.

My name is Olga Odom. My husband, John, is running to be our next state Senator.

Thanks to John's community involvement and now, this campaign, we've been blessed to get to know hundreds-- maybe even thousands-- of our fellow neighbors and friends in the 20<sup>th</sup> District.

But if we haven't had the privilege of meeting you yet, I hope you will take a few moments to read this letter and let me tell you a bit more about my husband.

John loves it here in Colorado and has lived here virtually his entire life -- his father moved his family here when John was only six months old.

He attended elementary school, junior high and high school in Senate District 20.

He knows, and cares about, every inch of this beautiful part of the metro area.

He is truly passionate about the lives of the people in this district.

I think his long history and attachment to this area is one of the best reasons he would represent this district well.

John and I first met when we were introduced by a mutual friend, and immediately, we fell for each other.

It wasn't long after that when he spelled out "Will you marry me?" in rose petals.

Needless to say, I said "yes" right away.

Since that day, John has never ceased to surprise me with his expressions of love and romance.

On every special occasion - my birthday, Valentine's Day, our anniversary, and every day -- he makes me feel so special.

Now, I, John and our son Jack, live a happy life here in Wheat Ridge.

I know if my husband John is elected he will do everything he can to keep this country free and that he truly believes in the principles that have made this country so great.

He knows that Coloradans know best how and where to spend their hard-earned money and that the politicians in Denver and Washington have gone too far.

I work for Jefferson County Public Schools as a substitute math teacher and John runs his own small business that provides medical equipment and services all over Colorado and Wyoming.

As often as he can, he arranges trips for spine surgeons to travel overseas, so they can treat impoverished children who are in desperate need of surgery.

Little Jack is in first grade at Lincoln Academy, a public charter school in Arvada.

Jack's education is a top priority for us - especially John, -- and John wants all Coloradans to have equal opportunities for a great education.

But watching John raise our son is truly the greatest blessing of my life.

He loves Jack so much and is such a wonderful father.

No matter how busy he is, John always makes the time to take Jack to swimming lessons, soccer practice or whatever new passion our son wants to explore.

That's why some of the dirty rumors and smears that have been spread around have hurt us, and Jack most of all.

Fortunately, most folks here know an honest man when they see one and can tell the difference between the truth and the lies.

Anyone who knows John, will tell you that he is a good, smart and caring man.

If elected to be our next State Senator you can be confident that you'll have someone in Denver who will work to lower your taxes, and who will stand up for the traditional values that make this state so great.

Thank you for taking a moment to read this letter, and I hope you'll join me in voting for my husband, John, on November 2nd.

I know you'll be glad you did!

Sincerely,

Olhat Odom

Dear Friend:

I'm sure by now you've seen the yard signs, read a few flyers or maybe even heard a couple radio ads about the upcoming November elections.

But if you're like most hard-working Montanans with a busy schedule, I'm sure it's been hard to hear more than a sound bite or two or a simple slogan from your candidates.

Most of us don't have the time to get to go out and meet our candidates face-to-face.

That's why I decided to write you this letter.

My name is Lauretta Skattem, and I'm writing you today to tell you a little bit about my husband, Dan, who is running to be your next State Representative in District 62.

Dan and I will have been married for 29 years on November 13th, and I must say, those years have been the happiest of my life.

Dan and I first met getting ready to work on a combine crew in Texas.

Immediately, he caught my attention, and I just knew there was something special about him.

And believe me, you can really learn a lot about a person working together every day and travelling from Texas all the way back to Park County!

Needless to say, he stole my heart, and it wasn't long before we were married.

Together, Dan and I have three children who are all adults now.

Our two eldest, Kaydee and Duane, are both married and have children of their own.

Our youngest son, Brian, is a Staff Sergeant in the U.S. Air Force and is currently stationed in Kuwait.

I'm so proud of the kind of people they have grown up to be, but I'm not surprised.

You see, even before we were married, I knew Dan would be a great father, and I couldn't have asked for a better husband.

He has always worked hard to instill in our children-- and now our grandchildren-- the values of hard

work, personal responsibility and love for God and country.

To this day, I still remember Dan waking the kids up early to do their chores.

He would spend hours teaching them how to do each task.

Of course, sometimes just getting the kids ready to do their chores took longer than the actual chores themselves, but Dan was determined to build great character in them from a young age.

You see, Dan isn't the weakest man, but he has always been the hardest working, and that's really what's made him into the man he is today.

I know that, if elected as our State Representative, Dan will carry out that same level of hard work and responsibility.

Even now, no matter how hectic things get, he still makes serving others a priority -- and somehow convinces the whole family to get involved.

Whether it's lending a helping hand as a volunteer firefighter and EMT or serving at Livingston Bible Church, he's always doing what he can to give back to the community he loves.

I know Dan worries about the next generation of Montanans.

That's one of the main reasons why improving our educational system here in Montana is so important to Dan.

You see, he wants to make sure every Montanan is given the same opportunities our children and grandchildren have been given.

He wants to see local parents and teachers, who know what's best for kids, in charge of education.

Dan is also concerned that government at every level has allowed spending to get out of control and believes we need more good men and women in office who will stand up for fiscal responsibility.

I know, if elected, Dan will be a State Representative every Montanan can be proud of.

That's why today I'm writing to ask for your help.

Won't you join our family in voting for Dan on November 2nd?

I can tell you, if you vote for Dan, you won't be sorry you did.

Thank you for your time.

Sincerely,

Lauretta Skatsum

P.S. My husband, Dan, is running for State Representative right here in the Livingston House District.

If you want a Representative in Helena,  
who you know you can always  
depend on, and who will listen  
to the concerns of the folks that  
elected him, then I ask you to  
vote for my husband, Dan, on  
November 2nd.

Dan will fight for our shared  
values in Helena!

# When Bob Ebinger wanted to make a quick buck off Livingston he partnered with Hassan Kangarloo, an Iranian businessman convicted in 1986 of selling American military equipment to terrorists.

## Los Angeles Times

### Iranian-Born Dealer Convicted in Arms Case

September 5, 1986

T.W. McGARRY | Times Staff Writer

An Iranian-born businessman who bragged to undercover federal agents that he had smuggled \$81 million in embargoed American military equipment to the Iranian army was convicted on five charges Thursday by a U. S. District Court jury.

After six days of testimony, a jury found Hassan Kangarloo, 27, of Woodland Hills guilty of one count of conspiracy, two counts of violating export control laws and two of filing false shipping documents...

Kangarloo was accused of posing as the head of a British company when he attempted to purchase rockets, bombs and other military equipment...

### Many developer's efforts fall short

RUFFIN PREVOST Of The Gazette Staff  
Monday, January 21, 2008

In his 2006 deposition to immigration officials, Hassan Kangarloo outlined his business partnership with his uncle, Nasser Sardad, and listed the properties owned by their San Francisco-based company, North California Real Estate Investments Inc.

The company had between \$12 million and \$14 million in outstanding loans for properties under development, he said, including a Livingston hotel project [the Guest House Condos]...

... He looked to Dubai, Panama and Brazil for building opportunities but eventually "ended up buying a hotel in Livingston, Montana, which is easy..."

**"...He (Bob Ebinger) is presently partnering in a downtown project adapting an 1890 commercial brick structure into downtown condominium living..."**

## The Gazette

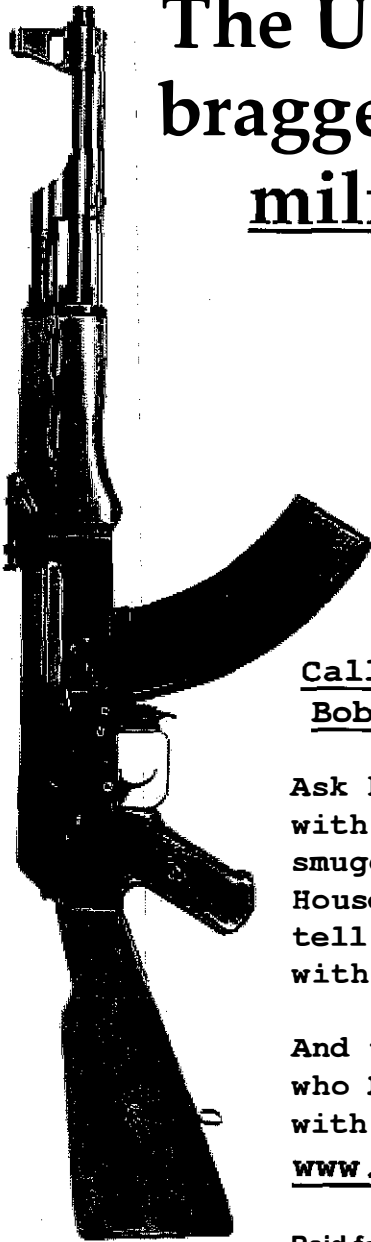

### Kangarloo's businesses see ups, downs after flight from Iran

RUFFIN PREVOST Of The Gazette Staff  
Monday, January 21, 2008

... Much of his story - including his financial troubles and a criminal conviction in 1986 for selling restricted military parts to Iran's government under Ayatollah Ruhollah Khomeini - is detailed by Kangarloo in his own words in court documents...

...prosecutors said he boasted on wire-taps with federal undercover agents of shipping \$81 million in military parts to Iran...

On one tape, an undercover agent told Kangarloo the deal he was proposing was illegal, to which Kangarloo replied, "Yeah, that's what the problem is," the Times reported...

The United States calls him a convicted felon who bragged about smuggling \$81 million in American military equipment to Iran's terrorist regime.

So why did State Representative Bob Ebinger bring him to Livingston and call him "partner"?

Call State Representative Bob Ebinger at 222-0438.

*Lee, my main concern is vetting Swandal to make sure he is: a) a believer and Const. Conservative (or the closest thing we're going to find) and b) electable.*

*I think he's interested in my help as a consultant and IMHO I believe I may be more of an asset to him than certain GOP retreads would be.*

*Please let me know your thoughts on him post-meeting.*

*Respectfully,

*This week sucks for me also.*

*I am meeting Judge Swandal on Thursday the 25th, I should have more info following that. On CU SCOTUS, I would need to do some reading to be able to contribute meaningfully.*

*However, if you want to bring me up to speed, I would like that.*

*Let me know what works for you.*

Andrew, can you help manage Nolan through this three-step process?

- 1) stick the ranch/mountain photo in the upper half of the address area;
- 2) add the proper disclaimer (from the attached outdoor red sign image);
- 3) send back to me and then call me for approval/final

so that Nolan can get these printed?

Thanks.

- Christian

PS: Take a look at the DPI and quality (maybe at least on the iMac and print a proof) on the InfoSideFINAL jpeg, I had to "save for web and devices" because of a program error. Let me know if I need to send a better one.

Dear Neighbor:

I believe the family is the foundation of our society. Gallatin County is home to many family businesses, family farms, and a lot of outdoor family recreation. Too often, government places burdens on us that cause our children to have to leave this place of beauty and opportunity. I hope to help turn that around by getting government out of our way.

- ✓ **I will fight for your property rights - period, end of story.**  
Costly regulations on property owners hurts families and struggling small businesses. Stewardship is best left to owners.
- ✓ **I vow to cut waste and fraud.**  
If there's one thing that marked my tenure in the State House and as Speaker, it's fiscal restraint. I'll never apologize for finding new ways to reduce the county government's hold on your wallet.
- ✓ **Taking care of Gallatin County.**  
County government should allow the local economy to flourish, so folks in the community can help others without relying on Federal and State handouts.
- ✓ **Safety & Quality of Life.**  
Delivering high-quality essential services without hiking taxes is my #1 priority. I'll never compromise safety for pet projects.

I have not been able to get a hold of Steven Thompson, and we have Jerry O'Neil issues, so the trip Kalispell is off. However, we can do the rodeo tomorrow in Billings. Allie will line up tickets.

We'll probably do that Kalispell/Whitefish deal in another week-10 days instead.

What we're going to do instead is try and make this walking event tomorrow AM in Bozeman (with Murray and Sales, and for Wittich, who is out of town) a success.

SO...

ANDREW and I will design Sales' piece and I'll check it over - NOLAN will print by tomorrow at 7AM so we can have at least 500 for this event.

SARAH please make sure we are in contact with people who can help us walk. I'll give you some contact numbers and stuff, and let you print door-to-door scripts and generally organize.

ANGELA please pick out the most important items on Washburn to make a little talking points memo on what's so bad about Washburn, so people can be prepped.

Mike,

I have attached the files - high res and have the bleed included. Please tell the printer that 1/8" off of each edge needs to be trimmed. Should cut down to 9 x 4." ALSO BEFORE YOU PRINT: Please check with the post office or mail house you use if the image on the mailer portion is ok and does not interfere with their bar coding. I was going to do this for you, but things are so crazy here. I'm pulling together our program for the lincoln day dinner this weekend and am the contact, so I've been getting ticket calls non-stop.

Thanks and good luck! (Let me know if I need to change the design according to the post office.)

The Campaign to Elect Mike Miller  
20906 Hwy 141  
Helena, MT 59843

## Last Session Accomplishments

**Committees:** I was on Taxation, Natural Resources and Fish, Wildlife & Parks. These were all great committees to be on. As a member of the Tax Committee I was able to help stop many of the tax increases the Democrats tried to get passed.

**Bills:** I submitted three bills. A bill for a \$1000 tax credit for un-reimbursed medical expenses along with a bill for a \$150 tax credit for Long Term Care Insurance and also a constituent requested bill to require landowner Permission before FWP releases animals on private land. I also co-sponsored many more bills. I'm working to leave more money in your pocket.

## Legislative Ratings/Endorsements

Montana Chamber of Commerce: 93%

United Property Owners of Montana: 100+%

I was endorsed last election by both the NRA and MSSA. (More on my web site)

## Fair Taxes

**Property Tax Relief:** We need to look at how property taxes are calculated. Just because your neighbor sells his house for a big gain doesn't mean your taxes should skyrocket.

**Increase the Exemption for the Business Equipment Tax:** Raising the exemption from \$20,000 to \$150,000 would exempt about 95% of small businesses, allowing for more job creation.

## Accountable Government

**Spending and the Budget:** State spending has increased over 40% since this Governor was elected. We need a responsible, sustainable, recession-proof budget. Let's keep Montana in the black through good and bad times.

**Government Transparency:** We need to get the State "check book" available on the Internet. The Democrats last session blocked every attempt to do this. I say let the taxpayers of Montana see how and where their money is being spent.

## Education

**Better schools lead to better jobs:** Montana students and Montana businesses benefit when our schools educate students to become highly skilled workers capable of commanding higher wages. We need well paid, high quality teachers to achieve this.

**Keep teachers in Montana:** Create incentives for Montana students graduating as teachers from Montana colleges and universities to take teaching positions in rural Montana schools, for example - a hiring bonus paid out over three years.

(66 emp.x 1.5=99)County employees plus family factor  
(135 emp.X1.5=202)County Nursing home employees plus family factor  
Sub total= 300 or so  
Add 50 Dems crossovers  
Add 50 Hathaway family members  
Total =400 LIKELY VOTES BILL W. HAS TO OVERCOME

We have got to get out the Conservative vote,,,,,,I know I keep fretting over this but I'm scared of these Norwegians.....any words of wisdom?

## MEMORANDUM

CLIENT MATTER NUMBER  
999100-0130

**TO:** Clients & Friends

**FROM:** Cleta Mitchell, Esq.  
Foley & Lardner, LLP

**DATE:** January 21, 2010

**RE:** Supreme Court Decision in *Citizens United v. Federal Election Commission*:  
Impact and Implications

The Supreme Court today issued its long-awaited ruling in the case of *Citizens United v. Federal Election Commission* ("Citizens United"). The wait was well worth it!

The primary ruling of the Court was that it overruled the Court's earlier decisions in *Austin v. Michigan Chamber of Commerce* ("Austin") and *McConnell v. Federal Election Commission* ("McConnell") with respect to the following points:

- Laws (both federal and state) prohibiting *independent* expenditures by corporations and labor unions regarding candidates for office violate the First Amendment;
- Disclosure of donors to such expenditures by corporations and labor unions are *not* automatically invalid, but are still subject to scrutiny by the Court to protect donors from potential harassment and retribution

There are a myriad of practical implications from the decision, which opens the door both for non-profit *and* for-profit corporations to involve themselves in the political / electoral and policy debates during 2010.

However, it is important not only to understand what the decision changed, but also what parts of the law were / are left intact.

The following is a quick summary.

- **Voter Guides / Candidate questionnaires.** It has been illegal (until now) for corporations, including non-profit corporations, to use organization (rather than PAC) funds to pay for dissemination, posting on a website or publishing / printing a voter guide or results of candidate questionnaires that discuss / reflect candidates' positions on specific issues of interest to the organization, if the publication includes any indication of what is the 'correct' or 'incorrect' position on the issues. Now, organizations may freely develop and disseminate such voter guides, using the association's treasury funds, and may indicate which candidates have the 'good' responses' and which candidates have 'bad' positions, from the organization's perspective
- **Voting Records.** Like the voter guide example, nonprofit corporations may now publicly disseminate information regarding voting records of candidates and officeholders, indicating which officeholders have good and bad records according to the organization, and urging support of and opposition to candidates/officeholders based on their voting records.
- **Public advertising.** Nonprofit associations may now solicit and receive contributions not only from individuals but also corporations that can be used to publicly support / oppose candidates for office, including making both express advocacy ("vote for / against Candidate X") and issue communications ("this candidate is bad for agriculture") and using any medium desired by the organization, including tv, radio, print, internet, mail, phones, etc.

3. **Labor Unions.** The opinion applies to candidate-related independent labor union expenditures, not just candidate expenditures by corporations. Chief Justice Roberts wrote in his concurring opinion, "Congress may not prohibit political speech, even if the speaker is a corporation or labor union."

4. **Qualified Nonprofit Corporations.** Based on the Court's decision today, there is no longer the requirement for establishing a 'qualified nonprofit corporation' in order for a 501c4 organization to make independent expenditures expressly advocating election or defeat of candidates. A 501c4 organization (and other types of nonprofits) may accept corporate contributions *and* use such contributions to fund public communications related to candidates. The "MCFL" exception to the prohibition against corporate candidate-related expenditures is no longer necessary, because the rule has now changed.

#### **What is *not* changed by the Court's decision?**

As important to understanding what *has* changed under the *Citizens United* decision is a keen understanding of what has *not* changed.

1. **Disclosure of donors still required.** The Court left intact the requirements for disclosure of donors to independent expenditures and electioneering communications. The current FEC regulations require that the identity of donors who were solicited to and whose contributions are used to pay for independent expenditures and electioneering communications are subject to disclosure to the FEC. It remains to be seen whether the FEC will deem it necessary to rewrite

**5. Laws and regulations governing reporting by candidates, political parties and PACs are unchanged.** There is nothing in the Court's decision that changes the fundraising and reporting obligations imposed by law on candidates, campaign committees, PACs, and political parties.

**Foley & Lardner LLP will conduct a free webinar on February 3, 2010 for a more in-depth discussion of the implications of the Supreme Court's decision.**

**Cleta Mitchell, partner in Political Law and Dick Riley, Jr., partner in Tax and Exempt Organizations will conduct the webinar.**

Dear Editor:

My name is Andrew O'Neill, and I am an MSU student who is volunteering on web design for the LivingstonVoters.org group. I am also the founder of the Montana Truth Movement (website).

The people attacking Livingston voters should be ashamed. As usual, they call names and hurl insults instead of debating the issues.

Since they lost the election, these statist activists are desperate to talk about anything to distract people from the rampant spending and cronyism that are breaking our city's budget and hurting our community.

These insiders who write nasty letters about efforts like mine and the LivingstonVoters.org group support the Commissioners efforts to shut down the voice of the voter.

Is it an "attack" to state the facts about sewer and water rates?

Is it an "attack" to say that my future as a XX-year old college student is being sold out for the big-government agenda supported by those who recently lost the election?

If so, then go ahead and call this an "attack" letter, but know this: the people are finally waking up and fighting back against the government takeover of our freedom and our wallets.

Andrew O'Neill

I don't know if you're using T1 voters or issue voters...ask donnie or CL

That will be 5 bulks.

Hey allie, I am learning how to do this.. we have a list of people who have already sent in absentees in around the gallatin county. If you wanted to send me (or navigate me) to the lists, I can remove all the people who sent their absentees in already to save money..

If you and christian already talked about this, just ignore my explaining this.. i never know what's going on.

Thanks allie.

Dear Friend,

Jobs and prosperity will come to Montana if we can get Big Government off our backs.

State government spending increased 46% in the last 5 years. Did it bring any new jobs here? It didn't, and I'm tired of paying for it!

That's why I've signed the "no new taxes" pledge, and will fight hard to roll back all the burdens placed upon us by anti-job bureaucrats in Helena.

After all, people --not government-- create jobs and prosperity. If you agree, I'd sure appreciate your vote in the coming June 8th primary.

Allison,  
Pages 1 and 2 of a 4 page letter.

Thank you for all of your help on this letter.  
Kindest regard,  
Ronalee

Dear Friends,

Earlier this year, my husband Derek came to me and asked what I thought about him running for State Legislature to represent House District 4 in Helena.

I have to say I wasn't surprised. There have been many dinner conversations between our teenage son and his dad about the future of Montana. In one of these discussions Tyler asked, "What are you doing to make Montana better for me so that I can work and raise my children here?" I knew right then that he would do something.

Derek has always cared about the issues facing Montana. That is why he has been so committed to serving our community as a Rotarian, in fellowship with Christian men, grassroots campaigning, and involved with our City and County leaders regarding the issues that affect our community.

Since that conversation, time has just flown by. In fact, it's hard to believe the June 8 Primary is just a few days away!

We have met so many great people over the course of the Primary campaign, but unfortunately it just isn't possible to meet every one.

①

So, if you haven't had the opportunity to meet my husband in person yet, I hope you will take a few moments to read this letter and let me tell you a bit about the Derek I know and love.

Derek and I first met many years ago, when he was in college. I was going through some tough times back then, but Derek's family reached out to me and gave me the support and encouragement I needed to get back on my feet. Sixteen years after we first met, we realized the love we had both been looking for had been right in front of us all along, and Derek asked me to be his wife.

After seven years of marriage, I'm still continually amazed at how Derek always goes the extra mile to make sure the kids and I are his top priority despite being so busy with his job and, now, this campaign.

Derek is devoted to his faith and family and works hard to instill in our children the same strong values and work ethic that he believes in. Derek always pursues what he believes to be right, even when it means fighting uphill battles.

Beyond his devotion to faith and family, Derek is passionate about preserving freedom for future generations. He believes strongly

Derek and I truly believe that we need strong common-sense leadership in Helena, and that's why Derek is running for State House.

I am excited for Derek to go to Helena as our State Representative, and I am so thankful for the support of our family and friends in our church and community, as well as from our children.

Derek is working hard to meet as many of our wonderful neighbors in House District 4 as he can. Over these last few days before election he will be going to community meetings and knocking on doors to get to know you all even better than he already does, and to tell you more about his values, beliefs and ideas so you can make the right choice on June 8. If we miss you, please visit his website at [www.derekskees.com](http://www.derekskees.com) or call him on his cell phone 212-5493.

I guarantee that if you and others here in the Flathead Valley choose Derek to represent us in Helena, you will come to trust and appreciate him as much as my children and I do.

We know that this job will keep

(3)

Derek away from our family a bit more than we are used to, but we feel that the issues Derek is so passionate about are very important and will be worth the time he spends in Helena.

I hope Derek can count on your vote in the Republican Primary on June 8!

Sincerely,

Dorake Skees

## **About Taxpayers for Liberty:**

Taxpayers for Liberty is a nonprofit 501(c)4 organization that supports pro-taxpayer policies through timely, targeted issue advocacy.

From the beginning Taxpayers for Liberty has been a grassroots organization, founded independently of any interest group or political party. We support policies that promote the ability of Americans to keep and spend more of their own money. This includes reducing taxes at all levels of government, promoting greater transparency and simplicity in the tax code, and increasing citizen involvement in budgetary and fiscal matters.

We reject the notion that government officials can spend money better than the individuals who earned it. Our goal is to maximize Americans' freedom to provide for themselves, their families, and their communities independent of the whims of government officials.

We achieve our goals through issue advocacy. This is a means of educating the public about government policy directly, free from the biases of the mainstream media and political machines.

Our independence and long-term focus puts us in a unique position to serve as a consistent advocate for taxpayers through periods of economic upheaval, shifting legislative priorities, and changes in partisan control.

## **Mission:**

Taxpayers for Liberty's goal is to serve as a consistent voice for increasing the freedom individuals have in spending and investing their wealth. It is our belief that empowering individuals to control their own spending will result in a more efficient, effective allocation of wealth.

Federal, state, and local governments have, by and large, proven themselves to be unworthy stewards of public funds by setting up unsustainable entitlement programs and resorting to short-term fixes of currency manipulation, deficit spending, and accounting gimmicks to stave off politically difficult decisions.

We will achieve this mission through targeted issue advocacy, a form of direct involvement in government affairs that bypasses the traditional middlemen of politics – mainstream media, political parties, campaigns, and lobbyists. Issue advocacy is, at its core, about public education and mobilization.

The issues we will be focusing on include:

- Fighting government control over personal income by reducing taxes, fees, and other means of diverting funds from individuals and businesses to the government.
- Reducing government spending at all levels.
- Fighting for a Balanced Budget Amendment to the U.S. Constitution.
- Repealing the death tax and capital gains taxes.

- Ending irresponsible government budgetary practices such as deficit spending, cash fund raids, and starting programs without dedicated funding sources.
- Simplifying the tax code.
- Reducing the levels of government approval that must be acquired before starting a business, buying a home, investing for retirement, etc.
- Promoting consistency and predictability in the tax burden for businesses and individuals.
- Providing individuals with a clear account of the cost of government services, including an estimate of the total tax burden shouldered by each individual.

**Media:**

Taxpayers for Liberty has been active with issue advocacy campaigns in the 2010 Primaries and plans further involvement in the 2010 General Election and beyond.

T4L LETTERHEAD

**For Immediate Release**

**Taxpayers for Liberty Support of Buck Pays Off**

Denver, CO (10 Sep. 2010) – Taxpayers for Liberty’s targeted involvement in the Republican U.S. Senate primary in Colorado has paid off, with taxpayer advocate Ken Buck winning the primary.

Taxpayers for Liberty sent letters to thousands of primary voters detailing the stances of the three Republican Senate candidates’ positions on taxes and spending. The letters were a result of a thorough investigation of the three candidates’ track record on taxes and spending, as well as the results of a survey on taxpayer issues.

Ken Buck was the only candidate to return the Taxpayer for Liberty candidate survey indicating full support for pro-taxpayer policies like repealing the death tax and capital gains taxes, opposing new taxes, and backing a Balanced Budget amendment to the U.S. Constitution.

Ken Buck’s success in the primary is a clear mandate for a return to responsible budgetary policies that reflect the priorities of taxpayers. The success of the Taxpayers for Liberty public education campaign in the Colorado Senate primary will serve as a blueprint for further issue advocacy activity on behalf of taxpayers.

## T4L LETTERHEAD

**For Immediate Release**

### **Rand Paul Receives Boost from Taxpayers for Liberty**

Denver, CO (10 Sep. 2010) – Taxpayers for Liberty’s latest public education campaign in the U.S. Senate primaries was successful, resulting in the victory of Rand Paul over his tax-and-spend opponent Trey Grayson.

The Republican Kentucky primary was selected as an area of involvement for Taxpayers for Liberty because of the clear distinctions between Paul and Grayson. Paul has come out in support of pro-taxpayer policies like reducing the deficit, cutting government entitlement programs, and ending the practice of funding American programs with foreign debt.

Taxpayers for Liberty is proud to have provided timely, accurate information to Kentucky voters about the stance of Paul and Grayson on the key issues of taxes and spending.

Taxpayers for Liberty plans to duplicate their success in the Kentucky primary in other key races as a part of their continued effort to promote responsible taxpayer-centered public policy.

Guys:

As promised (to Andrew) my comments about the site:

- 1) Do it NOW
- 2) For content, you should have different sections, labeled "media", "supporting organizations", "issues" "bailouts & spending", "other state tea party groups" etc. I would do the site as MontanaTeaParty.com and then feature Bozeman's party. This will give us the opportunity to call the organizers in other cities and post their schedules, etc., and have an "in" to perhaps get their lists as well.
  - a. Under each, link content and maybe create RSS feeds. You could at least do this with archived and extant media about the Bozeman tea party – there's so much already!
  - b. You should also link to the video or audio of the city commission debate at which the victory was achieved – with Carl Graham's comment about it being the epitome of civic virtue and engagement (or however he put it).
  - c. Henry's TV interviews are awesome. Put them up, and see if you can host them in case they rotate them out of their servers.
- 3) Post pictures and create a photo album and clickable video archive.
- 4) Link a downloadable PDF of the event itinerary, the event poster (even in its current form, it is in final stages), and perhaps a link to (or photos from) some of the many "tea party signs and ideas for signs" that are out on the web. Also feature a lot of the great original signs from the first tea party. Avoid the Obama Hitler signs and the other ones that will embarrass our cause for now (although some of those are my favorite).
- 5) Put a PayPal "donate now" button prominently on the site RIGHT AWAY!

This is REALLY late in the game, I encourage you to get this site up ASAP. Once it is, I'll see if I can write some great post content for it.

6) **ALSO, SOLVE THE HOSTING ISSUE IMMEDIATELY!** This site should be up as soon as it's got minimal content on it; I will immediately forward at that point. One way to get traffic is to let people walk through it every day as it gets fleshed out with content.

- Christian

PS: Since I have a piece of scum, anonymous vermin, trying to do harm me right now (this just began in the past couple days), please do not post any photos of me on the blog, as I do not want the cause to be harmed until I can ID and figure out what to do with a Judas among the Ron Paul set who is out to harm my reputation. This is why I keep a low profile!

Christian,

We are still waiting on the conservative voter list with phone numbers of those that have not voted yet. We have got to do door hangers and hit the phones.

I have to tell you I am concerned. Hathaway is getting he county employees scared of Bill W..... SGCCI is not helping this any.

(66 emp.x 1.5=99)County employees plus family factor

(135 emp.X1.5=202)County Nursing home employees plus family factor

Sub total= 300 or so

Add 50 Dems crossovers

Add 50 Hathaway family members

Total =400 LIKELY VOTES BILL W. HAS TO OVERCOME

We have got to get out the Conservative vote,,,,,,I know I keep fretting over this but I'm scared of these Norwegians.....any words of wisdom?

Tried yesterday to privately register them and it didn't work. I figured it was possible for them to still be in the transferring process.

Got on this morning and they privately registered fine.

Took these screen shots just in case they didn't. Was going to open a ticket with 1and1.

Would you please send me the password to register.com so I can make the changes needed to get Ashley's Email switched over? Travis and I had a little mis-communication but have everything sorted out now.

Would you send me Sarah's email from the campaign website company? I must be spelling something wrong because my emails get sent back as undeliverable.

Thanks,

Hey Dan,

Who is currently in possession of "[friendofdankennedy.com](http://friendofdankennedy.com)" so that I can contact them? Basically, I need them to forward the domain to another URL. The domain your website is currently hosted at is "[votedankennedy.com](http://votedankennedy.com)". Once we sort out the domain issue, I can give you instructions to make your own article posts on your website.

Your PayPal is currently being set up, I've been in contact with Cory at your bank.

Thanks Dan,

Dan, I am unable to contact Cory from your bank. All I need to set up PayPal is your account number, routing number, and bank name.. which I already have.

Thanks Dan, perfect photo. Do you have a campaign slogan or moto? If not, do you have a quote or short line of text you'd like to display at the top of the page?

Andrew-

I still can't get in there using Dan as the user ID and ashley as the password. Please call my wife, Denise at 406-591-0988 and see if you can talk her through getting in. She has my computer at home.

Thanks,

I changed the password of [dan@votedankennedy.com](mailto:dan@votedankennedy.com) to [REDACTED] but it seems that email address was forwarding emails automatically to [dan@friendsofdankennedy.com](mailto:dan@friendsofdankennedy.com) the entire time. Dan, the only thing I am able to help you with is your "[dan@votedankennedy.com](mailto:dan@votedankennedy.com)" email address password. I cannot change any "usernames" or passwords for google accounts, friendsofdankennedy accounts, or your mail client accounts.

It's still a little vague as to what you're using for checking your email. What service, specifically, are you using? The link you sent me was from Google, but the link did nothing for me. I am fairly certain I can't change anything on my end to make it work for you, but I can definitely help you solve the problem if I know enough about it.

thank you for your time and talents. Please study the links I've provided along with all the political information and help me with my web content. I have been blessed to live the American Dream and want the same opportunities for my kids. Being the sixth of seven well raised catholic children my parents instilled in us the basics of hard work and honesty. this upbringing along with several decades of hard work have given me insight and experiences that shape my being. I trust the law of harvest and am willing to stand for the principles our forefathers gave their time, talent, and some their lives for. My platform is simple. Work hard, be honest, and trust the still small voice of truth that our Blessed creator has so graciously given us. My political savy is limited but my fortitude to stand and be counted is unwavering. I trust you can and will help me. thank you Until the whole world hears dan kennedy

Hey Wes, your website just about done:  
smoothly.

Thanks for hanging in there, I've been so swamped! At this point, everything should be going

I've already activated a PayPal account on your behalf.. the username//password combination is  
if you are interested. I provided them with your bank account information so they can  
make the link, which is required to receive online donations.  
You should be receiving two small deposits into your checking account. Those deposits are their way of confirming that it  
is actually your account. When you get those deposits within the next few days, please send me the amounts so that we  
can get it activated.

Also, if you have a press release or something like that announcing your campaign, or any campaign literature you may  
have, could you please send me that as well? The front of your website needs to display something like that.

Thanks a lot Wes,

Andrew O'Neill

Wes, your campaign emails will now automatically forward to your [wjprouse@yahoo.com](mailto:wjprouse@yahoo.com) email account. You don't need to log into an external account, they will just be forwarded to your existing email.

If you wanted to email me the link to the video (if it's on YouTube or some other video service) or give the file to me personally on a flash drive, I could upload it to your website.

Thanks

My name is Wes Prouse

I live in Shepherd just north of the high school  
I am a conservative to the bone  
A true American  
A Christian above all else  
And I am a Constitutionalist

Our country was founded on law and order as we move away from the law of the land we  
lose order

Our Constitution was a gift from an almighty God  
A new experiment on the face of the earth  
The first of it's kind  
We shaped history  
We protected the poor  
And fed the world

Now we are about to become history unless we as true blooded Americans stand up and  
throw off these chains of tyranny that have taken hold of our nation

The best way to do this is get back to our roots our heritage our original laws  
Being Accountable for our actions  
Taking control right here at home

I am running in this race because we have to have people of character with a foundation  
based on our Constitution and Biblical values I am that man in this race

Mark Noennig voted with the left more times than some on the left  
Alan Olsen led the fight against our own ranks to get a vote to raise the budget  
the left needed one more vote  
Alan was that vote

Do you want a leader who votes with the Constitution 6% of the time Noennig is your  
man  
Maybe 9% of the time Alan would be your man  
According to a survey buy the Conservative Alliance Cathy will lead you according to  
the Constitution 43% of the time

If this is good enough for you so be it  
But I want to lead a people that want a Constitutional vote every time

In 1997 as a member of the House of Representatives I had one bad vote 98% +  
On the score by the Conservative Alliance I scored the highest score ever given a 104%

If you want a leader who will  
Stand for something  
Stand for your rights as an American

Wes, at this point, all the website needs is content for the pages. The article that generally go on the front page are current events of your campaign. You could put press releases, endorsements, news articles, articles you've written, and more on the front page. It's really up to you. All you would need to do is email me any of the previously listed things, and I will put it online.

As far as content for the other pages, if you would like me to add/change any of them, just email me and let me know. Exact verbiage is preferable.

Also, Wes, are you fully reading my emails? In order for your to accept online donations through PayPal, you need to send me the amounts PayPal has deposited into your account. That is how they verify that you are actually who you say you are. If you could please send me this information, that would be great.

Thanks,

Andrew O'Neill

Hey Wes, your website just about done: [www.WesProuse.com](http://www.WesProuse.com). Thanks for hanging in there, I've been so swamped! At this point, everything should be going smoothly.

I've already activated a PayPal account on your behalf.. the username//password combination is [wes@wesprouse.com](mailto:wes@wesprouse.com) [REDACTED] if you are interested. I provided them with your bank account information so they can make the link, which is required to receive online donations.  
You should be receiving two small deposits into your checking account. Those deposits are their way of confirming that it is actually your account. When you get those deposits within the next few days, please send me the amounts so that we can get it activated.

Also, if you have a press release or something like that announcing your campaign, or any campaign literature you may have, could you please send me that as well? The front of your website needs to display something like that.

Thanks a lot Wes,

Wes, at this point, all the website needs is content for the pages. The article that generally go on the front page are current events of your campaign. You could put press releases, endorsements, news articles, articles you've written, and more on the front page. It's really up to you. All you would need to do is email me any of the previously listed things, and I will put it online.

As far as content for the other pages, if you would like me to add/change any of them, just email me and let me know. Exact verbiage is preferable.

Also, Wes, are you fully reading my emails? In order for your to accept online donations through PayPal, you need to send me the amounts PayPal has deposited into your account. That is how they verify that you are actually who you say you are. If you could please send me this infonnation, that would be great.

Thanks,

Andrew O'Neill

Wes, could you please check those amounts and send them to me? That's PayPal's way of verifying your account, as I said earlier.

Thank you!

Hey Wes, your website just about done: [www.WesProuse.com](http://www.WesProuse.com). Thanks for hanging in there, I've been so swamped! At this point, everything should be going smoothly.

I've already activated a PayPal account on your behalf.. the username//password combination is [wes@wesbrouse.com](mailto:wes@wesbrouse.com) [REDACTED] if you are interested. I provided them with your bank account information so they can make the link, which is required to receive online donations.  
You should be receiving two small deposits into your checking account. Those deposits are their way of confirming that it is actually your account. When you get those deposits within the next few days, please send me the amounts so that we can get it activated.

Also, if you have a press release or something like that announcing your campaign, or any campaign literature you may have, could you please send me that as well? The front of your website needs to display something like that.

Thanks a lot Wes,

Andrew O'Neill

**EVERYTHING BELOW WE DO FOR INVITEES IS FREE OR AT COST.** This page contains several key profiles, guides, and templates that have made all the difference for dozens of candidates across the US. Campaigns are won by a steady building of a base of support (including the all-important donor base in the \$10-\$25 range); by knowing oneself, one's opponent, and one's district; and by wise use of resources.

**1) Candidate Resource Outline (PDF):** This document goes over the resources listed on this page, and lists a basic voter contact plan.

**2) Candidate & Campaign Profile (MS Word):** This document is no fun, but it is essential to complete first. It serves as due diligence for the candidate to know his own race, and provides advisors with the info needed to give wise guidance. Fill it out to the best of your ability and email or fax it in; we'll help fill in the details. ([here's a PDF](#) - if you don't have Word, just fax it in). NEW ADDITION: DOWNLOAD and fill out [this "4-Square"](#) profile - we'll go over it in the training.

**3) Fundraising Tools:** The fabled "[Coffee Memo](#)"; more to come here, such as a basic phone script to use when making fundraising calls (don't worry, everyone else hates those, too). If you're inclined, you might consider sending the Oil & Gas, Realtors, or other key industry types [this nifty Industry Press Kit](#) - it could get you a favorable interview, some money, an endorsement or maybe a helpful mailing. If you've got any media coverage in your district, it doubles as a media kit.

**4) Campaign Resources:** a [Basic Palm Card](#), and what a [well-designed yard sign](#) looks like. If you want some design help, print those PDF's and fax us your edits right on the page, and we'll get on top of it. And don't go anywhere without a few of [these volunteer/supporter sign-up sheets](#) on your clipboard - you never know when someone will want to help!

**5) Data:** When the time comes, we've got the best voter lists in the state. We have placed an excellent tool for creating your housefile in a true database - [CLICK HERE TO DOWNLOAD](#) a template for MS Access that will make your data, your Campaign Finance, and your fundraising 100 times easier now, and especially in the future.

**6) We're working on a YouTube video format that we can help get you that "personal feel" - which means support - in far-reaching areas of your district. Your opponent won't have a clue about this kind of campaigning.**

**7) Web Site: NEW: Fill in this form (click to download), and we'll provide you a basic website - you provide the info (most of which the above info will cover), and we'll put up a basic site with email and supporter signups, and online contribution capabilities. Check out our sample website HERE.**

That oughta get you started. We'll come up with more as time goes on.

Andrew:

Please make design adjustments to Sales' sign and send to Dale Eyre at Paradise Print Works at [paradiseprintworks@bresnan.net](mailto:paradiseprintworks@bresnan.net) . Copy me please.

Changes:

Reverse Text

I'd get rid of the underlines at least where they are.

One-color, not two

Make a 4x8 version and a 4x4 version.

Make any and all text in more readable font. Maybe Scott Sales in that Serif font similar to what he's using, and Common-Sense Conservative in a more readable non-serif font.

Make the disclaimer small

Make it a vector file so the 4x8 sign looks good.

Please have these by 1PM.

Can you tell me where can I get a VNC?

Christian will be in the office tomorrow until around 2 and I'll be there on Sunday from 2-7pm ish.

If you're trying to avoid Christian he'll be out of town next week and if you want to meet me on either Wed or Thurs around 11 I could do that.

I plan on coming into Livingston this weekend. I will pick up my stuff when I pick up the mail I have there as well. I already forwarded my address with USPS, so I don't know why it's still being sent there.

Your getting pretty offical mail at the office. If you want to have it forwarded please do so with post office and either pick it up or go to the post office and give them a forwarding address. If you don't come by we're just going to right no such person at this address and send it all back.

Do you not have a phone? I just did some research on the google slap, and it's not good. Apparently, this is skynet-type bullshit where some automated software decides they don't like you and it sends you a "final" warning. The next time they catch you directing to a page with a "low quality score" you are banned for life!!! What BS. I say we test ads using different accounts for a while, but I am going to have to delete all the ads tomorrow and figure this crap out.

All this makes it even more mandatory to A) get the videosalesletter page up (I think it's harder for them to whack a video page) and B) get the blog going.

I cannot believe the stories - multiple stories - I read on people with million-dollar annual spends on google PPC getting straight-up banned for advertising and directing to pages previously deemed good by adwords.

This makes learning to drive non-ppc traffic so important!

Anyway, thanks for the daylite info.

- C

PS: I am having to pay a GRAND to have my data restored, and they are supposed to clone my drive (hopefully onto a 500G replacement drive) so that come tuesday, I can simply install the cloned drive and have my "old" computer back with all data, software, and settings. That's a steep price! When I get back we'll have to discuss some hybrid cloud + time machine backup program. I'm a dumbass for not just removing the sensitive data and getting my stuff back up on the cloud.

Hey christian, from what I've guessed, you can't log on to the Daylite Database with your username and password. If that's the case, you're going to want to "Add a new connection" or something equivalent, the server address is 209.200.198.246. Enter your username and click create. Your username is "Christian" I believe.

Anyway, that should get you logged in (hopefully).

Well, I just got off the phone with 1and1 and it turns out that the 1and1 control panel has some server-side errors and that was the reason we couldn't privately register the domains. They said they would forward my case to their admins and have the domains manually updated for us. They should be good to go soon. Can't believe it's taken this long.

Hey christian, I must have changed the password to the one you had before. It's [REDACTED] now.

Do you want to come up with a new universal password I can change all of your email accts and things to from now on?

- D) Implementation: *A specific identification of who is responsible and what resources are required to achieve the goals.*

You might also consider having these emails forward to your Yahoo email account, or another email. Or use a mail client and set them up for POP3 use. The latter is a tad difficult, but the former is pretty easy for me to do. Let me know!

Let me know before putting too much time into this, but I think it would be a good idea.

Also, please don't let this fall thru the cracks, I probably won;t remember to follow this up.

Thanks.

The most important thing you can do now for GNPS is put the videos on te site. Even if that means just linking to YouTube while you build the new page. This must happen today; we're getting hits and it looks like we only have three videos.

Dear Head of Business Development at Getnonprofitstatus.com,

Were you aware that you are paying every time your online marketing advertisement is clicked? It hurts! I know, as many of our clients have shared this frustration when I first talked to them about how to drive more quality prospects to their sites - without having to constantly pay for every click.

I thought you might like to know some of the reasons why you are not getting more organic (FREE) search engine traffic for Getnonprofitstatus.com

1. Your home page rank is 0, this can be improved further.
2. Your title is 60% relevant. This can be improved for higher Google ranking.

3. Your SEO score is 87%. This can be improved as implementing on and off-page factors will fetch better results in major search engines.

If you can stomach more bad news about what your site needs, and are curious to know what our working together would involve, then I would be glad to provide you with further detailed analysis in the form of a SEARCH ENGINE OPTIMIZATION (SEO) SITE REPORT - FREE OF CHARGE. I would first need to know that you are serious about using our services, as the report would involve several hours of our research.

To brief you about the company, we are an ISO 9001 certified team of over 500 SEO specialists in the USA and would like to talk with you about how you should be winning new business from the search engines, without paying advertisers over and over again for it.

SEO is not instantaneous, it is not free, but it is the only sensible internet marketing choice. Your return on investment (ROI) after 6 months of SEO will be at least 3 times that of paid advertisements, and many times greater than our cost. In fact, we guarantee that in the first month of our work you will see an improvement in ranking, link popularity and traffic or we'll work for free until you do! Our clients' consistently tell us that their customers find them because they are at the top of Google. Being on the top left of Google (#1- #5 Organic positions) is the best thing you can do for your company's website traffic and online reputation.

Ironically, It's very likely that had you spent your last 6 months of online marketing dollars on SEO instead of paid advertising that you would have 3 times or greater the traffic today and not need the paid advertising at all.

Fortunately you can still start today and begin getting that traffic in just a few weeks. We look forward to discussing our SEO plans with you.

Sounds interesting? Feel free to email us or alternatively you can provide your best time and phone number to call you.

Best Regards,  
San

**WTP kicks off Consumer Choice ballot petitioning**

**Popular measure would restore consumer choice stripped from Amendment 37**

DENVER – A Denver-based grassroots group launched [ConsumerEnergyChoice.com](http://ConsumerEnergyChoice.com) FRIDAY, promoting a measure on the November ballot restoring the right of utility customers to choose between affordable traditional or higher-priced experimental energy sources. Western Tradition Partnership and its citizen allies and will begin collecting the 76,000 ballot signatures to place it on the ballot. (CUT NEXT WEEK)

“Voters don’t like the fact environmentalists lied to them and set up a no-choice, no-competition market tilted to more expensive energy,” said Dan Fuchs, WTP Director of Government Relations and a former Montana state legislator. “We’re looking forward to collecting SIGNATURES above and beyond what we need, AND THEN to let the people

decide. This is not the year you want to be on the side of MANDATE-HAPPY politicians and their backroom deals.”

“When consumers can freely choose their energy in an open market, everyone wins,” said Fuchs. “Opposing consumer choice only leads to higher prices, less efficient energy and backroom deals for connected lobbyists. People should choose their energy, not politicians.”

The “Consumer Choice in Energy” initiative was submitted by Parker resident Bob Kennedy and Greeley resident Kent Overturf. Western Tradition Partnership (WTP) a Denver-based citizens’ grassroots group promoting affordable energy, property rights and job security in the West, has been drafting the ballot language for a year and is working with citizens to pass it.

If approved, the initiative allows utility’s customers to submit a petition requesting an election among customers on whether to opt out of so-called “renewable energy” standards, a right promised to voters as a condition of Amendment 37, passed by a narrow 52 to 48 percent margin in 2004. It required many Colorado utilities to get three percent of their electricity from renewable energy resources by 2007 and ten percent by 2015 and won passage after voters were assured price increased would be capped and customers could vote to opt their utility out of the system. Soon after, environmentalists pressured legislators to hike the price cap, increase the renewable standard and eliminate the right of consumers to opt out.

Western Tradition Partnership is a 501(c)(4) grassroots lobbying organization dedicated to fighting environmental extremism and promoting PROPERTY RIGHTS, responsible development and management of land, water, and natural resources. For more information, go to <http://www.westerntradition.org>. For more information on this issue, or to schedule an interview, contact Dan Fuchs at (720)351-0648 or [dan.f@westerntradition.org](mailto:dan.f@westerntradition.org).

Same format as Joel's. 3 cards per 8.5" x 11" sheet. If the image is centered and three cuts are properly made, it will give a .25" border around each card.

ONE possible problem would be inverting the opposite side during 2nd print run. That did happen earlier.

I also corrected a small spelling error on the last page (its to it's). Also, if you were inclined to, I think you could actually use the entire word document for the mail merge, instead of using the PDF. If you see anything that doesn't look right, just edit it.

Paul Broun

Republican Member of Congress,  
Georgia's 10<sup>th</sup> District

## Congressman Paul Broun, M.D.

<Date>

Dear <Salutation>,

With willing one-world accomplices in Washington, D.C., gun-grabbers around the globe believe they have it made.

In fact, Secretary of State Hillary Clinton just announced the Obama Administration would be working hand in glove with the UN to pass a new "Small Arms Treaty."

This is Congressman Paul Broun from Georgia.

I'm writing you to make sure American citizens are prepared to oppose this assault on our national sovereignty and right to keep and bear arms.

Disguised as legislation to help in the fight against "terrorism," "insurgency" and "international crime syndicates," the UN's Small Arms Treaty is nothing more than a massive, GLOBAL gun control scheme.

Ultimately, the UN's Small Arms Treaty is designed to register, ban and CONFISCATE firearms owned by private citizens like YOU.

The National Association for Gun Rights has a Firearms Sovereignty Survey ready for you to complete, but I want you to understand just how dangerous this global gun ban is. Please bear with me for a moment.

So far, the gun-grabbers have successfully kept the exact wording of their new scheme under wraps.

But looking at previous versions of the UN's Small Arms Treaty, you and I can get a good idea of what's likely in the works.

If passed by the UN and ratified by the U.S. Senate, the UN's Small Arms Treaty would almost certainly FORCE national governments to:

- Enact tougher licensing requirements, making law-abiding citizens cut through even more bureaucratic red tape just to own a firearm legally;
- CONFISCATE and DESTROY ALL "unauthorized" civilian

firearms (all firearms owned by the government are excluded, of course);

- BAN the trade, sale and private ownership of ALL semi-automatic weapons;
- Create an INTERNATIONAL gun registry, setting the stage for full-scale gun CONFISCATION.

I'm sure I don't have to tell you that this is NOT a fight we can afford to lose.

Ever since its founding almost 65 years ago, the United Nations has been hell-bent on bringing the United States to its knees.

To the petty dictators and one-worlders who control the UN, the U.S. isn't a "shining city on a hill" -- it's an affront to their grand totalitarian designs for the globe.

These anti-gun globalists know that so long as Americans remain free to make our own decisions without being bossed around by big government bureaucrats, they'll NEVER be able to seize the worldwide oppressive power they crave.

And the UN's apologists also know the most effective way to finally strip you and me of ALL our freedoms would be to DESTROY our gun rights.

That's why I've decided to stand with the National Association for Gun Rights in their opposition to this assault on our Constitution!

The truth is, there's no time to waste.

You and I have to be prepared for this fight to move FAST.

The fact is, the last thing the gun-grabbers at the UN and in Washington, D.C. want is for you and me to have time to react and mobilize gun owners to defeat this radical legislation.

They've made that mistake before, and we've made them pay, defeating EVERY attempt to ram the "Treaty on Small Arms" into law since the mid-1990s.

But this time, time won't be on our side.

In fact, we're likely to only have a few days or weeks to defeat the treaty.

Worse, there's no longer a pro-gun Senate to kill ratification of the treaty.

There's no longer a President in the White House who has stated opposition to the treaty.

And you and I know good and well how Germany, Great Britain, France, Communist China or the rest of the anti-gun members of the United Nations are going to vote.

So our ONE AND ONLY CHANCE of stopping the UN's Small Arms Treaty is during the ratification process in the U.S. Senate.

As you know, it takes 67 Senate votes to ratify a treaty.

So rounding up 34 votes to kill this thing should be easy, right?

Unfortunately, that couldn't be further from the truth.

First, you know just as well as I do how few Senators are truly "pro-gun."

Second, even with the partisan rancor in Washington, D.C., many Senators get "queasy" about killing treaties for fear of "embarrassing" the President -- especially with "international prestige" at stake.

They look at ratifying treaties much like approving Presidents' Supreme Court nominees.

And remember how many Senators turned their back on us and voted to confirm anti-gun Supreme Court Justice Sonia Sotomayor?

A dozen more only voted against Sotomayor after receiving massive grassroots pressure from the folks back home.

So if we're going to defeat the UN's Small Arms Treaty we have to turn the heat up on the U.S. Senate now before it's too late!

Do you believe the U.S. Constitution, the Bill of Rights, and the Second Amendment are the supreme law of the land?

Do you believe any attempt by the United Nations to subvert or supersede your Constitutional rights must be opposed?

If you said "Yes" to these questions, please sign and return the enclosed survey the National Association for Gun Rights has prepared for you.

Your survey will put you squarely on the record AGAINST the UN's Small Arms Treaty.

Along with your signed survey, I hope you'll send a generous

contribution of \$1,000, \$500, \$250 or \$100 to help finance this battle.

With your generous contribution, the National Association for Gun Rights will immediately begin contacting Second Amendment supporters to turn up the heat on targeted U.S. Senators.

Direct mail. Phones. E-mail. Blogs. Billboards. Guest editorials. Press conferences. Hard-hitting newspaper, radio and TV ads. The whole nine yards.

Of course, if NAGR can raise enough resources, their goal is to expand this full program to ALL of their target states.

But that's not going to be cheap, and we may not have much time.

In fact, if we're going to defeat the UN's so-called "Small Arms Treaty," we have to start NOW!

So please put yourself on record AGAINST the UN's "Small Arms Treaty" by signing NAGR's Firearms Sovereignty Survey.

And if you possibly can, please agree to make a contribution of \$1,000, \$500, \$250, or \$100. If \$100 is too much to ask right now, please rush a contribution of \$50 or even \$35 today.

Every dollar counts in this fight.

Thank you in advance for contributing you time and money towards defending our Second Amendment rights.

For Freedom,

Dr. Paul Brown, M.D.  
U.S. Congressman (R-GA)

P.S. The Obama Administration just announced they would be working hand in glove with the UN to pass a new GLOBAL, "Small Arms Treaty."

That's why it's vital you and I fight back IMMEDIATELY.

Please return your Firearms Sovereignty Survey and put yourself squarely on the record AGAINST ratification of the UN's Small Arms Treaty.

And if you can, please make a generous contribution of \$1,000, \$500, \$250, \$100 or even just \$50 or \$35 right away!

I don't know the password to the candidate 1&1 account either, however I remember you logging in the other week with Dan Kennedy to buy his expired domain.

Republican Dan Skattum is the winner in the tight race to represent Livingston in the Montana House of Representatives, but Rep. Bob Ebinger, D-Livingston, says he will ask for a recount.

According to final results from the race, released on Tuesday, Skattum beat Ebinger by 11 votes, 1,765 - 1,754.

"I really appreciate the grassroots efforts of the people who helped, including the tea party," Skattum said about the results.

Ebinger had won the seat by 1,000 votes in 2008, and Skattum's win took most observers by surprise.

Skattum Tuesday said even he did not foresee the victory.

"I don't think anyone expected me to win," he said.

He chalked the victory up to "lots of hard work and one-on-one contact" with voters.

The results include provisional ballots, ballots that could not be counted on Election Day because officials had to make sure they were valid. Those ballots were counted Tuesday morning.

The final results put the two candidates only .31 percentage points apart - close enough for Ebinger to ask for a recount.

"I feel I owe it to all my donors and constituents who supported me to ask for a recount," he said Tuesday.

Ebinger will have to pay for the recount. Park County Clerk and Recorder Denise Nelson said she has not figured out how much it will cost, but said it would be less than \$1,000.

Ebinger said supporters have promised to help cover the costs.

With Skattum's win, Republicans are poised to hold 68-32 majority in the state House.

# NORTHERN KENTUCKY RIGHT TO LIFE 2010 ELECTION CANDIDATE QUESTIONNAIRE

Pursuant to our long-standing policy of bringing to the public the views (and records) of candidates for public office, on these crucial "Life" issues, NKRTL sent questionnaires to candidates seeking office in the primary election of May 18, 2010. After furnishing them detailed information concerning the issues, NKRTL advised them that their response (or the fact of their non-response, which could only be interpreted as unfavorable in that they either oppose its positions or are disinterested in these vital issues) would be published.

All need to consider the following three realities:

Q: HOW IS THE KILLING MACHINE KEPT IN PLACE? ANSWER: BY LAWS.

Q: WHO KEEPS THOSE KILLING LAWS IN PLACE? ANSWER: PUBLIC OFFICIALS, ELECTED AND APPOINTED.

Q: HOW THEN CAN ONE, WHO PUTS IN OFFICE OFFICIALS WHO KEEP THE KILLING GOING, CLAIM TO BE PRO-LIFE?  
ANSWER: THEY CAN'T.

**ACTIONS DO HAVE CONSEQUENCES! WHAT WE DO IS A BETTER GUIDE TO WHO WE ARE AND WHAT WE BELIEVE THAN WHAT WE SAY!**

1. Will you actively support (and if in a position to do so, sponsor and vote for) a mandatory Human Life Amendment to the U.S. Constitution and to the Kentucky Constitution, which would codify the personhood of an unborn child from the moment of fertilization, and which would hold that all innocent human beings have the same right to life, from fertilization until natural death?
2. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which will make it a criminal offense to perform, to assist with, or to pay for an abortion on another (such legislation would not prohibit those necessary medical procedures required to prevent the death of the mother who is suffering from a physical pathology such as ectopic pregnancy or cancerous uterus)?
3. Will you actively support (and if in a position to do so, sponsor and vote for) legislation preventing: (a) the use of tissue and organs from deliberately aborted children; (b) the use or destruction of live embryos for the purpose of extracting stem cells, for transplants or medical experimentations; (c) human cloning, whether for the purpose of development and bringing to full term a new human being, or for the purpose of development of a new human being for experimentation, or for the purpose of obtaining body parts or stem cells; and (d) the public funding of any of these activities?
4. Will you actively oppose (and if in a position to do so, work against and vote against) legislation mandating health insurance coverage of abortion (both surgical and chemical) and contraception?
5. Will you actively oppose (and if in a position to do so, work against and vote against) any legislation which would allow the withdrawal from an infant, incompetent, or comatose person of food and water, regardless of how the food or water is provided (except in the case where death is imminent and the patient cannot assimilate food or water)?
6. Will you actively oppose (and if in a position to do so, vote against) any legislation, administrative regulations, or Initiatives of any type, which would decriminalize assisting or abetting someone in killing themselves (often referred to as "assisted suicide")?
7. Will you actively support (and if in a position to do so, sponsor and vote for) legislation requiring that the same medical treatment and the same standard of medical care be provided handicapped persons, and that the decisions of whether to treat a handicapped person must be made on strictly medical grounds and not on speculations about the person's future "quality of life"?
8. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which prohibits all use of local, state, federal, and/or Medicare or Medicaid funds for abortion (including chemical abortions, such as RU-486, or the so-called "morning-after pill," Norplant, Depo Provera, or the so-called "standard birth control pill")?
9. If there should come before you the question of appointment or confirmation of an individual to any board, agency, committee, etc., which does or could perform, counsel, refer, or fund abortion (including chemical abortions, such as RU-486, and the so-called "morning-after pill," Norplant, Depo Provera, and the so-called "standard birth control pill"), will you nominate or confirm only individuals (1) who refuse to perform, counsel, refer, or fund any surgical or chemical abortion and (2) who refuse to support, vote for, or fund any government or private agency that would perform, counsel, refer, or fund any surgical or chemical abortion?
10. If you become involved in the legislative process, would you take the initiative to compel a recorded vote on all Pro-Life legislation, whether by discharge petition or whatever other parliamentary practice is available?
11. Will you refuse to support in any manner a candidate for any public office, who publicly states acceptance of the current status of legalized abortion, or who fails to disclose his position on the issue of abortion, or who has, as a public official, a record of support for abortion or of failing to oppose it, or who supports any of the above anti-life activities?

The results appear below (the Pro-Life response is "yes" to all questions):

## **NKRTL-PAC POLICY REGARDING ENDORSEMENTS AND/OR RECOMMENDATIONS**

The longstanding policy of NKRTL-PAC regarding candidates for public office is clear, and consistent:

1. We send to each candidate a list of questions comprehensively covering the core sanctity of all innocent human life issues, with a detailed explanatory cover letter, explaining NKRTL's position regarding each issue, and the reasons and authoritative citations for such positions.
2. We explain that we will faithfully publish the candidate's responses, or non-responses, reserving the right to make an endorsement, or recommendation, or take no formal action at all.
3. We advise the candidates that a non-response can only be interpreted as unfavorable in that they either oppose the Pro-Life positions, or are disinterested in these vital issues.
4. We publish as much as we know about the public record and statements of the candidates on these vital issues.
5. We never **endorse** a candidate unless his or her answers are 100 percent Pro-Life.
6. We sometimes make a **recommendation** of a candidate, after a full disclosure of his positions, if his responses are not 100 percent Pro-Life but stand him materially above the other candidates who have answered the questionnaire.

Based upon these criteria, NKRTL-PAC publishes its conclusions and comments regarding the candidates in this May 18, 2010, primary election in Kentucky.

**Northern Kentucky Right to Life Political Action Committee** has issued **Endorsements and/or Recommendations** of some candidates in the **upcoming primary election of May 18, 2010**. These are based not only on the stated public positions of the candidates, including their answers to NKRTL's questionnaire, but also their past public records: Based upon the firm belief that what one has done is entitled to significantly more consideration than what one says ("By their fruits, ye shall know them ..." Matthew 7:16), NKRTL undertakes herein to publish what it knows of the public record of these candidates, whether they are incumbents or those seeking office for the first time.

**The gravity of the surgical slaughter of 4,400 innocent children each day -- one every 20 seconds -- and the even greater number of chemical abortions -- demands that we ask of every citizen, particularly those aspiring to public office: "What are you doing to stop the killing?"**

**If a candidate supported terrorism, would you bother to ask him where he stands on other issues???**

NKRTL-PAC does not necessarily make Endorsements and/or Recommendations in every race.

**NKRTL must point out to the reader that some candidates take it upon themselves to modify our questions, thereby failing to answer them specifically, and indeed making exceptions of their own, while simultaneously attempting to answer "yes," to attempt to present a Pro-Life position. Since the candidate has not answered "no," and their response cannot be truly reported as "yes" after they have modified or imposed conditions of their own, NKRTL has appropriately reported those evasive answers with an asterisk (\*). Some other candidates decline to answer the questions, instead making a narrative response, which in fact evades answers to specific, clear questions. These questions have been carefully formulated over 30 years of serious study and are clearly capable of a "Yes" or "No" answer, rather than evasive and non-responsive ramblings which deprive the voter of information regarding the candidate's exact position on specific issues.**

### **U.S. SENATE**

**NKRTL-PAC endorses in the Democratic primary race James Buckmaster, M.D. (D), based upon his 100 percent Pro-Life answers to the questionnaire.**

Based upon his 100 percent Pro-Life answers to the questionnaire, **NKRTL-PAC endorses in the Republican primary Rand Paul, M.D. (R)**. Because there have been published certain allegations by his opponent Mr. Grayson, challenging the commitment of Dr. Paul to clear principles of the Right to Life movement, **NKRTL's Executive Committee, President Robert C. Cetrulo, Vice President Fred H. Summe, and Dr. Arthur M. Kunath**, conducted a lengthy personal interview with Dr. Paul regarding these issues. While Dr. Paul is open to all avenues of redress against the horror of abortion, including state legislation, federal legislation, and judicial appeals, he is committed, without qualification, to support a mandatory personhood human life amendment to the U.S. Constitution, which would establish the unborn child as a person entitled to constitutional protection of the right to life. He is likewise committed to opposition, without exception, of any public funding of chemical abortifacients, however described, and to any legislation which would mandate health insurance coverage of either surgical or chemical abortion as well as contraception.

**John Stephenson (R)** made 100 percent Pro-Life answers to the questionnaire, but has been found to have made past political donations to pro-abortion candidates.

The importance of this particular race is magnified because its winner will replace **Senator Jim Bunning (R)** of Ft. Thomas, Kentucky, who never wavered in his Pro-Life voting commitment during 12 years in the U.S. Senate and multiple terms in the U.S. House of Representatives and in the Kentucky State Senate. He will be missed, as he retires from elected office.

### **U.S. HOUSE OF REPRESENTATIVES**

#### **U.S. REPRESENTATIVE - 4<sup>TH</sup> DISTRICT**

**NKRTL-PAC endorses incumbent Congressman Geoff Davis (R), based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon his 100 percent Pro-Life voting record in Congress.**

#### **U.S. REPRESENTATIVE - 6<sup>TH</sup> DISTRICT**

**NKRTL-PAC endorses in the Republican primary Perry Wilson Barnes (R), John T. Kemper III (R), Matt Lockett (R), and George Pendergrass (R), based upon their 100 percent Pro-Life answers to the questionnaire.**

### **STATE SENATE AND HOUSE OF REPRESENTATIVES**

#### **STATE SENATOR - 24<sup>TH</sup> DISTRICT**

**NKRTL-PAC endorses incumbent State Senator Katie Kratz Stine (R) for reelection to the State Senate, based not only upon her 100 percent Pro-Life answers to the questionnaire, but also upon her 100 percent Pro-Life voting record in the state legislature.**

#### **STATE REPRESENTATIVE - 60<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses for reelection incumbent State Representative Sal Santoro (R), based not only upon his Pro-Life responses to the questionnaire, but also upon his 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 62<sup>nd</sup> DISTRICT**

NKRTL-PAC endorses both Ricky Hostetler (R) and Ryan Quarles (R) in their primary election, based upon their Pro-Life responses to the questionnaire.

**STATE REPRESENTATIVE - 63<sup>rd</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Alecia Webb-Edgington (R), based not only upon her Pro-Life responses to the questionnaire, but also upon her 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 64<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Thomas Robert Kerr (R), based not only upon his 100 percent Pro-Life responses to the questionnaire, but also upon his 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 66<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Addia Kathryn Wuchner (R), based not only upon her Pro-Life responses to the questionnaire, but also upon her 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 68<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses Incumbent State Representative Joseph M. Fischer (R), based not only upon his Pro-Life responses to the questionnaire, but also upon his 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 69<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses Brett Gaspard (R) for election in his primary race, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon a long and active record of activity in the Pro-Life movement.

We would be remiss also if we did not point out that his opponent, Rep. Adam Koenig (R), the incumbent, broke his promise made to us on questionnaires that he would not support chemical abortion, and then did so as a member of the Kenton County Fiscal Court, and also went back on his word to give us a hearing before the Fiscal Court, and arbitrarily canceled the hearing, with no notice to NKRTL. Mr. Koenig's record is therefore not only one of pro-abortion, but also one of unreliability in terms of his word.

**STATE REPRESENTATIVE - 78<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses Timothy A. Fairfield (R) for election in his primary race, based upon his 100 percent Pro-Life answers to the questionnaire.

**BOONE COUNTY**

**COUNTY JUDGE-EXECUTIVE**

NKRTL-PAC endorses both Boone County Commissioner Cathy Hudson Flaig (R) and Boone County Judge-Executive Gary W. Moore (R), based not only upon their 100 percent Pro-Life answers to the questionnaire, but also upon their long and consistent Pro-Life record in public office.

**COUNTY COMMISSIONER DISTRICT #1**

NKRTL-PAC endorses both Matthew Joseph Dedden (R) and Steve Smith (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY COMMISSIONER DISTRICT #2**

While both candidates have made 100 percent Pro-Life answers to the questionnaire, Charles Kenner (R) earns the endorsement of NKRTL-PAC based upon his longstanding record of Pro-Life activities.

**COUNTY COMMISSIONER DISTRICT #3**

NKRTL-PAC endorses both Terri Moore (R) and Charlie Walton (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY SHERIFF**

NKRTL-PAC endorses both Michael A. Helmig (R) and Michael Steward (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY CLERK**

NKRTL-PAC endorses both Kenny Brown (R) and Justin Crigler (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY PROPERTY VALUATION ADMINISTRATOR**

NKRTL-PAC endorses both Kenneth R. Hall (R) and Cindy Arlinghaus Rich (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

### COUNTY JUDGE-EXECUTIVE

NKRTL-PAC endorses Kevin Sell (R) in his primary election, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon the strong pro-abortion record of his opponent, Steve Pendery (R), who regularly supports for election pro-abortion candidates, and in addition was an outspoken supporter of chemical abortion, as a member of the Northern Kentucky Independent District Health Department Board of Directors.

### COUNTY COMMISSIONER DISTRICT #1

NKRTL-PAC endorses Brian D. Painter (R) in his primary election, based upon his 100 percent Pro-Life answers to the questionnaire.

### COUNTY COMMISSIONER DISTRICT #2

NKRTL-PAC endorses Pete Garrett (R) in his primary election, based upon his 100 percent Pro-Life answers to the questionnaire.

## KENTON COUNTY

### COUNTY JUDGE-EXECUTIVE

While Steve Arlinghaus (R) and Scott Kimmich (R) had a somewhat checkered history on the Pro-Life issues several years ago, Arlinghaus has publicly acknowledged his errors, and has committed to a total Pro-Life position in his questionnaire. Dan Moening (R) also gave 100 percent Pro-Life answers to the questionnaire. In light of Mr. Arlinghaus reinforcing his stated position with his Pro-Life activities over the many years, including membership in NKRTL, financial support, and attendance at NKRTL functions, NKRTL-PAC endorses Steve Arlinghaus (R).

### COUNTY COMMISSIONER DISTRICT #2

NKRTL-PAC endorses Jon E. Draud (R). His answers to the questionnaire were not only 100 percent Pro-Life, but he has a strong and long Pro-Life voting record during his service as a member of the Kentucky House of Representatives.

The only other candidate who also answered the questionnaire with 100 percent Pro-Life answers is Pat Von Lehman Dressman (R). Unfortunately, her answers are contradicted by her record. While she answers that she will oppose chemical abortion, she was one of NKRTL's strongest opponents when it fought the chemical abortion fight at the Northern Kentucky Independent District Health Department Board, and she was then a social worker employee under pro-abort Campbell County Judge-Executive Steve Pendery, who named her to the Northern Kentucky Independent District Health Department Board.

### COUNTY ATTORNEY

NKRTL-PAC endorses Incumbent County Attorney Garry Edmondson (R) in his primary election, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon his long activity as a member of NKRTL, attending its functions, as well as actively advancing its policies with the county attorneys' association of the State of Kentucky, and indeed siding with NKRTL in its fight to condemn chemical abortifacients at the Northern Kentucky Independent District Health Department Board, even though the then-county judge and fiscal court members were on the other side.

### COUNTY SHERIFF

NKRTL-PAC endorses incumbent Sheriff Chuck L. Korzenborn (R), who has been a longtime active member of NKRTL and has candidly stood up publicly in support of the defense of innocent human life.

### COUNTY CLERK

Although both Republican candidates have responded with 100 percent Pro-Life answers to the questionnaire, NKRTL-PAC endorses incumbent County Clerk Rodney E. Eldridge (R), in light of his public participation in NKRTL functions, his membership in NKRTL, his financial support, his participation in NKRTL's Annual March for Life ad, and his support and attendance at NKRTL's Annual Celebration of Life.

### COUNTY JAILER

NKRTL-PAC endorses incumbent jailer Terry Carl (R), based upon his 100 percent Pro-Life answers to the questionnaire.

Association prohibiting such candidates from making announcements which might indicate how they might rule on specific cases of litigation brought before them. However, their past public records are fair areas of commentary, and so NKRTL has sent an inquiry to these candidates inquiring as to any record they might have in terms of specific defense of innocent human life, and invited their responses.

Rick A. Brueggemann - Response received      Jeff Smith - Response received  
Stephen P. Huddleston - Response received      Marcia L. Thomas - No response received  
Keith A. McMains - No response received

NKRTL-PAC endorses **Rick A. Brueggemann**, based upon a long and strong and documented record of Pro-Life activities, including membership in NKRTL, support of NKRTL's annual ad standing up for life, attendance at Celebration of Life, lobbying for Pro-Life legislation, and placing a Pro-Life billboard on I-71.

**CAMPBELL FAMILY COURT JUDGE, 17<sup>TH</sup> DISTRICT, 3<sup>RD</sup> DIVISION**

Gayle Hoffman - No response received  
James Kidney - Response received  
Richard A. Woeste - Response received

NKRTL-PAC endorses **Richard A. Woeste**, based upon a long and consistent dedicated record of support of Pro-Life activities, including support of NKRTL's annual ad, and in addition Mr. Woeste's volunteered legal talents in Pro-Life litigation in which NKRTL has been involved, as well as his attendance, together with his family, at many of the national Marches for Life in Washington, D.C., which march takes place each January, and his attendance regularly at NKRTL's Annual Celebration of Life programs.

I am wondering what I should start working on in terms of candidate websites. I need to play some catch-up since I totally forgot I had to do those. Been a little distracted with other things as well. Anyway, if you have any candidates who are in the queue for a website and graphics, let me know, send me their information. Otherwise I will interface with Christian about this.

**Constitutional Carry introduced in Colorado Legislature**

Yesterday State Rep. Chris Holbert (R-Parker) and State Sen. Greg Brophy (R-Wray) introduced HB1205, the Constitutional Carry Act of 2011.

This bill is designed to do one thing: allow citizens who are legally eligible to possess handguns to carry that handgun without obtaining a costly, burdensome and bureaucratic permit.

One of the chief advantages this bill presents is that citizens are not put on any government tracking list merely for carrying the tools for self defense. Citizens in Vermont, Alaska and Arizona currently enjoy that right, and Wyoming could be joining that list in the next few months.

Just as important as what HB1205 does are what it does not do:

- Does not repeal or otherwise change Colorado's existing concealed carry permit law (CRS 18-12-201).
- Does not authorize the carrying of a concealed handgun by felons, the mentally ill, juveniles or anyone otherwise prohibited from possessing a handgun under state and federal law.
- Does not change where concealed handguns are allowed as defined by CRS 18-12-214.
- Does not affect reciprocity agreements with other states in any manner.
- Does not affect the ability of prosecutors to pursue charges for other crimes.

This bill is a major step for freedom, and is something every gun owner in Colorado should get behind.

# It's Time to Drill, Obama!

Dear Friend:

It's time to show President Obama and his Gang Green allies that you and I mean business -- and YOU can help!

Our goal is to generate five million petitions like the one you just signed and drop them on President Obama's desk as quickly as possible.

**With gas prices going through the roof, NOW is the time to remove unnecessary and outdated restrictions on domestic energy production.**

There's absolutely no reason why billions of barrels of domestic oil here in the U.S. should be declared off limits!

But the radical environmentalists have been doing everything they can to SHUT DOWN American energy production for decades, subjecting our economy to the whims of Middle Eastern dictators.

You and I can't let this continue.

That's why I'm counting on you to make a generous contribution of \$250, \$100, \$50 or \$35 to help American Tradition Partnership turn up the heat on Washington, D.C. to end our dependence on foreign oil.

**If you can just chip in \$10 bucks, that'll go a long way.**

Again, thanks for signing your petition, and -- hopefully -- for your generous contribution, as well.

Sincerely,

Donny Ferguson  
Executive Director

Do you have a database setup for this, or are we going to be using Christian's 1&1 setup? I assume we're using [drillobama.com](http://drillobama.com), right? hehe.

And how are you collecting contributions?

so what can you do artwise, mang?

Basically, I want what's more or less a "splash" page that will just have a petition up top and then areas for folks

address and email on the bottom that they have to fill out to sign the petition.

Then once they hit the click to submit, I want that to go to a short letter with a \$ ask at the bottom and then have a place for them to contribute.

Can you do that? Need some pic of Obama looking pissed with some gas is going through the roof image too.

I'll provide copy.

*I'm going to need to get walk lists and mail budgets together by monday morning for several candidates in MT.*

*Andrew, that means we need to re-tier the lists for general election voters and then we'll need to get the budgets together.*

*Andrew, I'd like you to look into weather Billings can be shared on more than one computer.*

*Jeremy, I'll be having you create estimates--and pulling data--so get whatever you can ready for that.*

*I'm waiting on list from CL.*

*Also, I can't find my phone so please e-mail me if you need me.*

*It's hot and I miss MT.*

This kind of low-budget, high impact stuff is great, and we should do one for a couple of candidates just to showcase it.

This was done by Bob Kennedy, who is probably coming on board with WTP to raise money and do videos. this is obviously low-budget and was done free, but it's well done.

This is also one primary we're probably going to want to be in. Please watch it.

Dear Invitee:

I strongly encourage you to attend this training if at all possible. Your campaign's effectiveness and your ability to recruit volunteers, and fundraise will immensely benefit, money-back guaranteed.

Please do not forward; if you'd like to invite someone, let Sarah Anderson, Henry Kriegel, or Ken/Pam Champion know (see emails in the "To:" address area above). If there is a key person with your campaign, we'll make every attempt to accommodate, but would like an RSVP headcount first.

We are happy to arrange local accommodations with a host if you are traveling in from afar and travel budget is a factor.

Please RSVP to [sarah@smartsimplecampaigns.com](mailto:sarah@smartsimplecampaigns.com) by Wednesday if you can. Thanks and have a great day!

Thanks!

**RE:** Advanced Political Leadership School, Sponsored by Smart Simple Campaigns, Campaign for Liberty and Bozeman Tea Party

**THIS CLASS WILL BE STRICTLY BY INVITATION ONLY. IF YOU'D LIKE TO INVITE SOMEONE, PLEASE LET US KNOW. THANK YOU.**

The 2010 Advanced Political Leadership School (APLS) will be a two-day seminar at the MicroTel Hotel off I-90 in Bozeman. Cost: \$37 per person for the weekend, all inclusive.

Seminar trainers will be Christian LeFer, Dimitri Kesari, and (possible) special guest!

**DATES:** Friday April 9, 12PM-7PM and Saturday, April 10, 8AM to 7PM. If someone cannot make it for the entire seminar, come anyway - the material will be high-value and it worth coming to all or part. Day 2 will focus exclusively on campaigns. What you miss in door-knocking, you'll more than make up in leverage by attending the entire session!

The seminar starts promptly at the announced time; continental breakfast and lunch will be provided each day. We will also have drinks available through out the day. You will be responsible for your dinner in the evenings.

I encourage attendees to go out to dinner with other seminar attendees and talk, talk, talk. Some of the best insights, the best memories, and the best relationships you'll have in politics - have come out of the evenings after the seminar with like-minded activists.

There are a few rules that attendees must follow:

1. No recording of any of the sessions. You are allowed to take notes but not record the sessions. This technology is powerful and we must steward it carefully.
2. If possible, be on time, especially if you'll be attending from the beginning. We don't want to waste the opportunity we have by being late for the seminar. Each day we will try to end by 7:00 pm for dinner and socializing.
3. Turn off your cell phone and Blackberry. Basic courtesy.
4. Dress - Business casual.
5. Learn and go out and conquer.

### **SEMINAR AGENDA**

1. "The Real nature of Politics"
2. "Inside" Operations - Elected Officials
3. "Outside" Operations - 3<sup>rd</sup> Party Organizations, Tea Parties Individuals, etc.
4. Fundraising - It's simple, but not easy!
5. Communications - Targeting, Messaging, etc. - and Deadly Mistakes
6. Election Season - Voter ID, Volunteer Recruitment, Mobilization, etc.
7. Leadership
8. Media

Dear Invitee:

I strongly encourage you to attend this training if at all possible. Your campaign's effectiveness and your ability to recruit volunteers, and fundraise will immensely benefit, money-back guaranteed.

Please do not forward; if you'd like to invite someone, let Sarah Anderson, Henry Kriegel, or Ken/Pam Champion know (see emails in the "To:" address area above). If there is a key person with your campaign, we'll make every attempt to accommodate, but would like an RSVP headcount first.

We are happy to arrange local accommodations with a host if you are traveling in from afar and travel budget is a factor.

Please RSVP to [sarah@smartsimplecampaigns.com](mailto:sarah@smartsimplecampaigns.com) by Wednesday if you can. Thanks and have a great day!

Thanks!

- Christian

**RE:** Advanced Political Leadership School, Sponsored by Smart Simple Campaigns, Campaign for Liberty and Bozeman Tea Party

**THIS CLASS WILL BE STRICTLY BY INVITATION ONLY. IF YOU'D LIKE TO INVITE SOMEONE, PLEASE LET US KNOW. THANK YOU.**

The 2010 Advanced Political Leadership School (APLS) will be a two-day seminar at the MicroTel Hotel off I-90 in Bozeman. Cost: \$37 per person for the weekend, all inclusive.

Seminar trainers will be Christian LeFer, Dimitri Kesari, and (possible) special guest!

**DATES:** Friday April 9, 12PM-7PM and Saturday, April 10, 8AM to 7PM. If someone cannot make it for the entire seminar, come anyway - the material will be high-value and it worth coming to all or part. Day 2 will focus exclusively on campaigns. What you miss in door-knocking, you'll more than make up in leverage by attending the entire session!

The seminar starts promptly at the announced time; continental breakfast and lunch will be provided each day. We will also have drinks available through out the day. You will be responsible for your dinner in the evenings.

I encourage attendees to go out to dinner with other seminar attendees and talk, talk, talk. Some of the best insights, the best memories, and the best relationships you'll have in politics - have come out of the evenings after the seminar with like-minded activists.

There are a few rules that attendees must follow:

1. No recording of any of the sessions. You are allowed to take notes but not record the sessions. This technology is powerful and we must steward it carefully.
2. If possible, be on time, especially if you'll be attending from the beginning. We don't want to waste the opportunity we have by being late for the seminar. Each day we will try to end by 7:00 pm for dinner and socializing.
3. Turn off your cell phone and Blackberry. Basic courtesy.
4. Dress - Business casual.
5. Learn and go out and conquer.

### **SEMINAR AGENDA**

1. "The Real nature of Politics"
2. "Inside" Operations - Elected Officials
3. "Outside" Operations - 3<sup>rd</sup> Party Organizations, Tea Parties Individuals, etc.
4. Fundraising - It's simple, but not easy!
5. Communications - Targeting, Messaging, etc. - and Deadly Mistakes
6. Election Season - Voter ID, Volunteer Recruitment, Mobilization, etc.
7. Leadership
8. Media

I do believe you have the wrong district here and need to look at the numbers again. You are 10% above the historic turnout last time for TOTAL voters, including over 1200 D voters, not just total households. Your numbers are well over 2x the total number of R votes that will be cast in the Primary.

## Who understands the need to protect our seniors?

**Our seniors have worked hard to make this country what it is today.  
Now, we need people that will work just as hard for them.**

### Taxes

The last thing people on a fixed income need is higher taxes. When taxes go up, it hits our seniors the hardest. What we need are people who recognize that we can't solve our budget problems by simply raising taxes. Government should be more efficient, effective, smaller, and smarter.

### Fraud and Abuse

As the population of Montana grows older, crimes against our senior citizens are also on the rise. Punishment for crimes such as fraud and abuse against our seniors needs to be swift and harsh. We need tough new laws that provide law enforcement and prosecutors with the tools they need to reverse this disturbing trend.

### Ron Arthun

Ron Arthun is a third generation rancher/small businessman. He has served our community for 11 years on the school board, 16 years as a Park Electric Trustee, and over 20 years as a board member of his church. Ron is a strong advocate for agriculture and small businesses, common sense land use, and lower taxes. He is also a valuable source of information on issues important to seniors.

**Call Ron Arthun at (406) 578-2340 for more information on how we can support our senior citizens.**

# Who understands the need for government accountability and lower taxes?

## Montanans need people that will fight for government accountability, lower taxes, and common sense solutions that keep spending under control.

### Accountability

We need a state government that is more efficient, effective, and accountable to the people it serves. Leaders need to stand up to the special interests who want preferential treatment at the expense of taxpayers. They also need to be a watchdog for state agencies and our schools to ensure that our dollars are being spent wisely.

### Taxes

In these tough economic times, the last thing we need is higher taxes. Our families and businesses are already struggling to make ends meet. We need leaders who recognize that more taxes mean more economic hardship for Montanans.

### Common Sense

Perhaps most importantly, we need people that can bring common sense and practical solutions to our problems. The last thing we need is bickering and political fights. We need leaders who can roll up their sleeves and work together to solve problems.

### Jesse Barnhart

Jesse Barnhart grew up in Powder River County and still ranches the same homestead that his parents purchased in 1933. He and his wife Connie have been teachers in southwest Montana for nearly 30 years. Jesse has been a youth sports coach, President of the Historical Museum, Library Board Member, and honored as Teacher of the Year. He is a strong supporter of agriculture and believes in efficient government and low taxes. Jesse is also a valuable source of information on government accountability.

**Call Jesse Barnhart at (406) 436-2462 for more information  
on how to make government more accountable.**

## **Situation Report & Background on the Soros/Union funded, left-wing “Republican Main Street” organization’s foray into Montana**

### **WHO ARE THEY?**

Main Street Advocacy ([www.MainStreetAdvocacy.com](http://www.MainStreetAdvocacy.com)) is an offshoot of the Republican Main Street Partnership. Based in Washington, D.C., it currently headed by extremely liberal Republican former congressmen Tom Davis (Va.) and Amos Houghton (N.Y.) The group’s stated intention is to liberalize the Republican Party. They believe Republicans are too conservative, and they are committed to turning the Republican Party “back to center” – meaning hard left on everything: REAL ID, taxes, carbon taxes, abortion, illegal immigration, gun rights and runaway government spending.

The group has several offshoots, which maintain separate addresses and staff, but they are all under one umbrella and share some key operatives and board members. While Advocacy is classified as a 501(c)4 organization by the IRS, meaning they do not have to report their donors and can accept unlimited amounts of corporate funds, Republican Main Street Partnership (which we believe is still classified as a 527) and their Republican Main Street PAC do have to report a list of their donors.

**Past donors to the Partnership include George Soros and the radical and violent SEIU labor union.** *Main Street President and CEO Tom Davis, elected to Congress in 1994, was one of only 11 Republicans to vote against the Republican majority-supported Tax Relief Act, which was part of the Contract with America.*

### **WHAT ARE THEY DOING IN MONTANA?**

By our estimates, Main Street Advocacy could be spending close to \$60,000 running radio ads and mailing in as many as 14 State Senate and House districts. The ads are running on the Rush Limbaugh and Sean Hannity programs on local radio, as well as other programs that appeal to Republican primary voters. They are also mailing households of voters likely to vote in the Republican primary.

There is evidence that at least one Republican elected official (Sen. John Brueggeman) and a Montana Republican Party officer is involved with this organization, which is very concerning.

**Worse, the Main Street mailers were designed by Ted Dick, the SEIU Union Political Director for Montana, and this is documentable. SEIU union thugs became infamous in 2009/2010 as the “purple people beaters”, in response to their habit of bussing in union thugs to commit assault, battery and other threatening activities against Tea Party and “town hall” attendees.**

Their communications have appeared in the following districts (see candidate advocated for in Bold, incumbent asterisked\*). These have been confirmed but a half dozen other districts are reporting back and we expect positive reports. Every supported candidate is the more liberal in the race; conversely every candidate opposed by Main Street is endorsed by Montana Shooting Sports and most other conservative organizations:

## **WHAT IS THEIR STRATEGY?**

We have learned their strategy is to run a week of ads three weeks out from the election, then "go dark" for a week before running the ads right up until the primary. We can only speculate, but their last round of communications could be negative.

The early ads are positive, mentioning their preferred liberal Republican by name and urging voters to call and thank him. We have heard the ads and don't see any legal problems with them, as far as crossing the line into "express advocacy", which would bring them under Montana's Political Practices rules for state "PACs". As long as the ads do not "expressly advocate" that you "vote for", "vote against" "elect" or "defeat" a candidate, Main Street Advocacy as a 501(c)4 is in full compliance with the law. Dennis Unsworth apparently believes differently, but he is wrong and would be defeated if Federal law was applied in a court case.

Their intent appears to be to swing the primary election to the liberal Republican and reduce the November elections to a choice between two brands of liberalism.

## **ANCILLARY INFO RE: MAIN STREET REPUBLICANS & OFFSHOOTS:**

Montanan State Rep. Mike Miller, a conservative who beat incumbent liberal John Ward in a 2008 Republican Primary has been targeted by the group and upon researching at Montana's Commissioner of Political Practices, offers this synopsis:

*Background: Jan 5th, a group of Republicans tried to form the Montana Main Street Republican Partnership PAC - they filed a C-2. Senator Brueggeman was a key player. When the group learned that they could not accept funds from the Main Street Advocacy Fund (a Washington, D.C. org) as they got corporate funding (think Soros, NEA and Goldman Sachs), they pulled the C-2 and requested it be destroyed. [Political practices staff, to their credit, did not destroy the signed C-2 as it is public record.]*

*There have been radio ads and slick mailers put out in at least 10 Montana races. The ads are very well done and try hard to not advocate voting for any candidate. They say things like "Montana needs more gov't accountability and lower taxes" Contact candidate XXX at "ph number" for more information. They have a partial disclaimer of Note to Voters This advertisement is not paid for or authorized by any candidate. It is paid for my Main Street Advocacy Fund Po Box 1630 Helena, MT 59624" It is lacking Treasurer and party affiliation, in my opinion.*

*The slick mailer was designed by Ted Dick - political director of SEIU Montana. He visited Political Practices with a "draft flier" on 4/29 and said they were trying to avoid "express advocacy". The draft mailer was advocating Sandy Welch in HD3. He was advised to contact an attorney. Mr. Dick returned on 5/4 with a revised draft - he was informed by Political Practices that it looked better, but to still get with an attorney.*

*So now we have a documented connection between SEIU and Main Street Advocacy - a supposed Republican organization. And they are targeting [INCUMBENT] Republicans. I have heard that this same org was active in Colorado in 2008. I do not know how effective they were.*

*It appears that revision of the flier was customized for several races and mailed out early last week. On 5/20 the Commissioner of Political Practices again met with Mr. Dick and informed him that OPP had received several complaints regarding the fliers - the flier is an exact word for word copy of a radio ad that ran 5/11 thru 5/14 in the Helena area and who knows where else. The cost of the radio ad targeting my race was about \$2000. He was informed of the disclaimer requirements and it was verified that an incorporated national organization (Main ST. Advocacy Fund) was paying for the ads. Mr. Dick was informed that there may be the potential for penalties. (Mike says - why would that org care about \$25k or so in penalties when they get 6 or more people elected that are sympathetic to their cause?) There was a conference call at 3pm on the 21st with the MSA lawyer and OPP - I do not know the outcome - yet.*

*This is ALL 100% documented. I have copies of everything. Main Street Advocacy is a spin off of Main Street Republican Partnership - Susan Collins, Olympia Snowe and other "less conservative" prominent Republicans are members. Some might find this link educational:*

*<http://michellemalkin.com/2005/11/28/exposing-the-main-street-republicans/>*

*In my district, the radio ads ran 5/11 to 5/14 - just when the absentee ballots dropped - I did not learn of it for a few days afterwards as I get no radio here in the boonies. I have copies of the radio station broadcast logs as to when the ads played and the cost, They are scheduled to start back up on June 1 and run thru 10am on June 8. The radio station has agreed to not run the ads until they get the OK from OPP. That helps me but not the other races this is happening in.*

*That's about all I know at present.*

---

**From Michelle Malkin's research on the Main Street Republicans:**

*<http://michellemalkin.com/2005/11/28/exposing-the-main-street-republicans/>*

*MALKIN: As Jim Geraghty among others reported last year, Soros donated \$50,000 to Main Street Individual Fund shortly after its founding in late 2002 . . . which funds "Main Street" moderate Republicans.*

*According to Dan Auble of The Center for Responsive Politics (a.k.a. OpenSecrets.org) "[OpenSecrets] continues to believe that the groups are linked, based on the fact that Sarah Chamberlain Resnick is the Treasurer or Custodian for each, as well as on numerous news reports.*

**The Main Street Republicans group of organizations have multiple offshoots according to Michelle Malkin:**

*They are the Main Street Fund, which solicits groups, unions and businesses for donations, and the Main Street Individual Fund, which raises money from wealthy individuals aimed at helping specific candidates.*

*The two funds are legally independent from the Partnership's board of directors. By the end of last year, the two funds had raised a combined \$562,389 in soft money from donors that included a few New York investment bankers, high-tech CEOs, groups such as the National Education Association and George Soros.*

---

**John Machacek of Gannett investigated the ties further on 3/28/04. A few key excerpts:**

*"A group supporting moderate Republicans, led by New York Rep. Amo Houghton, has pocketed \$50,000 from George Soros — one of President Bush's harshest critics — even as the GOP tries to stop the liberal billionaire from helping Democratic-leaning groups pay for anti-Bush ads.*

*Other current directors of the two Main Street Funds are Sarah Chamberlain Resnick, the Partnership's executive director, and Bob Duke, previously a Partnership consultant. Resnick says she works on her own time as a paid "custodian of records and contact person" for the two Main Street Funds.*

*Resnick said the members of Congress on the Partnership's board do not make fund-raising decisions for the two Main Street funds...*

*...Soros gave \$50,000 to the Main Street Individual Fund in April 2002... Resnick said Soros also offered a "seven-figure contribution" to the policy side of the Republican Main Street Partnership, which promotes the "moderate Republican agenda."*

### **WIKIPEDIA ON MAIN STREET HEAD TOM DAVIS:**

Tom Davis was elected to Congress in 1994, and left around 2006, going on to become head of the NRCC.

He's been a consistent cheerleader of the REAL ID Act, for example, the moribund national ID law. He has consistently pressed and promoted REAL ID. He claimed that imposing \$17 billion in costs on state governments is not an unfunded mandate, and pretended like shaking \$50 million in federal money loose made any difference. Davis saluted the final regulations when they were issued earlier this year.

As chairman of the NRCC, Davis's chief responsibility was fundraising for members of Congress, and his work overlapped with the financial efforts of the Republican Party's K Street Project and the **fundraising scandals involving Abramoff and DeLay**. **Davis himself signed an NRCC check for \$500,000 in 1999, the largest amount donated by the NRCC, while he was chair of the committee. The NRCC was fined by the Federal Elections Commission for transferring the funds because it was transferred between political action committees for the same candidates in violation of contribution limits.**<sup>[37]</sup> The PAC involved, the U.S. Family Network, is connected with Abramoff, Bob Ney, and Willie Tan, a businessman in the Northern Mariana Islands, all currently associated with a political scandal.

Tom Davis was one of only eleven Republicans to vote against the Contract with America Tax Relief Act <sup>[57]</sup> that cut taxes by \$189 billion over five years, including lowering the capital gains tax rate and easing the "marriage penalty,"<sup>[58]</sup> and supported a tax hike referendum to raise sales taxes in northern Virginia by 4.5 to 5%.<sup>[59]</sup>

In June 2006 his criticism of the immigration response included the same ideas that were key provisions in the House bill he supported four months later.<sup>[62]</sup>

Davis was supportive of his wife's efforts for harsher gun laws in Virginia.

**[edit]** In 1973, Davis married Margaret "Peggy" Rantz, a medical doctor. They have three children together: Carlton, Pamela, and Shelley. He divorced her in late 2003 and announced his intention to marry Jeannemarie Devolites, in February 2004.<sup>[66]</sup>

PURPOSE OF COMMITTEE and/or  NAME(S) OF CANDIDATE(S) or BALLOT ISSUE (S)	SUPPORT	OPPOSE	DATE OF ELECTION
	<p>The purpose of Main Street Advocacy Fund (MSAF) is to inform the public about moderate policy choices and about ways the public can contact opinion leaders and civically active individuals who know about these policy choices. MSAF is a nonprofit organization that operates as a 501(c)(4) under tax rules. Its messaging to the public normally occurs during time frames when public interest is most focused on policy choices— before important legislative or executive branch decisions or before citizens will be making policy decisions through the electoral process. MSAF consulted in advance with a representative of the Office of the Commissioner of Political Practices and believed it had informal guidance indicating that its messaging would not be deemed expenditures to support or oppose any candidates. Its mailings and radio ads mentioned government accountability, lower taxes, controlled spending, less political bickering, and protections for seniors as policies that Montanans need. They identified several opinion leaders and civically active individuals who could be contacted for more information about these policies.</p> <p>The individuals mentioned included Chas Vincent, Ron Arthun, Shawn Moran, Sandra Welch, Rob Cook, Jesse Barnhart, Debra Bonogofsky, Kelly Flynn, Charles Gilman, Joe Dooling, Patrick Cornell, Gary McLaren, and Jeffrey Welborn. There was no mention of an election, of any candidacy, or of voting in any of the messages. The appeal was merely to contact the mentioned individual to get more information on the policies supported.</p> <p>MSAF maintains that its overwhelming purpose is to promote moderate policy positions, not to influence the election of particular candidates. Nonetheless, pursuant to informal guidance provided on May 22, 2010, by the Office of the Commissioner of Political Practices, and to demonstrate its good faith intent to comply with the law, MSAF is hereby registering as an incidental committee.</p>

## And they're banking on Les Gilman.

Montanans may like smaller government, lower taxes and traditional values, but it's not as popular in Washington, D.C. That's why a Beltway-based group of powerful insiders created "Main Street Advocacy." They're working with SEIU union bosses-- the same radical liberal union that savagely assaulted Tea Party members protesting Obama's health care plan -- to run radio ads and send mail praising liberal Republicans trying to defeat Tea Party candidates. Is this part of the SEIU "declaration of war" on the Tea Party?

Main Street Advocacy is an offshoot of Main Street Partnership, a Washington, D.C. group dedicated to electing anti-gun, anti-tax cut, pro-gay marriage, pro-abortion liberals. And what are these D.C. insiders doing in Montana?

They're spending big bucks on misleading ads praising liberal Les Gilman, while Democrats Brian Schweitzer and Max Baucus are rallying Democrats to infiltrate the Republican primary so they can continue their massive expansion of state government.

Hi Allie - attached is a flier pdf - You can see Trish's instructions below. I'm looking for 1000 now and will likely do more later after things settle down in a couple weeks..

As my post office hand stamps, it is likely not an issue with the bar code.

thanks,  
mike

Mike,

I have attached the files - high res and have the bleed included. Please tell the printer that 1/8" off of each edge needs to be trimmed. Should cut down to 9 x 4." ALSO BEFORE YOU PRINT: Please check with the post office or mail house you use if the image on the mailer portion is ok and does not interfere with their bar coding. I was going to do this for you, but things are so crazy here. I'm pulling together our program for the lincoln day dinner this weekend and am the contact, so I've been getting ticket calls non-stop.

Thanks and good luck! (Let me know if I need to change the design according to the post office.)

Allie - Just wondering if it is possible to have 1000 of these on Saturday so I can pick them up. No big deal if that is not enough time.

Here's a draft. Switched the colors a little bit, too, so it looks a little different than last time. Added a stock photo of a wallet with money in it to emphasize the "fiscal conservative" message visually and a picture of the state capitol to make a trio of images. I had it on my computer from last election. Let me know what you think!

# Mike Miller

A Strong Fiscal Conservative Working for You  
in the Montana Legislature

 Paid for by the Campaign to Elect Mike Miller, 20906 Hwy. 141 Helmville, MT 59843

## Last Session Accomplishments

**Committees:** I was on Taxation, Natural Resources and Fish, Wildlife & Parks. These were all great committees to be on. As a member of the Tax Committee I was able to help stop many of the tax increases the Democrats tried to get passed.

**Bills:** I submitted three bills. A bill for a \$1000 tax credit for un-reimbursed medical expenses along with a bill for a \$150 tax credit for Long Term Care Insurance and also a constituent requested bill to require landowner permission before FWP releases animals on private land. I also co-sponsored many more bills. I'm working to leave more money in your pocket.

## Legislative Ratings/Endorsements

Montana Chamber of Commerce: 93%  
United Property Owners of Montana: 100+%  
I was endorsed last election by both the NRA and MSSA. (More on my web site)

## Fair Taxes

**Property Tax Relief:** We need to look at how property taxes are calculated. Just because your neighbor sells his house for a big gain doesn't mean your taxes should skyrocket.

**Increase the Exemption for the Business Equipment Tax:** Raising the exemption from \$20,000 to \$150,000 would exempt about 95% of small businesses, allowing for more job creation.

## Accountable Government

**Spending and the Budget:** State spending has increased over 40% since this Governor was elected. We need a responsible, sustainable, recession-proof budget. Let's keep Montana in the black through good and bad times.

**Government Transparency:** We need to get the State "check book" available on the Internet. The Democrats last session blocked every attempt to do this. I say let the taxpayers of Montana see how and where their money is being spent.

## Education

**Better schools lead to better jobs:** Montana students and Montana businesses benefit when our schools educate students to become highly skilled workers capable of commanding higher wages. We need well paid, high quality teachers to achieve this.

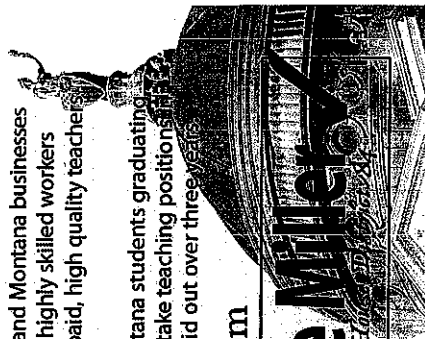

**Keep teachers in Montana:** Create incentives for Montana students graduating as teachers from Montana colleges and universities to take teaching positions in rural Montana schools, for example - a hiring bonus paid out over three years.

Dear Christian

I have left multiple messages for Trevis Butcher and have not heard back. May we purchase the information from you for \$200? Or may we have portions of it (say Silverbow, Missoula and Ravalli Counties or if it's by city: Butte, Missoula, Stevensville, Hamilton, Corvalis) the current one now and purchase an updated version when the voters of this last primary are entered?

The SOS office says the updated information regarding those who voted in the June 8th Primary won't be available for another two weeks, and we want to get going on our phone calls now. Right now is prime time for calls because we can talk to people with confidence we'll have the count. I am guardedly optimistic we'll have enough signatures, and I'm certain we'll be close.

We'll be less effective in getting people on board with MPLC if we don't get enough signatures for CI 102. So I want to get a bunch of people on the phone now. Regardless the number of signatures, whether we qualify or not, a flurry of activity now would be useful

THANKS for understanding!  
Annie

Dear Friend:

A new year has dawned, and many believe 2010 will be a critical time, both economically and politically. Despite the challenges, and after much encouragement, I have decided to run for the Montana State Senate.

Some have asked why I would take time away from managing a successful law firm serving clients, and instead serve as a legislator during the four-month biennial sessions. Simply stated, serving the public is central to good citizenship. In addition, you probably already know of my demonstrated commitment to conservative principles, including:

- Protecting constitutional rights to life, liberty and property,
- Demanding accountability in government spending, and
- Promoting private sector prosperity by adding value to our resources.

These fundamental principles have always been important through out history, and are even more so now. I am running to effectively advance these principles in our State.

Many have already contacted me asking how you can help in the campaign. I am humbled by your offers. Senate District 35 is enormous, stretching from Three Forks to West Yellowstone, with Manhattan, Churchill, Gallatin Gateway, and Big Sky in between. In addition, since this is an open seat, there will be a hotly contested Republican primary *in less than 5 months*. Accordingly, the race will not be easy, and it will take a tremendous amount of effort and resources to win. I'm asking you to be part of the Wittich for Senate team by contributing financially to my campaign, posting road and yards signs, and going door to door. Working together as a team we will be successful. As your new Senator I will be your conservative, respectful, effective voice in the Montana State Senate. Thank you for your support!

If you have any questions about my positions or the campaign, please call or email me.

Sincerely,

Wittich for Senate, Alice Fryslie, Treasurer P.O. Box 11117, Bozeman, MT 59719

The good news is the website at wittich4senate is up and running  
The bad news is it incomplete--I thought you would finalize before switching over from [artwittich.com](http://artwittich.com)  
As I mentioned earlier....

- My forehead is chopped off
- It says "I will be running" when I am in fact running
- There are no issue areas
- No contribution area

Please correct it-and remove until finished

We had an excellent event yesterday in Helena. Many thanks to the Big Sky Tea Party Association for hosting and organizing the event as well as Tom Burnett and the Cut the Budget Tea Party Committee for all their work as well. Tea Partiers came from all over the state and we had leaders from Billings, Bozeman, Great Falls, Big Timber and Livingston represented. Many legislators who support the Tea Party movement joined us at the event. Other legislators watched from the second floor window of the Capital as Jim Walker, Roger Nummerdor and Tim Ravndl worked on cutting the log with a hand saw and a chain saw.

After the event we had a luncheon meeting where we discussed two key issues, the formation of a Coalition and the creation and dissemination of a survey.

**Coalition:** The consensus was that we should keep the coalition as a network, explore the possibility of getting some benefits that we can share in particular insurance and focus on getting each group strong and helping new groups get off the ground. Groups that are ready were encouraged to get their c4 application submitted.

**Survey:** Regarding the survey, the committee is taking it up and is working on getting it done shortly. Each group will get a chance to get a crack at it for comments and suggested edits and should be ready to give it a quick turn-around so we can get it done soon. Jack Lien and Ramille were added to the committee.

Keep rallying and keep up the fight.

Wes, could you please check those amounts and send them to me? That's PayPal's way of verifying your account, as I said earlier.

Thank you!

Hey Wes, your website just about done: [www.WesProuse.com](http://www.WesProuse.com). Thanks for hanging in there, I've been so swamped! At this point, everything should be going smoothly.

I've already activated a PayPal account on your behalf.. the username//password combination is [wes@wesprouse.com](mailto:wes@wesprouse.com) [REDACTED] if you are interested. I provided them with your bank account information so they can make the link, which is required to receive online donations. You should be receiving two small deposits into your checking account. Those deposits are their way of confirming that it is actually your account. When you get those deposits within the next few days, please send me the amounts so that we can get it activated.

Also, if you have a press release or something like that announcing your campaign, or any campaign literature you may have, could you please send me that as well? The front of your website needs to display something like that.

Thanks a lot Wes,

Quoting Christian LeFer <[christian@christianlefer.com](mailto:christian@christianlefer.com)>:

With our nation in the throes of deep economic problems caused by poor leadership, excessive debt and a global recession, it's time for Montana's legislators to step forward. Reliance on Federal handouts is not an economically sustainable "business model" for our state government, and I know we can and must can do better!

The platform below would provide all the relief Montanans need in slashing property taxes, providing for a quality education, and creating badly needed jobs and tax revenue.

Secure and Protect the Rights of Montanans –

- We may not be able to control the out-of-control regulation, spending and encroachment on freedoms coming out of Washington D.C., but as we've seen with our Firearms Freedom Act, Montana's Legislature can say "Enough is Enough!"

- It's time Federal intrusion into the lives of Montanans was rolled back. As your Representative, I will vote for legislation that restores the limits on Federal power: no more unconstitutional taxes, mandates, or one-size-fits-all "solutions" that don't work for you and me.

- I am 100% pro-life, pro-gun rights, and pro-freedom.

#### Fiscal Restraint

- I have signed the "No New Taxes Pledge" and I'll go a step further in cutting taxes and eliminating waste fraud and duplication that you and I know exists at all levels of state government.

- The 46% increase in our state budget over the past three election cycles is inexcusable. I support reducing spending back to 2007 levels, and creating a cap on spending that tracks with economic growth and population. Democrat, Republican, or otherwise, any public official who votes for wild spending is violating the people's trust.

Economic Prosperity – Montana is losing the battle with other states for jobs, personal income levels, and business taxes and regulations. This is simply unacceptable.

- As a businessman with local and national experience, I know how burdensome taxes halt investment, prevent new hiring, and drive employers away. Montana should not have a "closed for business" sign at its borders.

- My first priority here will be to sponsor or co-sponsor the elimination of the Business Property Tax, which costs small and large businesses alike millions for unused, non-productive equipment. I believe this actually reduces overall tax revenue by “killing the golden goose”.

- I also believe that our income and property taxes are too high, and will fight our unfair reappraisal system so that families can remain in the Last Best Place through retirement without their own land being taxed out from under them.

#### Responsible Development and Wealth Creation –

- In the 1950's and '60's, Montana's average wage was in the top 10 in the nation. Now we are in the bottom 10. Why? Radical special interests have attacked the industries with the highest-paying, highest wealth-creating jobs. I will fight tooth and nail to turn this trend around by supporting:

- Timber harvest of dead and dying trees, and proactive forest and land management. Our sawmills and loggers can and should be working.

- Oil and gas development. These are not “dirty words” in my book. With the discovery of 4.3 million barrels of oil partially underneath Eastern Montana, our state could and should become an energy powerhouse for the U.S. – while reducing our dependence on foreign dictators for auto and other fuels.

- Responsible harvest of our massive “clean coal” deposits. Wyoming, which has less than half the coal reserves as compared with Montana, produces more than TEN TIMES our annual output. With coal still supplying over 57 percent of U.S. electricity, Montana MUST increase our production of low-sulfur, environmentally friendly coal.

- Property rights. I trust property owners to be good stewards of land, water, and air, and I oppose excessive restrictions in this area.

Hi Luke,

I decided to stay until tomorrow afternoon or Wednesday morning so I can meet with my accountant in person.

Is it ok if I pick up the bumper stickers on my way home then?

Also:

When do you want the thank youthank to drop?

Can you send the artwork for the letterhead and 10's. I didn't have NAGR letterhead of 10's on the last job.

Thanks,

Luke,

I'll shoot you the breakdown later but the estimate is:

.36 cents each

or \$1296 on 3600.

Only have one caveat--if we're using the NAGR logo that I have done on the press vs rising I have to order that in the quantity of 10,000 for it to be \$.01 each.

I'd ask if you guys would be willing to purchase the extra letterhead and 10's at the same time. It would cost \$292.48 for the additional 6,400 pieces of letterhead and #10,00s. I can then keep them on hand for future use of deliver them to you if we don't have future use when I come to CO. I don't make any money off of that stuff but it's a great price on .

Finally, I'm in CO this weekend and I'd be able to pick the bumperstickers on Monday so you don't have to ship them if you have them at the office?

Thanks,

Allie

### **Absentee ballot plan**

***This plan is going to use a combination of mailing, walking and calling. You will want to have a system in place before the ballots drop on May 10. Most absentee ballots are returned in the first week and last few days/day of the Primary. Your plan should look something like this:***

***Day ballots drop (May 10): Send out first mailer to absentee voters.***

***One week after ballots drop (May 17): Begin walking precincts and calling voters who have not yet returned ballots, offer to pay for postage for ballots or to pick them up and deliver them. The more ballots you can get back in, the larger your margin of victory will be.***

***Two weeks after ballots drop (May 24): Continue walking precincts and calling voters. Send mail to houses that aren't being/can't be walked, reminding them to vote and vote for you.***

***One week before Primary (June 1): Continue walking precincts and calling voters. This is crunch time, a strong and persistent presence now is necessary.***

***Three Days prior--Primary Day (June 6-8): Determine who still hasn't turned in their ballots and continue calling, offering to take ballots in, etc. Remember—every vote counts!***

## Fundraising

There are three key ways to do fundraising: mail, phone and in person.

Fundraising by mail and phone can be done in a plethora of ways. One of the key methods is mail fundraising letters, then follow up the ones that don't come back 2-3 weeks later with a phone call, and keep repeating this process until election day.

It is imperative that you, the candidate, do the bulk of the fundraising calls. You will receive a much better response rate that way. While this is sometimes time consuming, it is necessary to make the time to do fundraising for a successful campaign. We recommend setting a certain amount of time aside every day; perhaps between dark and about 8:45PM.

In addition to the coffee fundraisers (see below), you will probably want to conduct a "campaign kick-off" fundraiser/volunteer recruitment, and/or 1-2 "meet the candidate" events. Many times, in-person contact is the easiest way to raise money. That is why the coffee fundraisers are so successful, and why a few larger events will help your fundraising even more.

### ***The famous "Rothfeld coffee memo"***

Please carefully read this important document (in a separate pdf). This is a proven way to increase your support and fundraising and will be an integral part of your winning campaign.

### ***Block walk program***

The "block walk" program is the walking program. As early as you can, usually 10 weeks or so before the Primary election occurs, you should begin walking the precincts in your district. In addition, you should have a volunteer presence at major local events, parade, farmers markets, flea markets, in shopping centres, etc. Having a presents at these events shows those in your district that you know what's going on there and care about the people in your district.

Walking precincts is the easiest way to gain support. Having that face-to-face contact with a volunteer, neighbour or family member is one of the greatest influences on winning their support—and their vote.

Walking precincts is very easy—it only takes a couple hours per day or every other day (depending on the size of the precinct and how many volunteers you have). When making a list of houses in the precinct that need to be visited—mid-to-low propensity voters (i.e. those who have voted in 0-2 of the last four elections) are the best targets, as well as independent voters. High propensity voters (i.e. those who have voted in 3-4 of the last elections) generally only need a mailer and a phone call, especially if they already support you. It is also best to identify absentee voters and track through the county clerk and records office.

You should equip each of your volunteers with a map and list of houses to walk in that precinct. You should ask if they have a clipboard they can use, or keep a few on hand to pass out with lists (but make sure to get them back!). They will also need to make sure to bring a pen with them in order to take notes on the walking lists. They should be given the door-to-door walking script (see below—fill in the blanks as appropriate and send each volunteer out with one) to help them know exactly what to do, to ask, etc. You will need to provide walking materials (palm cards that are hole-punched with a rubber band through it are excellent, as they can be left on door knobs if there is no answer. Finally, briefly instruct your volunteers on what to do after visiting a house as far as denoting responses on the walking list.

### ***Door-to-door walking script***

Here's Art's stuff.

For now just steal some of his verbiage from his letter for the website.

I'm going to tell him Wednesday for the first iteration of the site.

Dear «First»:

Do you agree that we need responsive and responsible government?

Our economy is in the middle of the "Greatest Recession." State revenues are plunging, as businesses face the toughest times seen in 20 years. After years of increasing spending sprees, the Governor is now just beginning to cut spending. Nonetheless, most people expect looming State budget deficits. Unfortunately, such deficits will predictably lead to efforts to increase taxes on businesses, property owners, and individuals.

While budget cuts will be controversial, Montanans simply can't afford more taxes. Do you agree?

I do, and so I have decided to run in the 2010 election for the Montana State Senate. I need your help to apply our shared principles, along with my twenty-five years worth of legal experience protecting constitutional rights, and my demonstrated commitment to conservative ideals, so we can strategically advance:

- Spending accountability,
- Openness in government,
- Respect for constitutional rights to liberty and property, and
- Promoting private sector prosperity by adding value to our State's natural resources.

Nell Feddes, Treasurer

COPPON01031

These fundamental principles have always been important throughout history, and are even more so now.

Many have already asked me how they can help in the campaign. Senate District 35 is enormous, stretching from Three Forks to West Yellowstone, with Manhattan, Churchill, Gallatin Gateway, and Big Sky in between. And since this is an open seat, there will be a hotly contested Republican primary *in only three months*. The race will not be easy. I'm willing to "fight the good fight," but this campaign will take a tremendous amount of effort and resources to win.

I really want to count on you to join the Wittich for Senate team by contributing financially to my campaign, posting road and yard signs, and going door to door. Working together as a team we will succeed in this important effort. As your new State Senator I will be your conservative, experienced, effective voice in the Montana State Senate beginning in January 2011. Thanks in advance for your support! If you have any questions about my positions, please contact me, I would enjoy talking with you.

Sincerely,

Art

To all field staff and RTW staff,

The Campaign Training School is next week. The School will start on Monday morning July 19 and end Tuesday evening July 20. I will be sending out a schedule this weekend. Class starts at 8:30 in the morning. Don't be late. The Dress is casual, no shorts, ripped jeans, tee shirts or flip flops. Jeans and collared shirts are fine.

Please plan on arriving Sunday evening July 18 and leaving Wednesday morning July 21. Some of you will need to leave on Tuesday evening because of tour meetings.

The hotel is located at:

**Comfort Inn O'Hare - Des Plaines, Illinois (IL)**  
2175 E Touhy Ave  
Des Plaines, IL 60018  
Phone: 847-635-1300  
Fax: 847-635-7572

(hotel is 10 min from O'Hare) If you are flying in, the hotel has a shuttle so no need for rental cars. If you have not booked your flight yet call Mary ASAP.

If you are located in Kentucky, Indiana, or Iowa, make preparations to drive in on Sunday.

The hotel has breakfast every morning and we will be bringing in lunch for the school. Dinner will be planned there.

If you have any questions please give me or Jared a call.

Thanks,

Dimitri

Long story short... the red car is totaled. I was coming down to Gunnison for a campaign event in torrential rains. I was going about 35 (it was 40 there, but I was concerned about the rain and all the curves in the mountain pass). The curve ahead was a little sharp so I put on the beaks to slow down a little more and hydroplaned. I over corrected the car after it fishtailed and crossed into the other lane of traffic (luckily there was no one coming towards me nor behind me). The front driver's side hit the concrete barrier, spun the car around 180 degrees and struck the back, front and back again of the passenger side. I'm fine, the airbags didn't even go off. The highway patrol man said it wasn't my fault, which hasn't made me feel much better. I do need to get him the insurance info for the car so he can finish the report if you can email it to me or call me with it so I can pass it along, I'd appreciate it.

I am so, so sorry. I think the moral of this story is no more cars for Sarah.

I'll be up for a while so you can either call or email me.

Again... I am so sorry.

Sarah

# When America's biggest abortion clinic chain ran into financial trouble, John Esp came to their rescue... ...with a \$500,000.00 taxpayer-funded bailout.

Planned Parenthood is in trouble. Donations and income from contraceptive services are down, forcing them to rely on taxpayer funding and fees for performing abortions to keep the organization in business.

But John Esp voted to bail out Montana's Planned Parenthood with \$500,000.00 in taxpayer funding to "offset contraceptive costs?"  
(H.B. 2, Page B-2, Line 6b, Voted on Apr. 28, 2009, 1:37 p.m.)

Not only did he help keep the radical pro-abortion group in business in Montana, John Esp's decision to funnel taxpayer cash to Planned Parenthood frees up the funding and manpower they need to focus on keeping their abortion clinics running and defeating pro-life candidates.

John Esp also admitted in a letter to editor of the Livingston Enterprise he voted for the bailout despite their continued policies of providing sexually explicit materials to children without parental consent and numerous investigations showing the organization covers up abuse and statutory rape.

Bailing out a radical pro-abortion group with a history of exploiting children so they can keep their abortion clinics open and defeat pro-life Republicans? Something's wrong with John Esp's liberal agenda.

**Call John Esp at 932-5662.  
Tell him to stop bailing out Planned Parenthood.**

**General Motors may have Barack Obama.**

**...but when Planned Parenthood needs a  
big bailout, they have liberal John Esp.**

As for the "about me"....

As an "Army brat," and through my own military service, I have lived all over the Country. That perspective allowed me to wisely become a Montanan "by choice," where I married, attended law school, raised 2 daughters, and practiced business and constitutional law for over 25 years (15 of which have been here in the Gallatin Valley). Through my career I have represented farmers, ranchers, individuals, main street businesses, and multinational corporations from across Montana and the U.S. I was also Counsel to Governor Stan Stephens from 1989 to 1992 when my service required an intimate knowledge of the Montana Legislature. I was raised with conservative values, and as a student of world history, I am convinced that liberty and limited government is the only successful path to general prosperity. I would bring such experience, values, and beliefs to Helena to effectively serve the people of Senate District 35.

Let me know if that is OK

**PLEASE VOTE on June 8, 2010 for**

People expect State budget deficits next year, which will predictably lead to attempts to increase taxes on businesses, property owners, and individuals.

While budget cuts will be controversial, Montanans simply can't afford more taxes.

I have decided to run in the 2010 election for the Montana State Senate, and I need your help to apply our shared principles, along with my twenty-five years worth of legal experience protecting constitutional rights, and my demonstrated commitment to conservative ideals, for:

- **Spending restraint and accountability,**
- **Respect for constitutional rights to liberty and property, and**
- **Promoting private sector prosperity by adding value to our State's natural resources.**

I will fight for:

- **Less Taxes and Spending**
- **Pro Property Rights**
- **Pro Gun Rights**
- **Pro Life**

Senate District 35 stretches from Three Forks to West Yellowstone, with Manhattan, Churchill, Gallatin Gateway, and Big Sky in between. As your new State Senator, I will be your conservative, experienced, effective voice in the Montana State Senate.

- **Veteran - honorably discharged**
- **Experienced**
  - **Legislation**
  - **Constitutional Law**
  - **Business Leader**
- **Family Centered**

# Who gives government employees a tax-funded raise...to do less work?

Gallatin County zoning applications plunged from 269 in 2009 to 50 in 2010, an 81.4% drop. Subdivision applications fell from 177 in 2007 to only 60 in 2010, a 66.1% decline.

The application workload has nearly vanished, but the Zoning Department's spending isn't being cut. In fact, it's about to increase.

Commissioners are about to add a new full-time director, and Chairman Joe Skinner tells reporters "we froze wages last year and it will be difficult to freeze them again," giving government employees a raise even though there are almost no applications to process.

More spending, for less work? Who will pay for all this waste? You.

**Call Chairman Joe Skinner at 388-4554.**

**Tell him to stop spending more of your tax dollars to do less work, and to CUT the wasteful zoning budget.**

Dear  
Candidate,

It is my pleasure to endorse your candidacy for the Senate of Montana on behalf of the Right to Life of Montana Association Political Action Committee. As you know, Right to Life of Montana is an organization whose main purpose is to stand up against abortion, infanticide, embryonic stem cell research and euthanasia. We are a non-violent, non-partisan group with no religious affiliation. We are very passionate about protecting the lives of the innocents, and it is our privilege to endorse and support political candidates who share our view that every innocent human life has infinite intrinsic value and is worthy of protection under the law.

A candidate's response to the RTLMT PAC questionnaire, his or her record as an incumbent, interviews, and recommendations from people who know the candidates are all criteria used in selecting the candidates we will endorse or support in their bid for election to public office.

We have a statewide mailing list of over 40,000 Montanans and we are very pleased to inform our members about the candidates who have stood proudly for pro-life causes. We rely on our pro-life legislators to be a strong voice in Helena. We depend on them to help the innocent unborn, the elderly, and the disabled to resist the growing trend to discount their lives as being worthless simply because they do not conform to an arbitrary standard of quality.

We applaud and encourage your efforts in the difficult public arena and your willingness to serve the people of Montana. We are counting on you to continue the reputation you have established as a person who cares about life itself, enough to fight for it on others' behalf. Please accept our best wishes for success in your campaign, and remember that you have the support of many, many members of Right to Life of Montana.

I am sending this

letter as an attachment so that you may print and use it as part of your campaign if you wish. If you have any difficulty with opening the attachment, please let me know. Please contact our Executive Director, Gregg Trude, if he can be of any assistance to you.

Sincerely,

**Subject:** sarah meeting

I'll forward the e-mail I sent sarah.

We agreed during our conversation that Sarah would complete:

- 1). the 9 CO memo's and make their links active
- 2). Submit by Monday a document outlining what kind of plan she would propose for working remotely
- 3). Update the memo on doing memo's for Susan Boniek
- 4). come up with some kind of repayment plan
- 5). anticipate us wanting her to sign over Smart Simple Campaigns

Since our initial conversation Sarah has returned phone calls but has not delivered on any of these other action items (although some work has been done on the CO memo's)--this should have been completed throughout the summer.

Things that we need to deal with:

- 1). Money: car accident with Nolan's car:
  - a). We meet with Sarah on June 10th about an accident she got in using Nolan's car. We agreed to front her the money to fix the woman's car. We did so. She agreed to repay the debt at 500 a month--beginning in June until it was done in August. She still hasn't paid any money toward that debt. The expectation as per our conversation on 8/9 was that she would bring a 750 dollar check to the meeting with CL.

b) Sarah was driving to an event and totaled our red honda Civic. I have posted the blue book value for this car below. However we paid 1500 for it and put 675 of work into it. During my conversation with Sarah she agreed that she was responsible for the damage--that she additionally had been asked by CL not to drive around to campaign events and that this even she was on her way to was to visit with her boyfriend at a campaign event. We've also paid for car insurance that's useless the entire time she's worked for us.

2). I'd like to maybe get Sarah to give us her Mac as partial payment.

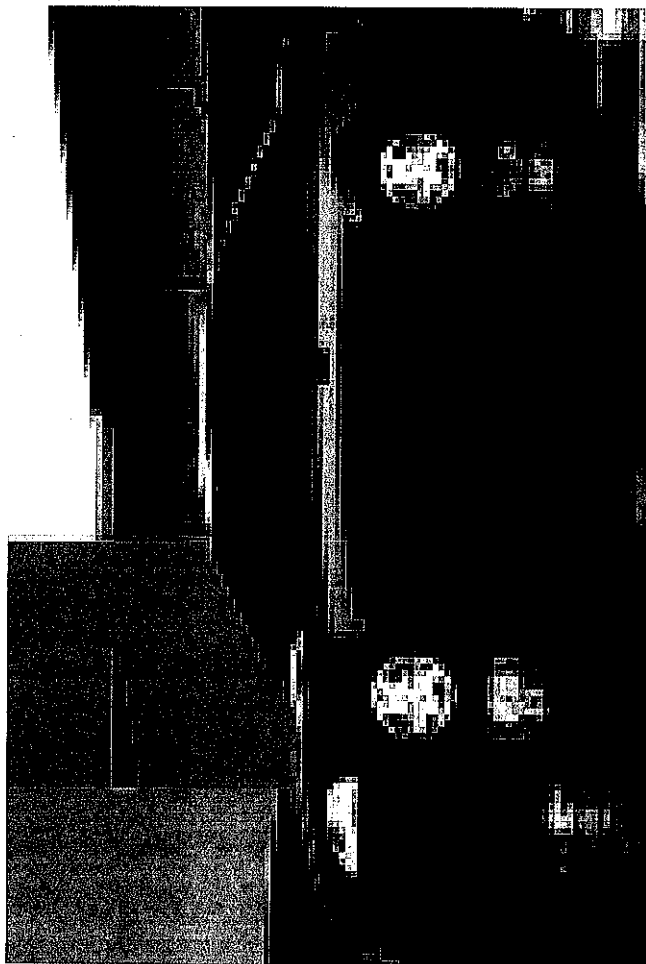

3). RTW boss Dimitri is leaning toward not having her work remotely since no delivery on product was forthcoming by the 15th. I think the best we can hope for is to take her computer, get her to give us a 1,000 check toward the car and deduct any expenses from what she owes us and call it good. I think we need to cut bait--minimize our losses if possible and try to make sure she doesn't end up an enemy. I anticipate that she will make this fairly easy on us agreeing that she sees our point and was thinking the same thing. I think we should do our best to leave things up-beat--saying we're so sorry to lose her and all that crap.

4). a confidentiality agreement needs to be signed

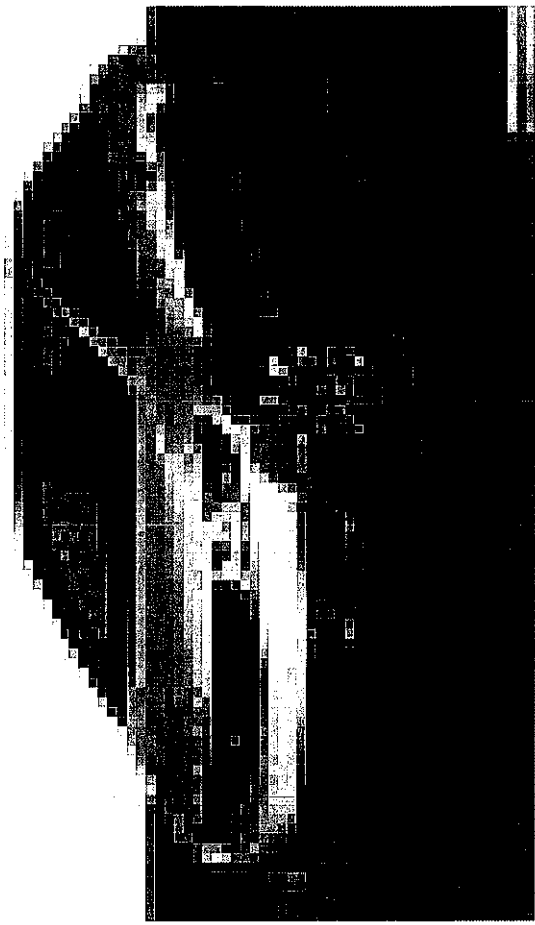

5). a transfer agreement for Smart Simple Campaigns needs to be signed and maybe head over to a wells fargo and have someone new put on the act and her removed.

6). some kind of discussion should be had about what we will tell people who ask and what she will tell people.

## WIKI TARGET LIST:

**FIRST: Update existing memos if needed with general information.**

### **2. House District 47 (Pueblo, Fremont) – DEM Prev rank: 1**

Republican Keith Swerdfeger is still bringing money in strong, but now has two Democrats — Mark Maestas and Carole Partin — vying to take him on and make this one of the most closely watched races of the cycle. *Leans GOP pick-up*

### **3. House District 38 (Arapahoe, Jefferson) – DEM Prev rank: 6**

Democrat Joe Rice is finally vulnerable with a credible Republican challenger in **Kathleen Conti**. This is Colorado's most heavily Republican district not currently represented by a Republican (40-31). *Leans GOP pick-up*

### **4. House District 33 (Broomfield, Boulder, Adams, Weld) – DEM**

*Prev rank: 3* Republican challenger **Don Beezley** is on a steady course to take out Rep. Dianne "Tax on a Fee" Primavera in a suburban district with a healthy amount of unaffiliated voters up for grabs. *Leans GOP pick-up*

**5. House District 17 (El Paso) – DEM Prev rank: 4** Funds have not flown in heavily into either side of this race featuring two Republican challengers — Mark Barker and Kit Roupe — versus the most invisible incumbent, liberal Rep. Dennis Apuan. Democrats have the voter registration edge in this district, but Apuan didn't beat Roupe by much in the strong Democrat year of 2008. *Toss-up: slight edge GOP pick-up*

### **6. House District 56 (Eagle, Summit, Lake) – DEM Prev rank: 8**

With another decent fundraising take, Republican challenger **Debra Irvine** is keeping the heat on Rep. Christine Scanlan in this heavily unaffiliated district. *Toss-up: slight edge GOP pick-up*

**7. House District 18 (El Paso) – DEM** *Prev rank: 9* The winds are still blowing strong in the Republican direction for this seat open due to term limits, but Democrat Pete Sandford still owns a fundraising advantage over Republican **Karen Cullen**. *Toss-up: slight-edge Dem hold*

**8. Senate District 5 (Alamosa, Chaffee, Conejos, Costilla, Delta, Gunnison, Hinsdale, Mineral, Pitkin, Rio Grande, Saguache) – DEM** *Prev rank: 4* The GOP actually has a small registration edge in this large mountain district, but incumbent Democrat Gail Schwartz cast some savvy votes, has more money than any other state legislative candidate (\$82,700), and has two Republicans battling it out in Bob Rankin and Wayne Wolf. *Tossup: slight edge Dem hold*

**9. Senate District 24 (Adams)** *Prev rank: N/A* Any other year I doubt this race would break the list, as incumbent Democrat Lois Tochtrop gets a 2006 rematch from Luis Alvarez. But keep it on the outer edges of your radar screen. *Likely Dem hold*

The Billings Gazette reported today that Main Street Advocacy pulled the remaining radio spots they planned to run through the primary date. They already ran a bunch of radio ads and they've sent out advocacy mailings.

Sen. John Brueggeman (R-Polson) said the ads were in response to a 2008 campaign that unseated a number of incumbent Republicans including John Ward from Helena, who now serves as the Treasurer of Main Street Advocacy (. Brueggeman said "If that's the way they're going to play, we're going to get organized and we're going to be totally positive."

Main Street Advocacy received a \$10,000 check from the SEIU. (See attached C-4 Report)

The SEIU are Obama shock troops promoting Obama's radical left agenda. SEIU rallied wherever the President spoke last August and disrupted our Tea Party protests. In St. Louis they beat up a black protester. In Belgrade, they tried to incite violence. Additionally, Andrew Stern the head of SEIU is the most frequent guest at the Obama White House.

Main Street Advocacy is an out-of-state organization run by moderate and Progressive Republicans.

Brueggeman and Ward need to explain to the rest of us how consorting with political adversaries is "going positive."

PURPOSE OF COMMITTEE and/or	SUPPORT	OPPOSE	DATE OF ELECTION
<p>The purpose of Main Street Advocacy Fund (MSAF) is to inform the public about moderate policy choices and about ways the public can contact opinion leaders and civically active individuals who know about these policy choices. MSAF is a nonprofit organization that operates as a 501(c)(4) under tax rules. Its messaging to the public normally occurs during time frames when public interest is most focused on policy choices— before important legislative or executive branch decisions or before citizens will be making policy decisions through the electoral process. MSAF consulted in advance with a representative of the Office of the Commissioner of Political Practices and believed it had informal guidance indicating that its messaging would not be deemed expenditures to support or oppose any candidates. Its mailings and radio ads mentioned government accountability, lower taxes, controlled spending, less political bickering, and protections for seniors as policies that Montanans need. They identified several opinion leaders and civically active individuals who could be contacted for more information about these policies.</p>			
<p><b>NAME(S) OF CANDIDATE(S) or BALLOT ISSUE (S)</b></p> <p>The individuals mentioned included Chas Vincent, Ron Arthun, Shawn Moran, Sandra Welch, Rob Cook, Jesse Barnhart, Debra Bonogofsky, Kelly Flynn, Charles Gilman, Joe Dooling, Patrick Connel, Gary McLaren, and Jeffrey Welborn. There was no mention of an election, of any candidacy, or of voting in any of the messages. The appeal was merely to contact the mentioned individual to get more information on the policies supported.</p> <p>MSAF maintains that its overwhelming purpose is to promote moderate policy positions, not to influence the election of particular candidates. Nonetheless, pursuant to informal guidance provided on May 22, 2010, by the Office of the Commissioner of Political Practices, and to demonstrate its good faith intent to comply with the law, MSAF is hereby registering as an incidental committee.</p>

Allison,  
Pages 1 and 2 of a 4 page letter.

Thank you for all of your help on this letter.  
Kindest regard,  
Ronalee

Dear Friends,

Earlier this year, my husband Derek came to and asked what I thought about him running for Legislature to represent House District 4 in Helena.

I have to say I wasn't surprised. There have been many dinner conversations between our teenage son and his dad about the future of Montana. In these discussions Tyler asked, "What are you doing to make Montana better for me so that I can live and raise my children here?" I knew right then he would do something.

Derek has always cared about the issues of Montana. That is why he has been so committed to serving our community as a Rotarian, participating in fellowship with Christian men, grassroots campaigning and involved with our City and County leadership regarding the issues that affect our community.

Since that conversation, time has just flown by. In fact, it's hard to believe the June Primary is just a few days away!

So, if you haven't had the opportunity to meet my husband in person yet, I hope you take a few moments to read this letter and let me tell you a bit about the man I know and love.

Derek and I first met many years ago when he was in college. I was going through some tough times back then, but Derek's family reached out to me and gave me the support and encouragement I needed to get back on my feet. Sixteen years after we first met, we realized the love we both been looking for had been right in front of us all along, and Derek asked me to be his wife.

After seven years of marriage, I'm continually amazed at how Derek always goes the extra mile to make sure the kids are his top priority despite being busy with his job and, now, this campaign.

Derek is devoted to his faith and works hard to instill in our children the same strong values and work ethic that he believes in. Derek always pursues what he believes to be right, even when it's fighting uphill battles.

Hey Christian,

Good talking last night.

To recap our conversation, this is what I need in the format I'm sending 'em in:

- a five column for each house
- an intro memo
- updated legislative directories (do this first)

The states I would like to get from you are: Washington, Idaho, Wyoming and Colorado. I figure you should probably have a lot of the Colorado data already.

Except for Colorado, we will handle inputting survey data.

All I need you to do is fill in election results for both houses, and then any votes (make a note of who sponsored and co-sponsored stuff), and to then do brief memos. I've sent what I did in Maine as a sample. Please stick to the format, because they're all going in the same binder and they all have to fit. I've also enclosed legislative directories.

Here are election results:

Idaho: [http://www.sos.idaho.gov/ELECT/RESULTS/2008/General/tot\\_leg.htm](http://www.sos.idaho.gov/ELECT/RESULTS/2008/General/tot_leg.htm)

Wyoming:

Washington House: [http://wapedia.mobi/en/Washington\\_State\\_House\\_elections,\\_2008](http://wapedia.mobi/en/Washington_State_House_elections,_2008)

Washington Senate '08: [http://wapedia.mobi/en/Washington\\_State\\_Senate\\_elections,\\_2008](http://wapedia.mobi/en/Washington_State_Senate_elections,_2008)

Washington Senate '06 (has other stuff, but we only need Senate):

<http://www.vote.wa.gov/Elections/General/Results.aspx?t=b1977cb9-5217-42c7-97d8-ca0290e4dfb3>

Colorado: I assume you have this

Here are roll calls:

Idaho: resolution opposing card check: <http://www.legislature.idaho.gov/legislation/2009/SJM102.htm>

Washington: monopoly bargaining higher ed: <http://www.trendtrack.com/texis/walks/wa/history.html?num=5986>; binding arb police officers: <http://www.trendtrack.com/texis/walks/wa/history.html?num=1822>; monopoly bargaining for childcare workers: <http://www.trendtrack.com/texis/walks/wa/history.html?num=1329>  
Wyoming: I found no votes; please just put in election data, party stuff and check the database; I'll enter survey back here  
Colorado: I assume you have this

Thanks!

## **Mike Miller (R) State Representative HD 84**

**Hello Friends and Neighbors,**

**I'm Mike Miller, your Representative for HD84.** I am truly sickened by all of those radio ads and fancy looking mailers that have been flooding the District lately. And **HD84 is not the only targeted district.** There are at least 10 more Districts being targeted by the Main Street Advocacy Fund whose main address is in Washington DC. Sure, they list a Helena PO Box – those are easy to get. I have a solid conservative voting record; they don't like that and want someone who will vote their liberal, socialist agenda.

Why should you vote for me, Mike Miller, again and not for my opponent? The next session will be tough. We are about \$400 million short and balancing the budget will be painful and difficult. **We need experience, not someone new. I have that experience.** I have established working relationships with the State staff and fellow Legislators. I know who to go to. I submitted bills last session to leave more money in your pocket. On the Tax Committee, I helped defeat 4 bills that would have raised taxes over \$100 million.

**Please vote June 8<sup>th</sup> to send me back to Helena so I can continue working for you.**

**See <http://www.MikeMillerHD84.com> for more details**

Paid for by Campaign to Elect Mike Miller, 20906 Hwy 141 Helmsville, MT 59843 793-5860 Mike4HD84@blackfoot.net

Please Vote on June 8<sup>th</sup> to return me to the Legislature. Don't let the "Big Boys from the DC Beltway" buy a Montana election. Main Street Advocacy is not a conservative organization and does not share our Montana values. Over \$50000 of out-of-state money has been spent trying to influence Montana voters.

Andrew and Christian,

Thank you for what you are doing for me. I really hope I win the election and don't let you down. Today I have 4 questions:

- 1) What is my username and password on votejerryoneil.com?
- 2) I am anxious to get started going door to door, but only have about 150 palm cards to hand out. When are the rest of the thousand going to show up.
- 3) After I give out the 1000 palm cards, what is the lead time for me to get more?
- 4) Do you have note pads or other handouts I might present to my constituents?

Thanks for your help,

Jerry

If you're going to come get your stuff from the office you need to do so. If I don't hear back from you and it doesn't happen I'm going to just throw the stuff out next week. You agreed to do it a month ago.

Your getting pretty offical mail at the office. If you want to have it forwarded please do so with post office and either pick it up or go to the post office and give them a forwarding address. If you don't come by we're just going to right no such person at this address and send it all back.

2010 Montana Candidate Survey - County Commissioner

1) REGARDING MONTANA ASSOCIATION OF COUNTIES (MACO) POLICY RE: EXPANSION OF YELLOWSTONE PARK BOUNDARIES,

DO YOU SUPPORT MONTANA ASSOCIATION OF COUNTIES RESOLUTION 2007-03 THAT "OPPOSES ANY ACTION TO EXPAND THE YELLOWSTONE PARK BOUNDARIES TO CREATE A BUFFER ZONE FOR MIGRATION OF WILDLIFE"?

SUPPORT  OPPOSE

2) WOLVES AS DANGEROUS AND DISEASED PREDATORS

As a county Commissioner will you empower your County Sherriff to be in compliance with 87-1-217 by declaring wolves within your county to be legally defined as a "predator" to be shot on sight ?

As a sheriff will you defend your county's citizens, their businesses and your county's game herds in compliance with 87-1-217, Montana Code Annotated by authorizing a standing "shoot on sight" order for wolves?

SUPPORT  OPPOSE

3) ZONING OF PRIVATE PROPERTY:

A. DO YOU SUPPORT "CITIZEN DRIVEN" 101 ZONING WHERE A PETITION FROM PROPERTY OWNERS IS REQUIRED OR DO YOU SUPPORT 201 ZONING ALSO REFERRED AS "TOP DOWN" ZONING WHERE NO PETITION FROM AFFECTED PROPERTY OWNERS IS REQUIRED?

101 ONLY  101 & 201  101 ONLY WITH 100% LANDWONER SUPPORT

B. WILL YOU SUPPORT A MEASURE TO REQUIRE THE COUNTY TO COMPLY WITH THE SAME PUBLIC AND LANDOWNER NOTICE FOR ZONING AS IS REQUIRED FOR MAJOR DEVELOPMENT PROJECTS?

SUPPORT  OPPOSE

C. IF NOT ALREADY IN PLACE, WILL YOU SUPPORT EXPANSION OF THE LANDOWNER PROTEST WINDOW FOR ANY ZONING TO AT LEAST 6 MONTHS, REFORM ELIGIBILITY RULES FOR PROTEST TO INCLUDE ONLY LAND ELIGIBLE FOR DEVELOPMENT, AND EXPAND THE IMPACT OF ANY SUCCESSFUL PROTEST TO AT LEAST THREE YEARS?

SUPPORT  OPPOSE

4) COORDINATION: Invoking coordination status enables rural counties to have a greater say over what happens in their counties as far as land management plans. Federal statute defines "coordination" with federal agencies to require more than the usual collaboration or public meetings. It actually requires agencies to prove that they have altered their land management plans in some manner to accommodate the requests from the county, so it gives counties more leverage in the land planning process. This is generally very positive for Outdoor Recreation enthusiasts, because counties understand how much money our recreation contributes to the local economy, and brings in much needed revenue to local merchants. Several Montana Counties have invoked coordination to date.

DO YOU BELIEVE COUNTY COMMISSIONERS SHOULD DEVELOP AND ADOPT "COORDINATION" FOR YOUR COUNTY, IF NOT ALREADY IN PLACE?

YES  NO

5) WILDERNESS AREAS: radical environmentalists to declare millions of acres of the West as so-called "Roadless Wilderness", which virtually bans human activity in these areas. Wheelchairs and bicycles are even prohibited as "mechanized travel" under "Wilderness" designation, as are any recreational vehicles. Worse, equipment needed to prevent the spread of catastrophic wildfire to these intentionally mismanaged, fuel-laden forest sis prohibited. This ultimately harms wildlife and destroys the peoples' rights to the economic, quality of life benefits of multiple use of these "public" lands.

Please Initial Page:    JP

DO YOU SUPPORT ANY ADDITIONAL WILDERNESS DESIGNATION IN MONTANA?

YES  NO

6) PERSONAL GAIN FROM ALTERNATIVE ENERGY: Many who are involved in lawmaking and who advocate for "renewable" or "alternative" energy (e.g. wind, ethanol, biomass, etc.) have a vested financial or other tangible interest in that industry's success, either personally or otherwise.

WOULD YOU OR ANY IMMEDIATE FAMILY MEMBER OR BUSINESS ASSOCIATE STAND TO GAIN FINANCIALLY OR OTHERWISE, FROM A DECREASE IN AVAILABILITY OF REASONABLE PRICED OIL, GAS, OR COAL, OR FROM A GOVERNMENT-MANDATED (OR OTHER NON-MARKET-BASED) DEMAND FOR ALTERNATIVE OR RENEWABLE ENERGY PROJECTS?

YES  NO

7) ACCESS TO USFS (FOREST SERVICE) LANDS:

DO YOU SUPPORT COUNTY GOVERNMENT TAKING CONTROL OF ALL ROUTES OF TRAVEL FROM THE FEDERAL GOVERNMENT ON SO-CALLED "ROADLESS AREAS" THROUGH VALID RS 2477 REGULATIONS OR GUIDELINES (MT CODE 76-3-511)?

SUPPORT  OPPOSE

8) DIVERSIFIED TAX BASE THROUGH NATURAL RESOURCE DEVELOPMENT:

WOULD YOU PROMOTE INCENTIVES FOR RESPONSIBLE NATURAL RESOURCE DEVELOPMENT (COAL, OIL, GAS, ETC.) THAT PROVIDES DIVERSITY OF THE LOCAL TAX BASE AND PROVIDES TAX RELIEF TO PROPERTY OWNERS?

YES  NO

9) COUNTY RIGHTS TO ACCESS: Federal "Roadless Rules" prohibit roadbuilding, logging and mineral development on 50 million acres, much of which lies in Montana. Further, within the last few years, roads across Montana have been closed to motorized vehicle access by USFS, without Local, State or County consent. In 2005, the Montana State Legislature created a resolution (HJ21) to utilize a federal provision (which "grandfathers" access to mineral leases issued under the 1872 mining law) allowing counties to maintain routes of travel in these areas. The bill failed, but may be revived in 2011.

DO YOU SUPPORT STATE AND/OR LOCAL GOVERNMENT TAKING CONTROL OF ANY AND ALL ELIGIBLE ROUTES FROM THE FEDERAL GOVERNMENT THROUGH VALID RS 2477 REGULATIONS OR GUIDELINES (MT CODE 76-3-511)?

SUPPORT  OPPOSE

9) NO NEW TAXES PLEDGE:

DO YOU PLEDGE NOT TO RAISE NET TAXES, FEES OR SPENDING DURING YOUR TENURE AS COUNTY COMMISSINER?

*Absolutely*  YES  NO

Western Tradition Partnership  
2010 Candidate Survey for  
Alan Olson, Candidate for Senate District 23

1. 16 years ago the U.S. Fish and Wildlife Service and the National Park Service proposed to the U.S. Congress to introduce 78 - 100 wolves within the Yellowstone Ecosystem. In response, Congress ordered, essentially: "1) Don't harm hunting 2) don't harm ranching 3) don't hurt the local economies, 4) don't have any effect on other endangered species." Furthermore, 87-1-217, MCA, requires the Department of Fish, Wildlife, and Parks to manage large predators, including wolves, with the primary goals to 'preserve citizens' opportunities to hunt large game species, to protect humans, livestock, and pets, and to preserve and enhance the safety of the public during outdoor recreational and livelihood activities.' Dr L. David Mech, Ph.D., H.D.A the top federal wolf biologist testified in his declaration to the federal courts on May 2008 that there are now at least 3,000 wolves instead of the 78 to 100 that was introduced in this "non essential experiment". It is now estimated that up to 2/3 of Montana's elk herd have been destroyed by wolves.

A. DO YOU BELIEVE THAT THE STATE OF MONTANA HAS BEEN DENIED ITS SOVEREIGN RIGHTS TO MANAGE WOLVES (LETHALLY OR AS NECESSARY) WITHIN THE BORDERS OF OUR STATE?

YES  NO

B. WILL YOU SPONSOR, CO SPONSOR OR SUPPORT LEGISLATION THAT LEGALLY DEFINES WOLVES AS A PREDATOR THAT SHOULD BE SHOT ON SIGHT?

YES  NO

C. WILL YOU SUPPORT LEGISLATION THAT TAKES THE OVERSIGHT OF MONTANA FISH WILDLIFE AND PARKS AWAY FROM THE EXECUTIVE BRANCH AND PUTS THAT AGENCY UNDER THE OVERSIGHT OF THE LEGISLATIVE BRANCH; NOW THAT MTFWP HAS BETRAYED THE LAWS, CUSTOMS, CULTURE AND HUNTING HERITAGE OF THE STATE OF MONTANA?

YES  NO *the legislature already has oversight but fails to use it*

D. WOULD YOU SUPPORT LITIGATION DIRECTED AT THE FEDERAL GOVERNMENT AND OTHERS SEEKING RESTORATION AND RESTITUTION FOR THE DESTRUCTION OF MONTANA'S GAME HERDS, AFFECTED BUSINESSES & COMMUNITIES AND CRIMINAL AND/OR CIVIL CHARGES TOWARD THOSE WHO ARE RESPONSIBLE FOR THE ENVIRONMENTAL CATASTROPHE BROUGHT ON BY FORCED WOLF INTRODUCTION ?

YES  NO

2. Most experts agree that as our population grows along with energy needs, a "kitchen sink" approach to energy development and efficiency must be employed. However, debate rages about handicapping traditional fuels while subsidizing more costly alternatives with taxpayer dollars.

A. WILL YOU OPPOSE LEGISLATION WHICH ATTEMPTS TO CATEGORICALLY LIMIT ACCESS TO AND DEVELOPMENT OF CERTAIN ENERGY RESOURCES?

YES  NO

B. WILL YOU OPPOSE ANY ATTEMPT TO RESTRICT CONSUMER ACCESS TO A MARKET-BASED, LOWEST-COST ENERGY PORTFOLIO?

YES  NO

C. WILL YOU OPPOSE ANY LEGISLATION OR ATTEMPT TO INCREASE TAXES OR TAXPAYER-FUNDED SUBSIDIES FOR "ALTERNATIVE" ENERGY PROJECTS?

YES  NO

Senate District 23 Alan Olson - Please Initial Page \_\_\_\_\_

privacy and government intrusion. Under the current scheme, this tax is then rebated (if paperwork is properly submitted), but many object to the bureaucratic paperwork and government purse strings for what is a local, private, environmentally friendly energy solution.

**WILL YOU SUPPORT LEGISLATION TO REPEAL THE TAX ON BIODIESEL PRODUCED FOR NON-RESALE, NON-HIGHWAY, ON-SITE USE?**

YES  NO

- 9. The so-called "Clean Water Restoration Act" (H.R. 2421) and its Senate companion bill (S.1870) is now in Congress goes far beyond the original Clean Water Act, whose prosecutorial powers Federal agencies have repeatedly wielded even in cases related to dry, landlocked property (see *Rapanos v. U.S.*). H.R. 2421 would create new, sweeping Federal jurisdiction over all Montana water, including any wetlands, sloughs, prairie potholes, wet meadows, playa lakes, natural ponds, and related impoundments, regardless of proximity to navigable waters, and no matter how small, remote, or where they are located. This jurisdiction would likely extend to ground waters due to the recent Montana Supreme Court *Smith River* decision, which established a "connectivity" doctrine between ground water and surface water.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION TO OPPOSE AND/OR NULLIFY H.R. 2421 and S.1870, THE FEDERAL GOVERNMENT'S ATTEMPT TO ESTABLISH JURISDICTION OVER ALL WATER IN THE STATE OF MONTANA?**

YES  NO

- 10. National Forests in Montana have experienced catastrophic forest fires in the recent past due to overgrowth and lack of management, with risk conditions exacerbated by the Pine Bark Beetle devastation. According to a report by University of Maryland forest expert Robert Nelson, one-quarter of Montana's forests were closed in 2007 due to forest fires. A combination of environmental lawsuits and delays in permitting are preventing proper management of the problem.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A RESOLUTION STREAMLINING PERMITTING OF FUEL REDUCTION PROJECTS IN OUR NATIONAL FORESTS?**

YES  NO

- 11. Opponents of the Mountain States Transmission Intertie (MSTI) power line being built between Townsend, MT, and Twin Falls, ID to transport experimental energy (unreliable and intermittent wind power) object because, among other reasons, this "public" project should use the geographically suitable lands already owned by the "public" and should not further encroach upon the lands of ranchers, farmers, and other landowners. Do you support or oppose the use of eminent domain (a.k.a. "condemnation") of private property to secure rights of way for the MSTI power line?

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A RESOLUTION STREAMLINING PERMITTING OF FUEL REDUCTION PROJECTS IN OUR NATIONAL FORESTS?**

YES  NO *Question does not address comment*

- 12. New York City Congresswoman Carolyn McCarthy's *Northern Rockies Ecosystem Protection Act*, or NREPA (a.k.a. H.R. 980), and U.S. Senator Jon Tester's S. 1470 are only two examples of attempts by radical environmentalists to declare millions of acres of the West as so-called "Wilderness Areas", which virtually bans human activity in these areas. Wheelchairs and bicycles are even prohibited as "mechanized travel" under "Wilderness" rules, as are any recreational vehicles, and even equipment needed to prevent the spread of catastrophic wildfire to these intentionally mismanaged, fuel-laden forests. This ultimately harms wildlife and destroys the peoples' rights to the economic, quality of life benefits of multiple use of these "public" lands.

**WILL YOU SUPPORT LEGISLATION WHICH WOULD BAN THE CREATION OF NEW SO-CALLED "ROADLESS WILDERNESS AREAS", AND WHICH WOULD ASSERT STATE LEGISLATIVE CONTROL OVER FOREST LANDS WITHIN MONTANA'S**

SUPPORT  OPPOSE

- 13. Many political and public figures who are advocates for "renewable" or "alternative" energy (e.g. wind, ethanol, solar, etc.) have a vested financial or other interest in that industry's success. WTP and other watchdog organizations advocate for disclosure and transparency of the "green" and "carbon trade" industries, since government mandates are the chief driver of demand for these experimental energy schemes.

WOULD YOU OR ANY IMMEDIATE FAMILY MEMBER OR BUSINESS ASSOCIATE STAND TO GAIN FINANCIALLY OR OTHERWISE, FROM A DECREASE IN AVAILABILITY OF REASONABLE PRICED OIL AND GAS, OR FROM A GOVERNMENT-MANDATED (OR OTHER NON-MARKET-BASED) OR PUBLICLY FUNDED ALTERNATIVE OR RENEWABLE ENERGY PROJECT?

\_\_\_\_\_ YES  NO

- 14. Radical anti-growth activists, using materials based in part upon the U.N.'s anti-capitalist, anti-sovereignty Agenda 21 "sustainable development" program, have been lobbying county officials across Montana and the U.S. to implement growth policies and zoning ordinances which effectively strip property owners of their rights without due process. Once enacted, these measures may shut down the ability to manage and utilize one's own land for even basic uses such as agriculture, housing, grazing, subdividing, etc. and jeopardize owners' ability to stay on their land.

WILL YOU SUPPORT LEGISLATION STRENGTHENING THE ABILITY OF LANDOWNERS TO PREVENT AND PROTEST COUNTY GROWTH POLICIES AND ZONING WHICH WOULD LIMIT THE LEGITIMATE USE OF THEIR PROPERTY?

YES \_\_\_\_\_ NO

- 15. Frustrated by Washington, D.C.'s control over much of their state, Utah's Governor Gary R. Herbert in March 2010 passed a bill allowing the use of eminent domain to take protected land from the federal government, and utilize it as the state sees fit. Approximately 60% of Utah's land mass is controlled by the Federal Government, with the figure at 30% for Montana.

WILL YOU SUPPORT LEGISLATION MODELED AFTER UTAH'S NEW LAWS AUTHORIZING THE STATE OF MONTANA TO USE EMINENT DOMAIN TO REGAIN CONTROL OF LANDS TAKEN BY FEDS WITHIN ITS OWN STATE BORDERS?

YES \_\_\_\_\_ NO

- 16. Polls show that, while taxpayers and consumers desire to protect the environment, the vast majority oppose a global warming tax or any such "carbon tax" style penalty.

WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION THAT WOULD NULLIFY THE FEDERAL PASSAGE OF A CARBON TAX, A TAX ON EMISSIONS (SUCH AS A TAX ON THE OPERATION OF DIESEL PICKUPS/VEHICLES), OR ANY TAX OR PENALTY THAT WOULD PURPORT TO OFFSET OR MITIGATE THE EFFECTS OF "GLOBAL WARMING" AND WILL YOU OPPOSE ANY ATTEMPT TO PASS SUCH A PENALTY AT THE STATE LEGISLATIVE LEVEL?

YES \_\_\_\_\_ NO

(IF YOUR ANSWER IS YES, PLEASE ALSO COMPLETE AND SIGN THE ENCLOSED "NO GLOBAL WARMING PENALTY PLEDGE")

- 3. Currently, the judicial system is being manipulated by eco-extremists in order to block responsible energy development, land development and even forest fuel reduction projects, often without establishing *prima facie* justification for their lawsuits. Such legal actions are designed to use legal fees, costs and technical hurdles - rather than merits of the case - to stop the targeted development, with no risk to the plaintiff. A "loser pay" arrangement, where the plaintiff must show sufficient resources to cover legal fees and damages to the developer, would help prevent such frivolous lawsuits by making the plaintiff pay fees and damages in cases of a suit found lacking merit.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A BILL TO REINFORCE "LOSER PAY" FOR ENVIRONMENTAL LAWSUITS FOUND FRIVOLOUS OR WITHOUT MERIT?**

YES  NO

- 4. Currently, plaintiffs are allowed to cherry-pick "friendly" court venues and jurists (often choosing Helena courts) to stop fuel reduction and development projects - venues far outside the affected area. The judges in these cases do not represent citizens and interests affected by the lawsuits.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A BILL REQUIRING ENVIRONMENTAL LAWSUITS TO BE HEARD IN THE DISTRICT WHERE THE DEVELOPMENT AND/OR THE ALLEGED DAMAGES OCCUR?**

YES  NO *all ready in Statute HB 387 2003*

- 5. The Board of Environmental Review (BER) is working to change emission standards - which de facto eliminates any new coal-fired electric generation projects in the state of Montana - without legislative approval or review. These policy changes have far-reaching effects on our environment, economy and jobs, and energy availability. The BER is appointed, not elected - therefore, such changes effectively remove the people of Montana from an important public policy process. Many believe that changes to environmental standards should be subject to the accountable, deliberative process in the Legislature.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT A BILL THAT WOULD REQUIRE CHANGES TO STATEWIDE ENVIRONMENTAL STANDARDS TO BE APPROVED IN LAW BY THE STATE LEGISLATURE, FOLLOWING PROPOSAL BY AN AGENCY?**

YES  NO

- 6. State and local property tax mills are literally driving some Montanans from their homes and ranches. Considering Montana's massive, untapped clean-burning coal reserves, one solution proposed as a long-term fix would decrease statewide/local school-related property tax mills, replacing the revenues with additional severance taxes and royalties derived from increased natural resource production (above the current amount) to school funding. In Wyoming, a similar program pays 90% of all property taxes, providing billions in revenues for schools, infrastructure etc.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION THAT WOULD ENCOURAGE INCREASED RESPONSIBLE NATURAL RESOURCE DEVELOPMENT BY REDUCING SEVERANCE TAXES, AND DEDICATE ANY RESULTING INCREASE IN SEVERANCE TAX REVENUES TO OFFSET STATE/LOCAL PROPERTY TAX MILLS FOR SCHOOL FUNDING (WITHOUT HIKING TAX RATES)?**

YES  NO *Majority of OSD's  
Severance Tax already  
goes to County & State  
Schools*

- 7. According to longstanding policy, Montana has allowed an 18-month tax holiday on horizontal drilling units for new resource extraction equipment (drilling rigs, etc.), and a 12-month holiday for vertical units. This has allowed the capital-intensive process of resource extraction to establish successful operations and wellheads while the companies reinvest in jobs and equipment in Montana, ultimately increasing long-term revenues to the State of Montana through severance taxes and royalties.

**WILL YOU OPPOSE LEGISLATION THAT WOULD RESCIND, REDUCE OR SHORTEN THE TAX HOLIDAY ON OIL & GAS WELLS?**

YES  NO

- 8. Under current law, farmers, ranchers and others who produce biodiesel on private property, and who use the fuel for their own on-farm, non-highway use, are taxed on every gallon. Further, the state asserts the right to enter and inspect the premises of such producers, which raises concerns of

Nothing is set in stone, but I wanted to let you all know I think we should all be in CO for the week of the 23rd-27th.

We'll all powwow and get a game plan together for Co and elsewhere.

Also, we'll probably drive to MNew Mexico to meet with the GOP insider who is being teed up for us.

Let's keep in touch on this so cheap tickets don;t go away (though Droid and I might drive).

See ya.

Bennett, guys:

Merry Christmas. I know it's Christmas eve, but this is the first time I've had to relax by the fire and think about this stuff without the phone ringing and emergencies and stuff.

**Please save this email and review when you can, so we can all be on the same page and everyone can understand where things stand at this point:**

- Andrew is our in-house tech guy. When he's in the office he's great, when he's not he's - of limited availability.
- Just FYI, Andrew is effectively off until 1/10, but I should be able to get the passwords and stuff.
- I am off from 1/2 through 1/10 and will not have access to phone and web.

### AT PARTNERSHIP -

- Probably the lower priority (meaning important but less urgent) versus ATI right now.
- Donny Ferguson is the content person for ATP, and Andrew and I should be in the loop for Admin
- We have a new FB page with zero content, but someone (maybe Andrew, maybe me) needs to get the site set up to auto-post blog content to it.
- Has a Twitter page, and our blog posts ARE auto-feeding to it.
- Andrew also needs to get Donny and me the access info.
- Has around 2-3 relevant Google results, almost nothing outside of our properties.

### AT INSTITUTE -

- Probably the higher priority (meaning more urgent) versus ATP. It comes down to us aggressively raising money for ATI, not ATP at this point in the cycle. We have big things happening by mid-January, including a landmark, national-scale lawsuit that will drive a lot of attention.
- Paul Chesser is the content person for ATI, and Andrew and I should be in the loop for Admin
- Website is fully migrated from WTI to ATI at this point
- Is set up with both text and online donations, and has one basic QR code (SEE EMAIL PASTED IN BELOW)
- Does NOT have a FB page, as far as I can tell
- Does not have a Twitter page as far as I know
- Has almost zero Google results (there are 3-4 relevant results, with no negative) - and the top two go to [wtinstitute.org](http://wtinstitute.org), not [atinstitute.org](http://atinstitute.org)

I think that covers everything for now. Thanks for taking the time to review this.

- Christian

PS: I realized I owe you a list of keywords. What is dependent on that, and when can we expect the Wiki page?

*Jeremy & Andrew,*

*I'm going to need to get walk lists and mail budgets together by monday morning for several candidates in MT.*

*Andrew, that means we need to re-tier the lists for general election voters and then we'll need to get the budgets together.*

*Andrew, I'd like you to look into whether Billings can be shared on more than one computer.*

*Jeremy, I'll be having you create estimates--and pulling data--so get whatever you can ready for that.*

*I'm waiting on list from CL.*

*Also, I can't find my phone so please e-mail me if you need me.*

*It's hot and I miss MT.*

This kind of low-budget, high impact stuff is great, and we should do one for a couple of candidates just to showcase it.

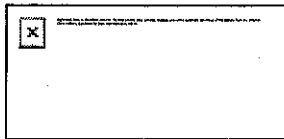

This was done by Bob Kennedy, who is probably coming on board with WTP to raise money and do videos. this is obviously low-budget and was done free, but it's well done.

This is also one primary we're probably going to want to be in. Please watch it.

**RE:** Advanced Political Leadership School, Sponsored by Smart Simple Campaigns, Campaign for Liberty and Bozeman Tea Party

---

**THIS CLASS WILL BE STRICTLY BY INVITATION ONLY. IF YOU'D LIKE TO INVITE SOMEONE, PLEASE LET US KNOW. THANK YOU.**

The 2010 Advanced Political Leadership School (APLS) will be a two-day seminar at the MicroTel Hotel off I-90 in Bozeman. Cost: \$37 per person for the weekend, all inclusive.

Seminar trainers will be Christian LeFer, Dimitri Kesari, and (possible) special guest!

**DATES:** Friday April 9, 12PM-7PM and Saturday, April 10, 8AM to 7PM. If someone cannot make it for the entire seminar, come anyway - the material will be high-value and it worth coming to all or part. Day 2 will focus exclusively on campaigns. What you miss in door-knocking, you'll more than make up in leverage by attending the entire session!

The seminar starts promptly at the announced time; continental breakfast and lunch will be provided each day. We will also have drinks available through out the day. You will be responsible for your dinner in the evenings.

I encourage attendees to go out to dinner with other seminar attendees and talk, talk, talk. Some of the best insights, the best memories, and the best relationships you'll have in politics - have come out of the evenings after the seminar with like-minded activists.

There are a few rules that attendees must follow:

1. No recording of any of the sessions. You are allowed to take notes but not record the sessions. This technology is powerful and we must steward it carefully.
2. If possible, be on time, especially if you'll be attending from the beginning. We don't want to waste the opportunity we have by being late for the seminar. Each day we will try to end by 7:00 pm for dinner and socializing.
3. Turn off your cell phone and Blackberry. Basic courtesy.
4. Dress - Business casual.
5. Learn and go out and conquer.

### **SEMINAR AGENDA**

1. "The Real nature of Politics"
2. "Inside" Operations - Elected Officials
3. "Outside" Operations - 3<sup>rd</sup> Party Organizations, Tea Parties Individuals, etc.
4. Fundraising - It's simple, but not easy!
5. Communications - Targeting, Messaging, etc. - and Deadly Mistakes
6. Election Season - Voter ID, Volunteer Recruitment, Mobilization, etc.
7. Leadership
8. Media

Of course I wanted you to call ME. Why shouldn't you? I call you all the time. We have several things working, and it's not like they are all done. I also asked you questions via email Thursday and had no response.

**On Thursday you didn't have your phone. On Friday I called once earlier and did not leave a voice mail. I couldn't have emailed you, I was in the car for 7 hours from 2PM on.**

**The reason I get frustrated is that you are able to be reached sometimes and not others. Don't act like the phone thing is working just fine now; it's still the case that I can't reach you during the hours you have scheduled.**

**Come on, you didn't get back to me about your status on Utah at all. I asked you and you said you'd check, but never got back to me.**

Let's not fight over this.

You are doing a good job on some things, but many things Paul brings up, or I do, get left behind. So it's important you check in. I guarantee you that on the whole I call you 4-5 times more often than you call me.

You have been better about letting me know when you are going to be late, etc. but why should you get upset when I tell you I expected you to call me back?

You are making decent money and yet run out of minutes or talk from a crappy Google connection (forgot your phone Thursday); wouldn't that frustrate you if you were me?

And if you were going in to the office like I asked you would ALWAYS have a land line to use.

YOU MADE NO ATTEMPT TO GET A HOLD OF ME ON FRIDAY. NO EMAIL, NO PHONE CALL.  
Then at the end of the day you texted me and asked why I didn't call YOU. I'm pretty sick of that crap.  
This happens all the time in different forms.. with brute management and whatever else.

I'm not in Utah because my pretrial supervisor told me it wasn't possible to get testing data, and because I was recommended by my lawyer to not leave Gallatin County. I would have told you if I didn't want to go.

Andrew, Kristin, Jeremy, and Nolan:

I am really sorry for escalating the blowup Allie and I had last night.

So much for setting a good example.

The last thing I want is for people we care about and work with to have to go through something like that when our work is already pretty demanding and challenging.

I am committed to making changes, both personally and in our arrangement between the Creative/Consulting Department (my side) and Production (Allie's side) to avoid the recurring problems between Allie and me.

I'm sorry to have disappointed you all, especially considering how well things have been going on the team overall.

Thanks for not ditching us, which you would have every right to do after such a situation.

Regards,

Christian

### Rejected Retread

A write-in RINO with an unspellable name  
Got primarily beat at the legislative game  
But she couldn't take rejection  
So she found another election  
By switching her party without shame.

She whined that Mr. Kennedy did defame  
Her by making the outrageous claim  
That she had Democrat ways  
But she's proven these days  
That Dan knew what his opponent had become.

Yes, it seems that this world class pouter  
Believed that Helena can't live without her  
"It's all about me!"  
Shouted Madame Bonogovsky  
But the voters now very greatly doubt her!

Alas this old Retread has now been rejected  
Because legally she can't be elected  
When she showed her other face  
To get into the race  
The anti-race jumping laws were neglected!

Yes, this retread tried to go the extra mile  
But she's been tossed on the defective pile  
She's got the political itch  
To make the irresistible switch,  
But a party traitors are easy to revile!

RE: Advanced Political Leadership School

---

**THIS CLASS WILL BE STRICTLY BY INVITATION ONLY. PLEASE SUBMIT NAMES BEFORE INVITING. THANK YOU.**

The 2010 Advanced Political Leadership School (APLS) will be a two-day seminar and will be held Friday through Saturday, December 9, 2009. The location of this year's school is:

HOTEL/LOCATION TBA

Friday April 9, 1PM-7PM and Saturday, April 10, 8AM to 5PM.

I am enclosing a draft copy of the seminar schedule.

The seminar starts promptly at the announced time; breakfast and lunch will be provided each day at the seminar. We will also have drinks available through out the day. You will be responsible for your dinner in the evenings.

I encourage attendees to go out to dinner with other seminar attendees and talk, talk, talk. Some of the best memories of this seminar – and the best relationships in politics - have come out of the evenings after the seminar talking about politics.

There are a few rules that attendees must follow:

1. No recording of any of the sessions. You are allowed to take notes but not record the sessions.
2. Be on time. We don't want to waste the opportunity we have by being late for the seminar. Each day we will try to end by 7:00 pm for dinner and socializing.
3. Turn off your cell phone and blackberry.
4. Dress – Business casual. No jeans and flip flops. Slacks and collared shirts are acceptable.
5. Learn and go out and conquer.

### **SEMINAR AGENDA**

1. "The Real nature of Politics"
2. "Inside" Operations – Elected Officials
3. "Outside" Operations – 3<sup>rd</sup> Party Orgs, Individuals, etc.
4. Fundraising – It's simple, but not easy!
5. Communications – Targeting, Messaging, etc. – and Deadly Mistakes
6. Election Season – Voter ID, Volunteer Recruitment, Mobilization, etc.
7. Leadership
8. Media

Scott Sales  
Common Sense  
Conservative  
For House District 68

“Our traditional Montana values are under attack by liberal special interest groups. Now is the time to stand firm for the foundations of America’s greatness: Faith, Family, Freedom and Love of Country. I would like to continue to represent you and these ideals in the 2009 Legislature.”

Scott Sales

### SCOTT SALES

- Married 20 years – Father of 3
- Active within the Gallatin Valley Agricultural Community
- 20+ years of practical business experience. Helped grow a small business from 20 employees to more than 300
- Boise State University graduate Bachelor of Business Administration Majored in Industrial Business
- Currently serving as the speaker of the Montana House of Representatives
- Avid outdoorsman – Hunting, fishing and horseback related activities

Believes that these issues are worth fighting for:

FREEDOM – Every year a larger more intrusive government dictates what you can and cannot do. I want to reverse that trend and give Montanans more say in their personal lives.

TAXES – In the 2003 legislature we passed meaningful tax relief, in 2005 and 2007 we successfully defended attempts to repeal these tax reductions. I will continue to work hard to insure that these rates remain intact. It is your money.

PROPERTY RIGHTS – The cornerstone of a free society. It is a fundamental right dating back to the birth of our country. We must pass legislation to protect our property rights against an overbearing government.

GUN RIGHTS – “The right of the people to keep and bear arms shall not be infringed” (2<sup>nd</sup> Amendment US Constitution.) I am opposed to any additional laws restricting gun ownership. Gun laws do nothing to limit criminal activity, they just restrict law abiding citizens freedoms.

RIGHT TO LIFE – Innocent human life, both born and unborn, should be protected.

FREE SPEECH – A free exchange of ideas should not be subject to a body of politically correct thought.

And his family Sandie, Scott, Colten, Emma, Rachel

“The family is the foundation of our society, we must take steps to strengthen the family, not undermine it. If elected, I will be a strong advocate of Legislation that is family friendly.”

Western Tradition Partnership

April 16, 2010

John Budd  
Budd Investments  
1601 South Lansing  
Aurora, CO 80012

Dear John:

It's always refreshing to meet someone who understands what pro-freedom forces are really up against in these times.

It makes all the hard work seem worth it when I run into someone who "gets it" like you do and is willing to contribute financially to help us succeed.

Of course, we have huge opportunities this election year, as we try to make serious inroads in the federal, state and county elections in Colorado.

You have my word, I'll continue to find great Constitutional leaders like Joel Boniek to start fires for freedom like the Firearms Freedom Act, and I'll keep you posted on the different Constitutional nullification efforts being pushed in many states by associates of mine.

I realize that our Republic may be sliding into what my friend Austrian economist Murray Sabrin calls "velvet fascism" -- but I believe God put me on this earth to hold the window of freedom open a little longer, a little wider for our children to be able to walk through.

And of course, the eco-socialists and their brethren are redoubling their efforts to ram their agenda of control thorough any using any legislative, bureaucratic, or judicial body that will avail itself.

They've made it clear, they're not going to give up the reins of power without a fight.

That's why I'm going to do whatever it takes to make sure we don't waste a single opportunity this year.

While we have been extremely pleased with killing bad legislation and mobilizing folks at the ballot box in 2008 and 2009, this kind of success is really nothing new to WTP.

Whether we're fighting to keep anti-access zealots from virtually banning humans from public lands, fighting government takings of your water, land, and mineral rights, or exposing the "kitchen-table" costs of eco-extremism, when WTP takes these issues on, you and I win almost every time.

I know that might sound confident, but our trust lies in the grassroots -- and in our understanding of their issues.

We simply know that time and again, the people will stand against the Left's radical agenda at election time, when they realize the costs to their businesses, their family budget, and even their quality of life.

That is why with your help, I'm confident our plan to stop the enemies of freedom dead in their tracks will bear fruit once again in 2010.

Thanks again for your support, and I'll keep you posted about our progress.

Best regards,

Christian LeFer  
V.P., Director of Strategic Programs

PS: I've enclosed a self-addressed stamped envelope, and would truly appreciate if you could do the \$10,000 to support us; if you can't do that, I'll be grateful for your gift, whatever the amount.

Take care and keep up the fight!

Beth got thrown from her horse and cannot go, and I really want to go with Allie, but I have to take Peggy Sue to court at 11:30AM.

That leaves me enough time to get to Billings for the show (and Allie spent all her "fun allowance" for this month on the tickets).

I could maybe meet you in Laurel, but maybe in Billings; it would depend on the time we leave Havre.

Please let me know, I hardly get to do stuff with just Allie and I'd REALLY appreciate it!

(DONNY, PLEASE EDIT ASAP IF NEEDED OR GIVE ANDREW THE GREEN LIGHT)

Western Tradition Partnership is a 501(c)(4) grassroots lobbying organization dedicated to fighting environmental extremism and promoting responsible development and management of land, water, and natural resources in the Rocky Mountain West and across the United States.

Dozens of radical eco-organizations whose stated purpose is to dismantle the free enterprise system - and our Constitutionally protected rights - through so-called environmental protection have set their sights on robbing Americans of the right to exist, achieve and produce. From single-family homeowners to larger employers, outdoor recreation to manufacturing, no worthwhile pursuit is safe from those who would use bureaucratic, legal, or legislative means to regulate it out of existence.

WTP is the only single-purpose membership organization of its kind, though we're one of many free-market oriented pro-freedom groups fighting for common-sense policy, and against the use of heavy-handed government coercion by environmentalists whose policies lack broad support and violate the Constitution. Founded by committed activists, and supported

by a broad membership of small donors, we enjoy the kind of credibility on these issues that only an independent grassroots group can earn.

Our goals are achieved through hard-hitting issue advocacy including legislative lobbying, electioneering, grassroots mobilization and public education campaigns.

Western Tradition Partnership is committed to advancing a voluntary, free-market approach to partnering with the business community to promote beneficial environmental stewardship. This is the only *economically* sustainable way to protect and preserve our environment. We put the lie to the fallacy that free people will choose to poison their own water, air, and land.

Americans overwhelmingly support responsible energy exploration and

development, proper forest management (e.g., harvesting the pine bark beetle kill), wisely extracting other precious resources, while protecting private property and water rights and our environment.

That's why it should be no surprise that balanced, free-market solutions continue to gather support from the grassroots – because they will help, not hurt, families, jobs and the American economy – and they must be advanced in the face of anti-human, anti-access, environmentalist hysteria.

Hey allie, I kinda don't want to talk to Christian about this right now, because I'm trying to keep him focused on delivering for the GetNonprofitStatus project in time for San Fransisco. If you don't know about it, just let me know and I will talk to him about it.

I am wondering what I should start working on in terms of candidate websites. I need to play some catch-up since I totally forgot I had to do those. Been a little distracted with other things as well. Anyway, if you have any candidates who are in the queue for a website and graphics, let me know, send me their information. Otherwise I will interface with Christian about this.

Thanks,

Same format as Joel's. 3 cards per 8.5" x 11" sheet. If the image is centered and three cuts are properly made, it will give a .25" border around each card.

ONE possible problem would be inverting the opposite side during 2nd print run. That did happen earlier.

Dear Friend,

Taxes, "fees" and regulations are choking the economic life out of our state. I have signed the pledge to oppose new taxes, but I won't stop there. I want to roll back the taxes we already have!

Big Government always stifles the creative enterprise of free people. And when Big Government in Helena looks to Washington for "free" money to make itself even bigger, something has to give!

We need a state government that works for Montanans, NOT Washington and its elite friends! If you agree, I'd sure appreciate your vote.

Art,

I hope this is organized better. If you need I can eliminate the Appendix or you can have someone do that in the office if it is too much for the client to review. I did want you to have all of this in some fashion. You can see I recommend some legal research although if I review the AG amicus brief the research may have already been sufficiently completed.

I am available most of the day tomorrow although I do plan on being part of that CU conference from 12:00 to 1:30 PM with Cleta Mitchell of the Foley firm in DC.

Thanks,

Chris

**TO:** ART WITTICH, Attorney at Law  
WITTICH LAW OFFICE

**FROM:** CHRIS J. GALLUS, Attorney

**DATE:** February 2, 2010

**SUBJECT:** Constitutional Challenge to Montana Campaign Finance and Other Laws Following Citizens United v. Federal Election Commission

### INTRODUCTION

The following is a legal memorandum providing information pertaining to unconstitutional aspects of Montana law following the US Supreme Court's decision in Citizens United v. FEC. This memorandum provides the Montana statutes and rules which are clearly suspect following the decision reached January 20, 2010, other laws and rules important to understanding these provisions (Appendix A), and laws or rules of interest in understanding or enforcing campaign laws (Appendix B). There are other aspects of Montana law that may or may not be implicated by the decision, as well as practical enforcement problems with other statutes which would result from a finding that the Montana law with respect to corporate expenditures is unconstitutional. This memorandum does not endeavor to foresee or analyze all of those of those aspects. This memorandum is simply a straightforward recitation of Montana law with a brief notes pertaining to how the CU decision implicates Montana law.

Public statements by the Montana Attorney General indicate the State of Montana intends continued enforcement of these provisions despite the recent US Supreme Court decision. The Montana Attorney General's office along was chief among the states in presenting issues involving state's rights to the Court via an amicus brief filed in the CU case. That brief as well as other briefs is available on-line along with other legal materials pertaining to the CU decision. The Montana Attorney General is called as the only elected official before the US Senate panel meeting with respect to the CU decision.

## SUSPECTED UNCONSTITUTIONAL PROVISIONS OF MONTANA LAW FOLLOWING CU

**To the extent that this statute deals with corporate independent expenditures to support or oppose candidates (where coordination between the corporation and a candidate, a candidates committee, or an agent of the candidate has not occurred), the statute is unconstitutional pursuant to the CU decision:**

**13-35-227. Prohibited contributions from corporations.** (1) A corporation may not make a contribution or an expenditure in connection with a candidate or a political committee that supports or opposes a candidate or a political party.

(2) A person, candidate, or political committee may not accept or receive a corporate contribution described in subsection (1).

(3) This section does not prohibit the establishment or administration of a separate, segregated fund to be used for making political contributions or expenditures if the fund consists only of voluntary contributions solicited from an individual who is a shareholder, employee, or member of the corporation.

(4) A person who violates this section is subject to the civil penalty provisions of 13-37-128.

**To the extent that these penalty provisions could be applied to corporate independent expenditure not coordinate with a candidate or an agent of the candidate the statute is unconstitutional:**

**13-37-128. Cause of action created.** (1) A person who intentionally or negligently violates any of the reporting provisions of this chapter, a provision of 13-35-225, or a provision of Title 13, chapter 35, part 4, is liable in a civil action brought by the commissioner or a county attorney pursuant to the provisions outlined in 13-37-124 and 13-37-125 for an amount up to \$500 or three times the amount of the unlawful contributions or expenditures, whichever is greater.

(2) A person who makes or receives a contribution or expenditure in violation of 13-35-227, 13-35-228, or this chapter or who violates 13-35-226 is liable in a civil action brought by the commissioner or a county attorney pursuant to the provisions outlined in 13-37-124 and 13-37-125 for an amount up to \$500 or three times the amount of the unlawful contribution or expenditure, whichever is greater.

None of the Administrative Rules of Montana (ARMs) specifically references 13-35-227, MCA as an authority for adoption of a rule. The rules contained in the Appendix are worthy of review to the extent that the rules apply to corporate political expenditures.

If applied to ban such expenditures the rules are unconstitutional. If applied to require disclosure and reporting by corporations making independent expenditures the rules are constitutional. To the extent rules make coordinated expenditures become direct contributions the rule is perhaps suspect, but in no way clearly problematic under a CU test.

This memorandum does not contain the necessary legal research to determine whether the legislation adopting 13-35-227, MCA contained a severability clause or other instruction regarding adoption of this particular code. Furthermore, this provision was amended by initiative (I-125) during 1996 which extended the corporate prohibitions to include ballot issues as well as candidates. I-125 was struck down in federal court. In following Austin the Commissioner has also relied upon Massachusetts Citizens for Life and Beaumont in applying Montana's corporate contributions ban to allow participation by non-profit corporations organized to support or oppose candidates. People For Responsible Government was reorganized following a complaint and investigation to comply with these cases.

## **U.S. Supreme Court sides with ATP, expands free speech rights in Montana**

*ATP maintains perfect legal streak, defeats rogue politicians using 1<sup>st</sup> Amendment regulations to hide their record*

**Helena, Mont** - American Tradition Partnership (ATP) maintained its perfect record in in First Amendment litigation today, as the nation's high court sided with the free-market environmental group by expanding free speech rights in Montana.

"We didn't pick these free speech fights, they were brought to our door by the irretrievably corrupt Political Practices Commissioner and Attorney General Steve Bullock. After 2008 ATP was rewarded by its compliance with applicable law with a three-year political witch hunt by Brian Schweitzer and Steve Bullock," declared ATP's National Executive Director Donald Ferguson, following the ruling. "We are again vindicated, and again ATP's work has expanded the rights of Montana citizens to speak truth to power."

ATP-Montana State Coordinator Doug Lair stated, "This decision allows mom-and-pop companies and grassroots groups of all political flavors – those who cannot afford lawyers and lobbyists to comply with unconstitutional restrictions - to freely organize and voice their opinions without fear of government retribution." Lair paused a moment, then added, "And ATP can now continue to expose corruption and misbehavior by government officials by broadcasting truthful information about their record."

ATP's set of 1<sup>st</sup> Amendment cases outline a pattern of unfair political scapegoating by Montana state officials - particularly the irretrievably corrupt Office of the Commissioner of Political Practices and Attorney General - as the very purpose for the Constitution's unlimited free speech guarantees by the Founding Fathers.

Governor Schweitzer's administration has been rebuked before; most famously by the Ninth Circuit Court, who ruled that an earlier Schweitzer-appointed Political Practices Commissioner (COPP) violated the constitutional rights of the Canyon Ferry Baptist Church through "petty bureaucratic harassment" and unwarranted prosecution (decision linked below).

In a similar action, the COPP issued a false and defamatory "finding" against ATP just three days after the group defeated Bullock in district court earlier in the case that ended today. At the end of the so-called "finding" the Schweitzer administration openly admitted they had no evidence whatsoever to back up any of the claims.

**WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER**

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN [REDACTED] 1724. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

Assigning an EIN does not grant tax-exempt status to non-profit organizations. Publication 557, Tax Exempt Status for Your Organization, has details on the application process, as well as information on returns you may need to file. To apply for formal recognition of tax-exempt status, most organizations will need to complete either Form 1023, Application for Recognition Under Section 501(c)(3) of the Internal Revenue Code, or Form 1024, Application for Recognition of Exemption Under Section 501(a). Submit the completed form, all applicable attachments, and the required user fee to:

Internal Revenue Service  
PO Box 192  
Covington, KY 41012-0192

The Pension Protection Act of 2006 contains numerous changes to the tax law provisions affecting tax-exempt organizations, including an annual electronic notification requirement (Form 990-N) for organizations not required to file an annual information return (Form 990 or Form 990-EZ). Additionally, if you are required to file an annual information return, you may be required to file it electronically. Please refer to the Charities & Non-Profits page at [www.irs.gov](http://www.irs.gov) for the most current information on your filing requirements.

## Taxpayers for Liberty

### 2010 Tax Reform Candidate Survey - Explanation of Questions

1. Tax increases are frequently passed through Congress to fund special interests or to retroactively cover the costs of previous overspending. Of the different proposals to curb Congress' appetite for taxation, there has been enduring and significant support for an amendment to the United States Constitution requiring that any tax increase be approved by a recorded vote of two-thirds of both houses of Congress (also known as a "supermajority").
2. Under the current tax system, employers are forced to do the government's job of tax collection by withholding taxes from employee paychecks. Because of forced withholding, working Americans are less aware of the personal cost of government. If working people were required to pay taxes to the government like any other bill, they would become more aware of what it costs to keep the government running and would be more likely to scrutinize its size, scope, and spending.
3. Americans are faced with taxes on their income, businesses, investments and property. Yet, they face some of the highest taxes upon their death. Grieving relatives are often forced to give the IRS up to 50% of the value of their family home, farm, or business after a relative passes away even though that property has already been taxed. This often forces the breakup and sale of family farms and businesses, and robs many families of their legacy and productive enterprise.
4. The Capital Gains Tax imposes punitive taxes on job-creating investments and taxes citizens for "gains" - many of which are largely the result of inflation. Many prosperous nations recognize that investment comes with risks and rewards have no capital gains tax.
5. Every year the Alternative Minimum Tax (AMT) drains resources from an increasing number of working Americans. Originally intended so that the very wealthy didn't use legal loopholes to evade taxes altogether, the AMT is now being levied on middle class Americans as monetary inflation causes wages to rise. As a substitute, Congressman Charles Rangel (D-NY) has proposed H.R. 3970 which claims to eliminate the AMT, but which would actually increase tax rates by almost 10% for the middle class and increases self-employment tax, penalizing about 25 million small businesses that drive the U.S. economy.
6. In only 5 of the last 40 years has the federal government taken in enough revenue to cover its budget. This has resulted in a spiraling federal "on book" debt burden of over 8 trillion dollars -- with many times that in "off book" debt paid by printing money -- draining resources desperately needed for a healthy economy.
7. Public support for a major tax increase is not in itself an indicator of future voting behavior, but helps fill in a candidate's background. Please attach an additional sheet of paper if you would like to present details about a tax you have publicly supported, and you believe it was necessary or advantageous.
8. Every year, hundreds of candidates sign a "No Net Tax Increase"-type pledge. Such a pledge does not bind or determine future voting behavior, but it can help the public to gauge a candidate's attitudes toward taxes and spending.
9. Local and state government lobbying at the Federal level has exploded by nearly 400% in the past decade. Meanwhile, federal agencies and quasi-public organizations use taxpayer funds to raise taxes and government spending. For example, the Legal Services Corporation routinely uses federal funds to pursue partisan political cases and sue taxpayers for more social welfare spending.
10. Frequently lawmakers must vote for legislation with little information on the total costs. And the public is often completely in the dark until later.
11. Subsidies and price fixing cost consumers dearly. Corn subsidies in the United States totaled \$56.2 Billion from 1995-2006, mostly due to what is now seen as economically unsustainable, environmentally damaging ethanol production. In addition, U.S. consumers pay \$1.4 billion per year for inflated sugar costs due to government price fixing. These are but two examples of the massive economic impacts of special interest lobbying and big-government federal policies.
12. Student performance has reached historical lows, yet the Department of Education's budget has increased to \$67.2 billion, including under President Bush. Rather than reaching the classroom, virtually every dollar of these funds fuel nearly 240 federal education bureaucracies, encroaching on local control.

Section 1.1 Principal office. The principal office of the corporation shall be located wherever the business of the corporation may require. The corporation may have such other offices within Colorado as the board of directors may designate or as the business of the corporation may require from time to time.

Section 1.2 Registered Office. The registered office of the corporation required by the laws of the State of Colorado to be maintained in Colorado may be, but need not be, identical with the principal office and the address of the registered office may be changed from time to time by the board of directors.

ARTICLE II. Members

Section 2.1 Members. The corporation shall have members. Any citizen of the United States who supports tax policy reform (in the pursuit of tax policy that makes taxes simpler, less progressive, more transparent, and lower), government spending reduction and spending transparency shall be considered a member. Wherever possible, members shall be regularly advised of the status of their rights, educated on the issue, educated on the voting patterns of their elected officials and positions of candidates for office, and, in general, be encouraged to become active and/or full and vested members.

Section 2.2 Vested Members. The corporation shall have vested members. Vested members are those qualified to be members, as defined in Section 2.1, who contribute a yearly sum to the organization, which sum shall be determined and reevaluated on a regular basis by the board of directors.

ARTICLE III. Board of Directors

Section 3.1 General Powers. The business and affairs of the corporation shall be managed by its board of directors, except as otherwise provided in the Colorado Nonprofit Corporation Act, the articles of incorporation, or these bylaws.

Section 3.2 Number, Tenure and Qualifications. The number of directors of the corporation shall be not less than one (1). The exact numbers of directors shall be determined by resolution adopted by a majority of all directors then in office. Directors shall be elected at the annual meeting of the board of directors by a majority of the expressed votes. Each director shall hold office for a term as designated by the board of directors. A director having three (3) or more consecutive absences from the annual meetings of the board of directors shall be deemed to have resigned as a director.

Directors need not be residents of Colorado. Directors shall be removed in the manner provided by the Colorado Nonprofit Corporation Act.

Section 3.3 Chairman and Vice Chairman. The board of directors shall elect a chairman of the board of directors from among the directors. The term of such chairman shall be for a period of one (1) year or until such time as their respective successors are duly elected and qualified. The chairman of the board of directors shall preside over all meetings of the board of directors, and, in the absence of the chairman of the board of directors, another director of the board of directors shall preside over the meeting.

Section 3.4 Vacancies. Any director may resign at any time by giving written notice to the president or to the secretary of the corporation. Such resignation shall take effect at the time specified therein; and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective. Any vacancy occurring in the board of directors shall be filled by the board of directors at a special meeting called for such purpose. A director elected to fill a vacancy shall be appointed for the unexpired term of his predecessor in office.

Section 3.5 Regular Meetings. A regular meeting of the board of directors shall be held without other notice than this bylaw once a year and shall constitute its annual meeting. The board of directors may provide by resolution the time and place, either within or outside Colorado, for the holding of additional regular meetings without other notice than such resolution.

Section 3.7 Special Meetings. Special meetings of the board of directors may be called by or at the request of the president or any two directors. The person or persons authorized to call special meetings of the board of directors may fix any place, either within or outside Colorado, as the place for holding any special meeting of the board of directors called by them.

Section 3.7 Notice. Notice of any special meeting shall be given at least five (5) days prior to the meeting by written notice delivered personally or mailed to each director at his business address, or by notice given at least two (2) days prior to the meeting by facsimile, e-mail or other similar device. If mailed, such notice shall be deemed to be delivered three (3) days after such notice is deposited in the United States mail so addressed, with postage thereon prepaid. A director waives notice of a regular or special meeting by attending or participating in the meeting unless, at the beginning of the meeting, he objects to the holding of the meeting or the transaction of business at the meeting. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the board of directors need be specified in the notice or waiver of notice of such meeting.

Section 3.8 Quorum. A majority of the number of directors fixed by Section 3.2 of these bylaws shall constitute a quorum for the transaction of business at any meeting of the board of directors, but if less than such majority is present at a meeting, a majority of the directors present may adjourn the meeting from time to time without further notice, for a period not to exceed sixty (60) days at any one adjournment.

Section 3.9 Manner of Acting. The act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the board of directors.

Section 3.10 Compensation. By resolution of the board of directors, any director may be paid any one or more of the following: his expenses, if any, of attendance at meetings; a fixed sum for attendance at each meeting; a stated salary as director; or such other compensation as the corporation and the director may reasonably agree upon. No such payment shall preclude any director from serving the corporation in any other capacity and receiving compensation therefor.

Section 3.11 Presumption of Assent. A director of the corporation who is present at a meeting of the board of directors or committee of the board at which action on any corporate matter is taken shall be presumed to have assented to the action taken unless (i) he objects at the beginning of the meeting to the holding of the meeting or the transaction of business at the meeting; (ii) he contemporaneously requests that his dissent be entered in the minutes of the meeting; or (iii) he gives written notice of his dissent to the presiding officer of the meeting before its adjournment or delivers such dissent by registered mail to the secretary of the corporation immediately after the adjournment of the meeting. Such right to dissent as to a specific action taken at a meeting of the board of directors or a committee of the board shall not be available to a director who voted in favor of such action.

Section 3.12 Committees. The board of directors, by resolution adopted by a majority of the full board of directors, may designate from among its members an executive committee and one or more other committees, each of which, to the extent provided in the resolution, shall have all the authority of the board of directors; except that no such committee shall have the authority to: (i) fill vacancies on the board of directors or any committee thereof; (ii) amend the bylaws; or (iii) approve a plan of merger.

Section 3.13 Advisory Committees. The board of directors, by resolution adopted by a majority of the full board of directors, may appoint advisory committees to the board of directors who, by such appointment, shall not be deemed to be directors, officers or employees of the corporation and whose functions shall not include participation in the operating management of the corporation. Members of the board of directors shall be entitled to serve on advisory committees. The advisory committees shall meet at such times as the board of directors shall determine. If so determined by the board of directors, the members of the advisory committees may be entitled to a fee for attendance at each regular or special meeting of such committees, which fee shall be fixed by resolution of the board of directors. The advisory committee shall consider, advise upon and make recommendations to the board of directors and to the chairman of the board with respect to matters of policy relating to the general conduct of the business of the corporation and with respect to such questions relating to the conduct of the business of the corporation as may be submitted to it by the board of directors or the executive committee. By way of example and not of limitation, the board of directors may appoint a policy and planning committee to advise on fund raising and an investment management committee to advise the corporation on its investment portfolio. The

members of the advisory committee shall hold office at the pleasure of the board of directors. Additional members or members to fill vacancies may be appointed at any regular or special meeting of the board of directors.

**Section 3.14 Telephonic Meetings.** One or more members of the board of directors or any committee designated by the board may participate in a meeting of the board of directors or a committee thereof by means of conference telephone or similar communications equipment by which all persons participating in the meeting can hear one another at the same time. Such participation shall constitute presence in person at the meeting.

**Section 3.15 Standard of Care.** A director shall perform his duties as a director, including his duties as a member of any committee of the board upon which he may serve, in good faith in a manner he reasonably believes to be in the best interests of the corporation, and with such care as an ordinarily prudent person in a like position would use under similar circumstances. In performing his duties, a director shall be entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by the persons herein designated; but he shall not be considered to be acting in good faith if he has knowledge concerning the matter in question that would cause such reliance to be unwarranted. A person who so performs his duties shall not have any liability by reason of being or having been a director of the corporation. The designated persons on whom a director is entitled to rely are: (i) one or more officers or employees of the corporation whom the director reasonably believes to be reliable and competent in the matters presented; (ii) counsel, public accountants, or other persons as to matters which the director reasonably believes to be within such persons' professional or expert competence; or (iii) a committee of the board or an advisory committee upon which the director does not serve, duly designated in accordance with Sections 3.12 or 3.13 of these bylaws, as to matters within its designated authority, which committee the director reasonably believes to merit confidence. No member of the board of directors shall permit his position on the board of directors to create a conflict between his personal business activities and the actions of the corporation.

**Section 3.16 Informal Actions By Directors.** Any action required or permitted to be taken at a meeting of the board of directors or any committee designated by the board may be taken without a meeting if each and every member of the board in writing either:

- (i) Votes for such action; or
- (ii) Votes against such action or abstains from voting and waives the right to demand that a meeting be held.

Action is taken under this Section only if the affirmative vote for such action equals or exceeds the minimum number of votes that would be necessary to take such action at a meeting at which all of the Directors then in office were present and voted. No action taken pursuant to this Section shall be effective unless writings describing the

action taken, signed by all Directors, are received by the corporation. Any such writing may be received by the corporation by electronically transmitted facsimile or other form of wire or wireless communication providing the corporation with a complete copy of the document, including a copy of the signature on the document. Action taken pursuant to this Section shall be effective when the last writing necessary to effect the action is received by the corporation unless the writings describing the action taken set forth a different effective date. Action taken pursuant to this Section has the same effect as action taken at a meeting of Directors and may be described as such in any document. All signed written instruments necessary for any action taken pursuant to this Section shall be filed with the minutes of the Board of Directors.

#### ARTICLE IV. Officers and Agents

Section 4.1 General. The corporation will have such offices as the board of directors may appoint and may consist of a president, one or more vice presidents, a secretary, and a treasurer. The board of directors may also appoint such other offices, assistant officers, committees and agents, including a chairman of the board, assistant secretaries and assistant treasurers, as they may consider necessary, who shall be chosen in such manner and hold their offices for such terms and have such authority and duties as from time to time may be determined by the board of directors. The salaries of all the offices of the corporation shall be fixed by the board of directors. One person may not simultaneously hold the office of president and secretary. In all cases where the duties of any officer, agent or employee are not prescribed by the bylaws or by the board of directors, such officer, agent or employee shall follow the orders and instructions of the president.

Section 4.2 Election and Term of Office. The officers of the corporation shall be appointed annually by the board of directors. Each officer shall hold office until the first of the following occurs: until his successor shall have been duly elected or appointed and shall have qualified; or until his death; or until he shall resign; or until he shall have been removed in the manner hereinafter provided.

Section 4.3 Removal. Any officer or agent may be removed by the board of directors whenever in its judgment the best interest of the corporation would be served thereby, but such removal shall be without prejudice to the contract rights, if any, of the person so removed. Election or appointment of an officer or agent shall not itself create contract rights.

Section 4.4 Vacancies. A vacancy in any office, however occurring, may be filled by the board of directors for the unexpired portion of the term.

Section 4.5 President. Subject to the direction and supervision of the board of directors, the president shall be the chief executive officer of the corporation and shall have general and active control of its affairs and business and general supervision of its offices agents and employees. Unless otherwise directed by the board of directors, the president shall attend in person or by substitute appointed by him, or shall execute on behalf of the

corporation written instruments appointing a proxy or proxies to represent the corporation, at all meetings of the members of any other corporation in which the corporation is a member. He may, on behalf of the corporation, in person or by substitute or by proxy, execute written waivers of notice and consents with respect to any such meetings. At all such meetings and otherwise, the president, in person or by substitute or proxy as aforesaid, may vote for the corporation and may exercise any and all rights and powers incident to such membership, subject however to the instructions, if any, of the board of directors. The president shall have custody of the treasurer's bond, if any.

**Section 4.6 Vice President(s).** The vice president(s) (if the corporation so desires to have more than one) shall assist the president and shall perform such duties as may be assigned to them by the president or by the board of directors. In the absence of the president, the vice president, (or, if there be more than one, the vice presidents in the order designated by the board of directors, or if the board makes no such designation, then the vice president designated by the president, or if neither the board nor the president makes any such designation, the senior vice president as determined by first election to that office), shall have the power and perform the duties of the president.

**Section 4.7 Secretary.** The secretary shall (i) keep the minutes of the proceedings of the executive committees, advisory committees, and the board of directors; (ii) see that all notices are duly given in accordance with the provisions of these bylaws or as required by law; (iii) be custodian of the corporate records; (iv) keep at the corporation's registered office or principal place of business within or outside Colorado a record containing the names and addresses of all directors; and (v) in general, perform all duties incident to the office of secretary and such other duties as from time to time may be assigned to him by the president or by the board of directors. Assistant secretaries, if any, shall have the same duties and powers, subject to supervision by the secretary. The directors may, however, respectively, designate a person other than the secretary or assistant secretary to keep the minutes of their respective meetings.

Any books, records, or minutes of the corporation may be in written form or in any form capable of being converted into written form within a reasonable time.

**Section 4.8 Treasurer.** The treasurer shall be the principal financial officer of the corporation, shall have the care and custody of all funds, securities, evidences of indebtedness and other personal property of the corporation and shall deposit the same in accordance with the instructions of the board of directors. He shall receive and give receipts and acceptances for money paid in on account of the corporation, and shall pay out of the funds on hand all bills, payrolls and other just debts of the corporation of whatever nature upon maturity. He shall perform all other duties incident to the office of the treasurer and, upon request of the board, shall make such reports to it as may be required at any time. He shall, if required by the board, give the corporation a bond in such sums and with such sureties as shall be satisfactory to the board, conditioned upon the faithful performance of his duties and for the restoration to the corporation of all books, papers, vouched money and other property of whatever kind in his possession or under his control belonging to the corporation. He shall have such other powers and perform such other duties as may from time to time be prescribed by the board of

directors or the president. The assistant treasurers, if any, shall have the same powers and duties, subject to the supervision of the treasurer. The treasurer shall also be the principal accounting officer of the corporation. He shall prescribe and maintain the methods and systems of accounting to be followed, keep complete books and records of account, prepare and file all local, state, and federal tax returns, prescribe and maintain an adequate system of internal audit, and prepare and furnish to the president and the board of directors statements of account showing the financial position of the corporation and the results of its operations.

#### ARTICLE V. Indemnification of Certain Persons

Section 5.1 Authority for Indemnification. Any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative, and whether formal or informal, by reason of the fact that he is or was a director, officer, employee, fiduciary or agent of the corporation or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of any foreign or domestic corporation or of any partnership, joint venture, trust, other enterprise or employee benefit plan ("Any Proper Person" or "Proper Person"), shall be indemnified by the corporation against expenses (including attorneys' fees), judgments, penalties, fines, (including any excise tax assessed with respect to an employee benefit plan) and amounts paid in settlement reasonably incurred by him in connection with such action, suit or proceeding if it is determined by the groups set forth in Section 5.4 of these bylaws that he conducted himself in good faith and that he (i) reasonably believed, in the case of conduct in his official capacity with the corporation, that his conduct was in the corporation's best interest, or (ii) in all other cases (except criminal cases) believed that his conduct was at least not opposed to the corporation's best interests, or (iii) with respect to criminal proceedings had no reasonable cause to believe his conduct was unlawful. A person will be deemed to be acting in his official capacity while acting as a director, officer, employee or agent of this corporation and not when he is acting on this corporation's behalf for some other entity.

No indemnification shall be made under this Section 5.1 to a director with respect to any claim, issue or matter in connection with a proceeding by or in the right of a corporation in which the director was adjudged liable to the corporation or in connection with any proceeding charging improper personal benefit to the director, whether or not involving action in his official capacity, in which he was adjudged liable on the basis that personal benefit was improperly received by him. Further, indemnification under this Section 5.1 in connection with a proceeding brought by or in the right of the corporation shall be limited to reasonable expenses, including attorneys' fees, incurred in connection with the proceeding. These limitations shall apply to directors only and not to officers, employees, fiduciaries or agents of the corporation.

Section 5.2 Right to Indemnification. The corporation shall indemnify Any Proper Person who has been wholly successful on the merits or otherwise, in defense of any action, suit, or proceeding referred to in Section 5.1 of these bylaws, against expenses (including attorneys' fees) reasonably incurred by him in connection with the proceeding

without the necessity of any action by the corporation other than the determination in good faith that the defense has been wholly successful.

**Section 5.3 Effect of Termination of Action.** The termination of any action, suit or proceeding by judgment, order, settlement or conviction, or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the person seeking indemnification did not meet the standards of conduct described in Section 5.1 of these bylaws. Entry of a judgment by consent as part of a settlement shall not be deemed an adjudication of liability.

**Section 5.4 Groups Authorized to Make Indemnification Determination.** In all cases, except where there is a right to indemnification as set forth in Section 5.2 of these bylaws or where indemnification is ordered by a court, any indemnification shall be made by the corporation only as authorized in the specific case upon a determination by a proper group that indemnification of the Proper Person is permissible under the circumstances because he has met the applicable standards of conduct set forth in Section 5.1 of these bylaws. This determination shall be made by the board of directors by a majority vote of a quorum, which quorum shall consist of directors not parties to the proceeding ("Quorum"). If a Quorum cannot be obtained, the determination shall be made by a majority vote of a committee of the board of directors designated by the board, which committee shall consist of two or more directors not parties to the proceeding, except that directors who are parties to the proceeding may participate in the designation of directors for the committee. If a Quorum of the board of directors cannot be obtained or the committee cannot be established, or even if a Quorum can be obtained or the committee can be established but such Quorum or committee so directs, the determination shall be made by independent legal counsel selected by a vote of a Quorum of the board of directors or a committee in the manner specified in this Section 5.4 or, if a Quorum of the full board of directors cannot be obtained and a committee cannot be established, by independent legal counsel selected by a majority vote of the full board (including directors who are parties to the action).

**Section 5.5 Court Ordered Indemnification.** Any Proper Person may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction for mandatory indemnification under Section 5.2 of these bylaws, including indemnification for reasonable expenses incurred to obtain court-ordered indemnification. If the court determines that the director is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not he met the standards of conduct set forth in Section 5.1 of these bylaws or was adjudged liable in the proceeding, the court may order such indemnification as the court deems proper, except that if the individual has been adjudged liable, indemnification shall be limited to reasonable expenses incurred.

**Section 5.6 Advance of Expenses.** Expenses (including attorneys' fees) incurred in defending a civil or criminal action, suit or proceeding may be paid by the corporation to Any Proper Person in advance of the final disposition of such action, suit or proceeding upon receipt of (i) a written affirmation of such Proper Person's good faith belief that he

has met the standards of conduct prescribed in Section 5.1 of these bylaws; (ii) a written undertaking, executed personally or on his behalf, to repay such advances if it is ultimately determined that he did not meet the prescribed standards of conduct (the undertaking shall be an unlimited general obligation of the Proper Person but need not be secured and may be accepted without reference to financial ability to make repayment); and (iii) a determination is made by the proper group (as described in Section 5.4 of these bylaws), that the facts as then known to the group would not preclude indemnification.

#### ARTICLE VI. Provision of Insurance

By action of the board of directors, notwithstanding any interest of the directors in the action, the corporation may purchase and maintain insurance, in such scope and amounts as the board of director deems appropriate, on behalf of any person who is or was a director, officer, employee, fiduciary, or agent of the corporation, or who, while a director, officer, employee, fiduciary or agent of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, fiduciary or agent of any other foreign or domestic corporation or of any partnership, joint venture, trust, other enterprise, or employee benefit plan, against any liability asserted against, or incurred by, him in any such capacity or arising out of his status as such, whether or not the corporation would have the power to indemnify him against such liability under the provisions of Article V of these bylaws or applicable law.

#### ARTICLE VII. Miscellaneous

Section 7.1 Waiver of Notice. Whenever notice is required by law, by the articles of incorporation or by these bylaws, a waiver thereof in writing signed by the director or other person entitled to said notice, whether before, at or after the time stated therein, shall be equivalent to such notice.

Section 7.2 Fiscal year. The fiscal year of the corporation shall be as established by the board of directors.

Section 7.3 Amendments. The board of directors shall have power to make, amend and repeal the bylaws of the corporation at any regular or special meeting of the board. The bylaws shall be reviewed by the board for any useful or necessary amendments at least biennially at the regular meeting of the board.

Section 7.4 Gender. The masculine gender is used in these bylaws as a matter of convenience only and shall be interpreted to include the female and neuter genders as the circumstances indicate.

Section 7.5 Conflicts. In the event of any irreconcilable conflict between these bylaws and either the corporation's articles of incorporation or applicable law, the latter shall control.

Section 7.6 Definitions. Except as otherwise specifically provided in these bylaws, all terms used in these bylaws shall have the same definitions as in the Colorado Nonprofit Corporation.

Jeremy was able to install Bulk Mailer.

We were able to get it to print to the Rena so the pressure is off for tomorrow.

He's going to take the Toshiba to the staff house and you can do your thing to it--when all is said and done after you've wiped it can you please make sure it doesn't have Vista. xp or 7 is fine but Vista won't run the rena from our experience.

Then Jeremy will install bulk mailer and we'll see if it can communicate with the Rena--if it does then you can install Word and all that on there--and my PC anywhere and the I disk.

Thanks,  
Allie

PS we're leaving for our trip on Tuesday 4/13 at 3 am.

Thanks for the intros.

A few things I'd like to see more closely incorporated into the mail:

- "pro-constitution conservative" or some variation on that (I changed almost all of the letters to include that)
- anyone who voted for House Bill 2 voted for 900k in planned parenthood spending
- montana has set the tone for nullifying unconstitutional laws with the FFA. I added stuff about protecting montanans from unconst mandates and penalties for such things as Obamacare
- I changed every letter to say that the budget increase was "over 45 percent" or something like that.
- several letters brought up illegal immigration. We're not really worried about the Kanucks.
- we're up to about 45 percent of our budget being federal welfare dollars, even without stimulus
- property reappraisals (which happen every 10 years by the state constitution) are killing people
- RINOs who controlled Judiciary stripped alaska carry out of a gun bill last year, even though it has already passed the house by huge margins and was set to easily pass the senate.

I'll do the following:

- 1) I'll send you a few intro examples
- 2) I'll work with Sarah to incorporate the above and more into a state memo with legislative highlights on the wiki

Thanks.

 Call her to drop her job-killing energy tax.  
 YOU'RE THE SUPPLIER OF HER ENERGY TAX FUNDS. YOU CAN STOP HER.  
 www.westernenergytax.com/CheriJahn

Liberal State Senate candidate Rep. Cheri Jahn voted for a special interest energy tax (HB 1001) forcing you to buy electricity from politically-connected, higher-priced "green" speculators. Not only does her special interest energy tax jack up your utility bills, studies show "green" energy destroys 2.2 jobs for every job she claims it creates. Thousands of Coloradans -- like you -- will lose their jobs under Cheri Jahn's energy tax.

Despite the fact Rep. Cheri Jahn's energy tax will send people like you to the unemployment line, she is still pushing the price hike. Call her and tell her to stop destroying jobs.

State Senator John Morse supports a special interest energy tax hike (HB 1001) that will jack up utility rates by \$2,800.00 [1] and kill 2.2 jobs for every jobs she claims it creates [2].

According to numbers provided by the bill's sponsor, the RES energy tax hike could help send 1,320,000 Coloradans to the unemployment line over the next 20 years[3].

State Sen. John Morse's giveaway to special interests isn't just making it harder for families to make ends meet, it could eliminate 1,320,000 family paychecks altogether.

Exhibit No. 9Date 3-30-09

Testimony of Timothy C. Fox before the Montana Senate Finance and Claims Committee, on  
Bill No. HB3  
House Bill 3

March 30, 2009

Good morning Mr. Chairman and members of the Committee. My name is Tim Fox. I am a Partner with Helena law firm Gough Shanahan Johnson & Waterman.

I appear before you today at the request of my clients, Pastor B.G. Stumberg and Canyon Ferry Road Baptist Church of East Helena, Inc., to ask that the Committee amend House Bill 3 to add a supplemental appropriation for the Commissioner of Political Practices in the amount of \$225,000. Senator Dave Lewis has agreed to sponsor this amendment.

The supplemental appropriation is necessary to pay the attorneys' fees and costs incurred by Pastor Stumberg and his Church in bringing a lawsuit against the Montana Commissioner of Political Practices in U.S. District Court under the Federal Civil Rights Act, specifically 42 U.S.C. Section 1983, and other applicable laws. The lawsuit alleged that Pastor Stumberg's and the Church's constitutional rights were violated when the Commissioner of Political Practices, acting on a complaint brought by a political action committee called "Montanans for Families and Fairness," investigated the Pastor and the Church for allegedly failing to file and report as an incidental political committee during the petition signature drive to place a constitutional initiative, CI-96, commonly referred to as the "Montana Marriage Amendment," on the ballot in 2004.

The Commissioner eventually ruled that the Pastor and Church had violated Montana campaign finance laws by not filing as an incidental political committee, and by not reporting its expenditures.

The Pastor and Church filed their lawsuit in June of 2004 with the legal assistance of the Alliance Defense Fund, a Christian law firm based in Scottsdale, Arizona, and my law firm. The Commissioner, through the Montana Department of Justice, defended the lawsuit as they are required to do when Montana laws are challenged in court. After lengthy discovery, briefing, and hearings, the U.S. District Court ruled in the Commissioner's favor in September of 2006. The Pastor and the Church then appealed the decision to the U.S. Court of Appeals for the Ninth Circuit.

On February 26, 2009 after lengthy briefing and oral argument in Seattle last summer, the Ninth Circuit Court issued its opinion finding that the Pastor and Church's First Amendment Free Speech rights and Fourteenth Amendment Due Process rights had been violated when certain Montana statutes and rules were applied by the Commissioner.

Under the applicable Federal laws involved in this lawsuit, specifically 42 U.S.C. Section 1988(b), litigants who prevail on claims under the Civil Rights Act are entitled to petition the Federal Court for reimbursement of attorneys' fees and costs. We have been negotiating the amount of the fees and costs that should be paid by the State with the Department of Justice's Solicitor, Mr. Anthony Johnstone, who represented the Commissioner in the Federal litigation.

In the spirit of compromise, and to save the State some money, we thought it best to bring this matter before the Committee at this time so an appropriation could be made to pay these fees and costs. If an appropriation is not made at this time, the State risks incurring substantial interest charges over time, and additional fees and costs.

My clients have provided itemized fee and cost schedules to the Attorney General's office in furtherance of this request. These schedules were also provided to the Legislative Fiscal Analyst's office along with copies of the Ninth Circuit Court's opinion and the U.S. District Court's judgment in favor of my clients after remand of the case from the Ninth Circuit Court.

I want to thank Mr. Johnstone, Commissioner Unsworth, and the Attorney General's office for acting in good faith and with promptness after receiving short notice of our intent to bring this matter before this Committee. Mr. Johnstone personally reviewed hundreds of pages of fee and cost schedules in just two days and sacrificed this past weekend to advocate for the State's interests.

I am happy to report to the Committee that the parties have reached an agreement to set the fees and costs in this case at \$225,000, which is a substantial reduction in the amount potentially recoverable by my clients if the parties had decided to litigate the amount in the Federal District Court. This settlement is conditioned on the Legislature making this supplemental appropriation in House Bill 3, the Governor signing House Bill 3 with this appropriation, and payment of the sum of \$225,000 as soon as possible, but in any event by no later than July 1, 2009. If the payment is not made by July 1, 2009, my client reserves the right to petition the U.S. District Court for recovery of the full amount of fees and costs it has incurred in the litigation, together with interest and future fees and costs.

If the supplemental appropriation is authorized, the parties would file the necessary papers with the U.S. District Court to stipulate to the agreed payment. The Court would then order that the payment be made. Once the payment is made in full, my client would file the necessary paperwork to reflect that the State's liability for fees and costs has been satisfied.

In closing, my clients respectfully request that the Committee amend House Bill 3 to add a supplemental appropriation for the Commissioner of Political Practices to pay the sum of \$225,000 to Plaintiffs for their fees and costs incurred in the case of Canyon Ferry Road Baptist Church vs. Montana Commissioner of Political Practices.

Thank you for your time and consideration, and I would be happy to attempt to answer any questions you may have. I believe that Mr. Johnstone would like to appear and speak on behalf of the Commissioner and his office.

Respectfully submitted this 30<sup>th</sup> day of March, 2009

Gough, Shanahan, Johnson & Waterman, PLLP

COMES NOW, the Plaintiffs Western Tradition Partnership, Inc. and Champion Painting, Inc., by and through their counsel of record, and for their Complaint against Defendants, allege and state as follows:

**INTRODUCTION**

1. This is a proceeding for declaratory relief under the Uniform Declaratory Judgments Act, § 27-8-101, *et seq.*, MCA, for the purpose of determining the constitutionality of several statutes, or sections thereof, within the Election and Campaign Practices and Criminal

COMPLAINT

Provisions, § 13-35-101, *et. seq.*, MCA. This is also a proceeding under 42 U.S.C. § 1983 to prevent the violation of civil rights under color of state law. Finally, this is a proceeding for a preliminary injunction under § 27-19-101, *et. seq.*, MCA, to immediately prevent the Defendants from restricting the Plaintiffs' constitutional right to engage in lawful political speech.

### **THE PLAINTIFFS**

2. The Plaintiff Western Tradition Partnership, Inc. ("Western Tradition") is a non-profit corporation registered with the Montana Secretary of State and organized under the laws of the State of Colorado.

3. Western Tradition is a grassroots organization dedicated to "Rediscovering America's National Treasures" by promoting responsible natural resource development, private property rights, and multiple use of and access to public lands. One method employed by Western Tradition to promote its agenda is to survey federal, state, county, and local level political candidates, including candidates in Montana, to determine candidates' support or opposition to numerous issues. These issues include, but are not limited to, learning about candidates' positions on sponsoring free market solutions on energy, land, and water issues, lowering utility costs, thinning dying forests to prevent fire and provide jobs, and reforming the legal process to prevent frivolous lawsuits by certain groups. The results of the survey are then reported to its members, including members in Montana, through polling, direct mail, and phone campaigns, in order to educate members about the candidates' positions. If it could, Western Tradition would also use corporate funds to engage in polling, direct mail, advertising, and phone campaigns that publicly support or oppose candidates. Furthermore, Western Tradition would not only communicate its support or opposition of candidates to its Montana members, but also to voters in the general public. Such corporate funds would be used before the June 8, 2010 primary election and the November 2, 2010 general election.

4. The Plaintiff Champion Painting, Inc. ("Champion Painting") is a for-profit close corporation organized under the laws of the State of Montana. Its principal place of business is in Bozeman, Montana.

5. Champion Painting's activities consist of providing painting services to individuals and businesses. The business is owned and managed by Ken Champion. Mr. Champion is politically active in supporting and opposing political candidates and issues on both the local and state level. He has been and continues to be an active member of the Gallatin County Campaign for Liberty, which advocates the return of the constitutional republic. He has also been and continues to be a member of the Bozeman Tea Party, which, among other things, seeks to educate the public about the consequences of unrestrained government spending. In addition to these issues, as a small business owner Mr. Champion is also concerned with the way inflation, taxation, and spending are exploiting, impacting, and bankrupting America and Montana's small businesses. Thus, Champion Painting intends to spend corporate funds to educate the citizens of Montana and Bozeman about political candidates and ballot issues that will either positively or negatively impact Montana's small businesses, and Champion Painting intends to publicly support or oppose candidates and issues relating to Montana's small businesses. The corporate funds will be spent to purchase TV spots and radio advertisements, and to create and distribute brochures and fliers before the June 8, 2010 primary election and the November 2, 2010 general election.

## THE UNCONSTITUTIONAL RESTRICTION ON POLITICAL SPEECH

6. Section 13-35-227, MCA, prohibits the Plaintiffs from expending corporate funds to engage in political speech, and it subjects the Plaintiffs to civil penalties if they do. The statute reads:

- (1) A corporation may not make a contribution or **an expenditure in connection with a candidate or a political committee that supports or opposes a candidate or a political party.**
- (2) A person, candidate, or political committee may not accept or receive a corporate contribution described in subsection (1).
- (3) This section does not prohibit the establishment or administration of a separate, segregated fund to be used for making political contributions or expenditures if the fund consists only of voluntary contributions solicited from an individual who is a shareholder, employee, or member of the corporation.
- (4) A person who violates this section is **subject to the civil penalty** provision of 13-37-128.

(Emphasis added.)

7. An "expenditure" is defined in § 13-1-101(11), MCA, as follows:

- (a) "Expenditure" means a purchase, payment, distribution, loan, advance, promise, pledge, or gift of money or anything of value made for the purpose of influencing the results of an election.
- (b) "Expenditure" does not mean:
  - (i) services, food, or lodging provided in a manner that they are not contributions under subsection (7);
  - (ii) payments by a candidate for a filing fee or for personal travel expenses, food, clothing, lodging, or personal necessities for the candidate and the candidate's family;
  - (iii) the cost of any bona fide news story, commentary, or editorial distributed through the facilities of any broadcasting station, newspaper, magazine, or other periodical publication of general circulation; or

(iv) the cost of any communication by any membership organization or corporation to its members or stockholders or employees.

8. Pursuant to Administrative Rules of Montana, Rule 44.10.323(3), "expenditure" also includes an "independent expenditure," which is defined as:

"Independent expenditure" means an expenditure for communications expressly advocating the success or defeat of a candidate or ballot issue which is not made with the cooperation or prior consent of or in consultation with, or at the request or suggestion of, a candidate or political committee or an agent of a candidate or political committee. An independent expenditure shall be reported as provided in ARM 44.10.531.

9. An "election" extends to "a general, regular, special, or primary election held pursuant to the requirements of state law, regardless of the time or purpose." § 13-1-101(8), MCA.

10. "'Person' means an individual, corporation, association, firm, partnership, cooperative, committee, club, union, or other organization or group of individuals or a candidate as defined in subsection (6)." § 13-1-101(20), MCA.

11. The relevant portion of the penalty provision set forth in § 13-37-128 reads:

(2) A person who makes or receives a contribution or expenditure in violation of 13-35-227, 13-35-228, or this chapter or who violates 13-35-226 is liable in a civil action brought by the commissioner or a county attorney pursuant to the provisions outlined in 13-37-124 and 13-37-125 for an amount up to \$500 or three times the amount of the unlawful contribution or expenditure, whichever is greater.

12. The prohibition against corporate expenditures to support or oppose a candidate or political party as set forth § 13-35-227(1), MCA, violates Article II, § 7 of the Constitution of the State of Montana, and the First Amendment of the Constitution of the United States of America, in that it abridges the Plaintiffs' freedom to engage in political speech. Therefore, the prohibition against corporate expenditures as set forth in § 13-35-227(1), MCA, is illegal,

unconstitutional, and without force of law.

**THE DEFENDANTS**

13. Pursuant to § 13-37-125, MCA, and § 13-37-128, MCA, the Attorney General, by and through the county attorneys under his supervision, is one of the state officers charged with the enforcement and administration of § 13-35-227, MCA. Therefore, the Attorney General has an interest in this proceeding and the issues herein involved.

14. The Attorney General has expressed his intent to use his power under § 13-37-128, MCA, to enforce § 13-35-227(1), MCA, against corporations who make such expenditures.

15. Pursuant to § 13-37-111, MCA, and § 13-37-128, MCA, the Commissioner is one of the state officers charged with investigating and enforcing § 13-35-227, MCA. Pursuant to § 13-37-113, MCA, the Commissioner may also retain attorneys to prosecute alleged violations of § 13-35-227, MCA. Therefore, the Commissioner has an interest in this proceeding and the issues herein involved.

## COUNT 1

### (Declaratory Judgment, § 27-8-101, et. seq., MCA)

19. The Plaintiffs re-allege all paragraphs within this Complaint and incorporate the same by reference as if repeated in their entirety.

20. Pursuant to the Uniform Declaratory Judgments Act, § 27-8-101, *et seq.*, MCA, the Plaintiffs seek to determine the rights, status, and other legal relations between the parties under § 13-35-227(1), MCA, and other applicable law and administrative rules.

21. Article II, § 7 of the Constitution of the State of Montana states in part, "No law shall be passed impairing the freedom of speech or expression. Every person shall be free to speak or publish whatever he will on any subject."

22. The First Amendment to the Constitution of the United States of America states, "Congress shall make no law respecting the establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people to peaceably assemble, and to petition the Government for a redress of grievances."

23. "Speech" includes political speech. In fact, laws that burden political speech are subject to strict scrutiny, which requires the Defendants to prove that the restriction furthers a compelling state interest and is narrowly tailored to achieve that interest.

24. The laws protecting political speech extend to corporations: "[P]olitical speech does not lose its First Amendment protection 'simply because its source is a corporation.'" Citizens United v. Federal Election Commission, \_\_\_ S.Ct. \_\_\_, 2010 WL 183856, \*20 (citations omitted).

25. § 13-35-227(1), MCA, infringes upon the Plaintiffs' political speech freedoms under both the Montana and United States Constitution because § 13-35-227(1), MCA, prohibits the Plaintiffs (and, in fact, all corporations) from making expenditures that support or oppose a

political candidate or political committee, thereby limiting and restricting the Plaintiffs' ability to engage in political speech. The statute does not prohibit persons other than corporations (such as individuals, unincorporated businesses, unions, or the media) from making the same expenditures and thereby engaging in political speech.

26. § 13-35-227(1), MCA, treats corporations different from other persons, thereby resulting in the State of Montana's use of its full power to command where and from what source people get their information. This is nothing more than unlawful censorship.

27. The State of Montana does not have a compelling governmental interest for infringing on the Plaintiffs' lawful political speech freedoms, and § 13-35-227(1), MCA, is not narrowly tailored to achieve a compelling state interest.

28. The Plaintiff prays for relief as set forth in the Prayer For Relief, below.

## COUNT 2

(42 U.S.C. § 1983)

29. The Plaintiffs re-allege all paragraphs within this Complaint and incorporate the same by reference as if repeated in their entirety.

30. At all times relevant herein, the conduct of the Defendants was subject to Title 42, United States Code, § 1983, et. seq., which states:

Every person who under color of any statute, ordinance, regulation, custom, or usage, of any State or Territory or the District of Columbia, subjects, or causes to be subjected, any citizen of the United States or other person within the jurisdiction thereof to the deprivation of any rights, privileges, or immunities secured by the Constitution and laws, shall be liable to the party injured in an action at law, Suit in equity, or other proper proceeding for redress, except that in any action brought against a judicial officer for an act or omission taken in such officer's judicial capacity, injunctive relief shall not be granted unless a declaratory decree was violated or declaratory relief was unavailable. For the purposes of this section, any Act of Congress applicable exclusively to the District of Columbia shall be considered to be a statute of the District of Columbia.

31. The Defendants' enforcement of § 13-35-227(1), MCA, is a deprivation of the Plaintiffs' rights under the First and Fourteenth Amendments of the United States Constitution and is imposed under the color of state law in violation of Title 42, United States Code, § 1983, et seq.

32. The Plaintiffs have been damaged as a result of their inability to engage in political speech through the use of corporate expenditures; and they will continue to be damaged by the enforcement of § 13-35-227(1), MCA.

33. The Plaintiffs pray for relief as set forth in the Prayer For Relief, below.

### COUNT 3

#### (Preliminary Injunction, § 27-19-101, et. seq. MCA)

34. The Plaintiffs re-allege all paragraphs within this Complaint and incorporate the same by reference as if repeated in their entirety.

35. The Plaintiffs are materially and adversely affected by § 13-35-227(1), MCA, since they cannot speak out on candidates or issues affecting citizens of America and residents of Montana without fear of being penalized by the State of Montana through the enforcement of § 13-35-227(1), MCA, and § 13-37-128, MCA.

36. Plaintiffs will not be allowed to exercise their constitutional right to engage in political speech and will suffer irreparable injury and loss unless the enforcement of § 13-35-227(1), MCA, and § 13-37-128, MCA are restrained pending final adjudication and determination of the matters and issues of the matters herein set forth. Plaintiffs have no adequate remedy other than by obtaining injunctive relief.

37. The Plaintiffs pray for relief as set forth in the Prayer for Relief, below.

**PRAYER FOR RELIEF**

WHEREFORE, the Plaintiffs demand judgment against the Defendants as follows:

a. For an order pursuant to § 27-19-201, MCA, restraining and enjoining the Defendants and each of them, their agents and servants (including, but not limited to, the county attorneys) from exercising any of the powers, rights, or duties respecting the ban against corporate expenditures as set forth in § 13-35-227(1), MCA, including, but not limited to, using § 13-37-128 to enforce such a ban against corporate expenditures, pending the final determination of the issues stated herein;

b. For a judgment declaring that the prohibition against corporate expenditures as set forth in § 13-35-227(1), MCA, violates Article II, § 7, of the Constitution of the State of Montana and the First Amendment of the United States Constitution, and is illegal, unconstitutional, and without the force of law; and for attorney fees and other supplemental relief under § 27-8-313, MCA, that is necessary and proper;

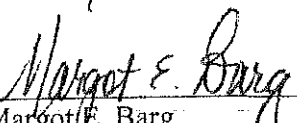

c. For a judgment declaring that the Plaintiffs are not required to comply with the ban against corporate expenditures found in § 13-35-227(1), MCA, since the ban is illegal, unconstitutional, and unenforceable;

d. For a judgment in favor of the Plaintiffs on their claim under 42 U.S.C. § 1983; and for actual, general, special, compensatory damages in an amount to be determined, plus the costs of this action, including attorney fees and costs;

e. For damages, costs, and attorney fees as allowed by law or equity;

f. For any other further relief deemed just and proper by the Court.

Respectfully Submitted this 5<sup>th</sup> day of March, 2010.

Notice Concerning

*Citizens United v. Federal Election Commission*

On January 21, 2010, the United States Supreme Court invalidated a federal law which prohibited corporations and unions from using corporate funds to make independent expenditures advocating the election or defeat of a federal candidate.

The Court upheld disclosure and disclaimer requirements for independent expenditures.

The case did not address the prohibition on corporate contributions to federal candidates, campaign committees, or political parties.

Montana law (§ 13-35-227, MCA) prohibits corporate campaign contributions and independent expenditures from corporate funds in state campaigns. Montana law allows contributions and expenditures from segregated funds (or PACs) consisting of voluntary contributions from corporate shareholders, employees, and members.

Montana's law has not been challenged and remains in effect.

Find out at [<<LNAME>>Family](http://www.MorseEnergyTax.com/)

State Senator John Morse voted for a special interest energy tax hike (HB 1001) that could jack up your utility costs by anywhere from \$2,002.52 to \$20,025.20 over four years.

HB 1001 forces your utility company to buy your electricity from politically connected -- and more expensive -- "green" speculators. Senator Morse voted to bail them out of their risky investments by raiding your family budget to the tune of thousands.

Can you photoshop this woman's face over Trump's? Basically I want her face on Trump's body and hair.

FOR IMMEDIATE RELEASE

WTP files suit to protect free speech in Montana  
Citizens' lobby and small businessman seek to overturn political speech ban

BOZEMAN, MT – Citing a Supreme Court decision upholding Americans' First Amendment rights, Western Tradition Partnership (WTP) and a local employer filed suit Friday in Montana state court seeking to overturn state laws prohibiting political speech by employers.

WTP and Bozeman small business Champion Painting filed the suit in state district court in Helena Mar. 5.

With rising spending, taxes and regulation threatening his business, Champion Painting owner Ken Champion would like to use his business' financial resources to exercise First Amendment rights. Montana state code (Title 13, Chapter 35) prohibits a corporation from "mak(ing) a contribution or an expenditure in connection with a candidate or a political committee that supports or opposes a candidate or a political party" unless it gets permission from the state through the establishment of a segregated fund.

"Just as you do not lose your right to religious expression when you freely assemble as a church, you do not lose your right to political expression when you assemble with others under a corporation. Speaking out about issues of taxation and regulation that threaten employers are central to creating jobs and prosperity," said Donny Ferguson, WTP Director of Media and Public Relations. "Our republic and democratic process are only healthy when all sides can speak freely. One side of the argument, namely government officials, should not have a legally-enforced monopoly on speech."

The plaintiffs are represented by Margot Barg of Bozeman's Wittich Law Firm. Attorney General Steve Bullock and Political Practices Commissioner Dennis Unsworth are named as defendants.

The suit comes after the U.S. Supreme Court upheld First Amendment protections in a suit brought by the non-profit group Citizens United. The group was threatened by the Federal Election Commission with prosecution for distributing a movie, funded with corporate contributions, about former First Lady and New York Senator Hillary Clinton. The federal government admitted in court that laws prohibiting corporate expenditures on political speech could be used to go so far as to ban books if they contain a mention of an individual who later became a candidate for public office.

WTP is a fast-growing, Denver-based, grassroots-supported non-profit organization advocating rational, responsible natural resource development and land use policy.

# NORTHERN KENTUCKY RIGHT TO LIFE 2010 ELECTION CANDIDATE QUESTIONNAIRE

Pursuant to our long-standing policy of bringing to the public the views (and records) of candidates for public office, on these crucial "Life" issues, NKRTL sent questionnaires to candidates seeking office in the primary election of May 18, 2010. After furnishing them detailed information concerning the issues, NKRTL advised them that their response (or the fact of their non-response, which could only be interpreted as unfavorable in that they either oppose its positions or are disinterested in these vital issues) would be published.

All need to consider the following three realities:

Q: HOW IS THE KILLING MACHINE KEPT IN PLACE? ANSWER: BY LAWS.

Q: WHO KEEPS THOSE KILLING LAWS IN PLACE? ANSWER: PUBLIC OFFICIALS, ELECTED AND APPOINTED.

Q: HOW THEN CAN ONE, WHO PUTS IN OFFICE OFFICIALS WHO KEEP THE KILLING GOING, CLAIM TO BE PRO-LIFE?  
ANSWER: THEY CAN'T.

**ACTIONS DO HAVE CONSEQUENCES! WHAT WE DO IS A BETTER GUIDE TO WHO WE ARE AND WHAT WE BELIEVE THAN WHAT WE SAY!**

1. Will you actively support (and if in a position to do so, sponsor and vote for) a mandatory Human Life Amendment to the U.S. Constitution and to the Kentucky Constitution, which would codify the personhood of an unborn child from the moment of fertilization, and which would hold that all innocent human beings have the same right to life, from fertilization until natural death?
2. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which will make it a criminal offense to perform, to assist with, or to pay for an abortion on another (such legislation would not prohibit those necessary medical procedures required to prevent the death of the mother who is suffering from a physical pathology such as ectopic pregnancy or cancerous uterus)?
3. Will you actively support (and if in a position to do so, sponsor and vote for) legislation preventing: (a) the use of tissue and organs from deliberately aborted children; (b) the use or destruction of live embryos for the purpose of extracting stem cells, for transplants or medical experimentations; (c) human cloning, whether for the purpose of development and bringing to full term a new human being, or for the purpose of development of a new human being for experimentation, or for the purpose of obtaining body parts or stem cells; and (d) the public funding of any of these activities?
4. Will you actively oppose (and if in a position to do so, work against and vote against) legislation mandating health insurance coverage of abortion (both surgical and chemical) and contraception?
5. Will you actively oppose (and if in a position to do so, work against and vote against) any legislation which would allow the withdrawal from an infant, incompetent, or comatose person of food and water, regardless of how the food or water is provided (except in the case where death is imminent and the patient cannot assimilate food or water)?
6. Will you actively oppose (and if in a position to do so, vote against) any legislation, administrative regulations, or initiatives of any type, which would decriminalize assisting or abetting someone in killing themselves (often referred to as "assisted suicide")?
7. Will you actively support (and if in a position to do so, sponsor and vote for) legislation requiring that the same medical treatment and the same standard of medical care be provided handicapped persons, and that the decisions of whether to treat a handicapped person must be made on strictly medical grounds and not on speculations about the person's future "quality of life"?
8. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which prohibits all use of local, state, federal, and/or Medicare or Medicaid funds for abortion (including chemical abortions, such as RU-486, or the so-called "morning-after pill," Norplant, Depo Provera, or the so-called "standard birth control pill")?
9. If there should come before you the question of appointment or confirmation of an individual to any board, agency, committee, etc., which does or could perform, counsel, refer, or fund abortion (including chemical abortions, such as RU-486, and the so-called "morning-after pill," Norplant, Depo Provera, and the so-called "standard birth control pill"), will you nominate or confirm only individuals (1) who refuse to perform, counsel, refer, or fund any surgical or chemical abortion and (2) who refuse to support, vote for, or fund any government or private agency that would perform, counsel, refer, or fund any surgical or chemical abortion?
10. If you become involved in the legislative process, would you take the initiative to compel a recorded vote on all Pro-Life legislation, whether by discharge petition or whatever other parliamentary practice is available?
11. Will you refuse to support in any manner a candidate for any public office, who publicly states acceptance of the current status of legalized abortion, or who fails to disclose his position on the issue of abortion, or who has, as a public official, a record of support for abortion or of failing to oppose it, or who supports any of the above anti-life activities?

The results appear below (the Pro-Life response is "yes" to all questions):

The longstanding policy of NKRTL-PAC regarding candidates for public office is clear, and consistent:

1. We send to each candidate a list of questions comprehensively covering the core sanctity of all innocent human life issues, with a detailed explanatory cover letter, explaining NKRTL's position regarding each issue, and the reasons and authoritative citations for such positions.
2. We explain that we will faithfully publish the candidate's responses, or non-responses, reserving the right to make an endorsement, or recommendation, or take no formal action at all.
3. We advise the candidates that a non-response can only be interpreted as unfavorable in that they either oppose the Pro-Life positions, or are disinterested in these vital issues.
4. We publish as much as we know about the public record and statements of the candidates on these vital issues.
5. We never endorse a candidate unless his or her answers are 100 percent Pro-Life.
6. We sometimes make a recommendation of a candidate, after a full disclosure of his positions, if his responses are not 100 percent Pro-Life but stand him materially above the other candidates who have answered the questionnaire.

Based upon these criteria, NKRTL-PAC publishes its conclusions and comments regarding the candidates in this May 18, 2010, primary election in Kentucky.

**Northern Kentucky Right to Life Political Action Committee** has issued **Endorsements and/or Recommendations** of some candidates in the upcoming primary election of **May 18, 2010**. These are based not only on the stated public positions of the candidates, including their answers to NKRTL's questionnaire, but also their past public records: Based upon the firm belief that what one has done is entitled to significantly more consideration than what one says ("By their fruits, ye shall know them ..." Matthew 7:16), NKRTL undertakes herein to publish what it knows of the public record of these candidates, whether they are incumbents or those seeking office for the first time.

The gravity of the surgical slaughter of 4,400 innocent children each day – one every 20 seconds – and the even greater number of chemical abortions -- demands that we ask of every citizen, particularly those aspiring to public office: "What are you doing to stop the killing?"

If a candidate supported terrorism, would you bother to ask him where he stands on other issues???

NKRTL-PAC does not necessarily make Endorsements and/or Recommendations in every race.

NKRTL must point out to the reader that some candidates take it upon themselves to modify our questions, thereby failing to answer them specifically, and indeed making exceptions of their own, while simultaneously attempting to answer "yes," to attempt to present a Pro-Life position. Since the candidate has not answered "no," and their response cannot be truly reported as "yes" after they have modified or imposed conditions of their own, NKRTL has appropriately reported those evasive answers with an asterisk (\*). Some other candidates decline to answer the questions, instead making a narrative response, which in fact evades answers to specific, clear questions. These questions have been carefully formulated over 30 years of serious study and are clearly capable of a "Yes" or "No" answer, rather than evasive and non-responsive ramblings which deprive the voter of information regarding the candidate's exact position on specific issues.

#### U.S. SENATE

NKRTL-PAC endorses in the Democratic primary race **James Buckmaster, M.D. (D)**, based upon his 100 percent Pro-Life answers to the questionnaire.

Based upon his 100 percent Pro-Life answers to the questionnaire, NKRTL-PAC endorses in the Republican primary **Rand Paul, M.D. (R)**. Because there have been published certain allegations by his opponent Mr. Grayson, challenging the commitment of Dr. Paul to clear principles of the Right to Life movement, NKRTL's Executive Committee, President **Robert C. Cetrulo**, Vice President **Fred H. Summe**, and Dr. **Arthur M. Kunath**, conducted a lengthy personal interview with Dr. Paul regarding these issues. While Dr. Paul is open to all avenues of redress against the horror of abortion, including state legislation, federal legislation, and judicial appeals, he is committed, without qualification, to support a mandatory personhood human life amendment to the U.S. Constitution, which would establish the unborn child as a person entitled to constitutional protection of the right to life. He is likewise committed to opposition, without exception, of any public funding of chemical abortifacients, however described, and to any legislation which would mandate health insurance coverage of either surgical or chemical abortion as well as contraception.

**John Stephenson (R)** made 100 percent Pro-Life answers to the questionnaire, but has been found to have made past political donations to pro-abortion candidates.

The importance of this particular race is magnified because its winner will replace **Senator Jim Bunning (R)** of Ft. Thomas, Kentucky, who never wavered in his Pro-Life voting commitment during 12 years in the U.S. Senate and multiple terms in the U.S. House of Representatives and in the Kentucky State Senate. He will be missed, as he retires from elected office.

#### U.S. HOUSE OF REPRESENTATIVES

##### U.S. REPRESENTATIVE - 4<sup>TH</sup> DISTRICT

NKRTL-PAC endorses incumbent Congressman **Geoff Davis (R)**, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon his 100 percent Pro-Life voting record in Congress.

##### U.S. REPRESENTATIVE - 6<sup>TH</sup> DISTRICT

NKRTL-PAC endorses in the Republican primary **Perry Wilson Barnes (R)**, **John T. Kemper III (R)**, **Matt Lockett (R)**, and **George Pendergrass (R)**, based upon their 100 percent Pro-Life answers to the questionnaire.

#### STATE SENATE AND HOUSE OF REPRESENTATIVES

##### STATE SENATOR - 24<sup>TH</sup> DISTRICT

NKRTL-PAC endorses incumbent State Senator **Katie Kratz Stine (R)** for reelection to the State Senate, based not only upon her 100 percent Pro-Life answers to the questionnaire, but also upon her 100 percent Pro-Life voting record in the state legislature.

##### STATE REPRESENTATIVE - 60<sup>TH</sup> DISTRICT

NKRTL-PAC endorses for reelection incumbent State Representative Sal Santoro (R), based not only upon his Pro-Life responses to the questionnaire, but also upon his 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 62<sup>nd</sup> DISTRICT**

NKRTL-PAC endorses both Ricky Hostetler (R) and Ryan Quarles (R) in their primary election, based upon their Pro-Life responses to the questionnaire.

**STATE REPRESENTATIVE - 63<sup>rd</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Alecia Webb-Edgington (R), based not only upon her Pro-Life responses to the questionnaire, but also upon her 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 64<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Thomas Robert Kerr (R), based not only upon his 100 percent Pro-Life responses to the questionnaire, but also upon his 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 66<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Addia Kathryn Wuchner (R), based not only upon her Pro-Life responses to the questionnaire, but also upon her 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 68<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Joseph M. Fischer (R), based not only upon his Pro-Life responses to the questionnaire, but also upon his 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 69<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses Brett Gaspard (R) for election in his primary race, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon a long and active record of activity in the Pro-Life movement.

We would be remiss also if we did not point out that his opponent, Rep. Adam Koenig (R), the incumbent, broke his promise made to us on questionnaires that he would not support chemical abortion, and then did so as a member of the Kenton County Fiscal Court, and also went back on his word to give us a hearing before the Fiscal Court, and arbitrarily canceled the hearing, with no notice to NKRTL. Mr. Koenig's record is therefore not only one of pro-abortion, but also one of unreliability in terms of his word.

**STATE REPRESENTATIVE - 78<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses Timothy A. Fairfield (R) for election in his primary race, based upon his 100 percent Pro-Life answers to the questionnaire.

**BOONE COUNTY**

**COUNTY JUDGE-EXECUTIVE**

NKRTL-PAC endorses both Boone County Commissioner Cathy Hudson Flaig (R) and Boone County Judge-Executive Gary W. Moore (R), based not only upon their 100 percent Pro-Life answers to the questionnaire, but also upon their long and consistent Pro-Life record in public office.

**COUNTY COMMISSIONER DISTRICT #1**

NKRTL-PAC endorses both Matthew Joseph Dedden (R) and Steve Smith (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY COMMISSIONER DISTRICT #2**

While both candidates have made 100 percent Pro-Life answers to the questionnaire, Charles Kenner (R) earns the endorsement of NKRTL-PAC based upon his longstanding record of Pro-Life activities.

**COUNTY COMMISSIONER DISTRICT #3**

NKRTL-PAC endorses both Terri Moore (R) and Charlie Walton (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY SHERIFF**

NKRTL-PAC endorses both Michael A. Helmig (R) and Michael Steward (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY CLERK**

NKRTL-PAC endorses both Kenny Brown (R) and Justin Crigler (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY PROPERTY VALUATION ADMINISTRATOR**

NKRTL-PAC endorses both Kenneth R. Hall (R) and Cindy Arlinghaus Rich (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**CAMPBELL COUNTY**

### COUNTY JUDGE-EXECUTIVE

NKRTL-PAC endorses Kevin Sell (R) in his primary election, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon the strong pro-abortion record of his opponent, Steve Pendery (R), who regularly supports for election pro-abortion candidates, and in addition was an outspoken supporter of chemical abortion, as a member of the Northern Kentucky Independent District Health Department Board of Directors.

### COUNTY COMMISSIONER DISTRICT #1

NKRTL-PAC endorses Brian D. Painter (R) in his primary election, based upon his 100 percent Pro-Life answers to the questionnaire.

### COUNTY COMMISSIONER DISTRICT #2

NKRTL-PAC endorses Pete Garrett (R) in his primary election, based upon his 100 percent Pro-Life answers to the questionnaire.

### CIRCUIT COURT CLERK

NKRTL-PAC endorses both Timothy J. Fischer (R) and Taunya Nolan Jack (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

### COUNTY JAILER

NKRTL-PAC endorses both Greg L. Buckler (D) and James T. "Tom" Sparks (R) in their respective primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

## KENTON COUNTY

### COUNTY JUDGE-EXECUTIVE

While Steve Arlinghaus (R) and Scott Kimmich (R) had a somewhat checkered history on the Pro-Life issues several years ago, Arlinghaus has publicly acknowledged his errors, and has committed to a total Pro-Life position in his questionnaire. Dan Moening (R) also gave 100 percent Pro-Life answers to the questionnaire. In light of Mr. Arlinghaus reinforcing his stated position with his Pro-Life activities over the many years, including membership in NKRTL, financial support, and attendance at NKRTL functions, NKRTL-PAC endorses Steve Arlinghaus (R).

### COUNTY COMMISSIONER DISTRICT #2

NKRTL-PAC endorses Jon E. Draud (R). His answers to the questionnaire were not only 100 percent Pro-Life, but he has a strong and long Pro-Life voting record during his service as a member of the Kentucky House of Representatives.

The only other candidate who also answered the questionnaire with 100 percent Pro-Life answers is Pat Von Lehman Dressman (R). Unfortunately, her answers are contradicted by her record. While she answers that she will oppose chemical abortion, she was one of NKRTL's strongest opponents when it fought the chemical abortion fight at the Northern Kentucky Independent District Health Department Board, and she was then a social worker employee under pro-abort Campbell County Judge-Executive Steve Pendery, who named her to the Northern Kentucky Independent District Health Department Board.

### COUNTY ATTORNEY

NKRTL-PAC endorses incumbent County Attorney Garry Edmondson (R) in his primary election, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon his long activity as a member of NKRTL, attending its functions, as well as actively advancing its policies with the county attorneys' association of the State of Kentucky, and indeed siding with NKRTL in its fight to condemn chemical abortifacients at the Northern Kentucky Independent District Health Department Board, even though the then-county judge and fiscal court members were on the other side.

### COUNTY SHERIFF

NKRTL-PAC endorses incumbent Sheriff Chuck L. Korzenborn (R), who has been a longtime active member of NKRTL and has candidly stood up publicly in support of the defense of innocent human life.

### COUNTY CLERK

Although both Republican candidates have responded with 100 percent Pro-Life answers to the questionnaire, NKRTL-PAC endorses incumbent County Clerk Rodney E. Eldridge (R), in light of his public participation in NKRTL functions, his membership in NKRTL, his financial support, his participation in NKRTL's Annual March for Life ad, and his support and attendance at NKRTL's Annual Celebration of Life.

### COUNTY JAILER

NKRTL-PAC endorses incumbent jailer Terry Carl (R), based upon his 100 percent Pro-Life answers to the questionnaire.

### JUDGESHIPS

NKRTL has declined to send its questionnaire to candidates for judicial office because of rulings of the Kentucky State Bar

Association prohibiting such candidates from making announcements which might indicate how they might rule on specific cases of litigation brought before them. However, their past public records are fair areas of commentary, and so NKRTL has sent an inquiry to these candidates inquiring as to any record they might have in terms of specific defense of innocent human life, and invited their responses.

NKRTL-PAC endorses Rick A. Brueggemann, based upon a long and strong and documented record of Pro-Life activities, including membership in NKRTL, support of NKRTL's annual ad standing up for life, attendance at Celebration of Life, lobbying for Pro-Life legislation, and placing a Pro-Life billboard on I-71.

**CAMPBELL FAMILY COURT JUDGE, 17<sup>TH</sup> DISTRICT, 3<sup>RD</sup> DIVISION**

Gayle Hoffman - No response received  
James Kidney - Response received  
Richard A. Woeste - Response received

NKRTL-PAC endorses Richard A. Woeste, based upon a long and consistent dedicated record of support of Pro-Life activities, including support of NKRTL's annual ad, and in addition Mr. Woeste's volunteered legal talents in Pro-Life litigation in which NKRTL has been involved, as well as his attendance, together with his family, at many of the national Marches for Life in Washington, D.C., which march takes place each January, and his attendance regularly at NKRTL's Annual Celebration of Life programs.

OK. Who's applying, you? I don't mind if its me, other than not there to sign...

...And after discussing with allie, I think it's WAY better than trying to use her old man's place.

Let's go for it on a month to month. And let's only apply for whomever has to (which I suppose is either just donny, or me and donny).

Hello,

We're not doing Nicholson.

Not sure of the schedule. I'll have Joe send that to you. The PURLs say Family.

Just let me know as soon as content and video scripts are available for these three candidates.. their sites are kinda ready to rock and roll. So I guess, I will need this information for all three:

- When the mailings will be dropping/when the sites absolutely need to be finished.
- What kind of content/video scrips/phone numbers you want on each.
- "Resources" and PDF's that will be available for each candidate (I assume they are different for each person?)
- How the pURL's will be set up, ex: JohnSmith, SmithFamily, Smith, etc.
- Any custom requests..

That's it I guess. Thanks mang.

To find out how Cheri Jahn's energy tax hurts you, go to  
[www.stopenergytax.com](http://www.stopenergytax.com)

Liberal State Senate candidate Rep. Cheri Jahn voted to force every family to pay massive subsidies to support "green" special interests (HB 1001.) Not only does her special interest energy tax jack up your utility bills, studies show "green" energy destroys 2.2 jobs for every job she claims it creates. Despite the fact Rep. Cheri Jahn's energy tax will send people like you to the unemployment line, she is still pushing the price hike. Call her and tell her to stop destroying jobs.

Hi--for both of you.

I was expecting a 10,000 pc lame duck prospecting peice and a 5000 pc co election prospect peice.

I got a list from andrew of 15,000.

Additionally I need reps or senators or both appeneded to the data and a donor key marked a such on the data.

Finally we're at the shop right now and I'm going to riso the 5,000 letters and then send everyone home until I hear something definitive--so the sooner the better.

Thanks,

Here are the required documents.

Your Customer ID: 9886049

Dear Mr. LeFer,

You have asked us to change the domain provider for [dadvocate.com](http://dadvocate.com)

to

1&1 Internet Inc. (order number: 8503405) and to register the domain in the name of 1&1 Internet, Inc. - <http://1and1.com/contact>, Oneandone Private Registration, 701 Lee Road, Suite 300, US 19087 Chesterbrook as the owner with the responsible registry.

To enable us to carry out this order, we need the written agreement of the current domain owner, Registrant Organization:, or the domain's administrative contact (Admin-C).

Please find an agreement form attached as a .pdf file. Please fill in the necessary information and mail or fax the form back to us. If you are unable to open the .pdf file, this link will enable you to download Acrobat Reader free of charge:

<http://www.adobe.com/products/acrobat/readstep.html>.

**IMPORTANT:** If you are not the domain owner or authorized to use the domain, please pass the form on to the \*Domain owner / Admin-C\* for approval. An additional extract from the WHOIS database, also provided as an attachment, will provide you with these details.

In addition to the completed and signed form, according to ICANN regulations, we also require some proof of identity that the signatory is entitled to enact this change, such as one of the following:

- Valid Passport
- Valid Drivers license

- Military ID
- State/Government issued ID
- Article of Incorporation (Company letterhead, company stamp)
- Birth Certificate
- Notarized statement

Please fax these TWO documents to (610) 560-1501 OR (610) 560-1502 or mail them to the following address:

Chesterbrook, PA 19087

Please note that we can only start the process for change of provider if we have the above information and only if the attached form is used.

Once the form has been received and checked -

1. We will apply to the central registry for a change of registrar to Schlund + Partner AG, 1&1 Internet Inc.'s technology partner, as the relevant ICANN-accredited registrar.

2. Your current registrar will have five (5) days time to check the process. If the transfer is not contested within this period of time, the domain will automatically be transferred to 1&1 Internet Inc. or to Schlund+Partner AG, who will then maintain it.

Important: Many registries and providers enable Domains with a so-called "LOCK" which prevents a transfer. Please make sure that any such LOCK is removed to enable the transfer to be carried out.

3. The necessary updates will be implemented and the domain setup will be completed.

Please ensure that the domain is cancelled with the former provider and note that the registrar cannot be changed for a minimum of 60 days after a transfer or initial registration.

We will provide you with details on the progress of this action. Please contact us if you require any further information.

Hi Christian--

Thanks for sending this. I hope you had a good holiday. I was travelling all of last week, so I apologize for the delayed reply.

We recently prepared a proposed plan for building a dedicated following for the AT Partnership on Facebook, but given your feedback it seems that your priority now is the Institute. We will tweak this proposal to focus on the AT Institute and send over in the near future.

Our wikipedia editor has begun to develop the Partnership's wikipedia page. As you saw and mentioned in an earlier email, other wikipedia editors added information about specific court cases. We are working to add additional positive and neutral information to the entry so that court decisions are not the focus of this entry.

Given the renewed focus of your efforts, would you be interested in developing an additional Wikipedia page for the AT Institute? I will check to see if this can be accommodated within our current budget or if this would involve an additional expenditure. If it does require an additional expense, it would not be very large at all.

As for keywords, our SEO results will begin as soon as you identify a) the keywords that you want to target and b) whether you'd like to promote <http://atoinstitute.org/> or <http://www.americantradition.org/>.

Let me know if you have any questions as you move forward.

Thanks,  
Bennett

- Andrew is our in-house tech guy. When he's in the office he's great, when he's not he's - of limited availability.
- Just FYI, Andrew is effectively off until 1/10, but I should be able to get the passwords and stuff.
- I am off from 1/2 through 1/10 and will not have access to phone and web.

## AT PARTNERSHIP -

- Probably the lower priority (meaning important but less urgent) versus ATI right now.
- Donny Ferguson is the content person for ATP, and Andrew and I should be in the loop for Admin
- We have a new FB page with zero content, but someone (maybe Andrew, maybe me) needs to get the site set up to auto-post blog content to it.
- Has a Twitter page, and our blog posts ARE auto-feeding to it.
- Andrew also needs to get Donny and me the access info.
- Has around 2-3 relevant Google results, almost nothing outside of our properties.

## AT INSTITUTE -

- Probably the higher priority (meaning more urgent) versus ATP. It comes down to us aggressively raising money for ATI, not ATP at this point in the cycle. We have big things happening by mid-January, including a landmark, national-scale lawsuit that will drive a lot of attention.
- Paul Chesser is the content person for ATI, and Andrew and I should be in the loop for Admin
- Website is fully migrated from WTI to ATI at this point
- Is set up with both text and online donations, and has one basic QR code (SEE EMAIL PASTED IN BELOW)
- Does NOT have a FB page, as far as I can tell
- Does not have a Twitter page as far as I know
- Has almost zero Google results (there are 3-4 relevant results, with no negative) - and the top two go to [wtinstitute.org](http://wtinstitute.org), not [at institute.org](http://at institute.org)

I think that covers everything for now. Thanks for taking the time to review this.

- Christian

PS: I realized I owe you a list of keywords. What is dependent on that, and when can we expect the Wiki page?

Also, I'll look out for the FB page. I think our guy Andrew already started a ATP FB page, but if so, should we go with a DAG customized one I can just hand the keys over, right?

Also remember we are going to want to do some of this work (especially the Wiki and social media promotion) for our 501c3 AT Institute as well, and that org won't be bogged down with negative results, we'll just start off with ATI vs. WTI. When ATI launched its study and its lawsuit, both of which should garner national attention, we'll want to be ready. That should occur in mid-January.

Look for the keywords by COB tomorrow.

Thanks Christian. I was actually planning on sending you an update later today.

We are moving ahead with our Wikipedia management as planned. The initial "Western Tradition Partnership" wikipedia entry will be published this week, and we will update that in coming weeks with the new name. As we discussed, we want to delay the name change on Wikipedia to allow the entry to appear as organic as possible.

As for SEO, I wanted to follow up with you about potential keyword selections. <http://www.americantradition.org/> is already fairing well within searches for "american tradition partnership," so SEO engineering of those search results may not be necessary at this time. Are there any other keywords that we should consider for <http://www.americantradition.org/>? The first two that come to mind are "Big Green" and "Gang Green" since these terms are used frequently in your messaging. Let me know if you have any other ideas.

We also discussed a Facebook relaunch for the partnership with the new name and an advertising push to drive initial fan growth. I'm currently working on the plan for this and should have a proposal to you within the next day.

As always, please let me know if anything comes up or if you need anything further from us.

Dear loyal supporter,

I have some big news.

And it sure isn't going to make Al Gore happy.

**WTP is launching American Tradition Partnership (ATP.)**

**Fighting out of Washington, D.C. by way of your community, American Tradition Partnership is the nation's largest, and only grassroots-supported, opponent of Big Green.**

**ATP will soon become THE nation's premiere advocate of property rights and rational environmental policy.**

We will formally announce this new project on Bill of Rights Day, December 15, but I felt you should be the first to know. Together, you and I will fight radical environmentalism on Capitol Hill, and in congressional districts across the country.

You can check out our new website  
at <http://www.americantradition.org>.

For nearly four decades Big Green has had total, unopposed, control of Congress and the federal bureaucracy.

No more.

ATP will fight their Big Government, anti-jobs schemes at every step.

Impose Cap and Tax on Americans by having the unaccountable EPA simply enact it as a regulation?

ATP will be there.

Invent new "global warming" taxes at the command of the UN?

ATP will be there.

Fight FOR a new law stripping federal agencies of their abusive authority to simply make up their own rules and regulations?

ATP will be there.

WTP will still continue to fight radical environmentalists at the state level.

And WTP will still continue to fight in the courts against abusive liberal thugs who want to strip you of your property and First Amendment rights.

I'm about to give you a big update on that one.

But if you think Big Green flipped their wig over the Chamber of Commerce, just wait until they see what ATP has planned.

We will pursue an aggressive agenda on Capitol Hill next year. In fact, I'm just about to head out the door to a meeting at the National Press Club.

In the meantime, here's another big announcement. Our sister organization, American Tradition Institute, has a guest column in today's Washington Times exposing the real agenda of Congressman Fred Upton, the Big Green Republican puppet just picked by Capitol Hill insiders to chair the House Energy and Commerce Committee.

You may read it [here](http://www.washingtontimes.com/news/2010/dec/9/all-lights-on-upton/) or [athttp://www.washingtontimes.com/news/2010/dec/9/all-lights-on-upton/](http://www.washingtontimes.com/news/2010/dec/9/all-lights-on-upton/).

Just as ATP will fight legislative battles on Capitol Hill, ATI will wage the battle of ideas as the nation's premiere property rights and environmental policy think tank.

ATI is headed up by the noted scholar Paul Chesser.

So stayed tuned for more announcements from ATP as we launch an even more aggressive campaign next year to defeat Big Green where it thrives -- in the halls of Congress.

And may I ask you for a favor? You can imagine that changing over many of our operations and preparing a more ambitious federal agenda doesn't come free.

Could I ask you to chip in \$10 to help ATP hit the ground running? Just go [here](https://secure.westerntradition.org/) or to <https://secure.westerntradition.org/>.

Amerian Tradition Partnership, the new project of Western Tradition Partnership, will lead the fight on Capitol Hill to defeat Big Green's still-dangerous, still-aggressive agenda.

I'm looking forward to your continued support as ATP changes the climate on Capitol Hill, clear-cuts support for radical enviro policies and drives Big Green into extinction.

Sincerely,

<image.jpg>

Donald Ferguson

Executive Director

American Tradition Partnership

[www.AmericanTradition.org](http://www.AmericanTradition.org)

**P.S. WTP has a big announcement -- the launch of American Tradition Partnership. Check out our new website at <http://www.AmericanTradition.org>.**

Fighting out of Washington, D.C., ATP will head up an aggressive federal agenda on Capitol Hill -- fighting Obama-backed UN plans for global warming taxes, stopping Obama's promised plan to pass Cap and Tax next year by doing it "in chunks" and stripping the EPA of their authority to impose radical environmental agenda through declaring regulations.

And ATP has a sister organization, the American Tradition Institute think tank, joining us. Read Executive Director Paul Chesser's latest column in The Washington Times [here](http://www.washingtontimes.com/news/2010/dec/9/all-lights-on-upton/) or [at http://www.washingtontimes.com/news/2010/dec/9/all-lights-on-upton/](http://www.washingtontimes.com/news/2010/dec/9/all-lights-on-upton/).

WTP is continuing to fight at the state level, but from now on, you'll mostly be getting updates from ATP.

Thank you for your continued support, and I look forward to you and I taking an even more aggressive fight to Big Green in their Washington, D.C. home base.

I'd like to have a conversation ASAP. A decision has been made to change the name of the group to American Tradition Partnership. We're also doing this with the c3 (Western Tradition Institute, becoming American Tradition Institute) but since that group is just getting off the ground, it's not tainted by negative Google results as yet.

It certainly will be, as soon as we start filing lawsuits and publishing, though.

This decision was solely based upon us becoming less regional and more national, not because of bad press. Actually we are filing suit Monday that will give WTP great press.

We've secured all the ATP/ATI URL's, etc. and are migrating sites and stuff over.

Considering that the cost of the Wiki project and the Google fixing is worth three months of my pay at this point, perhaps we could better spend our efforts getting out in front of that instead of repairing damage to WTP.

I've committed to the expenditure (and will be wiring you money Monday) but thing this is an important strategy that a) warrants a discussion about best use of already committed funds and b) may warrant a discussion about monthly maintenance.

Please call me at your earliest, and if you work on Saturday, just give me a heads-up ahead of time on time of call.

Thanks!

We are sufficiently dug in on this now that i can say yes - we can do it and yes we can split the payments. I would ask this however, are you open to 7,500 now and 7,500 in 2011 to make all parties involved happy (we need to send some of that money to other places...)?

and yes - i will draw up a work order for you, but it is going to be very generic to protect all parties involved.

Well I was sure I had called you, but I checked my phone and so maybe I didn't call you repeatedly - sorry. But I did check my email and I have sent you a lot of emails saying call me, etc, and asking questions. I need a report of what projects are where cause people are calling/emailing me about stuff.

My point is I just want you to call me instead of just me calling you, and especially when we have so much stuff going on.

Allie is not me. Man, we hardly talk about stuff, and we were both riding halfway across the country separately. So that doesn't cover letting me know what is going on.

So here it is: I need a recap of where stuff is at and a phone call every day so we can be on the same page.

When are we going to talk about these projects? Are you in?

On Jun 27, 2011, at 11:42 AM, Ziyonex wrote:

And, just to make sure I wasn't making a mistake, I checked Google Voice and my tracphone number for the 24th. And I have no calls or emails.

I don't even care if you didn't call me on the 24th either, I'm just not going to let you get away with making shit up in this argument.

Allie knew I wasn't coming to Utah.

Yes, that would seem very suspicious, but I would not have put those codes into the sites on purpose. Especially now at this point.

I tested it on three different servers in different configurations. This was because I needed to make sure everyone viewing ATI, no matter what server configuration it was changing to/from, would be redirected. I developed code for ATI, ATP, and GNPS. If that code is on GNPS, I would check to make sure it isn't also on ATP.

Let's not fight over this.

You are doing a good job on some things, but many things Paul brings up, or I do, get left behind. So it's important you check in. I guarantee you that on the whole I call you 4-5 times more often than you call me.

You have been better about letting me know when you are going to be late, etc. but why should you get upset when I tell you I expected you to call me back?

You are making decent money and yet run out of minutes or talk from a crappy Google connection (forgot your phone Thursday); wouldn't that frustrate you if you were me?

And if you were going in to the office like I asked you would ALWAYS have a land line to use.

Christian, I never activated ads, I only designed one ad and canceled it after taking a screen shot. It wasn't even at the saving point. This was back on July 5th. You designed and saved a bunch of ads that looked like they had been clicked.

I don't know when I will have a phone, I probably won't have time to get a new one today. I am feeling very sick, getting strep throat again and had a horrible fever last night. And now I need to clean the house up with no energy.

I will try my best to be around my email today.

I wonder if this was reported to Google. You sold ads, rather than just designing ads, for a poor-quality and unfinished site.

I just look up my account and found we sold 5 clicks for \$3.87.

We need to discuss this, when are you going to have a phone?

(b) forget the charges you owe 1&1, open an account with another provider and then transfer the [taxpayersforliberty.com](http://taxpayersforliberty.com) domain name to that new account.

I just called their support line 1-866-99-1AND1, said I forgot the account number but gave them the [taxpayersforliberty.com](http://taxpayersforliberty.com) domain, and said I was Donny Ferguson. I am pretty sure you can then reactivate everything over the phone.

By then I'll need some content for a first blog post and some of your editing on text on his about page. What other pages should we add to the website? Maybe an issues page? Other than that, the facebook and twitter pages are complete.

### **Full Text Of Newsmax Column Suggesting Military Coup Against Obama**

*Here is the **full** text of John L. Perry's column on Newsmax which suggests that a military coup to "resolve the Obama problem" is becoming more possible and is not "unrealistic." Perry also writes that a coup, while not "ideal," may be preferable to "Obama's radical ideal" -- **and would "restore and defend the Constitution."** Newsmax has since removed the column from its website.*

### **Obama Risks a Domestic Military Intervention**

By: John L. Perry

There is a remote, although gaining, possibility America's military will intervene as a last resort to resolve the "Obama problem." Don't dismiss it as unrealistic.

America isn't the Third World. If a military coup does occur here it will be civilized. That it has never happened doesn't mean it won't. Describing what may be afoot is not to advocate it. So, view the following through military eyes:

# Officers swear to "support and defend the Constitution of the United States against all enemies, foreign and domestic." Unlike enlisted personnel, they do not swear to "obey the orders of the president of the United States."

# Top military officers can see the Constitution they are sworn to defend being trampled as American institutions and enterprises are nationalized.

# They can see that Americans are increasingly alarmed that this nation, under President Barack Obama, may not even be recognizable as America by the 2012 election, in which he will surely seek continuation in office.

# They can see that the economy -- ravaged by deficits, taxes, unemployment, and impending inflation -- is financially reliant on foreign lender governments.

# They can see this president waging undeclared war on the intelligence community, without whose rigorous and independent functions the armed services are rendered blind in an ever-more hostile world overseas and at home.

# They can see the dismantling of defenses against missiles targeted at this nation by avowed enemies, even as America's troop strength is allowed to sag.

# They can see the horror of major warfare erupting simultaneously in two, and possibly three, far-flung theaters before America can react in time.

# They can see the nation's safety and their own military establishments and honor placed in jeopardy as never before.

So, if you are one of those observant military professionals, what do you do?

Wait until this president bungles into losing the war in Afghanistan, and Pakistan's arsenal of nuclear bombs falls into the hands of militant Islam?

Wait until Israel is forced to launch air strikes on Iran's nuclear-bomb plants, and the Middle East explodes, destabilizing or subjugating the Free World?

What happens if the generals Obama sent to win the Afghan war are told by this president (who now says, "I'm not interested in victory") that they will be denied troops they must have to win? Do they follow orders they cannot carry out, consistent with their oath of duty? Do they resign en masse?

Or do they soldier on, hoping the 2010 congressional elections will reverse the situation? Do they dare gamble the national survival on such political whims?

Anyone who imagines that those thoughts are not weighing heavily on the intellect and conscience of America's military leadership is lost in a fool's fog.

Will the day come when patriotic general and flag officers sit down with the president, or with those who control him, and work out the national equivalent of a "family intervention," with some form of limited, shared responsibility?

Imagine a bloodless coup to restore and defend the Constitution through an interim administration that would do the serious business of governing and defending the nation. Skilled, military-trained, nation-builders would replace accountability-challenged, radical-left commissars. Having bonded with his twin teleprompters, the president would be detailed for ceremonial speech-making.

Military intervention is what Obama's exponentially accelerating agenda for "fundamental change" toward a Marxist state is inviting upon America. A coup is not an ideal option, but **Obama's radical ideal is not acceptable or reversible.**

Unthinkable? Then think up an alternative, non-violent solution to the Obama problem. Just don't shrug and say, "We can always worry about that later."

In the 2008 election, that was the wistful, self-indulgent, indifferent reliance on abnegation of personal responsibility that has sunk the nation into this morass.

---

I have never seen any American write something like this about any sitting President. That tells me something about this President and, just how dangerous some perceive his presidency for our Country. Scary!! How did we get in this situation? Who is responsible?

My (Kathy) answer ~ THE AMERICAN PEOPLE!

Wondering if you have Bob Wagner's address? I'd like to get his paypal thing going and I am emailing you before I ask him and Dan Happel. I already checked the Address Book on the iMac.

Thanks

# NORTHERN KENTUCKY RIGHT TO LIFE 2010 ELECTION CANDIDATE QUESTIONNAIRE

Pursuant to our long-standing policy of bringing to the public the views (and records) of candidates for public office, on these crucial "Life" issues, NKRTL sent questionnaires to candidates seeking office in the primary election of May 18, 2010. After furnishing them detailed information concerning the issues, NKRTL advised them that their response (or the fact of their non-response, which could only be interpreted as unfavorable in that they either oppose its positions or are disinterested in these vital issues) would be published.

All need to consider the following three realities:

Q: HOW IS THE KILLING MACHINE KEPT IN PLACE? ANSWER: BY LAWS.

Q: WHO KEEPS THOSE KILLING LAWS IN PLACE? ANSWER: PUBLIC OFFICIALS, ELECTED AND APPOINTED.

Q: HOW THEN CAN ONE, WHO PUTS IN OFFICE OFFICIALS WHO KEEP THE KILLING GOING, CLAIM TO BE PRO-LIFE?  
ANSWER: THEY CAN'T.

ACTIONS DO HAVE CONSEQUENCES! WHAT WE DO IS A BETTER GUIDE TO WHO WE ARE AND WHAT WE BELIEVE THAN WHAT WE SAY!

1. Will you actively support (and if in a position to do so, sponsor and vote for) a mandatory Human Life Amendment to the U.S. Constitution and to the Kentucky Constitution, which would codify the personhood of an unborn child from the moment of death?
2. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which will make it a criminal offense to perform, to assist with, or to pay for an abortion on another (such legislation would not prohibit those necessary medical procedures required to prevent the death of the mother who is suffering from a physical pathology such as ectopic pregnancy or cancerous uterus)?
3. Will you actively support (and if in a position to do so, sponsor and vote for) legislation preventing: (a) the use of tissue and organs from deliberately aborted children; (b) the use or destruction of live embryos for the purpose of extracting stem cells, for transplants or medical experimentations; (c) human cloning, whether for the purpose of development and bringing to full term a new human being, or for the purpose of development of a new human being for experimentation, or for the purpose of obtaining body parts or stem cells; and (d) the public funding of any of these activities?
4. Will you actively oppose (and if in a position to do so, work against and vote against) legislation mandating health insurance coverage of abortion (both surgical and chemical) and contraception?
5. Will you actively oppose (and if in a position to do so, work against and vote against) any legislation which would allow the withdrawal from an infant, incompetent, or comatose person of food and water, regardless of how the food or water is provided (except in the case where death is imminent and the patient cannot assimilate food or water)?
6. Will you actively oppose (and if in a position to do so, vote against) any legislation, administrative regulations, or initiatives of any type, which would decriminalize assisting or abetting someone in killing themselves (often referred to as "assisted suicide")?
7. Will you actively support (and if in a position to do so, sponsor and vote for) legislation requiring that the same medical treatment and the same standard of medical care be provided handicapped persons, and that the decisions of whether to treat a handicapped person must be made on strictly medical grounds and not on speculations about the person's future "quality of life"?
8. Will you actively support (and if in a position to do so, sponsor and vote for) legislation which prohibits all use of local, state, federal, and/or Medicare or Medicaid funds for abortion (including chemical abortions, such as RU-486, or the so-called "morning-after pill," Norplant, Depo Provera, or the so-called "standard birth control pill")?
9. If there should come before you the question of appointment or confirmation of an individual to any board, agency, committee, etc., which does or could perform, counsel, refer, or fund abortion (including chemical abortions, such as RU-486, and the so-called "morning-after pill," Norplant, Depo Provera, and the so-called "standard birth control pill"), will you nominate or confirm only individuals (1) who refuse to perform, counsel, refer, or fund any surgical or chemical abortion and (2) who refuse to support, vote for, or fund any government or private agency that would perform, counsel, refer, or fund any surgical or chemical abortion?
10. If you become involved in the legislative process, would you take the initiative to compel a recorded vote on all Pro-Life legislation, whether by discharge petition or whatever other parliamentary practice is available?
11. Will you refuse to support in any manner a candidate for any public office, who publicly states acceptance of the current status of legalized abortion, or who fails to disclose his position on the issue of abortion, or who has, as a public official, a record of support for abortion or of failing to oppose it, or who supports any of the above anti-life activities?

The results appear below (the Pro-Life response is "yes" to all questions):

## NKRTL-PAC POLICY REGARDING ENDORSEMENTS AND/OR RECOMMENDATIONS

The longstanding policy of NKRTL-PAC regarding candidates for public office is clear, and consistent:

1. We send to each candidate a list of questions comprehensively covering the core sanctity of all innocent human life issues, with a detailed explanatory cover letter, explaining NKRTL's position regarding each issue, and the reasons and authoritative citations for such positions.
2. We explain that we will faithfully publish the candidate's responses, or non-responses, reserving the right to make an endorsement, or recommendation, or take no formal action at all.
3. We advise the candidates that a non-response can only be interpreted as unfavorable in that they either oppose the Pro-Life positions, or are disinterested in these vital issues.
4. We publish as much as we know about the public record and statements of the candidates on these vital issues.
5. We never **endorse** a candidate unless his or her answers are 100 percent Pro-Life.
6. We sometimes make a **recommendation** of a candidate, after a full disclosure of his positions, if his responses are not 100 percent Pro-Life but stand him materially above the other candidates who have answered the questionnaire.

Based upon these criteria, NKRTL-PAC publishes its conclusions and comments regarding the candidates in this May 18, 2010, primary election in Kentucky.

**Northern Kentucky Right to Life Political Action Committee** has issued **Endorsements and/or Recommendations** of some candidates in the **upcoming primary election of May 18, 2010**. These are based not only on the stated public positions of the candidates, including their answers to NKRTL's questionnaire, but also their past public records: Based upon the firm belief that what one has done is entitled to significantly more consideration than what one says ("By their fruits, ye shall know them ..." Matthew 7:16), NKRTL undertakes herein to publish what it knows of the public record of these candidates, whether they are incumbents or those seeking office for the first time.

**The gravity of the surgical slaughter of 4,400 innocent children each day -- one every 20 seconds -- and the even greater number of chemical abortions -- demands that we ask of every citizen, particularly those aspiring to public office: "What are you doing to stop the killing?"**

**If a candidate supported terrorism, would you bother to ask him where he stands on other issues???**

**NKRTL-PAC does not necessarily make Endorsements and/or Recommendations in every race.**

**NKRTL must point out to the reader that some candidates take it upon themselves to modify our questions, thereby failing to answer them specifically, and indeed making exceptions of their own, while simultaneously attempting to answer "yes," to attempt to present a Pro-Life position. Since the candidate has not answered "no," and their response cannot be truly reported as "yes" after they have modified or imposed conditions of their own, NKRTL has appropriately reported those evasive answers with an asterisk (\*). Some other candidates decline to answer the questions, instead making a narrative response, which in fact evades answers to specific, clear questions. These questions have been carefully formulated over 30 years of serious study and are clearly capable of a "Yes" or "No" answer, rather than evasive and non-responsive ramblings which deprive the voter of information regarding the candidate's exact position on specific issues.**

### U.S. SENATE

**NKRTL-PAC endorses in the Democratic primary race James Buckmaster, M.D. (D), based upon his 100 percent Pro-Life answers to the questionnaire.**

Based upon his 100 percent Pro-Life answers to the questionnaire, **NKRTL-PAC endorses in the Republican primary Rand Paul, M.D. (R)**. Because there have been published certain allegations by his opponent Mr. Grayson, challenging the commitment of Dr. Paul to clear principles of the Right to Life movement, **NKRTL's Executive Committee, President Robert C. Cetrulo, Vice President Fred H. Summe, and Dr. Arthur M. Kunath**, conducted a lengthy personal interview with Dr. Paul regarding these issues. While Dr. Paul is open to all avenues of redress against the horror of abortion, including state legislation, federal legislation, and judicial appeals, he is committed, without qualification, to support a mandatory personhood human life amendment to the U.S. Constitution, which would establish the unborn child as a person entitled to constitutional protection of the right to life. He is likewise committed to opposition, without exception, of any public funding of chemical abortifacients, however described, and to any legislation which would mandate health insurance coverage of either surgical or chemical abortion as well as contraception.

**John Stephenson (R)** made 100 percent Pro-Life answers to the questionnaire, but has been found to have made past political donations to pro-abortion candidates.

The importance of this particular race is magnified because its winner will replace **Senator Jim Bunning (R)** of Ft. Thomas, Kentucky, who never wavered in his Pro-Life voting commitment during 12 years in the U.S. Senate and multiple terms in the U.S. House of Representatives and in the Kentucky State Senate. He will be missed, as he retires from elected office.

### U.S. HOUSE OF REPRESENTATIVES

#### U.S. REPRESENTATIVE - 4<sup>TH</sup> DISTRICT

**NKRTL-PAC endorses incumbent Congressman Geoff Davis (R), based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon his 100 percent Pro-Life voting record in Congress.**

#### U.S. REPRESENTATIVE - 6<sup>TH</sup> DISTRICT

**NKRTL-PAC endorses in the Republican primary Perry Wilson Barnes (R), John T. Kemper III (R), Matt Lockett (R), and George Pendergrass (R), based upon their 100 percent Pro-Life answers to the questionnaire.**

### STATE SENATE AND HOUSE OF REPRESENTATIVES

#### STATE SENATOR - 24<sup>TH</sup> DISTRICT

**NKRTL-PAC endorses incumbent State Senator Katie Kratz Stine (R) for reelection to the State Senate, based not only upon her 100 percent Pro-Life answers to the questionnaire, but also upon her 100 percent Pro-Life voting record in the state legislature.**

#### STATE REPRESENTATIVE - 60<sup>TH</sup> DISTRICT

NKRTL-PAC endorses for reelection incumbent State Representative Sal Santoro (R), based not only upon his Pro-Life responses to the questionnaire, but also upon his 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 62<sup>nd</sup> DISTRICT**

NKRTL-PAC endorses both Ricky Hostetler (R) and Ryan Quarles (R) in their primary election, based upon their Pro-Life responses to the questionnaire.

**STATE REPRESENTATIVE - 63<sup>rd</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Alecia Webb-Edgington (R), based not only upon her Pro-Life responses to the questionnaire, but also upon her 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 64<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Thomas Robert Kerr (R), based not only upon his 100 percent Pro-Life responses to the questionnaire, but also upon his 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 66<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Addia Kathryn Wuchner (R), based not only upon her Pro-Life responses to the questionnaire, but also upon her 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 68<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses incumbent State Representative Joseph M. Fischer (R), based not only upon his Pro-Life responses to the questionnaire, but also upon his 100 percent Pro-Life voting record in the state legislature.

**STATE REPRESENTATIVE - 69<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses Brett Gaspard (R) for election in his primary race, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon a long and active record of activity in the Pro-Life movement.

We would be remiss also if we did not point out that his opponent, Rep. Adam Koenig (R), the incumbent, broke his promise made to us on questionnaires that he would not support chemical abortion, and then did so as a member of the Kenton County Fiscal Court, and also went back on his word to give us a hearing before the Fiscal Court, and arbitrarily canceled the hearing, with no notice to NKRTL. Mr. Koenig's record is therefore not only one of pro-abortion, but also one of unreliability in terms of his word.

**STATE REPRESENTATIVE - 78<sup>TH</sup> DISTRICT**

NKRTL-PAC endorses Timothy A. Fairfield (R) for election in his primary race, based upon his 100 percent Pro-Life answers to the questionnaire.

**BOONE COUNTY**

**COUNTY JUDGE-EXECUTIVE**

NKRTL-PAC endorses both Boone County Commissioner Cathy Hudson Flaig (R) and Boone County Judge-Executive Gary W. Moore (R), based not only upon their 100 percent Pro-Life answers to the questionnaire, but also upon their long and consistent Pro-Life record in public office.

**COUNTY COMMISSIONER DISTRICT #1**

NKRTL-PAC endorses both Matthew Joseph Dedden (R) and Steve Smith (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY COMMISSIONER DISTRICT #2**

While both candidates have made 100 percent Pro-Life answers to the questionnaire, Charles Kenner (R) earns the endorsement of NKRTL-PAC based upon his longstanding record of Pro-Life activities.

**COUNTY COMMISSIONER DISTRICT #3**

NKRTL-PAC endorses both Terri Moore (R) and Charlie Walton (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY SHERIFF**

NKRTL-PAC endorses both Michael A. Helmiq (R) and Michael Steward (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY CLERK**

NKRTL-PAC endorses both Kenny Brown (R) and Justin Crigler (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

**COUNTY PROPERTY VALUATION ADMINISTRATOR**

NKRTL-PAC endorses both Kenneth R. Hall (R) and Cindy Arlinghaus Rich (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

### COUNTY JUDGE-EXECUTIVE

NKRTL-PAC endorses Kevin Sell (R) in his primary election, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon the strong pro-abortion record of his opponent, Steve Pendery (R), who regularly supports for election pro-abortion candidates, and in addition was an outspoken supporter of chemical abortion, as a member of the Northern Kentucky Independent District Health Department Board of Directors.

### COUNTY COMMISSIONER DISTRICT #1

NKRTL-PAC endorses Brian D. Painter (R) in his primary election, based upon his 100 percent Pro-Life answers to the questionnaire.

### COUNTY COMMISSIONER DISTRICT #2

NKRTL-PAC endorses Pete Garrett (R) in his primary election, based upon his 100 percent Pro-Life answers to the questionnaire.

### CIRCUIT COURT CLERK

NKRTL-PAC endorses both Timothy J. Fischer (R) and Taunya Nolan Jack (R) in their primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

### COUNTY JAILER

NKRTL-PAC endorses both Greg L. Buckler (D) and James T. "Tom" Sparks (R) in their respective primary election, based upon their 100 percent Pro-Life answers to the questionnaire.

## KENTON COUNTY

### COUNTY JUDGE-EXECUTIVE

While Steve Arlinghaus (R) and Scott Kimmich (R) had a somewhat checkered history on the Pro-Life issues several years ago, Arlinghaus has publicly acknowledged his errors, and has committed to a total Pro-Life position in his questionnaire. Dan Moening (R) also gave 100 percent Pro-Life answers to the questionnaire. In light of Mr. Arlinghaus reinforcing his stated position with his Pro-Life activities over the many years, including membership in NKRTL, financial support, and attendance at NKRTL functions, NKRTL-PAC endorses Steve Arlinghaus (R).

### COUNTY COMMISSIONER DISTRICT #2

NKRTL-PAC endorses Jon E. Draud (R). His answers to the questionnaire were not only 100 percent Pro-Life, but he has a strong and long Pro-Life voting record during his service as a member of the Kentucky House of Representatives.

The only other candidate who also answered the questionnaire with 100 percent Pro-Life answers is Pat Von Lehman Dressman (R). Unfortunately, her answers are contradicted by her record. While she answers that she will oppose chemical abortion, she was one of NKRTL's strongest opponents when it fought the chemical abortion fight at the Northern Kentucky Independent District Health Department Board, and she was then a social worker employee under pro-abort Campbell County Judge-Executive Steve Pendery, who named her to the Northern Kentucky Independent District Health Department Board.

### COUNTY ATTORNEY

NKRTL-PAC endorses incumbent County Attorney Garry Edmondson (R) in his primary election, based not only upon his 100 percent Pro-Life answers to the questionnaire, but also upon his long activity as a member of NKRTL, attending its functions, as well as actively advancing its policies with the county attorneys' association of the State of Kentucky, and indeed siding with NKRTL in its fight to condemn chemical abortifacients at the Northern Kentucky Independent District Health Department Board, even though the then-county judge and fiscal court members were on the other side.

### COUNTY SHERIFF

NKRTL-PAC endorses incumbent Sheriff Chuck L. Korzenborn (R), who has been a longtime active member of NKRTL and has candidly stood up publicly in support of the defense of innocent human life.

### COUNTY CLERK

Although both Republican candidates have responded with 100 percent Pro-Life answers to the questionnaire, NKRTL-PAC endorses incumbent County Clerk Rodney E. Eldridge (R), in light of his public participation in NKRTL functions, his membership in NKRTL, his financial support, his participation in NKRTL's Annual March for Life ad, and his support and attendance at NKRTL's Annual Celebration of Life.

### COUNTY JAILER

NKRTL-PAC endorses incumbent jailer Terry Carl (R), based upon his 100 percent Pro-Life answers to the questionnaire.

Association prohibiting such candidates from making announcements which might indicate how they might rule on specific cases of litigation brought before them. However, their past public records are fair areas of commentary, and so NKRTL has sent an inquiry to these candidates inquiring as to any record they might have in terms of specific defense of innocent human life, and invited their responses.

Rick A. Brueggemann - Response received                      Jeff Smith - Response received  
Stephen P. Huddleston - Response received                      Marcia L. Thomas - No response received

NKRTL-PAC endorses **Rick A. Brueggemann**, based upon a long and strong and documented record of Pro-Life activities, including membership in NKRTL, support of NKRTL's annual ad standing up for life, attendance at Celebration of Life, lobbying for Pro-Life legislation, and placing a Pro-Life billboard on I-71.

**CAMPBELL FAMILY COURT JUDGE, 17<sup>TH</sup> DISTRICT, 3<sup>RD</sup> DIVISION**

Gayle Hoffman - No response received  
James Kidney - Response received  
Richard A. Woeste - Response received

NKRTL-PAC endorses **Richard A. Woeste**, based upon a long and consistent dedicated record of support of Pro-Life activities, including support of NKRTL's annual ad, and in addition Mr. Woeste's volunteered legal talents in Pro-Life litigation in which NKRTL has been involved, as well as his attendance, together with his family, at many of the national Marches for Life in Washington, D.C., which march takes place each January, and his attendance regularly at NKRTL's Annual Celebration of Life programs.

I agree Henry - good that you divided up the subjects as you did. One thing I find interesting is that 'citizen' critics are being given the same voice as we are. That 'sounds fair', but isn't, really.

Here's the thing. Quite a few other groups are given the courtesy of having the street closed almost automatically. (A list was posted in the Comical comments.) To my knowledge, there is no long list of whiners about THOSE closures. Why now? Why are so many 'citizens' against letting one more group have their say? Why are so many people whining about someone else's (us) exercising their First Amendment rights?

Quite obviously the motivation is not whatever (fill\_in\_the\_blank) 'rationale' is given, but rather a blatant attempt to deny freedom of speech to an opposing viewpoint.

I agree Henry - good that you divided up the subjects as you did.

One thing I find interesting is that 'citizen' critics are being given the same voice as we are. That 'sounds fair', but isn't, really.

Here's the thing. Quite a few other groups are given the courtesy of having the street closed almost automatically. (A list was posted in the Comical comments.) To my knowledge, there is no long list of whiners about THOSE closures. Why now? Why are so many 'citizens' against letting one more group have their say?

Why are so many people whining about someone else's (us) exercising their First Amendment rights?

Quite obviously the motivation is not whatever (fill\_in\_the\_blank) 'rationale' is given, but rather a blatant attempt to deny freedom of speech to an opposing viewpoint.

Say Obama has called for it. Don't mention State of the Union or the month. Or else this will go stale.

then ok.

### Paralegal vows to open up the legal system

By RICHARD HANNERS - Whitefish Pilot

Montana Sen. Jerry O'Neil, R-Columbia Falls, who will be term-limited out next year, faces new allegations of illegally practicing the law.

O'Neil said he provided help for a couple who have taken in 17 foster children over the years but got on the wrong side of the Montana Department of Public Health and Human Services (DPPHS).

"It looked like a case of retaliation," O'Neil said, noting that the couple paid an attorney \$600 only to hear him say he couldn't handle the case because he was unfamiliar with administrative law.

"They never got their money back," O'Neil said.

Following a lengthy state investigation, O'Neil was ordered by the Montana Supreme Court in November 2006 to stop practicing law.

As a paralegal who has not attended law school and not sat for the Montana bar examination, O'Neil has "not met the Montana Supreme Court's character and fitness requirements," the Supreme Court ruled.

But the decision upheld an earlier Flathead County District Court injunction, O'Neil claims, which allows a non-lawyer to act "as a lay representative if authorized by administrative agencies or tribunals to do so."

O'Neil claims he has that authorization. On Oct. 4, James Keil, the DPPHS hearing officer in the foster family case, wrote to O'Neil explaining the "facts and procedures (that) will apply" in an upcoming hearing.

Keil's fourth bulleted condition notes that "a signed statement from (the party involved) identifying you as their authorized representative is all that is needed for you to proceed on their behalf -- no state-issued licensure is required."

Brenda Wahler, however, a special assistant attorney general representing DPPHS, filed a complaint that O'Neil had violated the Supreme Court's ruling that he no longer practice the law.

O'Neil recently appealed the Supreme Court's permanent injunction to the U.S. District Court of Montana in Helena.

His appeal is based on his claims that practice of the law is protected by the U.S. Constitution's First Amendment right to freedom of speech and that the State Bar of Montana should not be exempt from federal antitrust law.

"The Montana state-sponsored 'integrated bar' monopoly on the practice of law constitutes an illegitimate and unconstitutional exercise of power in the suppression of freedom of speech, in violation of the First and Fourteenth amendments," he wrote.

The State Bar of Montana "is a mere corporate alter-ego" of the Montana Commission on the Unauthorized Practice of the Law (CUPL), O'Neil claims, noting that the two share "the same street and post office address, telephone number, Web site and letterhead."

"If the Montana State Bar were a purely private corporation, it would be subject to 'piercing the corporate veil' analysis" required under antitrust law, he said.

O'Neil refers in his federal appeal to Parker v. Brown, a 1943 U.S. Supreme Court decision that provides state government immunity from the Sherman Antitrust Act. He wants the federal courts to clarify and interpret how Parker applies to the practice of law.

Can the state "create a monopoly which is not only commercial but political in nature, which restricts freedom of speech regarding the interpretation and application of the law only to individuals licensed by the state to do so?" he asked in his appeal.

O'Neil said such an interpretation would be overly broad and impose prior restraint -- or censorship -- on anyone's discussion of the law.

He notes in his appeal that in the same year the U.S. Supreme Court ruled on the Parker case, it ruled in *Murdock v. Pennsylvania* that

David Erickson / Whitefish Pilot - Hikers with skis or snowboards have already been taking advantage of new snow on Big Mountain prior to its Dec. 8 opening. Whitefish Mountain Resort spokesman Donnie Clapp reported Monday that 20 inches of new snow fell at the summit of Big Mountain on Sunday night, and 12 inches fell in the village over the weekend. Warmer weather and rain in the valley creeping up the mountain by Tuesday and Wednesday is helping turn all that dry, fluffy powder into a good, solid base. On the other hand, the warmer weather has meant the resort's snow-making machines were unable to operate.

no state can require a license for the preaching the Gospel, in protection of freedom of religion.

In addition to criticizing how his case was handled in Montana courts -- referring to "extrinsic fraud and a farcical manipulation of due process" -- O'Neil claims that the only reason states continue to control practice of the law is "because licensed attorneys have been unwilling to attack this doctrine."

O'Neil also claims that CUPL chairman John Connor has violated "the ethical rule against government attorneys using threats of criminal prosecution to gain an advantage in a civil case."

On Nov. 16, Connor notified O'Neil that he faced criminal and civil sanctions for "willfully violating the law" in the foster family case. But while Connor is the CUPL chairman, which is under the Montana Supreme Court and is part of the judicial branch of government, he "also sits as the Chief Criminal Counsel of the Montana Department of Justice," which is part of the executive branch, O'Neil claims.

In his federal appeal, O'Neil demands a jury trial and seeks declarations limiting the states' antitrust exemption to "purely commercial activities only" and stating that the practice of law "consists of nothing more (nor less) than the First Amendment protected discussion and analysis of the law."

He also wants the Montana Supreme Court ruling to be voided and both the FTC and the Department of Justice to be compelled to take action regarding state regulation of the practice of law.

On Nov. 28, O'Neil wrote to both the U.S. Department of Justice's Antitrust Division and the Federal Trade Commission asking for assistance in his case.

"I need your help!" he began his letter.

All:

I wrote a detailed email to you on the plane to Montana and somehow it disappeared.

The very short version is I believe that, barring objection, Larry Ward and his group PoliticalMedia.com are the ones to do our WTI website. Please finalize the copy I sent you earlier today and get it to Larry ASAP; he says he can get the site up within our budget and have it done by Friday or so. He tells me his system is scalable

Please help him get that done - perhaps you can get some ideas by looking at the links he has provided below.

Please let me have approval and input on look-and-feel, etc., and go ahead and work with Larry to get him what he needs - feeds, studies from other groups, how you'd like it to work, etc. Larry is going to do the site from A-Z including graphics.

Paul, we'll set up the site and the social media aspects so that you can access it but so can we over here, in case we want to tweak, or maybe for nights Andrew drinks too much Red Bull.

I'm excited to get this done so I can go raise money, so let's get it done "enough" and then hone it from there.  
Lar

See attached the WTI logo in PSD and PNG, not quite done but please let me know what you think. Email me with any questions.

Larry:

I need a web site on a somewhat tight timeframe.

It's for a conservative 501c3 working in the energy/environment issue mix, called Western Tradition Institute. We started out Western but are going national.

Our 501c4 website can be seen at [www.westerntradition.org](http://www.westerntradition.org), but don't let that place any limitation on what we can do with the c3 site.

I need a decent-looking basic WordPress site up ASAP (already have the framework), then we can build the site's functionality on an ongoing basis.

Please contact me as soon as possible at 970-397-0082, or via email.

Thanks.

**Subject:** let's resolve this

Andrew,

When you and I met two weeks ago on Monday we agreed that you would wrap things up with Sandra at the end of the week and get your final pay check. You agreed with me that things had just run their course and that there was no point in making each others lives hell. You decided to completely renege on that agreement, ignoring Sandra, Christina and even Edward Soady in specific attempts to resolve this. Of course he tried the lawyer he found for you, you don't answer phone calls.

Here are our intentions as they have always been:

- You give Christian or even an neutral party like Edward or an Atty the following:
- 1). All of his files, videos, passwords etc.
  - 2). Christians other physical stuff--his Yeti microphone 3). Non-disclosure agreement 4). the plates for our car.

Here is what we will provide you when you do that:

- 1) Your final pay check; minus what you owe for the computer we loaned you money for.
- 2). the title to our honda civic/ a letter of sale.

And now it seems that you are escalating things by deleting work, which is by any legal standard theft. This needs to get resolved without any further escalation; if Christian calls the police you are already guilty for destroying his property (videos and websites).

It seems that you are now attempting to make your actions about "getting paid" but I have 3 people who heard you agree to get paid for your contract work later in the month and it was "no big deal." I hope you understand that this is only going to escalate things to civil and criminal legal action. I don't understand what the point of that could possibly be. Please contact myself; Christian; or any neutral party of your choosing like Edward Soady or Sandra to resolve this today.

Christian didn't see your e-mail threatening to destroy property from the 28th until this morning (he was pretty upset when he saw it) because he was traveling back home from CO,

his good friend Mike Kopp's wife died, we had Josie's biological family in town all weekend proceeding the termination hearing yesterday. If he had I think he already would have taken legal action.

Please, lets resolve this, this morning--or please e-mail me and tell me that is your intention.

Allie

Rod & Murray Herring  
c/o Top Operating Company  
10881 W Asbury Ave  
Lakewood, CO 80227

Dear Rod & Murray:

I received your generous \$25,000 contribution to American Tradition Institute, and I thank you so very much.

It was good meeting with you again and seeing all of the good work you've been doing, and I certainly believe you deserve to benefit from it.

As with your previous gifts, this funding will go a long way in turning the tide back -- from the "drill nowhere, drill never" agenda supported by radicals all the way to the highest government posts.

Whether it's the threat of \$5-dollar gas or dismal unemployment reports, there have never been better conditions to promote our shared pro-responsible development agenda.

And our new Institute is going to exploit this opportunity for all it's worth.

As I shared in our meeting, ATI was formed so that we could bring badly needed intellectual and legal firepower to bear in the fight for free market environmental policy, and we've wasted no time in making a dent.

This year, we're already taking two of Gang Green's sacred cows -- the Global Warming "hockey stick" and Renewable Energy mandates -- to slaughter.

ATI is also putting funding together for projects that will debunk propaganda like the "Gasland" documentary, and tell people the truth about fracking and other safe, economically beneficial practices.

Of course, next year, broad-based lobbying groups including ATP can then use our findings to explain to regular folks in the grassroots which policies and politicians are causing them so much pain.

Of course, our opposition knows what would happen if the real facts got out.

So we'll be attacked, but our facts and research will be unassailable.

And, while we won't be mentioning any names, one of ATT's objectives is to provide the real story in a way the media cannot ignore – and bypassing the media altogether if need be.

If only everyone knew what a contribution companies like Top Operating are making to benefit all stakeholders (and even the environment), you wouldn't have nearly the concerns with getting the rest of your projects completed, and with the opposition we are seeing to all progress.

Then again, if that was the case, I'd be doing something else with my time besides getting the word out that "green" does not always equal "good" and that oil and gas development has broad benefit if carried out by decent companies like Top Op.

I'll keep you posted on our progress, and if you'll be at the Western Energy Alliance confab on June 22-24 I'll probably see you there.

So once again, thank you, and of course, call anytime and let me know how things are going -- or with comments or questions.

Warmest regards,

Christian LeFer

PS: I've enclosed two different books, one for each of you, signed by the author, Chris Horner, who also happens to be our Senior Director of Litigation at ATT's Law Center. Swap as you like; I hope you enjoy them!

Mail & Web site

*Dudley:*

1) Are you going to do some mail with Allie? She's on the road so I wanted to check on that. Give us the work and we'll do it well - and we're getting another inserter this week, so turn-around should improve (insertion has always been the bottleneck because all the other machines are so darn fast).

2) Luke emailed me about who did WTP's website, which was done in-house by Andrew, who is full-time on my consulting staff. Luke mentioned NAQR re-doing your site, so I told him probably \$1500, and believe me that's a deal for what is going into that level of a site. Jacob can attest to Andrew's programming and problem-solving skill. You going to pull the trigger on that?

Let me know.

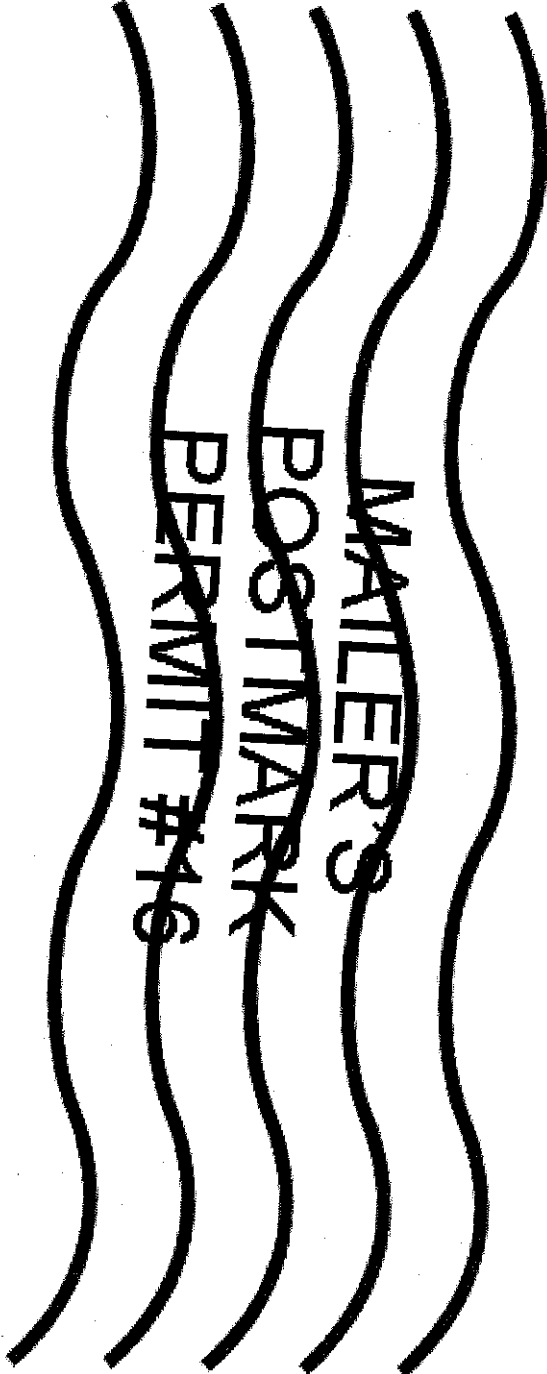

- Christian

PS: Are you going to do gun survey in the Senate race? So far, Republican Assembly (which has a new leader, not Christy), Taxpayers for Liberty, and CASA have all done survey, with CASA's due back next week. Jon just spent half a million on Campaign for Liberty TV and mail, and he asked me to find out if your survey went out and if you are going to do anything. Please let me know on that as well.

THE FINAL GUIDE FOR GNPS PRODUCT.docx

### **MY EPIHANY ON THE PRODUCT DELIVERY:**

We will have a series of pages that will ask information for each question. Each page will have a video at the top explaining what they need to get it done, some guiding language above a text box for them to fill out their answers, and buttons below ("Item Complete" or "Complete later\_.

There will also be buttons to move from one page to the next, with choices "complete" or "not complete". Also will have an expandable text area for "Biggest concern about this area", "notes to self" and "questions for coaching call".

The order of the pages will be in the order that people should complete addendum and prep exercises and the 1023, not in the actual order of the 1023. Explain this in a prelim video.

**THE ULTIMATE GOAL:** When the customer completes the series of pages, they will get a spit-out of a complete package, except for areas they have reserved for a coaching call.

Andrew:

I worked hard on this. The first document (GNPS FORM - NARRATIVE OF ACTIVITIES) we may or may not simply let people print out as a guide beyond what they see in the video - or maybe it will just be covered in the video.

The second doc, (GNPS Narrative...Sample Language) is for the programmer. This is important.

- 1) The questions are the questions the client will answer on screen.
- 2) The answers highlighted in yellow are ones I made up and will appear as replaceable gray text in the text box where the client will answer the question.
- 3) IMPORTANT: When the customer prints out the final application and addenda, ONLY THE ANSWERS will appear on the page, NOT THE QUESTIONS. Not only will this look better in the end, but it will keep people from passing around our "secret formula" that produces the great result.

ALSO, this is an important epiphany: When the person completes the application via our series of online pages, the PDF should appear on their screen to print as a dynamic PDF - this way, it will also be able for us or them to edit as a result of our coaching without going back into the database to change things.

Does that make sense?

Please advise, I am pretty excited about this.

- Christian

PS: I need to talk with you about whether it's worth trying to incorporate the 5768 and 2848 into the product. We could just have the client fill those one-pagers out offline.

# NARRATIVE OF ACTIVITIES ADDENDA FORM

(TOP OF EACH PAGE MUST CONTAIN © [NAME OF ORG.] [NAME OF RESPONSIBLE PARTY] [EIN #]

## Part IV – Narrative Description of Your Activities

### What are the activities?

- The Organization was formed for the charitable purpose of helping inner city youths in targeted neighborhoods by teaching and modeling basic financial literacy and entrepreneurial principles so that they can break the cycle of poverty and dependence.
- The core activities of the Financial Future Foundation are 1) development, publication, and distribution of video and other educational materials, 2) on-the-ground presentations and teaching sessions that are fun and interactive, and 3) creating working "laboratories" within existing companies where youths can experience the principles learned through FFF in a real-world setting. These consist of summer internship opportunities across the U.S. as well as local projects in the targeted neighborhoods.

### Who conducts the activity?

- The activity/activities shall initially be conducted by the organization's founder, Michael Doe, and a core staff of volunteers consisting of 5-6 retired businesspersons. They are the best person/people to conduct the activity because they each have the experience of growing small companies, and also now possess the time and resources to invest in this program for the required minimum of 6 months.
- Secondly, FFF shall record, video, and otherwise document the creation of a working model for this program and package it in a way that will allow others to emulate the process. Some travel will be required of the initial team to train and equip others who desire to expand our program into other areas; these new programs may or may not become a part of FFF per se.

### For whose benefit is the activity conducted?

- These activities are conducted for the benefit of economically disadvantaged inner city youths in areas where job scarcity is severe, and whose parent(s) fall below the poverty line or who otherwise demonstrate a likelihood of failing to develop the capacity to provide for their future. FFF believes that local entrepreneurship is of the greatest strategic benefit to the greater community; therefore we will focus on equipping intellectually able youths (ages 8-16) with the vision and tools to create opportunities for their local communities, while steering those in severe need of remedial instruction to the appropriate agencies and resources to get the help they require.

### When is the activity conducted?

- These activities are conducted three days per week, after school during the school year, and via intensive 2-week "StreetCorner Startup Bootcamp" sessions at the beginning of the summer, with 4 week placements into internships, summer jobs, and local projects to follow.

### Where is the activity conducted [geographic area]?

- The Organization's target area will initially be the Hell's Kitchen area of Manhattan, New York City. FFF will launch two other locations in Lower Manhattan during Year One, and take applications from potential location leaders thereafter, with no geographic limitations other than the Continental U.S.

### How does the activity further your exempt purposes?

- These activities are educational in nature, and provide significant social benefit.

NARRATIVE OF ACTIVITIES ADDENDA FORM

(TOP OF EACH PAGE MUST CONTAIN © [NAME OF ORG.] [NAME OF RESPONSIBLE PARTY] [EIN #]

**What percentage of your total time is allocated to the activity?**

- The Organization allocates time as follows:
  - o 60%: Core activities consisting primarily of creating and presenting the principles of Entrepreneurism, case studies of and presentations by inner-city entrepreneurs, the 2-week boot camp, and developing the internships and placements
  - o 30%: Administration and marketing – developing and maintaining a website, developing presentations for prospective supporters and business allies, processing donations, holding dinners and events for prospective donors, etc.
  - o 10%: Office functions – accounting, compliance, taxes, correspondence, equipment maintenance, etc.

**How is the activity funded?**

- Our operations are funded primarily through contributions from the public including, but not limited to individuals, nonprofit organizations, government agencies and corporations.

**List alternative names under which you operate?**

- Due to the broad nature of what activities constitute educational purposes as defined under IRC 501(c)(3), we felt it beneficial to the public that we create separate operational divisions that distinguish specific objectives and/or target audiences of FFF. Our organization's name signifies a diverse interest in separate but related endeavors.
- 1. Financial Future Academy, a division of FFF, promotes financial literacy and entrepreneurship by providing resources and tools that educate the public on those topics as they specifically relate to the challenges faced by inner city youth.
- 2. Financial Future Farm Team, a second division of FFF, promotes individual achievement by offering tools and resources that help individuals achieve success on their own terms, primarily through our Boot Camps. The pairing of these two divisions results in dynamic presentation capabilities.
- 3. Finally, Financial Future Media, a third division of FFF, is the publishing arm which will maintain and protect the intellectual property rights of FFF. All three divisions are considered to fall under the meaning of educational and literary purposes as defined in IRC 501(c)(3).

Harry Baxstrom for LaPlata County Commissioner

1. BUSINESS PERSONAL PROPERTY TAXES:

DO YOU SUPPORT REDUCING, INCREASING, OR MAINTAINING YOUR COUNTY'S BUSINESS PERSONAL PROPERTY TAX RATE (if applicable)?

\_\_\_\_\_ REDUCING      \_\_\_\_\_ INCREASING      \_\_\_\_\_ MAINTAINING

2. SUBMISSION OF BALLOT MEASURE TAX INCREASES:

AS COMMISSIONER, UNDER TABOR GUIDELINES, WOULD YOU VOTE TO SUBMIT ANY BALLOT QUESTION TO VOTERS THAT WOULD INCREASE COUNTY TAXES?

\_\_\_\_\_ YES      \_\_\_\_\_ NO

3. INCREASES IN COUNTY FEES and/or IMPACT FEES:

AS A COMMISSIONER, WOULD YOU VOTE TO CREATE OR INCREASE ANY COUNTY FEES, INCLUDING IMPACT FEES FOR OIL & GAS DRILLING?

\_\_\_\_\_ YES      \_\_\_\_\_ NO

4. SEVERANCE TAX REALLOCATION:

DO YOU SUPPORT OR OPPOSE AMENDMENT 52, WHICH REALLOCATES REVENUES FROM THE STATE SEVERANCE TAX IMPOSED ON MINERALS AND MINERAL FUELS?

\_\_\_\_\_ YES on 52      \_\_\_\_\_ NO on 52

5. PRIVATE ENERGY SOLUTIONS: In recent years, many landowners have encountered lawsuits and increased regulations when developing wind, hydro and other solutions on their own property.

WILL YOU WORK TO REMOVE IMPEDIMENTS TO PRIVATE, MARKET-BASED ENERGY SOLUTIONS AT THE COUNTY LEVEL, E.G., STREAMLINING PERMITTING OF PRIVATE, NON-SUBSIDIZED ALTERNATIVE ENERGY PROJECTS?

\_\_\_\_\_ YES      \_\_\_\_\_ NO

6. PERSONAL GAIN FROM ALTERNATIVE ENERGY: Many who are involved in lawmaking and who advocate for "renewable" or "alternative" energy (e.g. wind, ethanol, biomass, etc.) have a vested financial or other tangible interest in that industry's success, either personally or otherwise.

WOULD YOU OR ANY IMMEDIATE FAMILY MEMBER STAND TO GAIN FINANCIALLY OR OTHERWISE, DUE TO EITHER AN INCREASE IN THE PRICE IN OIL AND GAS, A DECREASE IN AVAILABILITY THEREOF, OR FROM A GOVERNMENT-MANDATED (OR

Please Initial Page: \_\_\_\_\_

**OTHER NON-MARKET-BASED) DEMAND FOR ALTERNATIVE OR RENEWABLE ENERGY PROJECTS?**

\_\_\_\_\_ YES

\_\_\_\_\_ NO

3. **ECONOMIC IMPACT STUDY:** According to the 2007 state-funded Booz-Allen study cited by industry officials, legislators and Gov. Bill Ritter, the oil and gas industry contributes nearly 71,000 jobs (including direct and induced jobs) in Colorado, bringing nearly \$23 billion in direct and indirect economic benefits. The new Colorado Oil and Gas Conservation Commission has "fast-tracked" changes to rules and regulations that will affect oil and gas production in the State of Colorado with little study on economic impact to families, workers, businesses, or to state revenues. With oil production down 45% by May of 2008 and a massive decrease of capital investment to other states, many are calling for an economic impact study to precede implementation.

**WILL YOU URGE THE LEGISLATURE (AND/OR THE RITTER ADMINISTRATION) TO DELAY IMPLEMENTATION OF THE NEW RULES UNTIL AN ECONOMIC IMPACT STUDY CAN BE CONDUCTED?**

\_\_\_\_\_ YES

\_\_\_\_\_ NO

4. **AMENDMENT 37 IMPLEMENTATION:** In 2004, voters passed Amendment 37, which mandated that all Colorado utilities obtain 10% of their energy from renewable sources. Last year's Legislature increased the mandate to 20%. Now, Xcel has announced that increased costs will be shifted to consumers in utility bill increases. However, clean and efficient hydro power is not currently included in the 20% mandate even though hydro power is one of our state's top potential renewable energy sources.

**DO YOU SUPPORT INCLUDING HYDRO-GENERATED ELECTRIC POWER IN THE 20% RENEWABLE ENERGY MANDATE?**

\_\_\_\_\_ YES

\_\_\_\_\_ NO

5. **MILL LEVY FREEZE IMPOSED BY GOVERNOR RITTER:**

**DO YOU SUPPORT THE EFFORTS OF GOVERNOR RITTER TO FREEZE THE MILL LEVY FOR PROPERTY TAXES?**

\_\_\_\_\_ YES

\_\_\_\_\_ NO

6. **CLEAN WATER RESTORATION ACT:** Federal legislation known as the "Clean Water Restoration Act" (H.R. 2421) and its Senate companion bill (S.1870), has been sponsored in Congress. This legislation would create new, sweeping Federal jurisdiction over all Colorado water, including any "wetlands, sloughs, prairie potholes, wet meadows, playa lakes, natural ponds, and related impoundments, regardless of proximity to navigable waters, and no matter how small, remote, or where they are located". This jurisdiction could extend to underground waters due to other recent Court decisions, which establish a "connectivity" doctrine in the hydrologic cycle between ground and surface water.

**DO YOU SUPPORT H.R. 2421 and/or S.1870?**

\_\_\_\_\_ YES

\_\_\_\_\_ NO

7. **FUEL REDUCTION PERMITTING:** National Forests in Colorado have experienced catastrophic forest fires in the recent past due to overgrowth and lack of management, with current risk conditions exacerbated by the Pine Bark Beetle devastation. A combination of lawsuits and delays in permitting prevent proper management of the problem.

**DO YOU SUPPORT STREAMLINING PERMITTING OF FUEL REDUCTION PROJECTS  
ON STATE & COUNTY LANDS AND IN OUR NATIONAL FORESTS?**

\_\_\_\_\_ YES

\_\_\_\_\_ NO

### PROJECT #1:

I want to entirely rip off the blog at <http://www.entrepreneurs-journey.com>. And I'm not kidding. Totally rip it off, except for maybe the coaching tab.

And whatever you need to learn, find, figure out, please just do it.

I want:

- The same little bar at the top that has "about", etc.
- the same popover for email opt-ins (we'll probably offer the webinar instead of a free report for now)
- the same RSS feeds
- Please set up a GNPS.com Twitter Account (email me and we'll figure out a moniker)
- Set up a GNPS.com Facebook Fan Page and then set up that widget to friend it like he has
- I want to get relevant Google ads to appear on the right, just like they have (Do we need traffic, or can we just do it cheap or free?)
- a "subscribe for blog updates" thing like he has

BY the time I get off the road from CO I am going to try and have all the basic content up, we'll shoot some photos, and discuss some things, and we'll be in business with the blog.

Please don't spend a lot of time jacking around with the look of the graphic on top, just throw our logo up there so it looks nice and get it all working. We can tweak later.

While I am gone I am going to try and learn how to get organic traffic using the blog.

PROJECT #2: (TO BE DONE SIMULTANEOUSLY, MUST BE DONE EVERY DAY CONSISTENTLY)

Grab the iMac if you'd like, and get ready to grab/record some streaming video.

Log in here:

Listbuilding Login: warpdrive

PW: [REDACTED]

We need to make videos of all the content on this site so I can stop paying \$100 a month. This will take a LONG time, many many days. I want it all, even the basics. Start with the step-by-step.

Hello,

Our company's identity has undergone a name change and we would like to change our company's Facebook Page as well. We checked the help center regarding this issue, and found that it was possible, but only for pages with fewer than 100 connections. We have almost 600 connections and followers. Is there any way we can work around this and change our Page name from "Western Tradition Partnership" to "American Tradition Partnership"? Such is the name we're in the process of migrating everything to. Your help in this matter would be greatly appreciated.

### **Taxpayers for Liberty Launches Nationwide Candidate Accountability Drive**

*Fiscal accountability group to report results starting in 5 Tier 1 states*

Washington, D.C. – With Colorado's precinct caucuses held tonight at 7pm, Taxpayers for Liberty picked the Centennial State to launch its Candidate Accountability Drive to identify candidates' positions on taxes and spending -- and to expose candidates who claim to be for limited government but have instead supported higher taxes and increased government spending.

Their nationwide efforts have started with Colorado, then North Dakota, Nevada, Indiana and Louisiana as top tier targets with races where big-government liberals are campaigning as a genuine limited-government conservatives.

"Lets face it, this year every liberal Republican and even many Democrats are now pretending to be Tea Party-style conservatives when their clear records prove just the opposite," said Andrew O'Neill, the group's director.

"In every state of the Union, grassroots conservatives are crying out for real leadership to prevent posturing politicians and party bosses from getting away with their deception. Taxpayers for Liberty is only part of the groundswell of activists to keep the free-spending liberals from bankrupting America," continued O'Neill.

Through targeted TV, radio, phone calls and direct mail programs, Taxpayers for Liberty will continue the widespread publication of its findings based on candidate public voting records, public statements, and verified candidate issue survey results.

Unlike other conservative groups, Taxpayers for Liberty candidate surveys are not designed to give unquestioning support to tax-and-spend politicians who fill them out. Rather, the surveys will be matched to public records and statements to determine if candidates are telling the truth.

"Our members want every candidate to pledge and maintain 100% support for tax and spending limitation issues. However, if candidates fill out the survey correctly but their public record does not match their answers, we will focus on exposing those who are attempting to use our organization's

straightforward program to deceive others," concluded O'Neill.

The group has no ties to the group Campaign for Liberty, which emerged out of the wake of Ron Paul's bid for the presidency, but O'Neill characterized Paul's candidacy as an inspiration to young people and the politically disaffected across the nation.

*We're going to town on another Republican.*

Date, 2010

Dear Friend:

The tax-and-spend politicians in Washington, D.C. are out of control.

Bailouts. Nationalization of entire industries. Skyrocketing debt on top of record deficit spending. It seems as if there's no end in sight.

But the worst part about it is -- if you and I don't turn the tide and soon -- our children and grandchildren are the ones who will suffer the most.

They're the ones who are going to be FORCED to pay for our politicians' spend-now-pay-later actions.

That's why with the June 8, 2010 Republican Primary fast approaching, we at the Taxpayers for Liberty believe it's important you hear the truth about your candidates' views on the critical issues facing our country.

You see, it's vital those of us who support low taxes, limited government, balanced budgets and fiscal responsibility do everything we can to turn things around before it's too late.

Unfortunately, in your race for U.S. Congress, Republican Congressman Chris Smith's record and public statements on critical tax-and-spend issues are cause for real worry.

First off, Chris Smith teamed up twice with Nancy Pelosi and Harry Reid and AGAINST making tax cuts permanent -- tax cuts that saved the average New

And it's not just the big-spending Democrats either.

In recent years, you and I have seen more than a few free-wheeling Republicans who have fallen in love big government, as well.

Today, those same big spending Republicans are lining up in support of Chris Smith because they rightly recognize "he's one of them."

That's why it's vital you turn Chris Smith around IMMEDIATELY.

With a faltering economy and a federal deficit approaching \$13 TRILLION, these are serious times.

We literally can't afford any more politicians who want to have it both ways on critical tax-and-spend issues.

So please contact Chris Smith at once, and tell him to reverse his pro-tax-and-spend positions and apologize for his support of tax hikes and wasteful government spending.

And while you're at it, please contact Republican candidate Alan Bateman.

You see, Alan Bateman has said he will refuse to vote for any unbalanced budget, refuse all earmarks and pork-barrel spending and any new tax increases.

So thank Alan Bateman for his stands.

Of course, this effort isn't cheap, so if you can afford a contribution of \$250, \$100, \$50 or \$35, I'd really appreciate it.

But whatever you do, please contact Chris Smith at once, and tell him to reverse his pro-tax-and-spend positions and apologize for consistent record of supporting tax hikes before it's too late.

Sincerely,

Andrew O'Neill

# Real Change for Montana

## Create Good Jobs And Make Us Energy Independent

Neal Donaldson will work for more environmentally responsible energy production, promoting conservation and developing alternative energy. His opponent opposes expanded energy production in Montana, hurting our state economy in these tough times. His opponent also backs harsh "global warming" regulations on local businesses that eliminate jobs, but don't help our environment.

## Focus On The Needs Of Us In District 62

Neal Donaldson supports rail passenger service to the southern tier of Montana. His opponent refused to even meet with citizens on the issue. Neal Donaldson will work with local businesses to create jobs and promote our local economy, a welcome change from the current incumbent, who voted against job creators 90% of the time in Helena.

## Real Tax Relief For Tough Economic Times

Neal Donaldson supports the proposed one-time tax rebate and will work to enact permanent tax relief. His opponent voted to raise utility rates as Livingston City Commission and garbage rates 20 times higher than the county. His opponent even voted to raid the city cemetery fund when he could not figure out how to further tax residents!

## More Jobs And More Access To Health Care

Neal Donaldson supports our new hospital in Livingston. Neal's wife is Dr. Michelle Donaldson, a nationally recognized orthopedic surgeon practicing in Livingston. Neal and Michelle support medical tourism and an incinerator to power a new hospital here. His opponent has consistently discouraged tourism and any alternative to hauling garbage to Great Falls.

Our Neighbor...

A small businessman for 23 years and financial planner, Neal Donaldson will bring the kind of fiscally responsible change we need to the Montana State House. His opponent voted against Montana's business men and women 90 percent of the time in the Legislature, making it harder for Montanans to find and keep good-paying jobs.

As your neighbor and voice in Helena, Neal Donaldson supports the tax rebate, will pursue long-term tax relief and will fight to create more good-paying jobs for current and future Montanans.

Western Tradition Partnership  
2010 Candidate Survey for  
Daniel R. Salomon, Candidate for House District 12

1. 16 years ago the U.S. Fish and Wildlife Service and the National Park Service proposed to the U.S. Congress to introduce 78 - 100 wolves within the Yellowstone Ecosystem. In response, Congress ordered, essentially, "1) Don't harm hunting 2) don't harm ranching 3) don't hurt the local economies, 4) don't have any effect on other endangered species." Furthermore, 87 1 217, MCA, requires the Department of Fish, Wildlife, and Parks to manage large predators, including wolves, with the primary goals to 'preserve citizens' opportunities to hunt large game species, to protect humans, livestock, and pets, and to preserve and enhance the safety of the public during outdoor recreational and livelihood activities.' Dr L. David Mech, PH.D., H.D.A the top federal wolf biologist testified in his declaration to the federal courts on May 2008 that there are now at least 3,000 wolves instead of the 78 to 100 that was introduced in this "non essential experiment" It is now estimated that up to 2/3 of Montana's elk herd have been destroyed by wolves.

A. DO YOU BELIEVE THAT THE STATE OF MONTANA HAS BEEN DENIED ITS SOVEREIGN RIGHTS TO MANAGE WOLVES (LETHALLY OR AS NECESSARY) WITHIN THE BORDERS OF OUR STATE?

YES  NO

B. WILL YOU SPONSOR, CO SPONSOR OR SUPPORT LEGISLATION THAT LEGALLY DEFINES WOLVES AS A PREDATOR THAT SHOULD BE SHOT ON SIGHT?

YES *- ON PRIVATE LAND*  NO

C. WILL YOU SUPPORT LEGISLATION THAT TAKES THE OVERSIGHT OF MONTANA FISH WILDLIFE AND PARKS AWAY FROM THE EXECUTIVE BRANCH AND PUTS THAT AGENCY UNDER THE OVERSIGHT OF THE LEGISLATIVE BRANCH, NOW THAT MTFWP HAS BETRAYED THE LAWS, CUSTOMS, CULTURE AND HUNTING HERITAGE OF THE STATE OF MONTANA?

YES  NO

*Support concept -  
New more information*

D. WOULD YOU SUPPORT LITIGATION DIRECTED AT THE FEDERAL GOVERNMENT AND OTHERS SEEKING RESTORATION AND RESTITUTION FOR THE DESTRUCTION OF MONTANA'S GAME HERDS, AFFECTED BUSINESSES & COMMUNITIES AND CRIMINAL AND/OR CIVIL CHARGES TOWARD THOSE WHO ARE RESPONSIBLE FOR THE ENVIRONMENTAL CATASTROPHE BROUGHT ON BY FORCED WOLF INTRODUCTION?

YES  NO

*Very expensive  
litigation in probably  
liberal courts.*

2. Most experts agree that as our population grows along with energy needs, a "kitchen sink" approach to energy development and efficiency must be employed. However, debates rage about handicapping traditional fuels while subsidizing more costly alternatives with taxpayer dollars.

A. WILL YOU OPPOSE LEGISLATION WHICH ATTEMPTS TO CATEGORICALLY LIMIT ACCESS TO AND DEVELOPMENT OF CERTAIN ENERGY RESOURCES?

YES  NO

B. WILL YOU OPPOSE ANY ATTEMPT TO RESTRICT CONSUMER ACCESS TO A MARKET-BASED, LOWEST-COST ENERGY PORTFOLIO?

YES  NO

C. WILL YOU OPPOSE ANY LEGISLATION OR ATTEMPT TO INCREASE TAXES OR TAXPAYER-FUNDED SUBSIDIES FOR "ALTERNATIVE" ENERGY PROJECTS?

YES  NO

- 3. Currently, the judicial system is being manipulated in order to block responsible energy development, land development and even forest fuel reduction projects, often without establishing *prima facie* justification for the suit. Such lawsuits are designed to use legal fees and costs and technical hurdles - rather than merits of the case - to stop the targeted development, with no risk to the plaintiff. A "loser pay" arrangement, where the plaintiff must show sufficient resources to cover legal fees and damages to the developer, to be paid by the plaintiff in cases of a suit found lacking merit.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A BILL TO REINFORCE "LOSER PAY" FOR ENVIRONMENTAL LAWSUITS FOUND FRIVOLOUS OR WITHOUT MERIT?**

YES  NO

- 4. Currently, plaintiffs are allowed to cherry-pick "friendly" court venues and jurists (often choosing Helena courts) to stop fuel reduction and development projects - venues far outside the affected area. The judges in these cases do not represent citizens and interests affected by the lawsuits.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A BILL REQUIRING ENVIRONMENTAL LAWSUITS TO BE HEARD IN THE DISTRICT WHERE THE DEVELOPMENT AND/OR THE ALLEGED DAMAGES OCCUR?**

YES  NO

- 5. The Board of Environmental Review (BER) is working to change emission standards - which de facto eliminates any new coal-fired electric generation projects in the state of Montana - without legislative approval or review. These policy changes have far-reaching effects on our environment, economy and jobs, and energy availability. The BER is appointed, not elected - therefore, such changes effectively remove the people of Montana from an important public policy process. Many believe that changes to environmental standards should be subject to the accountable, deliberative process in the Legislature.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT A BILL THAT WOULD REQUIRE CHANGES TO STATEWIDE ENVIRONMENTAL STANDARDS TO BE APPROVED IN LAW BY THE STATE LEGISLATURE, FOLLOWING PROPOSAL BY AN AGENCY?**

YES  NO

*support concept -  
Need more information*

- 6. State and local property tax mills are literally driving some Montanans from their homes and ranches. Considering Montana's massive, untapped clean-burning coal reserves, one solution proposed as a long-term fix would decrease statewide/local school-related property tax mills, replacing the revenues with additional severance taxes and royalties derived from increased natural resource production (above the current amount) to school funding. In Wyoming, a similar program pays 90% of all property taxes, providing billions in revenues for schools, infrastructure etc.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION THAT WOULD ENCOURAGE INCREASED RESPONSIBLE NATURAL RESOURCE DEVELOPMENT BY REDUCING SEVERANCE TAXES, AND DEDICATE ANY RESULTING INCREASE IN SEVERANCE TAX REVENUES TO OFFSET STATE/LOCAL PROPERTY TAX MILLS FOR SCHOOL FUNDING (WITHOUT HIKING TAX RATES)?**

YES  NO

- 7. According to longstanding policy, Montana has allowed an 18-month tax holiday on horizontal drilling units for new resource extraction equipment (drilling rigs, etc.), and a 12-month holiday for vertical units. This has allowed the capital-intensive process of resource extraction to establish successful operations and wellheads while the companies reinvest in jobs and equipment in Montana, ultimately increasing long-term revenues to the State of Montana through severance taxes and royalties.

**WILL YOU OPPOSE LEGISLATION THAT WOULD RESCIND, REDUCE OR SHORTEN THE TAX HOLIDAY ON OIL & GAS WELLS?**

YES  NO

- 8. Under current law, farmers, ranchers and others who produce biodiesel on private property, and who use the fuel for their own on-farm, non-highway use, are taxed on every gallon. Further, the state asserts the right to enter and inspect the premises of such producers, which raises concerns of

privacy and government intrusion. Under the current scheme, this tax is then rebated (if paperwork is properly submitted), but many object to the bureaucratic paperwork and government purse strings for what is a local, private, environmentally friendly energy solution.

**WILL YOU SUPPORT LEGISLATION TO REPEAL THE TAX ON BIODIESEL PRODUCED FOR NON-RESALE, NON-HIGHWAY, ON-SITE USE?**

YES  NO

9. The so-called "Clean Water Restoration Act" (H.R. 2421) and its Senate companion bill (S. 1870) is now in Congress goes far beyond the original Clean Water Act, whose prosecutorial powers Federal agencies have repeatedly wielded even in cases related to dry, landlocked property (see *Rapanos v. U.S.*). H.R. 2421 would create new, sweeping Federal jurisdiction over all Montana water, including any wetlands, sloughs, prairie potholes, wet meadows, playa lakes, natural ponds, and related impoundments, regardless of proximity to navigable waters, and no matter how small, remote, or where they are located. This jurisdiction would likely extend to ground waters due to the recent Montana Supreme Court *Smith River* decision, which established a "connectivity" doctrine between ground water and surface water.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION TO OPPOSE AND/OR NULLIFY H.R. 2421 and S.1870, THE FEDERAL GOVERNMENT'S ATTEMPT TO ESTABLISH JURISDICTION OVER ALL WATER IN THE STATE OF MONTANA?**

YES  NO

10. National Forests in Montana have experienced catastrophic forest fires in the recent past due to overgrowth and lack of management, with risk conditions exacerbated by the Pine Bark Beetle devastation. According to a report by University of Maryland forest expert Robert Nelson, one-quarter of Montana's forests were closed in 2007 due to forest fires. A combination of environmental lawsuits and delays in permitting are preventing proper management of the problem.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A RESOLUTION STREAMLINING PERMITTING OF FUEL REDUCTION PROJECTS IN OUR NATIONAL FORESTS?**

YES  NO

11. Opponents of the Mountain States Transmission Intertie (MSTI) power line being built between Townsend, MT, and Twin Falls, ID to transport experimental energy (unreliable and intermittent wind power) object because, among other reasons, this "public" project should use the geographically suitable lands already owned by the "public" - and should not further encroach upon the lands of ranchers, farmers, and other landowners. Do you support or oppose the use of eminent domain (a.k.a. "condemnation") of private property to secure rights of way for the MSTI power line?

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A RESOLUTION STREAMLINING PERMITTING OF FUEL REDUCTION PROJECTS IN OUR NATIONAL FORESTS?**

YES  NO *SAME QUESTION AS #10*

12. New York City Congressman *Charles McCahey's Northern Rockies Ecosystem Protection Act*, or *NREPA* (a.k.a. H.R. 980), and U.S. Senator Jon Tester's S. 1470 are only two examples of attempts by radical environmentalists to declare millions of acres of the West as so-called "Wilderness Areas", which virtually bans human activity in these areas. Wheelchairs and bicycles are even prohibited as "mechanized travel" under "Wilderness" rules, as are any recreational vehicles, and even equipment needed to prevent the spread of catastrophic wildfire to these intentionally mismanaged, fuel-laden forests. This ultimately harms wildlife and destroys the peoples' rights to the economic, quality of life benefits of multiple use of these "public" lands.

**WILL YOU SUPPORT LEGISLATION WHICH WOULD BAN THE CREATION OF NEW SO-CALLED "ROADLESS WILDERNESS AREAS", AND WHICH WOULD ASSERT STATE LEGISLATIVE CONTROL OVER FOREST LANDS WITHIN MONTANA'S**

SUPPORT  OPPOSE *- support multiple-use, - need information for each decision*

13. Many political and public figures who are advocates for "renewable" or "alternative" energy (e.g. wind, ethanol, solar, etc.) have a vested financial or other interest in that industry's success. WTP and other watchdog organizations advocate for disclosure and transparency of the "green" and "carbon trade" industries, since government mandates are the chief driver of demand for these experimental energy schemes.

WOULD YOU OR ANY IMMEDIATE FAMILY MEMBER OR BUSINESS ASSOCIATE STAND TO GAIN FINANCIALLY OR OTHERWISE, FROM A DECREASE IN AVAILABILITY OF REASONABLE PRICED OIL AND GAS, OR FROM A GOVERNMENT-MANDATED (OR OTHER NON-MARKET-BASED) DEMAND FOR ALTERNATIVE OR RENEWABLE ENERGY PROJECTS?

YES

A NO

14. Radical anti-growth activists, using materials based in part upon the U.N.'s radical anti-capitalist, anti-sovereignty Agenda 21 "sustainable development" program, have been lobbying county officials across Montana and the U.S. to implement growth policies and zoning ordinances which effectively strip property owners of their rights without due process. Once enacted, these measures may shut down the ability to manage and utilize one's own land for even basic uses such as agriculture, housing, grazing, subdividing, etc. and jeopardize owners' ability to stay on their land.

WILL YOU SUPPORT LEGISLATION STRENGTHENING THE ABILITY OF LANDOWNERS TO PREVENT AND PROTECT COUNTY GROWTH POLICIES AND ZONING, WHICH WOULD LIMIT THE LEGITIMATE USE OF THEIR PROPERTY?

YES

NO

- support concept  
- need to see individual measures

15. Frustrated by Washington, D.C.'s control over much of their state, Utah's Governor Gary R. Herbert in March 2010 passed a bill allowing the use of eminent domain to take protected land from the federal government, and utilize it as the state sees fit. Approximately 60% of Utah's land mass is controlled by the Federal Government, with the figure at 30% for Montana.

WILL YOU SUPPORT LEGISLATION MODELED AFTER UTAH'S NEW LAWS AUTHORIZING THE STATE OF MONTANA TO USE EMINENT DOMAIN TO REGAIN CONTROL OF LANDS TAKEN BY FEDS WITHIN ITS OWN BORDERS?

YES

NO

- support concept  
- needs more info on eminent domain

16. Polls show that, while taxpayers and consumers desire to protect the environment, the vast majority oppose a global warming tax or any such "carbon tax" style penalty.

WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION THAT WOULD NULLIFY THE FEDERAL PASSAGE OF A CARBON TAX, A TAX ON EMISSIONS (SUCH AS A TAX ON THE OPERATION OF DIESEL PICKUPS/VEHICLES), OR ANY TAX OR PENALTY THAT WOULD PURPORT TO OFFSET OR MITIGATE THE EFFECTS OF "GLOBAL WARMING" AND WILL YOU OPPOSE ANY ATTEMPT TO PASS SUCH A PENALTY AT THE STATE LEGISLATIVE LEVEL?

(IF YOUR ANSWER IS YES, PLEASE ALSO COMPLETE AND SIGN THE ENCLOSED "NO GLOBAL WARMING PENALTY PLEDGE")

YES

NO

- oppose carbon tax  
- oppose emission tax

March 2010

Sweet Grass County Commissioner candidate questions:

1. Describe your view of the role of the Sweet Grass County Commissioner.

My view of the role of Commissioner is that you are part of a team and that you must work to build trust and support with the other commissioners. I feel we will need to gain the support and confidence of the community, so we can accomplish the goals we set for Sweet Grass County as well as to achieve the mandates that are set by the State. Also what I feel is going to be some of the tightest budgets we have had to work with in quite some time the commissioners must look at ways to spread the tax burden by finding new sources of revenue, in hopes we can maintain our infrastructure at current levels with an eye toward future expansion.

2. What do you see as being the biggest challenge the county faces and what do you plan to do to meet that challenge?

I'm sure that one of the biggest challenges we face in our county is working to keep the Pioneer Medical Center as a viable care facility. We will need to look at alternative ways of funding for any additional medical equipment needed in the future. At this time, I don't feel we can afford to burden the tax payers any further.

In what will surely be some of the hardest times we have experienced in a Generation regarding the Nations economy as well as Montana's and Sweet Grass County. I feel that the commissioners are going to have to work very hard to find Ways to eliminate waste so that our tax dollars are spent as efficiently as possible.

3. What will be your top priority if elected?

I feel that the top priority of all commissioners has to be Jobs we need to work very hard to promote our county thru advertising or possible incentives to Industries who pay a living wage with the hope of getting them to locate in Sweet Grass County. Again with the economy the way it is and most likely going to get worse anything we can do to expand the job market or at the very least maintain what we have at the present time will be very important to us in the long run.

There has been a lot of progress made in recent years concerning the counties roads. I feel that with the crews we now have as well as the equipment we have purchased that our roads will continue to improve if they are given the time and resources needed to do the work.

4. Why are you seeking this office?

I feel that we must be more fiscally responsible now than ever before and because of a strong belief that we have to do our part in this Society. I think that having worked in local government for 15 yrs, with the City of Craig Co., as well as my background in road construction and vehicle maintenance that coupled with owning and operating three businesses in the county I feel this is the best choice of an office where I can put my experience to work for the people of Sweet Grass County.

2010 Candidate Survey for  
Jerry O'Neil, Candidate for House District 03

1. 16 years ago the U.S. Fish and Wildlife Service and the National Park Service proposed to the U.S. Congress to introduce 78 - 100 wolves within the Yellowstone Ecosystem. In response, Congress ordered, essentially: "1) Don't harm hunting 2) don't harm ranching 3) don't hurt the local economies. 4) don't have any effect on other endangered species." Furthermore, 87-1-217, MCA, requires the Department of Fish, Wildlife, and Parks to manage large predators, including wolves, with the primary goals to 'preserve citizens' opportunities to hunt large game species, to protect humans, livestock, and pets, and to preserve and enhance the safety of the public during outdoor recreational and livelihood activities.' Dr L. David Meek, PH.D., H.D.A the top federal wolf biologist testified in his declaration to the federal courts on May 2008 that there are now at least 3,000 wolves instead of the 78 to 100 that was introduced in this "non essential experiment". It is now estimated that up to 2/3 of Montana's elk herd have been destroyed by wolves.

A. DO YOU BELIEVE THAT THE STATE OF MONTANA HAS BEEN DENIED ITS SOVEREIGN RIGHTS TO MANAGE WOLVES (LETHALLY OR AS NECESSARY) WITHIN THE BORDERS OF OUR STATE?

YES  NO

B. WILL YOU SPONSOR, CO SPONSOR OR SUPPORT LEGISLATION THAT LEGALLY DEFINES WOLVES AS A PREDATOR THAT SHOULD BE SHOT ON SIGHT?

YES  NO

*I would need to see the bill*

C. WILL YOU SUPPORT LEGISLATION THAT TAKES THE OVERSIGHT OF MONTANA FISH WILDLIFE AND PARKS AWAY FROM THE EXECUTIVE BRANCH AND PUTS THAT AGENCY UNDER THE OVERSIGHT OF THE LEGISLATIVE BRANCH, NOW THAT MTFWP HAS BETRAYED THE LAWS, CUSTOMS, CULTURE AND HUNTING HERITAGE OF THE STATE OF MONTANA?

YES  NO

*I would need to see the bill*

D. WOULD YOU SUPPORT LITIGATION DIRECTED AT THE FEDERAL GOVERNMENT AND OTHERS SEEKING RESTORATION AND RESTITUTION FOR THE DESTRUCTION OF MONTANA'S GAME HERDS, AFFECTED BUSINESSES & COMMUNITIES AND CRIMINAL AND/OR CIVIL CHARGES TOWARD THOSE WHO ARE RESPONSIBLE FOR THE ENVIRONMENTAL CATASTROPHE BROUGHT ON BY FORCED WOLF INTRODUCTION ?

YES  NO

2. Most experts agree that as our population grows along with energy needs, a "kitchen sink" approach to energy development and efficiency must be employed. However, debate rages about handicapping traditional fuels while subsidizing more costly alternatives with taxpayer dollars.

A. WILL YOU OPPOSE LEGISLATION WHICH ATTEMPTS TO CATEGORICALLY LIMIT ACCESS TO AND DEVELOPMENT OF CERTAIN ENERGY RESOURCES?

YES  NO

B. WILL YOU OPPOSE ANY ATTEMPT TO RESTRICT CONSUMER ACCESS TO A MARKET-BASED, LOWEST-COST ENERGY PORTFOLIO?

YES  NO

C. WILL YOU OPPOSE ANY LEGISLATION OR ATTEMPT TO INCREASE TAXES OR TAXPAYER-FUNDED SUBSIDIES FOR "ALTERNATIVE" ENERGY PROJECTS?

YES  NO

- 3. Currently, the judicial system is being manipulated in order to block responsible energy development, land development and even forest fuel reduction projects, often without establishing *prima facie* justification for the suit. Such lawsuits are designed to use legal fees and costs and technical hurdles - rather than merits of the case - to stop the targeted development, with no risk to the plaintiff. A "loser pay" arrangement, where the plaintiff must show sufficient resources to cover legal fees and damages to the developer, to be paid by the plaintiff in cases of a suit found lacking merit.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A BILL TO REINFORCE "LOSER PAY" FOR ENVIRONMENTAL LAWSUITS FOUND FRIVOLOUS OR WITHOUT MERIT?**

YES  NO *I would need to see the bill*

- 4. Currently, plaintiffs are allowed to cherry-pick "friendly" court venues and jurists (often choosing Helena courts) to stop fuel reduction and development projects - venues far outside the affected area. The judges in these cases do not represent citizens and interests affected by the lawsuits.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A BILL REQUIRING ENVIRONMENTAL LAWSUITS TO BE HEARD IN THE DISTRICT WHERE THE DEVELOPMENT AND/OR THE ALLEGED DAMAGES OCCUR?**

YES  NO

- 5. The Board of Environmental Review (BER) is working to change emission standards - which de facto eliminates any new coal-fired electric generation projects in the state of Montana - without legislative approval or review. These policy changes have far-reaching effects on our environment, economy and jobs, and energy availability. The BER is appointed, not elected - therefore, such changes effectively remove the people of Montana from an important public policy process. Many believe that changes to environmental standards should be subject to the accountable, deliberative process in the Legislature.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT A BILL THAT WOULD REQUIRE CHANGES TO STATEWIDE ENVIRONMENTAL STANDARDS TO BE APPROVED IN LAW BY THE STATE LEGISLATURE, FOLLOWING PROPOSAL BY AN AGENCY?**

YES  NO

- 6. State and local property tax mills are literally driving some Montanans from their homes and ranches. Considering Montana's massive, untapped clean-burning coal reserves, one solution proposed as a long-term fix would decrease statewide/local school-related property tax mills, replacing the revenues with additional severance taxes and royalties derived from increased natural resource production (above the current amount) to school funding. In Wyoming, a similar program pays 90% of all property taxes, providing billions in revenues for schools, infrastructure etc.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION THAT WOULD ENCOURAGE INCREASED RESPONSIBLE NATURAL RESOURCE DEVELOPMENT BY REDUCING SEVERANCE TAXES, AND DEDICATE ANY RESULTING INCREASE IN SEVERANCE TAX REVENUES TO OFFSET STATE/LOCAL PROPERTY TAX MILLS FOR SCHOOL FUNDING (WITHOUT HIKING TAX RATES)?**

YES  NO *I would have to see the bill*

- 7. According to longstanding policy, Montana has allowed an 18-month tax holiday on horizontal drilling units for new resource extraction equipment (drilling rigs, etc.), and a 12-month holiday for vertical units. This has allowed the capital-intensive process of resource extraction to establish successful operations and wellheads while the companies reinvest in jobs and equipment in Montana, ultimately increasing long-term revenues to the State of Montana through severance taxes and royalties.

**WILL YOU OPPOSE LEGISLATION THAT WOULD RESCIND, REDUCE OR SHORTEN THE TAX HOLIDAY ON OIL & GAS WELLS?**

YES  NO *I would have to see the bill [what about legislation that combines reduction with extension?]*

- 8. Under current law, farmers, ranchers and others who produce biodiesel on private property, and who use the fuel for their own on-farm, non-highway use, are taxed on every gallon. Further, the state asserts the right to enter and inspect the premises of such producers, which raises concerns of

privacy and government intrusion. Under the current scheme, this tax is then rebated (if paperwork is properly submitted), but many object to the bureaucratic paperwork and government purse strings for what is a local, private, environmentally friendly energy solution.

**WILL YOU SUPPORT LEGISLATION TO REPEAL THE TAX ON BIODIESEL PRODUCED FOR NON-RESALE, NON-HIGHWAY, ON-SITE USE?**

YES  NO

- 9. The so-called "Clean Water Restoration Act" (H.R. 2421) and its Senate companion bill (S.1870) is now in Congress goes far beyond the original Clean Water Act, whose prosecutorial powers Federal agencies have repeatedly wielded even in cases related to dry, landlocked property (see *Rapanos v. U.S.*). H.R. 2421 would create new, sweeping Federal jurisdiction over all Montana water, including any wetlands, sloughs, prairie potholes, wet meadows, playa lakes, natural ponds, and related impoundments, regardless of proximity to navigable waters, and no matter how small, remote, or where they are located. This jurisdiction would likely extend to ground waters due to the recent Montana Supreme Court *Smith River* decision, which established a "connectivity" doctrine between ground water and surface water.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION TO OPPOSE AND/OR NULLIFY H.R. 2421 and S.1870, THE FEDERAL GOVERNMENT'S ATTEMPT TO ESTABLISH JURISDICTION OVER ALL WATER IN THE STATE OF MONTANA?**

YES  NO

- 10. National Forests in Montana have experienced catastrophic forest fires in the recent past due to overgrowth and lack of management, with risk conditions exacerbated by the Pine Bark Beetle devastation. According to a report by University of Maryland forest expert Robert Nelson, one-quarter of Montana's forests were closed in 2007 due to forest fires. A combination of environmental lawsuits and delays in permitting are preventing proper management of the problem.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A RESOLUTION STREAMLINING PERMITTING OF FUEL REDUCTION PROJECTS IN OUR NATIONAL FORESTS?**

YES  NO

- 11. Opponents of the Mountain States Transmission Intertie (MSTI) power line being built between Townsend, MT, and Twin Falls, ID to transport experimental energy (unreliable and intermittent wind power) object because, among other reasons, this "public" project should use the geographically suitable lands already owned by the "public" - and should not further encroach upon the lands of ranchers, farmers, and other landowners. Do you support or oppose the use of eminent domain (a.k.a. "condemnation") of private property to secure rights of way for the MSTI power line? *How about allowing the jury to set a price above fair market value?*

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A RESOLUTION STREAMLINING PERMITTING OF FUEL REDUCTION PROJECTS IN OUR NATIONAL FORESTS?**

YES  NO

- 12. New York City Congresswoman Carolyn McCarthy's *Northern Rockies Ecosystem Protection Act*, or NREPA (a.k.a. H.R. 980), and U.S. Senator Jon Tester's S. 1470 are only two examples of attempts by radical environmentalists to declare millions of acres of the West as so-called "Wilderness Areas", which virtually bans human activity in these areas. Wheelchairs and bicycles are even prohibited as "mechanized travel" under "Wilderness" rules, as are any recreational vehicles, and even equipment needed to prevent the spread of catastrophic wildfire to these intentionally mismanaged, fuel-laden forests. This ultimately harms wildlife and destroys the peoples' rights to the economic, quality of life benefits of multiple use of these "public" lands.

**WILL YOU SUPPORT LEGISLATION WHICH WOULD BAN THE CREATION OF NEW SO-CALLED "ROADLESS WILDERNESS AREAS", AND WHICH WOULD ASSERT STATE LEGISLATIVE CONTROL OVER FOREST LANDS WITHIN MONTANA'S**

SUPPORT  OPPOSE

- 13. Many political and public figures who are advocates for "renewable" or "alternative" energy (e.g. wind, ethanol, solar, etc.) have a vested financial or other interest in that industry's success. WTP and other watchdog organizations advocate for disclosure and transparency of the "green" and "carbon trade" industries, since government mandates are the chief driver of demand for these experimental energy schemes.

WOULD YOU OR ANY IMMEDIATE FAMILY MEMBER OR BUSINESS ASSOCIATE STAND TO GAIN FINANCIALLY OR OTHERWISE, FROM A DECREASE IN AVAILABILITY OF REASONABLE PRICED OIL AND GAS, OR FROM A GOVERNMENT-MANDATED (OR OTHER NON-MARKET-BASED) DEMAND FOR ALTERNATIVE OR RENEWABLE ENERGY PROJECTS?

YES NO

14. Radical anti-growth activists, using materials based in part upon the U.N.'s radical anti-capitalist, anti-sovereignty Agenda 21 "sustainable development" program, have been lobbying county officials across Montana and the U.S. to implement growth policies and zoning ordinances which effectively strip property owners of their rights without due process. Once enacted, these measures may shut down the ability to manage and utilize one's own land for even basic uses such as agriculture, housing, grazing, subdividing, etc. and jeopardize owners' ability to stay on their land.

WILL YOU SUPPORT LEGISLATION STRENGTHENING THE ABILITY OF LANDOWNERS TO PREVENT AND PROTEST COUNTY GROWTH POLICIES AND ZONING WHICH WOULD LIMIT THE LEGITIMATE USE OF THEIR PROPERTY?

YES NO

15. Frustrated by Washington, D.C.'s control over much of their state, Utah's Governor Gary R. Herbert in March 2010 passed a bill allowing the use of eminent domain to take protected land from the federal government, and utilize it as the state sees fit. Approximately 60% of Utah's land mass is controlled by the Federal Government, with the figure at 30% for Montana.

WILL YOU SUPPORT LEGISLATION MODELED AFTER UTAH'S NEW LAWS AUTHORIZING THE STATE OF MONTANA TO USE EMINENT DOMAIN TO REGAIN CONTROL OF LANDS TAKEN BY FEDS WITHIN ITS OWN BORDERS?

YES NO

I would need to see the legislation I would love to see this succeed

16. Polls show that, while taxpayers and consumers desire to protect the environment, the vast majority oppose a global warming tax or any such "carbon tax" style penalty.

WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION THAT WOULD NULLIFY THE FEDERAL PASSAGE OF A CARBON TAX, A TAX ON EMISSIONS (SUCH AS A TAX ON THE OPERATION OF DIESEL PICKUPS/VEHICLES), OR ANY TAX OR PENALTY THAT WOULD PURPORT TO OFFSET OR MITIGATE THE EFFECTS OF "GLOBAL WARMING" AND WILL YOU OPPOSE ANY ATTEMPT TO PASS SUCH A PENALTY AT THE STATE LEGISLATIVE LEVEL?

(IF YOUR ANSWER IS YES, PLEASE ALSO COMPLETE AND SIGN THE ENCLOSED "NO GLOBAL WARMING PENALTY PLEDGE")

YES NO

I can't find the "enclosed" pledge.

2010 Candidate Survey for  
Dane Clark, Candidate for House District 08

1. 16 years ago the U.S. Fish and Wildlife Service and the National Park Service proposed to the U.S. Congress to introduce 78 - 100 wolves within the Yellowstone Ecosystem. In response, Congress ordered, essentially: "1) Don't harm hunting 2) don't harm ranching 3) don't hurt the local economies, 4) don't have any effect on other endangered species." Furthermore, 87-1-217, MCA, requires the Department of Fish, Wildlife, and Parks to manage large predators, including wolves, with the primary goals to 'preserve citizens' opportunities to hunt large game species, to protect humans, livestock, and pets, and to preserve and enhance the safety of the public during outdoor recreational and livelihood activities.' Dr L. David Mech, PH.D., H.D.A the top federal wolf biologist testified in his declaration to the federal courts on May 2008 that there are now at least 3,000 wolves instead of the 78 to 100 that was introduced in this "non essential experiment". It is now estimated that up to 2/3 of Montana's elk herd have been destroyed by wolves.

A. DO YOU BELIEVE THAT THE STATE OF MONTANA HAS BEEN DENIED ITS SOVEREIGN RIGHTS TO MANAGE WOLVES (LETHALLY OR AS NECESSARY) WITHIN THE BORDERS OF OUR STATE?

YES  NO

B. WILL YOU SPONSOR, CO SPONSOR OR SUPPORT LEGISLATION THAT LEGALLY DEFINES WOLVES AS A PREDATOR THAT SHOULD BE SHOT ON SIGHT?

YES  NO

C. WILL YOU SUPPORT LEGISLATION THAT TAKES THE OVERSIGHT OF MONTANA FISH WILDLIFE AND PARKS AWAY FROM THE EXECUTIVE BRANCH AND PUTS THAT AGENCY UNDER THE OVERSIGHT OF THE LEGISLATIVE BRANCH, NOW THAT MTFWP HAS BETRAYED THE LAWS, CUSTOMS, CULTURE AND HUNTING HERITAGE OF THE STATE OF MONTANA?

YES  NO

D. WOULD YOU SUPPORT LITIGATION DIRECTED AT THE FEDERAL GOVERNMENT AND OTHERS SEEKING RESTORATION AND RESTITUTION FOR THE DESTRUCTION OF MONTANA'S GAME HERDS, AFFECTED BUSINESSES & COMMUNITIES AND CRIMINAL AND/OR CIVIL CHARGES TOWARD THOSE WHO ARE RESPONSIBLE FOR THE ENVIRONMENTAL CATASTROPHE BROUGHT ON BY FORCED WOLF INTRODUCTION?

YES, if it is specific in detailing the real instigators  NO

2. Most experts agree that as our population grows along with energy needs, a "kitchen sink" approach to energy development and efficiency must be employed. However, debate rages about handicapping traditional fuels while subsidizing more costly alternatives with taxpayer dollars.

A. WILL YOU OPPOSE LEGISLATION WHICH ATTEMPTS TO CATEGORICALLY LIMIT ACCESS TO AND DEVELOPMENT OF CERTAIN ENERGY RESOURCES?

YES  NO

B. WILL YOU OPPOSE ANY ATTEMPT TO RESTRICT CONSUMER ACCESS TO A MARKET-BASED, LOWEST-COST ENERGY PORTFOLIO?

YES  NO

C. WILL YOU OPPOSE ANY LEGISLATION OR ~~OTHER MEASURES~~ ~~OR POLICIES~~ ~~OR REGULATIONS~~ ~~OR SUBSIDIES~~ FOR "ALTERNATIVE" ENERGY PROJECTS?

YES   
 The free market will decide once we get back to a true free market.

House District 08 Dane Clark - Please Initial Page 4c

- 3. Currently, the judicial system is being manipulated in order to block responsible energy development, land development and even forest fuel reduction projects, often without establishing *prima facie* justification for the suit. Such lawsuits are designed to use legal fees and costs and technical hurdles - rather than merits of the case - to stop the targeted development, with no risk to the plaintiff. A "loser pay" arrangement, where the plaintiff must show sufficient resources to cover legal fees and damages to the developer, to be paid by the plaintiff in cases of a suit found lacking merit.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A BILL TO REINFORCE "LOSER PAY" FOR ENVIRONMENTAL LAWSUITS FOUND FRIVOLOUS OR WITHOUT MERIT?**

YES  NO

- 4. Currently, plaintiffs are allowed to cherry-pick "friendly" court venues and jurists (often choosing Helena courts) to stop fuel reduction and development projects - venues far outside the affected area. The judges in these cases do not represent citizens and interests affected by the lawsuits.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A BILL REQUIRING ENVIRONMENTAL LAWSUITS TO BE HEARD IN THE DISTRICT WHERE THE DEVELOPMENT AND/OR THE ALLEGED DAMAGES OCCUR?**

YES  NO

- 5. The Board of Environmental Review (BER) is working to change emission standards - which de facto eliminates any new coal-fired electric generation projects in the state of Montana - without legislative approval or review. These policy changes have far-reaching effects on our environment, economy and jobs, and energy availability. The BER is appointed, not elected - therefore, such changes effectively remove the people of Montana from an important public policy process. Many believe that changes to environmental standards should be subject to the accountable, deliberative process in the Legislature.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT A BILL THAT WOULD REQUIRE CHANGES TO STATEWIDE ENVIRONMENTAL STANDARDS TO BE APPROVED IN LAW BY THE STATE LEGISLATURE, FOLLOWING PROPOSAL BY AN AGENCY?**

YES  NO *I would fight against any climate change policy*

- 6. State and local property tax mills are literally driving some Montanans from their homes and ranches. Considering Montana's massive, untapped clean-burning coal reserves, one solution proposed as a long-term fix would decrease statewide/local school-related property tax mills, replacing the revenues with additional severance taxes and royalties derived from increased natural resource production (above the current amount) to school funding. In Wyoming, a similar program pays 90% of all property taxes, providing billions in revenues for schools, infrastructure etc.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION THAT WOULD ENCOURAGE INCREASED RESPONSIBLE NATURAL RESOURCE DEVELOPMENT BY REDUCING SEVERANCE TAXES, AND DEDICATE ANY RESULTING INCREASE IN SEVERANCE TAX REVENUES TO OFFSET STATE/LOCAL PROPERTY TAX MILLS FOR SCHOOL FUNDING (WITHOUT HIKING TAX RATES)?**

YES  NO *I have a better proposal to use natural resources on school trust land & reducing property taxes.*

- 7. According to longstanding policy, Montana has allowed an 18-month tax holiday on horizontal drilling units for new resource extraction equipment (drilling rigs, etc.), and a 12-month holiday for vertical units. This has allowed the capital-intensive process of resource extraction to establish successful operations and wellheads while the companies reinvest in jobs and equipment in Montana, ultimately increasing long-term revenues to the State of Montana through severance taxes and royalties.

**WILL YOU OPPOSE LEGISLATION THAT WOULD RESCIND, REDUCE OR SHORTEN THE TAX HOLIDAY ON OIL & GAS WELLS?**

YES  NO

- 8. Under current law, farmers, ranchers and others who produce biodiesel on private property, and who use the fuel for their own on-farm, non-highway use, are taxed on every gallon. Further, the state asserts the right to enter and inspect the premises of such producers, which raises concerns of

privacy and government intrusion. Under the current scheme, this tax is then rebated (if paperwork is properly submitted), but many object to the bureaucratic paperwork and government purse strings for what is a local, private, environmentally friendly energy solution.

**WILL YOU SUPPORT LEGISLATION TO REPEAL THE TAX ON BIODIESEL PRODUCED FOR NON-RESALE, NON-HIGHWAY, ON-SITE USE?**

YES  NO

- 9. The so-called "Clean Water Restoration Act" (H.R. 2421) and its Senate companion bill (S.1870) is now in Congress goes far beyond the original Clean Water Act, whose prosecutorial powers Federal agencies have repeatedly wielded even in cases related to dry, landlocked property (see *Rapanos v. U.S.*). H.R. 2421 would create new, sweeping Federal jurisdiction over all Montana water, including any wetlands, sloughs, prairie potholes, wet meadows, playa lakes, natural ponds, and related impoundments, regardless of proximity to navigable waters, and no matter how small, remote, or where they are located. This jurisdiction would likely extend to ground waters due to the recent Montana Supreme Court *Smith River* decision, which established a "connectivity" doctrine between ground water and surface water.

**WILL YOU SPONSOR, CO-SPONSOR, OR SUPPORT LEGISLATION TO OPPOSE AND/OR NULLIFY H.R. 2421 and S.1870, THE FEDERAL GOVERNMENT'S ATTEMPT TO ESTABLISH JURISDICTION OVER ALL WATER IN THE STATE OF MONTANA?**

YES  NO

- 10. National Forests in Montana have experienced catastrophic forest fires in the recent past due to overgrowth and lack of management, with risk conditions exacerbated by the Pine Bark Beetle devastation. According to a report by University of Maryland forest expert Robert Nelson, one-quarter of Montana's forests were closed in 2007 due to forest fires. A combination of environmental lawsuits and delays in permitting are preventing proper management of the problem.

**WILL YOU SPONSOR, CO-SPONSOR OR SUPPORT A RESOLUTION STREAMLINING PERMITTING OF FUEL REDUCTION PROJECTS IN OUR NATIONAL FORESTS?**

YES  NO

- 11. Opponents of the Mountain States Transmission Intertie (MSTI) power line being built between Townsend, MT, and Twin Falls, ID to transport experimental energy (unreliable and intermittent wind power) object because, among other reasons, this "public" project should use the geographically suitable lands already owned by the "public" - and should not further encroach upon the lands of ranchers, farmers, and other landowners. 2010 Montana Candidate Survey - County Commissioner

1) REGARDING MONTANA ASSOCIATION OF COUNTIES (MACO) POLICY RE: EXPANSION OF YELLOWSTONE PARK BOUNDARIES,

DO YOU SUPPORT MONTANA ASSOCIATION OF COUNTIES RESOLUTION 2007-03 THAT "OPPOSES ANY ACTION TO EXPAND THE YELLOWSTONE PARK BOUNDARIES TO CREATE A BUFFER ZONE FOR MIGRATION OF WILDLIFE"?

SUPPORT  OPPOSE

2) WOLVES AS DANGEROUS AND DISEASED PREDATORS

As a county Commissioner will you empower your County Sherriff to be in compliance with 87-1- 217 by declaring wolves within your county to be legally defined as a "predator" to be shot on sight ?

As a sheriff will you defend your county's citizens, their businesses and your county's game herds in compliance with 87-1-217, Montana Code Annotated by authorizing a standing "shoot on sight" order for wolves?

SUPPORT  OPPOSE

3) ZONING OF PRIVATE PROPERTY:

A. DO YOU SUPPORT "CITIZEN DRIVEN" 101 ZONING WHERE A PETITION FROM PROPERTY OWNERS IS REQUIRED OR DO YOU SUPPORT 201 ZONING ALSO REFERRED AS "TOP DOWN" ZONING WHERE NO PETITION FROM AFFECTED PROPERTY OWNERS IS REQUIRED?

101 ONLY  101 & 201  101 ONLY WITH 100% LANDWONER SUPPORT

B. WILL YOU SUPPORT A MEASURE TO REQUIRE THE COUNTY TO COMPLY WITH THE SAME PUBLIC AND LANDOWNER NOTICE FOR ZONING AS IS REQUIRED FOR MAJOR DEVELOPMENT PROJECTS?

SUPPORT  OPPOSE

C. IF NOT ALREADY IN PLACE, WILL YOU SUPPORT EXPANSION OF THE LANDOWNER PROTEST WINDOW FOR ANY ZONING TO AT LEAST 6 MONTHS, REFORM ELIGIBILITY RULES FOR PROTEST TO INCLUDE ONLY LAND ELIGIBLE FOR DEVELOPMENT, AND EXPAND THE IMPACT OF ANY SUCCESSFUL PROTEST TO AT LEAST THREE YEARS?

SUPPORT  OPPOSE

4) COORDINATION: Invoking coordination status enables rural counties to have a greater say over what happens in their counties as far as land management plans. Federal statute defines "coordination" with federal agencies to require more than the usual collaboration or public meetings. It actually requires agencies to prove that they have altered their land management plans in some manner to accommodate the requests from the county, so it gives counties more leverage in the land planning process. This is generally very positive for Outdoor Recreation enthusiasts, because counties understand how much money our recreation contributes to the local economy, and brings in much needed revenue to local merchants. Several Montana Counties have invoked coordination to date.

DO YOU BELIEVE COUNTY COMMISSIONERS SHOULD DEVELOP AND ADOPT "COORDINATION" FOR YOUR COUNTY, IF NOT ALREADY IN PLACE?

YES  NO

5) WILDERNESS AREAS: radical environmentalists to declare millions of acres of the West as so-called "Roadless Wilderness", which virtually bans human activity in these areas. Wheelchairs and bicycles are even prohibited as "mechanized travel" under "Wilderness" designation, as are any recreational vehicles. Worse, equipment needed to prevent the spread of catastrophic wildfire to these intentionally mismanaged, fuel-laden forest sis prohibited. This ultimately harms wildlife and destroys the peoples' rights to the economic, quality of life benefits of multiple use of these "public" lands.

*Prouse*

DO YOU SUPPORT ANY ADDITIONAL WILDERNESS DESIGNATION IN MONTANA?

YES  NO

6) PERSONAL GAIN FROM ALTERNATIVE ENERGY: Many who are involved in lawmaking and who advocate for "renewable" or "alternative" energy (e.g. wind, ethanol, biomass, etc.) have a vested financial or other tangible interest in that industry's success, either personally or otherwise.

WOULD YOU OR ANY IMMEDIATE FAMILY MEMBER OR BUSINESS ASSOCIATE STAND TO GAIN FINANCIALLY OR OTHERWISE, FROM A DECREASE IN AVAILABILITY OF REASONABLE PRICED OIL, GAS, OR COAL, OR FROM A GOVERNMENT-MANDATED (OR OTHER NON-MARKET-BASED) DEMAND FOR ALTERNATIVE OR RENEWABLE ENERGY PROJECTS?

YES  NO

7) ACCESS TO USFS (FOREST SERVICE) LANDS:

DO YOU SUPPORT COUNTY GOVERNMENT TAKING CONTROL OF ALL ROUTES OF TRAVEL FROM THE FEDERAL GOVERNMENT ON SO-CALLED "ROADLESS AREAS" THROUGH VALID RS 2477 REGULATIONS OR GUIDELINES (MT CODE 76-3-511)?

SUPPORT  OPPOSE

8) DIVERSIFIED TAX BASE THROUGH NATURAL RESOURCE DEVELOPMENT:

WOULD YOU PROMOTE INCENTIVES FOR RESPONSIBLE NATURAL RESOURCE DEVELOPMENT (COAL, OIL, GAS, ETC.) THAT PROVIDES DIVERSITY OF THE LOCAL TAX BASE AND PROVIDES TAX RELIEF TO PROPERTY OWNERS?

YES  NO

9) COUNTY RIGHTS TO ACCESS: Federal "Roadless Rules" prohibit roadbuilding, logging and mineral development on 50 million acres, much of which lies in Montana. Further, within the last few years, roads across Montana have been closed to motorized vehicle access by USFS, without Local, State or County consent. In 2005, the Montana State Legislature created a resolution (HJ21) to utilize a federal provision (which "grandfathers" access to mineral leases issued under the 1872 mining law) allowing counties to maintain routes of travel in these areas. The bill failed, but may be revived in 2011.

DO YOU SUPPORT STATE AND/OR LOCAL GOVERNMENT TAKING CONTROL OF ANY AND ALL ELIGIBLE ROUTES FROM THE FEDERAL GOVERNMENT THROUGH VALID RS 2477 REGULATIONS OR GUIDELINES (MT CODE 76-3-511)?

SUPPORT  OPPOSE

9) NO NEW TAXES PLEDGE:

DO YOU PLEDGE NOT TO RAISE NET TAXES, FEES OR SPENDING DURING YOUR TENURE AS COUNTY COMMISSINER?

*Absolutely*  YES  NO

Western Tradition Partnership  
2010 Candidate Survey for  
Alan Olson, Candidate for Senate District 23

1. 16 years ago the U.S. Fish and Wildlife Service and the National Park Service proposed to the U.S. Congress to introduce 78 - 100 wolves within the Yellowstone Ecosystem. In response, Congress ordered, essentially: "1) Don't harm hunting 2) don't harm ranching 3) don't hurt the local economies, 4) don't have any effect on other endangered species." Furthermore, 87-1-217, MCA, requires the Department of Fish, Wildlife, and Parks to manage large predators, including wolves, with the primary goals to 'preserve citizens' opportunities to hunt large game species, to protect humans, livestock, and pets, and to preserve and enhance the safety of the public during outdoor recreational and livelihood activities.' Dr L. David Mech, Ph.D., H.D.A the top federal wolf biologist testified in his declaration to the federal courts on May 2008 that there are now at least 3,000 wolves instead of the 78 to 100 that was introduced in this "non essential experiment". It is now estimated that up to 2/3 of Montana's elk herd have been destroyed by wolves.

A. DO YOU BELIEVE THAT THE STATE OF MONTANA HAS BEEN DENIED ITS SOVEREIGN RIGHTS TO MANAGE WOLVES (LETHALLY OR AS NECESSARY) WITHIN THE BORDERS OF OUR STATE?

YES  NO

B. WILL YOU SPONSOR, CO SPONSOR OR SUPPORT LEGISLATION THAT LEGALLY DEFINES WOLVES AS A PREDATOR THAT SHOULD BE SHOT ON SIGHT?

YES  NO

C. WILL YOU SUPPORT LEGISLATION THAT TAKES THE OVERSIGHT OF MONTANA FISH WILDLIFE AND PARKS AWAY FROM THE EXECUTIVE BRANCH AND PUTS THAT AGENCY UNDER THE OVERSIGHT OF THE LEGISLATIVE BRANCH; NOW THAT MTFWP HAS BETRAYED THE LAWS, CUSTOMS, CULTURE AND HUNTING HERITAGE OF THE STATE OF MONTANA?

YES  NO *the legislature already has oversight but fails to use it*
