[Madison, Wis.] - Today, Justice Rebecca Bradley's campaign announced that they have raised nearly \$480,000 during the final reporting period before the Spring Election to be held on April 5.

"The ongoing show of support throughout Wisconsin has been amazing as we head into the final week of this campaign," said Justice Rebecca Bradley. "The people of this great state are showing that they cannot stand the mudslinging attack campaign that my opponent has been running, and the money raised is helping push our positive message while beating back all of the baseless attacks against my character."

The campaign received 2,780 donations. Justice Rebecca Bradley's contributors overwhelmingly reside in Wisconsin and nearly 98% of the overall contributions made were \$100 or less.
