ON 040816 AT ABOUT 1300 I INVESTIGATED LARCENY FROM A RETAILER AT OFFICE DEPOT, 7286 S. LEWIS AVE. MGR ROB WIEDEN SAID A WHITE MALE SUSPECT WALKED OUT OF THE STORE WITH TWO CANON 106 TONER CARTRIDGES WORTH \$200 EACH. THE SUSPECT DROVE AWAY IN A NEW AUDI A-7 WITH DEALER TAGS. WIEDEN PROVIDED SURVEILLANCE VIDEO FOOTAGE OF THE SUSPECT, A WHITE MALE, BALD or VERT. CLOSE CROPPED HAIR, WEARING A LIGHT-COLORED BUTTON DOWN SHIRT, BLUE JEANS, AND SANDALS WITH A BROWN STRAP & A TAN STRAP. WIEDEN CONTACTED THE NLSA AUDI DEALER & LEARNED A SILVER A-7 HAD BEEN STOLEN THERE ON 032916. I COMPLETED TRACIS 2016021285 TO DOCUMENT THE LARCENY OF TONER CARTRIDGES

TRACIS 2016020677 DOCUMENTED THEFT OF THE AUDI & LISTED DAVID FULPS AS SUSPECT. I DROVE TO HIS ADDRESS & SAW THE AUDI PARKED IN SPACE #23, THE SAME AS HIS APARTMENT #. TWO CANON 106 TONER CARTRIDGES WERE VISIBLE THROUGH THE REAR WINDOW OF THE CAR.

I MADE CONTACT WITH FULPS AT HIS APARTMENT DOOR. I TOLD HIM HE WAS UNDER ARREST, AND EVENTUALLY PERSUADED HIM TO COME OUT. AT ARREST, FULPS WAS WEARING SANDALS & SHIRT THAT APPEARED THE SAME AS IN THE OFFICE DEPOT FOOTAGE.

AUDI OF NLSA PERSONNEL TOOK POSSESSION OF THE A-7 AT THE SCENE. THEY SAID THE SUSPECT LEFT BEHIND AN ACURA ZDX SUV, WHICH WAS LATER RECOVERED AS A STOLEN VEHICLE. THE ACURA WAS REPORTED STOLEN IN TRACIS 2016020643. THE ORIGINAL REPORT SAID THE SUSPECT ID'D HIMSELF AS "DAVID" & PRETENDED TO TEST-DRIVE THE CAR WHEN HE STOLE IT.

THE BELOW SIGNED OFFICER SWEARS AND AFFIRMS THAT THE ABOVE INFORMATION IS TRUE AND CORRECT AND PRAYS THIS HONORABLE COURT TO FIND PROBABLE CAUSE TO DETAIN THE ARRESTEE PENDING FURTHER PROCEEDINGS.

OFFICER SUMMARY:
On the above listed date and location I was radio assigned to investigate an auto theft call. When I arrived at the above listed location I spoke to the person reporting and witness Doug Driver who is an employee of Midtown Kia about the larceny of motor vehicle that took place at this location.

INTRO

On 04-06-2017 I was assigned to recover a stolen vehicle at Audi of Tulsa, 4208 S. Memorial Drive Tulsa, OK. Upon arrival I spoke with the manager and found the following information.

SUMMARY

The manager stated they had a vehicle stolen from them the previous day (see TRACIS 2016-020677 for details) by suspect David Fulps.

Today, employees were going through the lot and noticed the listed vehicle (Acura) parked in a parking stall. It was obviously "dealer stock" and did not have a state license plate or "Dealer Tag" indicating it had been sold.

Knowing that they had no such vehicles in their own inventory, they investigated and found the vehicle had it's key and a key fob inside. They recognized the key fob as belonging to a dealer key inventory system. They then called the dealer (Mid Town Kia) listed on the advertising / identification plate on the rear of the vehicle.

Upon speaking with Mid Town Kia, they found the car was stolen the previous day. Upon describing the events, they found the same suspect took both vehicles in a similar method. The used car manager at the Kia dealership stated they would be over shortly to get their vehicle.

At the recovery location I spoke with Doug Driver of Mid Town Kia. He took possession of the vehicle to return it to his dealership.

OFFICER'S NOTE

It was not clear exactly how I was assigned to recover this vehicle as both parties stated they had not yet called the police.

I took the necessary information and completed this report. Records was contacted to cancel the local and NCIC entries.

Officers Summary: On 040516 R/A to Audi of Tulsa 4208 S. Memorial Dr. on an auto theft. Upon arrival I spoke with person reporting Darren Layman.

Person Reporting Summary: Darren stated he was showing the stolen vehicle to David Fulps a customer who had been in the dealership back in October looking at a vehicle. Darren said the salesman that was in the vehicle with him to take a test drive had to go to the office and left David in the vehicle. Darren said he started outside to the vehicle and saw David take off in the vehicle. Darren said he grabbed for the door but decided he did not want to be hurt trying to stop him. Darren said he saw the vehicle go behind the dealership and out onto Memorial going south bound.

Darren said David left a copy of his D.L. in the office and they had his phone number from the last time he was in. Darren tried to call his phone but David would not answer the phone.

O353 stated she was unable to enter the vehicle in NCIC because a title had never been issued for the vehicle.

Darren said he has a number that is assigned to the vehicle from the factory but they do not get titles to the vehicles that come from the factory.

VICTIM NAME #1: Audi Of Tulsa			04	10	2016	Sun	1136

ORIGINAL CALL:
 On 040816 at 1215 I was assigned to investigate larceny from a retailer at Office Depot, 7286 S. Lewis Ave. On arrival, I spoke to store manager Rob Wieden, who said a suspect stole toner cartridges.

PERSON REPORTING SUMMARY:
 Wieden said the suspect entered the store on 040716 at about 1840. He walked around in the store for a while, apparently browsing, and spoke to one or two employees briefly. The suspect took two boxes containing Canon 106 laser toner cartridges, worth \$200 ea. The suspect walked toward the front of the store with the boxes, then past the registers, and out the front door. Employee Nathan Perry saw the suspect get into the driver's seat of a silver 2016 Audi A7 4D with an "Audi of Tulsa" dealer tag, and drive away.

Perry called the Audi of Tulsa dealership and learned a silver A7 had been stolen on Tuesday, 033116.

Wieden compiled security camera footage of the suspect in the store, copied it to a USB drive, and called police to turn it over as evidence.

SUSPECT:
 The suspect appearing in the security video was a white male with very short brown hair. He wore a white or light-blue buttoned shirt, blue jeans, and sandals with a brown diagonal strap across the top of the foot. The suspect was described as a white male about 6'00" tall with medium build, in his late 30s or early 40s.

STOLEN AUDI:
 I found an Audi A7 reported stolen in TRACIS report 2016020677. That report said David Fulps provided his ID at the dealership and asked to test drive the A7 before he abruptly drove away in it before a dealership employee could get in the car with him. Fulps' address was listed as 4517 S. Peoria Ave, #23.

I drove to Fulps' address, and saw a silver Audi A7 with dealer plates parked in the apartment parking lot, space #23. I confirmed with teletype that the vehicle was reported as stolen in NCIC, and confirmed the VIN on the parked car. The stolen car appeared undamaged.

NCIC CANCELLATION:
 I called records, and O-241 canceled the NCIC entry for the Audi A7.

SUSPECT CONTACT:
 With other officers, I knocked on Fulps' front door at apartment 23. Fulps (recognizable from booking photos in TRACIS) opened the door, leaving the outer glass storm door closed and locked. I told Fulps he was under arrest for auto theft, and ordered him to come out of his apartment. Fulps was initially non-compliant, and started rambling about governmental and police abuse of power, and asking whether we were talking about law enforcement. Fulps continued for about half an hour, but eventually said he intended to come out. Fulps was taken into custody without incident after he got dressed.

SUSPECT'S CLOTHING:
 At arrest, Fulps was wearing a white buttoned shirt with light blue vertical pinstripes, dark gray shorts, and brown sandals with a diagonal strap across the top of the foot, and a gray cloth strap. The sandals appeared to be the same as those appearing in the Office Depot security camera footage, while the shirt was possibly the same, but too indistinct to be conclusive.

APARTMENT SEARCH:

Fulps signed a search waiver allowing officers to search his apartment. Inside, I found nothing that appeared to be evidence of a crime. No property was seized from Fulps' apartment.

STOLEN PROPERTY:

Fulps said the Audi A7 was unlocked, and the keys were in the center console. I found this was the case. In the trunk of the car, visible through the rear glass, were two boxes labeled as Canon 106 toner cartridges.

EVIDENCE:

Officer Ward photographed the stolen car parked in space number 23, along with the VIN plate, and the Canon toner cartridges in place in the trunk. Ward uploaded the photos to DIMS.

I photographed Fulps and his clothing at booking, for comparison against the security camera footage.

Wieden provided paper copies of stills from the security camera footage inside Office Depot, along with an internal e-mail describing the larceny, and a sheet listing the price and description of the stolen toner cartridges.

Wieden provided a USB drive with video footage from inside the Office Depot. I copied the contents to a departmental hard drive.

I turned in the original documents and the USB drive provided by Wieden on property receipt BK9437

OFFICER ACTIONS:

Officer Jordan-Simmons contacted the Audi dealership, and Audi employee John Hill came to the scene and took possession of the Audi A7. Hill said he believed Fulps was also the suspect in larceny of an Acura SUV, which was stolen from Midtown Kia on 040516 and then located and recovered in the parking lot at Audi of Tulsa on 040616. See TRACIS 20160202643.

I retrieved the toner cartridges, and Officer Jordan-Simmons transported them back to Office Depot, where they were turned over to Wieden.

Fulps said a red and gray shoulder bag found in the trunk of the car belonged to him. The shoulder bag was placed inside his apartment.

STOLEN ACURA:

An Acura ZDX SUV was reported stolen from the Midtown Kia dealership in TRACIS 2016020643. In that incident, a suspect calling himself "David" asked to test drive the vehicle, then drove away in it before the dealership employee could get in. The M.O., suspect description, timing, and recovery of the Acura at the Audi dealership all indicate Fulps as the suspect.

ARREST AND BOOKING:

I transported Fulps to Tulsa County Jail and charged him with petit larceny from a retailer, and two counts of larceny of motor vehicle.

RELATED REPORTS:

TRACIS 2016021285 documents larceny from a retailer, with Fulps as the

ORIGINAL CALL:

On 040816 at 1215 I was assigned to investigate larceny from a retailer at Office Depot, 7286 S. Lewis Ave. On arrival, I spoke to store manager Rob Wieden, who said a suspect stole toner cartridges.

PERSON REPORTING SUMMARY:

Wieden said the suspect entered the store on 040716 at about 1840. He walked around in the store for a while, apparently browsing, and spoke to one or two employees briefly. The suspect took two boxes containing Canon 106 laser toner cartridges, worth \$200 ea. The suspect walked toward the front of the store with the boxes, then past the registers, and out the front door. Employee Nathan Perry saw the suspect get into the driver's seat of a silver 2016 Audi A7 4D with an "Audi of Tulsa" dealer tag, and drive away.

Perry called the Audi of Tulsa dealership and learned a silver A7 had been stolen on Tuesday, 033116.

Wieden compiled security camera footage of the suspect in the store, copied it to a USB drive, and called police to turn it over as evidence.

SUSPECT:

The suspect appearing in the security video was a white male with very short brown hair. He wore a white or light-blue buttoned shirt, blue jeans, and sandals with a brown diagonal strap across the top of the foot. The suspect was described as a white male about 6'00" tall with medium build, in his late 30s or early 40s.

STOLEN AUDI:

I found an Audi A7 reported stolen in TRACIS report 2016020677. That report said David Fulps provided his ID at the dealership and asked to test drive the A7 before he abruptly drove away in it before a dealership employee could get in the car with him. Fulps' address was listed as 4517 S. Peoria Ave, #23.

I drove to Fulps' address, and saw a silver Audi A7 with dealer plates parked in the apartment parking lot, space #23. I confirmed with teletype that the vehicle was reported as stolen in NCIC, and confirmed the VIN on the parked car. The stolen car appeared undamaged.

SUSPECT CONTACT:

With other officers, I knocked on Fulps' front door at apartment 23. Fulps (recognizable from booking photos in TRACIS) opened the door, leaving the outer glass storm door closed and locked. I told Fulps he was under arrest for auto theft, and ordered him to come out of his apartment. Fulps was initially non-compliant, and started rambling about governmental and police abuse of power, and asking whether we were talking about law enforcement. Fulps continued for about half an hour, but eventually said he intended to come out. Fulps was taken into custody without incident after he got dressed.

SUSPECT'S CLOTHING:

At arrest, Fulps was wearing a white buttoned shirt with light blue vertical pinstripes, dark gray shorts, and brown sandals with a diagonal strap across the top of the foot, and a gray cloth strap. The sandals appeared to be the same as those appearing in the Office Depot security camera footage, while the shirt was possibly the same, but too indistinct to be conclusive.

APARTMENT SEARCH:

Fulps signed a search waiver allowing officers to search his apartment. Inside, I found nothing that

appeared to be evidence of a crime. No property was seized from Fulps' apartment.

STOLEN PROPERTY:

Fulps said the Audi A7 was unlocked, and the keys were in the center console. I found this was the case. In the trunk of the car, visible through the rear glass, were two boxes labeled as Canon 106 toner cartridges.

EVIDENCE:

Officer Ward photographed the stolen car parked in space number 23, along with the VIN plate, and the Canon toner cartridges in place in the trunk. Ward uploaded the photos to DIMS.

I photographed Fulps and his clothing at booking, for comparison against the security camera footage.

Wieden provided paper copies of stills from the security camera footage inside Office Depot, along with an internal e-mail describing the larceny, and a sheet listing the price and description of the stolen toner cartridges.

Wieden provided a USB drive with video footage from inside the Office Depot. I copied the contents to a departmental hard drive.

I turned in the original documents and the USB drive provided by Wieden on property receipt BK9437

OFFICER ACTIONS:

Officer Jordan-Simmons contacted the Audi dealership, and Audi employee John Hill came to the scene and took possession of the Audi A7. Hill said he believed Fulps was also the suspect in larceny of an Acura SUV, which was stolen from Midtown Kia on 040516 and then located and recovered in the parking lot at Audi of Tulsa on 040616. See TRACIS 20160202643.

I retrieved the toner cartridges, and Officer Jordan-Simmons transported them back to Office Depot, where they were turned over to Wieden.

Fulps said a red and gray shoulder bag found in the trunk of the car belonged to him. The shoulder bag was placed inside his apartment.

STOLEN ACURA:

An Acura ZDX SUV was reported stolen from the Midtown Kia dealership in TRACIS 2016020643. In that incident, a suspect calling himself "David" asked to test drive the vehicle, then drove away in it before the dealership employee could get in. The M.O., suspect description, timing, and recovery of the Acura at the Audi dealership all indicate Fulps as the suspect.

ARREST AND BOOKING:

I transported Fulps to Tulsa County Jail and charged him with petit larceny from a retailer, and two counts of larceny of motor vehicle.

RELATED REPORTS:

TRACIS 2016021285 documents larceny from a retailer, with Fulps as the suspect.
TRACIS 2016020677 documents larceny of an Audi A7 and subsequent recovery, with Fulps as the

 TRACIS 2016020643 documents larceny of an Acura ZDX SUV and subsequent recovery, with Fulps as the suspect.

WITNESSES:

Rob Wieden, store manager for Office Depot, compiled video evidence and determined what merchandise was stolen.

Kyle Owuso, Office Depot employee, spoke to the suspect in the store briefly, and could describe him.

Isaac Flores, Office Depot employee, saw the suspect walk past the register with the merchandise. He could describe the suspect.

Nathan Perry, Office Depot employee, ran after the suspect to see his vehicle. Perry saw the Audi A7, and contacted the Audi dealership to learn it matched the description of a recently stolen car.

John Hill, Audi of Tulsa employee, responded to the scene and took possession of the recovered Audi. He was aware of the recovery of the Acura ZDX at his dealership a few days previously.
