

Dallas Independent School District

February 17, 2016

Dear Parents and Guardians,

The safety of our students is always a top priority at William Brown Miller Elementary School. When issues of concern are brought to our attention, we feel it is important to share them with you.

One of our students brought a gun to school today. With the help of some students who reported seeing the firearm, our staff took immediate action and fortunately, no one was injured.

While we are still gathering information about this incident, please know that student safety will always be a non-negotiable at our school. If you have firearms in your home, I urge you to make sure they are kept locked away in a safe location out of your children's reach. I also encourage you to take this time to talk to your children about gun safety.

Thank you for your continued support of our great school. If you have any questions, please do not hesitate to call my office at (972) 502-8700.

Sincerely,

Sheila Aldredge
Principal
William Brown Miller Elementary School
