

## Who can attend?

Good News Club is open to all boys and girls, regardless of religious background.

## Where is club held?

Good News Club may be held in churches, homes, community buildings and schools. The law permits Christian education to be offered on public school campuses after school hours. CEF believes an understanding of the Bible is important for your child.

“For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life. For God did not send his Son into the world to condemn the world, but in order that the world might be saved through him.”  
John 3:16-17
