November 30, 2015

My name is Gene Pope, I am the retired Sheriff of Butts County Georgia. I am a third generation Sheriff from my family all here in Butts County Ga. I started my career in law enforcement as a Deputy in 1973 in my home town. During my 42+ years career in law enforcement as a Deputy Sheriff of Butts County Jackson, Ga. An Investigator for the Georgia Public Service Commission of Georgia, A Georgia State Trooper and a Special Agent with the Georgia Bureau of Investigation. I am also a POST certified instructor for all types of Law Enforcement since 1985 and still teaching today.

I have known Timothy Filbeck for over 20 years. Most of that time he has worked for me in all areas of the Sheriff's Office. He assisted me with my Reserve Unit, worked in the Jail Facility, Patrolled the streets of our county, and his last assignment was heading up my Investigative Division. Timothy Filbeck was an asset to me personally as well as professionally. He has acquired a knowledge of all areas of a Sheriff's Office to include Budgeting process, citizens' complaints and working closely with all other Federal, State, County and City agencies. He has a deep compassion for the public and his fellow officers. His dedication to a profession most people don't understand unless they are involved is the most emotional and caring I have ever seen. He will be an asset to any government and society he chooses to work and live in. I would be honored to know him as a new Sheriff representing law enforcement for the great State of Arkansas.

Sincerely,

Gene Pope

Butts County Sheriff Retired

As Interim Sheriff, I do not believe it is the responsibility of the appointed Sheriff to bring in great change or especially create turmoil. I believe the job of Interim Sheriff is to bring a certain calmness to the subordinates of the Sheriff's Office and set an example of good work ethics and lead them into a smooth transition with the upcoming elected Sheriff.

I also feel the Interim Sheriff has a responsibility to the citizens to be a good role model with proven leadership. The citizens of Benton County have been deprived that positive proven leadership for too long.

If chosen to be the Interim Sheriff I will bring assurance to each employee of the Sheriff's Office that a new day has arrived. I will also work hand in hand with the newly elected Sheriff to make for a smooth and easy transition into office. I will spend the next 8 months working to rebuild the highest of morale within the office and assurance to the citizens of Benton County and the Quorum Court that represent those citizens that we have the best law enforcement in all of Arkansas.

With my years of experience I have the best proven ability to fill the spot of Interim Sheriff. Not being a part of the current administration is something that will make this transition smooth, decisive and a step in the right direction as there will be no prior ties to old habits and fellowships that may have been developed that could lead to more possible turmoil within the ranks.

As a newly elected delegate for the Republican Party to represent Benton County at the State Republican Convention; I understand the meaning of teamwork and being a good role model to represent Benton County. I feel this will fall right in the same lines, as an Interim Sheriff will act as a delegate for the office and the people both. I hope you will consider me for this honored position.
