01/14/2012 05:55 am		ORIGINAL REQUEST:	ZIGEIL HAS COME IN MY CELL WHEN I WAS SITTING ON THE TOILET AND RYING TO QUESTION W HY MY CELL DOOR WAS OPEN
01/16/2012 03:43 pm	dknauss	RESPONSE:	Sir, at all times your cell door is to be secure. If you were on the toilet then that door should have been secure. The D/O could have locked you down, or taken commissary or visits away because your door was unsecure. Look on page 24 of your inmate handbook. You will see on general pod rules that #1 states Keep cell doors secured closed at all times.

02/29/2012 10:30 am	meldridge	RESPONSE:	I looked on video and first of all the inmate is the suspect of bringing in contraband. The inmate pulled his own pants down and charges are pending against this inmate. I did not see Detention Officer Urim pull the inmates pants down and if he had requested that the inmate do this this would of been down as a result of a pat down.
