Re: FOI request 2016/52

Dear Mr Sheridan

I refer to the request which you made under the Freedom of Information Act 2014 for records held by this Department:

"The appointments diary for Minister Jan O'Sullivan for 2015"

I, Sean Tansey, Private Secretary to the Minister have now made a final decision to grant your request on 8 March 2016.

You have sought access to the records by means of digital format and I consider this an appropriate form of access in this case. Accordingly, a copy of the records is now enclosed.

Right of appeal

You may appeal this decision. In the event that you need to make such an appeal, you can do so by writing to the Freedom of Information Unit, Department of Education and Skills, Marlborough Street, Dublin 1. Your correspondence should include a fee of €30 (€10 for medical card holders)(delete as applicable) for processing the appeal. Payment should be made by way of personal cheque or postal money order made payable to the accountant in the Department of Education and Skills. Please note the Department of Education and Skills no longer accept cheque payments from business users. For further information regarding payment methods for business users, please email foi@education.gov.ie

You should make your appeal within 4 weeks from the date of this notification, where a day is defined as a working day excluding, the weekend and public holidays. However, the making of a late appeal may be permitted in appropriate circumstances. The appeal will involve a complete reconsideration of the matter by a more senior member of the staff of this body.

Should you have any questions or concerns regarding the above, please contact me by telephone on 8892221.

Yours sincerely,

A handwritten signature in black ink, appearing to read "Sean Tansey". The signature is fluid and cursive, with a large loop at the end of the last name.

Private Secretary
