Plaintiff Art Cohen ("Plaintiff"), by and through his attorneys, brings this action
 on behalf of himself and all others similarly situated, against Donald J. Trump
 ("Defendant" or "Defendant Trump"). Plaintiff alleges the following based upon
 information and belief, the investigation of counsel, and personal knowledge as to the
 allegations pertaining to him.

6

#### NATURE OF THE ACTION

Defendant ensnared Plaintiff and thousands of other student-victims in a
 fraudulent scheme nationwide to sell real estate seminars and mentorships ("Live
 Events") by trading on the Trump moniker. Defendant uniformly misled Plaintiff and
 the Class that they would learn Donald Trump's real estate secrets through him and
 his handpicked professors at his elite "University." The misleading nature of the
 enterprise is embodied by its very name. That is because, though Defendant promised
 "Trump University," he delivered neither Donald Trump nor a University.

Defendant expressly set out to leverage Donald Trump's fame and
 expertise as a real estate mogul by creating "Trump University," which Defendant
 marketed as a premier institution of higher learning rivaling Wharton Business
 School, and with which Trump was so integrally involved, students would effectively
 be learning from him.<sup>1</sup> Defendant marketed Trump University as 'the next best thing
 to being Trump's "Apprentice," referencing Trump's hit reality television series.

3. In a promotional video for Trump University posted on YouTube,
embedded in email blasts, and shown at Trump University Live Events (hereinafter,
the "Main Promotional Video"), Trump himself promised would-be student-victims:

- We're going to have *professors and adjunct professors* that are absolutely terrific. Terrific people. Terrific brains. Successful. The best. We are going to have the best of the best. And, honestly, if you don't learn from them, *if you don't learn from me*, if you don't learn from the people that we're going to be putting forward, and these are all people that are *handpicked by me*, then, you're just not gonna make it in
- 26

terms of the world of success. And that's okay, but you're not gonna make it in terms of success.<sup>2</sup>

4. Defendant mass mailed to Plaintiff and the Class a "Special Invitation from Donald J. Trump" to the free introductory Live Event, adorned with the Trump University coat of arms and promising: "*My hand-picked instructors and mentors will show you how to use real estate strategies* . . . ." The letter continues that with "ongoing support from your own *Team of Trump Experts* – you'll have what you need to succeed!" The letter closes with Donald J. Trump's name, signature, and Trump University's address at 40 Wall Street, 32nd Floor, New York, NY 10005.

9 Trump gave himself a prominent, if not exclusive, role in the national 5. 10 advertising campaign for "Trump University." However, Trump did not fulfill the 11 promises he made to student-victims around the country – he did not teach students 12 his coveted real estate investing "secrets" at the Live Events, he did not contribute in 13 any meaningful way to the curriculum for the Live Events, and he did not handpick 14 the Live Event seminar instructors and mentors who "taught" student-victims at 3-day 15 Live Events and Elite mentorship programs – both of which were upsells from the free 16 introductory Live Event called the "Preview."

- 17 Almost immediately after Trump founded Trump University, the New 6. 18 York State Education Department ("NYSED") wrote to Donald Trump on May 27, 19 2005, warning him that using the name "University" was illegal without a license, and 20 asked Trump to stop using the name "Trump University." Instead of complying, 21 Defendant's agents created a fictitious office in Dover, Delaware, and then Defendant 22 continued to brazenly operate illegally out of his 40 Wall Street office in New York, 23 New York for five years. On March 30, 2010, the NYSED wrote to Donald Trump 24 and again advised that use of the title "University" in the name of his corporation was 25 "misleading" and illegal. On June 15, 2010, NYSED wrote to Trump University 26

directing Defendant to cease any further training until Trump University obtained a
license to operate as an institution of higher learning. The NYSED demanded: "*All current students should be refunded*" and warned that failure to comply with the law
"may result in disciplinary action." Defendant did not give students refunds, but did
stop offering and selling Live Events shortly thereafter in or about August 2010.
However, Defendant has made multiple statements that he intends to resume Trump
University courses in the future.

7. 8 At least 11 Attorneys General and the U.S. Department of Justice have received numerous complaints about Trump University; the Texas Attorney General's 9 10 investigation into misleading advertisements by Trump University ultimately led to the suspension of Live Events in that state; and a year after the filing of a related class 11 action in this Court, the New York Attorney General launched an investigation into 12 Trump University's deceptive practices. And, due to Defendant's misleading 13 advertisements and marketing of Trump University as a "University," the Better 14 Business Bureau ("BBB") refused to accredit Trump University and gave it a D- grade 15 due to the many complaints lodged by consumers. 16

- 17 8. Plaintiff brings this class action on behalf of himself and all other
  18 similarly-situated consumers who purchased Trump University Live Events
  19 throughout the United States, asserting violations of the Racketeer Influenced and
  20 Corrupt Organizations Act ("RICO Statute"), 18 U.S.C. §1962(c).
- 9. Plaintiff seeks damages and equitable relief on behalf of himself and the
   Class, including, but not limited to: treble their monetary damages; restitution;
   injunctive relief; punitive damages; costs and expenses, including attorneys' and
   expert fees; interest; and any additional relief that this Court determines to be
   necessary or appropriate to provide complete relief to Plaintiff and the Class.
- 26

#### JURISDICTION AND VENUE

27 10. This Court has original jurisdiction over the subject matter of this action
28 pursuant to 28 U.S.C. §1331, because Plaintiff's claims arise under the RICO Statute,

18 U.S.C. §1962. The Court has diversity jurisdiction under 28 U.S.C. §1332 because
 Plaintiff resides in California, and Defendant resides in New York. This Court also
 has original jurisdiction over this action under the Class Action Fairness Act of 2005,
 28 U.S.C. §1332(d)(2) ("CAFA"), as to the named Plaintiff and every Class Member,
 because the proposed Class contains more than 100 members, the aggregate amount in
 controversy exceeds \$5 million, and Class Members reside across the United States
 and are therefore diverse from Defendant.

8 11. This Court has personal jurisdiction over Defendant because he has
9 significant minimum contacts with this State, and intentionally availed himself of the
10 laws of California by transacting a substantial amount of business throughout the State
11 and this District, including but not limited to, the promotion, marketing, advertising,
12 and sale of Trump University Live Events throughout California and San Diego
13 County, and on the Internet to consumers located throughout California and San
14 Diego County.

15 12. Venue is proper under 18 U.S.C. §1965(a), because Defendant is subject
16 to personal jurisdiction in this District as alleged above, and Defendant has agents
17 located in this District.

18

#### PARTIES

19 A. Plaintiff

2013. Plaintiff Art Cohen is a businessman and resident of the state of Cohen learned about Trump University in 2009 when he saw an 21 California. advertisement in the San Jose Mercury News, which is delivered daily to his home. 22 Cohen believes that he also received by mail a "special invitation" to Trump 23 24 University from Donald Trump, which included 2 VIP tickets to the free seminar. Cohen was lured in by Donald Trump's name and reputation as a real estate expert. 25 Cohen attended the Preview Live Event at the Fremont Marriott Silicon Valley in 26 27 Fremont, California, on April 29, 2009, where Cohen was shown the Main Promotional Video. Based on Defendant's misrepresentations and material omissions 28

that he would receive Donald Trump's real estate secrets from his handpicked
"professors" and mentors at his "University," Cohen purchased the \$1,495 Fast Track
to Foreclosure Real Estate Retreat, which he attended from May 8-10, 2009, at the
Sheraton Palo Alto Hotel in Palo Alto. At the 3-day event, Cohen was upsold to the
Gold Elite program, which he purchased on May 10, 2009, for \$34,995, plus the
interest and finance charges paid to his credit card.

7 14. Plaintiff would not have paid for any of the Trump University programs
8 had he known that he would not have access to Donald Trump's real estate investing
9 secrets, that Trump had no meaningful role in selecting the instructors for the Live
10 Events, and/or that Trump University was not a "University," as Defendant had
11 represented to him.

12 B. Defendant

13 15. Donald J. Trump resides in the State of New York. Trump was a founder
14 and Chairman, officer, director, managing member, principal and/or controlling
15 shareholder of Trump University. Defendant Trump is also Chairman of the board of
16 directors, President and CEO of the Trump Organization, a conglomerate of
17 companies which includes Trump University.

Defendant Trump received revenues paid to Trump University from
 Plaintiff and other Class Members through two or more shell companies, including
 DJT University Managing Member LLC (now DJT Entrepreneur Managing Member
 LLC), a New York Limited Liability Company, and DJT University Member LLC
 (now DJT Entrepreneur Member LLC), a New York Limited Liability Company.

23 17. Defendant Trump has conducted substantial business within the State of
24 California, including this District.

18. Defendant Trump approved, authorized, either specifically and/or tacitly
directed, ratified and/or participated in the acts complained of herein engaged in by
Trump University and its personnel.

1

#### **COMMON FACTUAL ALLEGATIONS**

#### 2 **A.** The Scheme

19. Defendant Trump and others, including but not limited to, the former
President of Trump University, Michael Sexton, devised and executed a scheme to
make tens of millions of dollars by marketing Trump University as both: (1) a learning
institution with which Donald Trump was so integrally involved that students would
effectively be learning from him because, among other reasons, they would be
learning his real estate secrets from instructors whom he had handpicked; and (2) an
actual university with a faculty of professors and adjunct professors.

This "Scheme" was fueled by a national advertising campaign, the 10 20. cornerstone of which was the Main Promotional Video. Defendant Trump caused the 11 Main Promotional Video to be published to YouTube online so it would be viewed by 12 prospective student-victims throughout the country. Trump University operated an 13 extensive advertising campaign with an annual budget at one time of \$6 million, and a 14 database of over one million current and potential customers, which it targeted with 15 frequent email blasts. These e-blasts contained misrepresentations and/or links to 16 view the Main Promotional Video on YouTube, and/or Trump University's Facebook 17 page, Twitter account, and/or LinkedIn profile. When Trump University introduced 18 the Donald Trump "signature" campaigns (featuring Donald Trump's signature in 19 letters and ads) including "Are YOU My Next Apprentice?" and "Learn From the 20 Master," consumer responses jumped by over 50%. And though personnel knew it 21 was false to claim the instructors were handpicked by Defendant Trump, Defendant 22 continued to use this catch-phrase as a marketing hook. 23

24

25

21. Other methods and means that Defendant Trump and others used to execute and perpetuate the Scheme included the following:

26 (a) Defendant Trump reviewing and approving advertisements before
27 they were released, which featured quotes from Defendant Trump himself, such as: "I

can turn anyone into a successful real estate investor, including you. – Donald
 Trump."

3 (b) Using Defendant Trump's name, photos and/or quotes for all Live
4 Events, website and advertising, and the website home page displayed a large photo of
5 Defendant Trump along with the message from him: "Are YOU My Next Apprentice?
6 Prove it to me!"

(d) Using advertisements featuring Defendant Trump and his image
with quotes such as: "Don't think you can profit in this market? You can. And I'll
show you how. Learn from my handpicked experts how you can profit from the
largest real estate liquidation in history."

(e) Sending emails to thousands or tens of thousands consumers from
Trump University's one million customer database that featured Defendant Trump's
photo with the words: "Are you My Next Apprentice," and stated: "76% of the
world's millionaires made their fortunes in real estate. Now it's your turn. My father
did it, I did it, and now I'm ready to teach you how to do it too." The signature block

at the bottom of the email read, Donald J. Trump, Chairman, Trump University, and
 above that is Defendant Trump's actual signature.

Enforcing the uniform deceptive portrayal of Trump University 10 (j) 11 through policies and procedures, including Marketing Guidelines, the PlayBook, and standardized PowerPoint presentations and scripts that instructors were contractually 12 required to use. For example, the Marketing Guidelines were designed to "ensure 13 brand, tone and message across all Trump University's marketing efforts." The 14 "tone" required by those Marketing Guidelines was to "Think of Trump University as 15 a real University with a real Admissions process, *i.e.*, not everyone who applies, is 16 accepted." The Guidelines also required that personnel use the term "faculty" which 17 was to be marketed as comprised of Donald Trump's "top experts." 18

19 (k) Sending scripts containing misrepresentations to instructors for use at the Live Events through the interstate wires, such as the Preview Script sent from 2021 Michael Sexton to primary instructors, including James Harris and Stephen Goff. The speaker was required to use the official Trump University script and PowerPoint, and 22 not make any changes without prior authorization pursuant to the PlayBook and 23 his/her contract. Defendant Trump has concealed this speaker script that was used to 24 execute his Scheme. Excerpts of the concealed speaker script include: 25

#### 17 B. The Truth

18 22. Defendant knew that these representations were false, that Defendant Trump was not actively involved in Trump University's Live Events, did not select or 19 interview Trump University's Live Event instructors or mentors, that Defendant 20Trump offered no input into the actual instruction provided to Trump University's 21 student-victims, that a ghost writer wrote the Donald Trump blogs and wrote most or 22 all of the answers to the "Ask Donald Trump" questions and that Trump University 23 did not have a faculty of professors and adjunct professors, but rather independent 24 contractors paid commissions for sales. In other words, Defendant promised Trump 25 University, but delivered neither Donald Trump nor a University. 26

- 27
- 28

#### 1. Not Donald Trump

2 23. Though Defendant Trump represented that he would be so integrally
3 involved that Trump University was effectively learning from him, Defendant
4 Trump's involvement was "completely absent," as Defendant Trump has admitted in
5 court filings. Defendant Trump had virtually no involvement in determining, nor was
6 he even aware of, what the instructors actually taught or what the courses were.

7 24. Though Defendant Trump represented that all of Trump University's instructors would be handpicked by him, thus implying that students would get the 8 next best thing to Defendant Trump himself, it was Sexton and COO David 9 Highbloom who interviewed the instructors and was in charge of hiring instructors. It 10 was also Sexton - not Defendant Trump - who would know what, if any, education, 11 professional experience, testing, and/or licenses was required of instructors. In most 12 cases, Defendant Trump did not even know who the instructors or mentors were, nor 13 had he met them. 14

15 25. Though the entirety of Defendant Trump and Trump University's
marketing and advertising campaigns were centered around Defendant Trump's real
estate expertise and access to Defendant Trump's coveted real estate "secrets," Trump
University did not teach Donald Trump's real estate "secrets" as promised. Rather,
Sexton (who had no real estate experience) was responsible for compiling course
materials and largely handed this task over to third parties in the industry such as
Dynetech, Mark Dove, and David Early.

22

1

#### 2. Not a University

23 26. Though Defendant portrayed Trump University as a University with an
admissions process and "Ivy League quality" rivaling Wharton Business School,
Trump University was unaccredited and unlicensed to operate as an institution of
higher learning. Trump University provided no degrees, no credits, no licenses, nor
anything else of marketable value to student-victims.

1 27. Though Donald Trump in the Main Promotional Video and elsewhere 2 represented to would-be students that they would be taught by a faculty of "professors 3 and adjunct professors," Trump University had no such faculty. Rather, the 4 instructors were high-pressure salespeople hired as independent contractors and paid 5 on a commission basis based on the number and amount of Live Event sales made.

6 28. The Trump University PlayBook (*see* below) refers to students as
7 "Buyers" and directs "instructors" to prepare to "Sell, Sell, Sell!"

8

C.

# Trump University "Live Events"

9 29. Defendant literally had a "PlayBook" for his Scheme and nationwide
10 advertising campaign to mislead student-victims. The PlayBook contains a chart
11 depicting the upsell scheme executed across the country.

Specifically, Defendant first lured consumers in with a free 90-minute 12 30. Live Event called the Preview. The Preview is used to persuade students to purchase 13 the \$1,495 "one year apprenticeship" course called the Fulfillment. If student-victims 14 purchased the Fulfillment, Defendant used the Live Event to convince them to 15 purchase Trump University's \$35,000 Gold Elite program. Even then, after investing 16 nearly \$36,500, students still do not receive Defendant Trump's "secrets" they were 17 promised, but are constantly subjected to upsells of additional Live Events, products 18 and books. 19

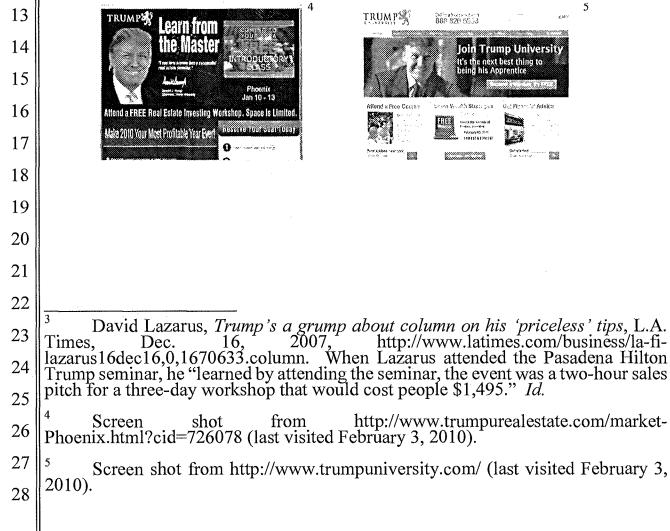

31. The Preview and Fulfillment were standardized through PowerPoint
presentations. For the upsell, speakers used standardized slides and worked from the
same script. There are detailed instructions in the PlayBook, down to where the
speakers and coordinators stand, the temperature of the room and music to be played
during the Introduction – "Money, Money, Money" from The Apprentice show.

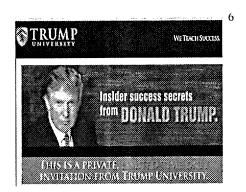

25

#### 1. The Preview

32. Trump University conducted a massive advertising campaign with a
multi-million dollar annual budget for the Preview, through mainstream newspapers,
its website, online newspapers, Facebook, Twitter, YouTube, radio, email blasts, and

1 direct mail. Seven to ten days prior to the Preview, ads proclaimed: Donald Trump is "ready to share – with Americans like you – his best advice on investing in today's 2 'once-in-a-lifetime' real estate market" directly from "Donald Trump's hand-picked 3 *instructors* a *systematic method* for investing in real estate that anyone can use 4 effectively." Defendant mailed letters from Donald Trump inviting consumers to 5 learn from "one of *mv world-class instructors*" about Defendant Trump's "*proven* 6 svstem for profitable real estate investing that anyone can use, right away, to score big 7 8 profits in today's market." A L.A. Times article quoted Donald Trump as saying that "[i]nvestors nationwide are making millions in foreclosures . . . and so can you!"<sup>3</sup> 9 Other advertisements urged consumers to "Learn from the Master" – Donald Trump," 10 that "It's the next best thing to being his Apprentice," and promised would-be students 11 that they would learn "insider success secrets from Donald Trump." 12

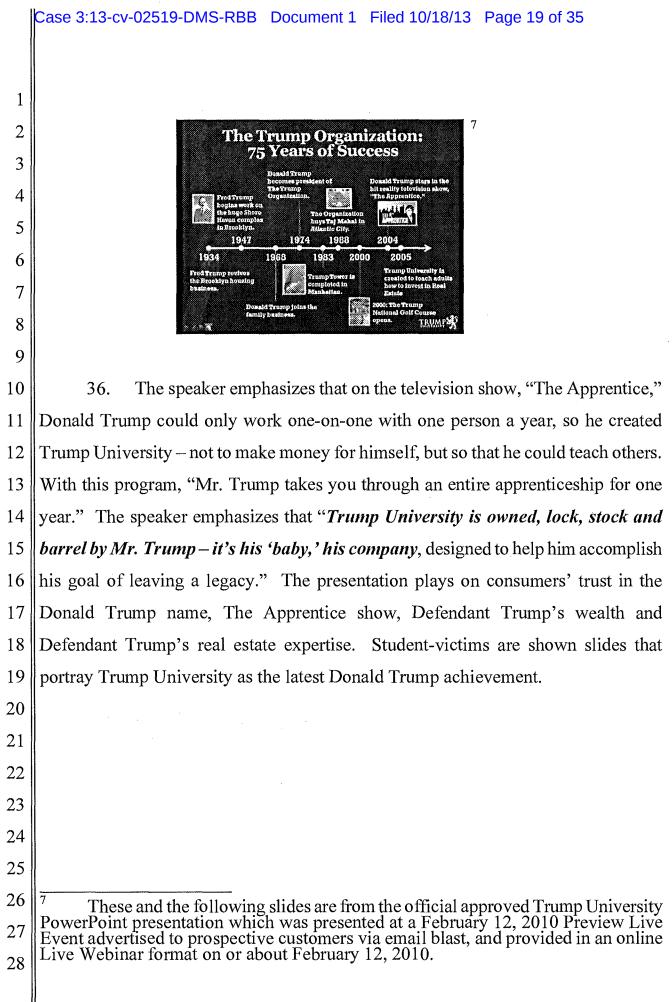

7 33. At the Preview, students were greeted by a large screen projector and two
8 tall banners of Donald Trump's photo. The presentation opens with the song "Money,
9 Money, Money," and the Main Promotional Video is shown.

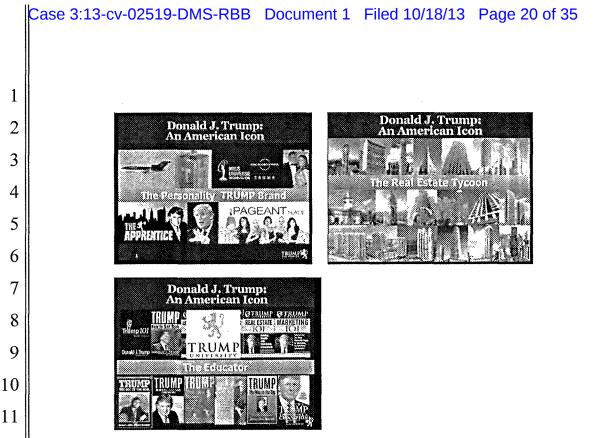

34. The instructor is introduced as one of Donald Trump's top instructors
 who was *hand selected* because of his *expertise* and knowledge in the real estate
 business.

The speaker induces the audience to trust in the Donald Trump name and 35. "family" by walking through the history of the Trump Organization and Defendant Trump's 'humble beginnings.' The speaker tells the audience that 76% of all millionaires are created from real estate - that "anyone can do it," and that "it's not easy, but it's simple if you know what you're doing, and we'll teach you what you need to know." He states that the mission of Trump University is to "train, educate and mentor entrepreneurs on achieving financial independence through real estate investing" the Donald Trump way.

37. Throughout, the instructor portrays him or herself as knowledgeable in
the Donald Trump way of investing and that he or she is close to Defendant Trump
through firsthand accounts of Defendant Trump.

38. 15 The instructor also plays on the fears of the audience, which includes a significant percentage of senior citizens. "How many of you lost a lot of your 401k 16 17 investment in the market? How many of you are retired or want to retire? How many 18 of you want to leave a legacy or property to your children or grandchildren?" The speaker encourages attendees, including the elderly, to cash out their 401K's or 19 20increase their credit limits so they can supposedly make a higher return on their investments in the foreclosure market. Consumers are told these strategies will make 21 22 them money – they are time-tested strategies that have been in the Trump family for 75 years. Consumers are told they will pay off their credit cards, pay off their cars, 23 and fully fund their retirement. 24

The staff at the Live Events are taught to close sales "armed with 8 39. objections and rebuttals" set forth in the PlayBook and to "work the room with special 9 attention to team members in *possession of a credit card that needs to be run.*" 10

11

#### 2. **The Fulfillment**

The Preview was a 90-minute advertisement to persuade attendees to sign 12 40. up for the "Fulfillment," which purportedly provides a one-year "Comprehensive Real 13 Estate Education." However, for \$1,495 the Fulfillment is a 3-day workshop plus a 14 phone number to call a "client advisor." Defendant promises mentors who will be 15 available for a full year. "Other people don't have anyone to call, but you've got 16 Trump. You'll call 40 Wall Street and they'll walk you through it." The emphasis is 17 on persuading consumers that in signing up for Trump University, they can join the 18 Trump "family." 19

At the Fulfillment, the Main Promotional Video is shown and/or students 20 41. are given personally-addressed letters from Defendant Trump. 21

22

42. At the end of Day 1, the students are asked to fill out a detailed financial goal statement presumably to help them with their financial goals. Instead, these 23 statements are used for Trump University personnel to assess the liquid assets that 24 each student has to spend on the next Trump University program. 25

Students are told at the Preview that the Fulfillment is "all you need." 26 43. However, at the Fulfillment, student-victims are told what they really need is the Gold 27 Elite program for \$34,995 to get a "full education," including a 3-day in-person 28

mentorship with a full year of ongoing support from a Trump handpicked
 multimillionaire mentor. To make the upsell, instructors make standardized pitches
 using a separate PowerPoint slide presentation.

4 44. The PlayBook directed personnel to convince student-victims that the 35 day Fulfillment is not enough (even though it was pitched as such at the Preview) and
6 emphasized that all personnel must follow this procedure to ensure sales of Elite
7 programs.

During the Fulfillment, the speakers pressure students to raise their credit 45. 8 card limits on the pretext of purchasing property. At the end of the workshop, 9 Defendant's representatives asked students to use their credit cards to purchase the 10 Gold Elite program for \$34,995. If they were unable to persuade students to purchase 11 at this level (or if students did not have sufficient funds or credit), Defendant's 12 representatives would encourage the students to purchase the "Trump Silver Elite" 13 program for \$19,495, the "Trump Bronze Elite" program for \$9,995, or an Elite 14 mentorship for approximately \$25,000. Each of these prices was pitched as "one-day-15 only" sales off the "regular" prices of \$48,490 for Gold, \$23,490 for Silver and 16 \$10,995 for Bronze. 17

46. Defendant's representatives did not warn students they were likely to
incur finance charges, interest fees and late fees by charging the program on their
credit cards, but would tell students they would quickly make the money back.
Defendant's representatives also did not tell students that by increasing their credit
limits, they could damage their credit scores. And Defendant's representatives never
warned students that by "maxing out" their credit cards, their credit scores could drop
even more significantly.

25

#### 3. The Elite Mentorship Program

26 47. The Gold Elite program was sold on the promise of a mentorship with
27 Defendant Trump's handpicked real estate experts who would personally teach them

Donald Trump's real estate strategies. Instead, none of the mentors was handpicked
 by Donald Trump or trained in his investing "secrets."

48. During the Gold Elite program, there was still constant up-sell pressure to
purchase other Trump University affiliate programs and products, varying in price
from \$495 to \$9,995. As a result, Class Members could ultimately spend upwards of
\$70,000 after being lured in by a free Live Event.

7 **D.** Governmental Investigations into Trump University

8 49. In addition to the actions of the NYSED described above, Maryland and
9 Massachusetts required Trump University to change its name for all Live Events held
10 in those states.

11 50. Attorneys General in 11 states and the U.S. Department of Justice received numerous complaints against Defendant and Trump University, and at least 12 two Attorneys General launched investigations. In January 2010, Texas Attorney 13 General Greg Abbott's office launched a probe of Defendant and Trump University's 14 advertising and business practices after getting two dozen complaints. Abbott said he 15 was probing "possibly deceptive trade practices" dating back to 2008. Abbott's 16 investigation resulted in Defendant's ultimate suspension of all Live Events in Texas 17 in May 2010. 18

19 51. In May 2011, the New York State Attorney General's Office also
20 launched an investigation into whether Donald Trump and Trump University
21 "engaged in illegal business practices." The investigation was described by the New
22 York Times as "the latest problem" in "a string of consumer complaints, reprimands
23 from state regulators and a lawsuit from dissatisfied former students," and was
24 prompted by about a dozen complaints concerning Trump University that Attorney
25 General Eric T. Schneiderman found to be "credible" and "serious."<sup>8</sup>

   28 For-Profit School, New York Times, May 19, 2011.

52. Florida Attorney General Bill McCollum's office has been reportedly
 "reviewing" 20 or more complaints from consumers who paid up to \$35,000 for
 various Live Events.

# **E.** The BBB Gives Trump University a Failing Grade

- 5 53. The BBB refused to accredit Trump University due to its misleading 6 marketing, explaining that amongst other things, its classification as a 7 "school/academy/college/university" with "professors" was misleading to a 8 reasonable consumer.
  - Another factor contributing to your firm's ineligibility [for accreditation as a BBB business] is your firm's name "Trump University," which may potentially lead reasonable consumers to believe that your firm is an academic institution. As you acknowledged in your correspondence dated 1/4/2010, your firm does not meet the established definition of a "university." However, your instructors and program experts are referred to as "professors" and "faculty" in your promotional materials and on your web site. Both terms are potentially misleading as they are generally reserved for the teaching and administrative staff and members holding academic rank in an educational institution.
- 14 15

16

17

- 54. The BBB also found Trump University's website misleading in stating:
- Trump University's School of Real Estate is accredited and we back up our assertions with unequalled educational and mentoring tools, such as retreats, phone and email coaching and on-site coaching, where we actually send a Donald Trump recommended real estate professional to your town to work with you for 3 days.
- 18 19

20

21

22

23

- 55. In addition, the BBB also found, that Trump University's classification as
- a "School/Academy/College/University" is misleading:
  - [Trump University's] services, as listed in your promotional materials and on your web site, are inconsistent with the established definition for this classification as you do not grant academic degrees or certification and do not appear to have recognized academic charter. Further, your company does not appear to be recognized as an academic institution that is accredited by accrediting agencies recognized by the Secretary of Education.
- 24 25

26

27

28

56. For these reasons, along with numerous consumer complaints, the BBB gave Trump University a "D-" rating. After Defendant changed Trump University's name in mid-2010, Defendant demanded an "A+" evaluation, and when the BBB was unable to issue a good "grade" due to ongoing consumer complaints, Defendant

Trump called the BBB and his lawyer threatened to sue the BBB. As a result, the
 BBB changed Trump University's "grade" to "NR" for "Not Rated."

# The Trump University Enterprise

5 57. Trump University, LLC (now The Trump Entrepreneur Initiative LLC) is 6 a limited liability company registered in New York with its principal place of business 7 at 40 Wall Street, New York, New York. Trump University is one of the companies 8 in the Trump Organization conglomerate located in New York, New York. 58. Trump University has never been an accredited University or held a
license to operate out of the State of New York as an educational institution. Trump
University does not offer any degrees, licenses or credits.

14 59. Defendant Trump and Trump University created a "fictitious office" at

years later approving the change to the current name of The Trump Entrepreneur
Initiative;

14

(d) Regularly reviewing financial records; and

(e) Negotiating and authorizing others to negotiate significant
contracts, such as the lease for the Enterprise's headquarters.

17 65. Defendant Trump was a knowing and willing participant in the Scheme,18 and reaped revenues and/or profits therefrom.

19 66. The Trump University Enterprise has an ascertainable structure separate
20 and apart from the pattern of racketeering activity in which Defendant Trump has
21 engaged. The Trump University Enterprise is separate and distinct from Donald J.
22 Trump.

# 23 **B.** Pattern of Racketeering Activity

24 67. Defendant Trump, who is a person associated-in-fact with the Trump
25 University Enterprise, knowingly, willfully, and unlawfully conducted or participated,
26 directly or indirectly, in the affairs of the enterprise through a pattern of racketeering
27 activity within the meaning of 18 U.S.C. §§1961(1), 1961(5) and 1962(c). The
28 racketeering activity was made possible by the regular and repeated use of the

facilities, services, distribution channels, and employees of the Trump University
 Enterprise.

3 68. Defendant Trump committed multiple "Racketeering Acts," as described
4 below, including aiding and abetting such acts.

69. The Racketeering Acts were not isolated, but rather were related in that
they had the same or similar purposes and results, participants, victims, and methods
of commission. Further, the Racketeering Acts were continuous, occurring on a
regular (daily) basis throughout a time period beginning in mid-2007 and, upon
information and belief, continuing through at least 2010.

10 70. Defendant Trump participated in the operation and management of the
11 Trump University Enterprise by directing its affairs, as described above.

In devising and executing the Scheme, Defendant Trump and Trump 12 71. 13 University personnel committed acts constituting indictable offenses under 18 U.S.C. §§1341 and 1343, in that he devised and knowingly carried out a material scheme or 14 artifice to defraud or to obtain money by means of materially false or fraudulent 15 pretenses, representations, promises, or omissions of material facts. For the purpose 16 of executing the Scheme, Defendant committed these Racketeering Acts, which 17 18 number in the thousands, intentionally and knowingly, with the specific intent to advance the Illegal Scheme. 19

20 72. Defendant used thousands of mail and interstate wire communications to
21 create and perpetuate the Scheme through virtually uniform misrepresentations,
22 concealments and material omissions.

73. Defendant's fraudulent use of the mails and wires included the following
items and communications sent by Defendant and Trump University personnel, to
Plaintiff and third parties via U.S. mail, commercial carrier, interstate wire, and/or
other interstate electronic media:

(a) Throughout the relevant time period, including on or about the
dates set forth below, Defendant Trump and Trump University personnel, caused to be

 be delivered by the person to whom it is addressed, the items described above,
 including those alleged below:

expense of litigating those claims, few, if any, Class Members could afford to or
would seek legal redress individually for the wrongs Defendant committed against

them and absent Class Members have no substantial interest in individually
 controlling the prosecution of individual actions;

3 (ii) This action will promote an orderly and expeditious

11 77. Defendant and his agents had, or have access to, address information for
12 the Class Members, which may be used for the purpose of providing notice of the
13 class action.

14 78. Plaintiff seeks damages and equitable relief on behalf of the Class on15 grounds generally applicable to the entire proposed Class.

### COUNT Violations of the Racketeer Influenced and Corrupt Organizations Act, 18 U.S.C. §1962(c)

79. Plaintiff re-alleges and incorporates by reference the above allegations
contained in the paragraphs above as if fully set forth herein.

20
80. This claim arises under 18 U.S.C. §1962(c), which provides in relevant part:

(c) It shall be unlawful for any person employed by or associated with any enterprise engaged in, or the activities of which affect, interstate or foreign commerce, to conduct or participate, directly or indirectly, in the conduct of such enterprise's affairs through a pattern of racketeering activity....

81. At all relevant times, Defendant Donald J. Trump was a "person" within
the meaning of 18 U.S.C. §1961(3), because he was "capable of holding a legal or
beneficial interest in property." Defendant Trump was associated with the Trump

16

17

22

23

University Enterprise and conducted and participated in that enterprise's affairs
 though a pattern of racketeering activity, as defined by 18 U.S.C. §1961(5), consisting
 of numerous and repeated uses of the mails and interstate wire communications to
 execute a scheme to defraud in violation of 18 U.S.C. §1962(c).

5 82. The Trump University Enterprise was created and/or used as a tool to
6 carry out the Scheme and pattern of racketeering activity.

83. Defendant Trump has committed or aided and abetted the commission of
at least two acts of racketeering activity, *i.e.*, indictable violations of 18 U.S.C.
§§1341 and 1343, within the past ten years. The multiple acts of racketeering activity
that they committed and/or conspired to, or aided and abetted in the commission of,
were related to each other, pose a threat of continued racketeering activity, and
therefore constitute a "pattern of racketeering activity."

- 13 84. Defendant Trump's predicate acts of racketeering within the meaning of
  14 18 U.S.C. §1961(1) include, but are not limited to:
- (a) Mail Fraud: Defendant Trump violated 18 U.S.C. §1341, by
  sending or receiving, or causing to be sent or received, materials via U.S. mail or
  commercial interstate carriers for the purpose of executing the Scheme, which amount
  to a material scheme to defraud and obtain money on false pretenses,
  misrepresentations, promises, and/or omissions. The materials include but are not
  limited to, letters promoting the Scheme and bearing Defendant Trump's signature or
  image; and
- (b) Wire Fraud: Defendant Trump violated 18 U.S.C. §1343, by
  transmitting and receiving, or causing to be transmitted or received, materials by wire
  for the purpose of executing the Scheme, which amounts to a material scheme to
  defraud and obtain money on false pretenses, misrepresentations, promises, and/or
  omissions. The materials transmitted and/or received include but are not limited to,
  interstate credit card transactions, emails promoting the Scheme, and the Main
  Promotional Video.

85. Defendant Trump knowingly and intentionally made these
 misrepresentations, acts of concealment and failures to disclose. Defendant Trump
 either knew or recklessly disregarded that these were material misrepresentations and
 omissions.

5 86. Defendant Trump and Trump University obtained money and property
6 belonging to Plaintiff and the Class as a result of these violations. Plaintiff and other
7 Class Members have been injured in their business or property by Defendant Trump's
8 overt acts of mail and wire fraud.

9 87. Plaintiff and the Class have been injured in their property by reason of
10 Defendant Trump's violations of 18 U.S.C. §1962, including the price paid for the
11 Live Events, which collectively amount to tens of millions of dollars, plus interest and
12 late fees incurred on their credit cards. In the absence of Defendant Trump's
13 violations of 18 U.S.C. §1962, Plaintiff and the Class would not have incurred these
14 losses.

15 88. Plaintiff's and the Class's injuries were directly and proximately caused
16 by Defendant Trump's racketeering activity.

17 89. Defendant knew and intended that Plaintiff and the Class would rely on
18 the Scheme's fraudulent representations and omissions. Defendant Trump knew and
19 intended Plaintiff and the Class would pay fees as a result of same.

90. Under the provisions of 18 U.S.C. §1964(c), Plaintiff is entitled to bring
this action and to recover their treble damages, the costs of bringing this suit and
reasonable attorneys' fees.

23 91. Defendant Trump is accordingly liable to Plaintiff and the Class for three
24 times their actual damages as proved at trial plus interest and attorneys' fees.

25

# PRAYER FOR RELIEF

WHEREFORE, Plaintiff, individually and on behalf of all others similarly
situated, pray this Court to enter a judgment against Defendant that:

 and appointing his attorneys as counsel to represent the Class;

4

B. Awards actual, compensatory, statutory, consequential damages;

5

C. Awards punitive and treble damages;

D. Awards equitable monetary relief, including restitution and disgorgement
of all ill-gotten gains, and the imposition of a constructive trust upon, or otherwise
restricting the proceeds of Defendant's ill-gotten gains, to ensure an effective remedy;

9 E. Awards Plaintiff and Class Members the costs of this action, including
10 reasonable attorneys' fees and expenses and expert fees;

F. Enjoins Defendant from continuing to falsely market and advertise,
conceal material information from the public, and commit unlawful and unfair
business acts and practices; orders Defendant to engage in a corrective notice
campaign, and requires Defendant to refund to Plaintiff and all Class Members the
