

**for State Legislature**

As a candidate for Governor, Mary,  
endorse the purpose of Oklahoma's Open Meeting and  
Open Records laws to ensure and facilitate the public's  
understanding of governmental processes and problems.  
Therefore, I pledge to support at every opportunity the  
public policy of the State of Oklahoma that the people are  
vested with the inherent right to know and be fully  
informed about their government so that they can  
efficiently and intelligently exercise their inherent political  
power. Specifically, I pledge to support legislation to  
strengthen the letter and the spirit of Oklahoma's Open  
Meeting and Open Records laws.
