INSTRUCTIONS TO VOTERS:

To vote: completely darken the box to the left of your choice.

Note the permitted number of choices directly below the title of each candidate office. Do not mark the ballot for more choices than allowed.

If you mark the ballot for more choices than permitted, that contest or question will not be counted.

To vote for a write-in candidate: completely darken the box to the left of the blank line and write in the candidate's name. Only votes cast for candidates who filed as write-in candidates can be counted.

Do not write-in a candidate's name if that person's name already is printed on the ballot for that same contest.

If you make a mistake or want to change your vote: return your ballot to an election official and get a new ballot. You may ask for a new ballot up to two times.
