# INDEPENDENT AUDITORS' REPORT 

Board of Commissioners
Fayetteville Advertising and Promotion Commission
Fayetteville, Arkansas

## Report on the Financial Statements

We have audited the accompanying financial statements of the Fayetteville Advertising and Promotion Commission (the "A\&PC") as of and for the years ended December 31, 2015 and 2014, and the related notes to the financial statements, which collectively comprise A\&PC's basic financial statements as listed in the table of contents.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting practices prescribed or permitted by the State of Arkansas (the "State") to demonstrate compliance with the State's regulatory basis of accounting and budget laws. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the A\&PC's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the A\&PC's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note 1 of the financial statements, the financial statements are prepared by the A\&PC on the basis of accounting practices prescribed or permitted by the State to demonstrate compliance with the State's regulatory basis of accounting and budget laws, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of the State.

The effects on the financial statements of the variances between the regulatory basis of accounting described in Note 1 and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

## Adverse Opinion on U.S. Generally Accepted Accounting Principles

In our opinion, because of the significance of the matter discussed in the Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles paragraph, the financial statements referred to above do not present fairly, in accordance with accounting principles generally accepted in the United States of America, the financial position of the A\&PC as of December 31, 2015 and 2014, or changes in financial position thereof for the years then ended.

## Opinion on Regulatory Basis of Accounting

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and fund balance of the A\&PC as of December 31, 2015 and 2014, and its respective revenues, expenditures, and the changes in fund balance and budgetary results for the years then ended, in accordance with accounting practices prescribed or permitted by the State described in Note 1.

## Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have issued a report dated May 9, 2016 on our consideration of A\&PC's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the A\&PC's internal control over financial reporting and compliance.

# FAYETTEVILLE ADVERTISING AND PROMOTION COMMISSION NOTES TO FINANCIAL STATEMENTS <br> DECEMBER 31, 2015 AND 2014 

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

As discussed further below, these financial statements are presented in accordance with the regulatory basis of presentation as prescribed by Arkansas state law. The Fayetteville Advertising and Promotion Commission (the "A\&PC") maintains it records on a modified accrual basis of accounting, as discussed below. The regulatory basis of presentation and the modified accrual basis of accounting differ from accounting principles generally accepted in the United States of America. The significant accounting policies of the A\&PC are as follows:

## Regulatory Accounting

The Arkansas Legislature enacted a law in 2005 that requires municipalities to present their financial statements in a prescribed format and also restricts the basis of accounting for this format to one of three methods. The entity's governing body, however, can adopt a resolution annually to adopt GASB Statement No. 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments (GASB No. 34) as their reporting model in lieu of reporting on this regulatory basis established by Arkansas Code 10-4-412. The Board of Commissioners did not adopt such a resolution for 2015 or 2014.
The regulatory presentation is on a fund basis with no distinction being made as to the type of funds (Proprietary, Governmental, etc.) being presented. The required financial statements consist of a balance sheet (or statement of assets, liabilities, and fund balance), statement of revenues, expenditures, and changes in fund balance, and statement of revenues and expenditures - budget to actual. The basis of accounting is limited to cash basis, modified cash basis or modified accrual basis. The A\&PC has elected to utilize the modified accrual basis of accounting.

## Reporting Entity

The A\&PC is a component unit of the City of Fayetteville, Arkansas (the "City"), established by Ordinance Number 2310 of the City for the purpose of promoting and advertising the City and its environs. The A\&PC is presented in the City of Fayetteville's Comprehensive Annual Financial Report as a discretely presented component unit. A commission consisting of seven members governs the A\&PC. Four members are owners or managers of hotels, motels or restaurants, and serve for staggered terms of four years. Two members must be members of the governing body of the City, are selected by the council and serve at the will of the council. One member is from the public at large and is nominated by the Commission and approved by the council. All members must reside in the City. Members are voted on by the existing Commissioners and approved by the City Council. The financial statements present only the A\&PC, and are not intended to present the financial position and results of operations of the City of Fayetteville, Arkansas, in conformity with accounting principles generally accepted in the United States of America. Operations of the A\&PC include the Fayetteville Convention and Visitors Bureau, the Fayetteville Town Center and the Clinton House Museum.

# FAYETTEVILLE ADVERTISING AND PROMOTION COMMISSION NOTES TO FINANCIAL STATEMENTS <br> DECEMBER 31, 2015 AND 2014 

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

## Use of Estimates

Management used estimates and assumptions in preparing these financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

## Basis of Accounting

The financial statements are prepared on the modified accrual basis of accounting. As such, revenues are recognized when the underlying exchange takes place and in the accounting period in which the revenue is both measurable and available to finance expenditures of the fiscal period. The A\&PC considers all tax revenues measurable and available when collected and exchange revenue when the transaction occurs. Expenditures are recorded when the related liability is incurred.

## Budgets

The A\&PC adheres to the following procedures in establishing the budgets reflected in the accompanying financial statements:

Prior to December 1, the budget committee proposes an operating budget for the fiscal year commencing the following January 1. The operating budget includes proposed expenditures and the means of financing them.

Prior to January 1, the A\&PC legally enacts the budget through approval of the commissioners.

Budgets are adopted on a basis consistent with accounting practices prescribed or permitted by the State of Arkansas, which practices differ from accounting principles generally accepted in the United States of America.

Budgeted revenues and expenditures represent the formal operating budget adopted by the A\&PC. Budgetary control is maintained at the operations level. Budgeted amounts not spent by year end lapse.

## Income Taxes

The A\&PC is a tax-exempt organization under Section 115 of the Internal Revenue Code.

## Property

Property is carried at historical cost or fair market value at date of donation if the asset was contributed. The A\&PC's capitalization policy states that assets with an initial value or cost greater than or equal to $\$ 5,000$ and an estimated useful life of greater than one year will be capitalized. Depreciation is provided on the straight-line method over the estimated useful lives of the respective assets, which range from 5 to 39 years.

# FAYETTEVILLE ADVERTISING AND PROMOTION COMMISSION NOTES TO FINANCIAL STATEMENTS <br> DECEMBER 31, 2015 AND 2014 

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

## Advertising

The A\&PC expenses advertising, marketing, and promotion costs as incurred.

## Subsequent Events

Subsequent events are evaluated through the date the financial statements were available to be issued, which is the date of the Independent Auditors' Report.

## Funding

The A\&PC is funded by a $1 \%$ hotel, motel and restaurant tax on all revenue from the renting, leasing, or otherwise furnishing of hotel or motel accommodations for profit in the City. The tax also applies to the gross receipts or gross proceeds received by restaurants, cafes, cafeterias, delis, drive-in restaurants, carry-out restaurants, concession stands, convenience stores, grocery store restaurants, caterers and similar businesses as may be defined from time to time by ordinance from the sale of prepared foods and beverages for on or off premises consumption. The tax does not apply to such gross receipts or proceeds of organizations qualified under Section 501(c)(3) of the Federal Internal Revenue Code.

The taxes are due the 20th day of the month following the month in which the taxes were collected. If taxes become delinquent, the City Prosecutor seeks to collect the taxes. Delinquent taxes totaled $\$ 23,104$ and $\$ 39,793$ at December 31, 2015 and 2014, respectively.

Revenues collected from the taxes are to be used for advertising and promotion in the City and its environs. Revenues are also to be used for the construction, reconstruction, equipment, improvement, maintenance, repair, and operation of a convention center, for the operation of tourist promotion facilities in the City, and for personnel and agencies necessary to conduct the business of the A\&PC.

## Investments

Investments of the A\&PC represent the portion of a combined investment pool managed by the City allocable to the A\&PC. Investments include money market mutual funds, U.S. Treasury obligations, corporate bonds and U.S. Government agency obligations. Money market mutual funds, governmental securities and corporate bonds are recorded at fair market value based on quoted market prices. Income related to investments is recorded when earned. Income earned in the pool is allocated to the various funds and component units weekly. At December 31, 2015 and 2014, the A\&PC's proportionate share of the investment pool was approximately $1.80 \%$ and $1.85 \%$, respectively.

## Reclassification

Certain accounts in prior year financial statements have been reclassified for comparative purposes to conform with the presentation in the current year financial statements.

# FAYETTEVILLE ADVERTISING AND PROMOTION COMMISSION NOTES TO FINANCIAL STATEMENTS <br> DECEMBER 31, 2015 AND 2014 

## NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

## Accounts Receivable

Accounts receivable consist of amounts due from the Fayetteville Town Center customers and the City's Parking Department. For the years ended December 31, 2015 and 2014, accounts receivable were deemed fully collectible; therefore, no allowance for doubtful accounts was considered necessary. If accounts become uncollectible, they will be charged to operations when that determination is made. Determination of uncollectibility is made by management based on knowledge of individual accounts and consideration of such factors as current economic conditions. Accounts are generally uncollateralized. Past-due status is based on contractual terms. Past-due accounts are not charged interest.

## Inventory

Inventory is valued at the lower of cost (first-in, first-out method) or market. Inventory consists of items for sale in the A\&PC's gift shop.

## NOTE 2: COMMITMENTS

The A\&PC has an agreement with the City to pay $\$ 673,000$ per year, plus fees, for The Hotel and Restaurant Gross Receipts Tax Bonds, Series 2003, issued by the City to construct and equip the Town Center, a multi-purpose civic center and the related parking facilities. The bonds are secured by a $1 \%$ gross receipts tax and the revenues from the operations of the Town Center. The bonds bear interest at coupon rates ranging from $3.2 \%$ to $3.55 \%$ and were set to mature in 2015. (See Note 6.) These bonds were fully repaid during the year ended December 31, 2014.

During the year ended December 31, 2013, a resolution was proposed that recommended to the City the issuance and sale of (1) approximately $\$ 1,500,000$ of hotel and restaurant gross receipts tax refunding bonds for the purpose of refunding the City's outstanding hotel and restaurant gross receipts tax refunding bonds, series 2003, (2) approximately $\$ 6,900,000$ of hotel and restaurant gross receipts tax and tourism revenue capital improvement bonds for the purpose of financing certain capital improvements in connection with the proposed Walton Arts Center expansion and renovation, and (3) approximately $\$ 3,500,000$ of hotel and restaurant gross receipts tax and tourism revenue capital improvement bonds for the purpose of financing certain capital improvements in connection with a proposed regional park. The resolution was approved by the A\&PC in May 2013 and approved by the voters in November 2013 in a special election. The bonds were issued in October 2014, will mature in 2039, and bear interest at coupon rates ranging from $2.0 \%$ to $5.0 \%$. As a result of the issuance, the City retains $\$ 742,528$ per year, plus fees, for payments on these bonds. The amount retained for the bond payment would otherwise be remitted to the A\&PC.

# FAYETTEVILLE ADVERTISING AND PROMOTION COMMISSION NOTES TO FINANCIAL STATEMENTS <br> DECEMBER 31, 2015 AND 2014 

## NOTE 2: COMMITMENTS - CONTINUED

In November and December of 2015, the A\&PC committed to pay up to $\$ 139,000$ in funding requests from various Fayetteville, Arkansas organizations for events to be hosted within the City in 2016.

## NOTE 3: DEPOSITS IN FINANCIAL INSTITUTIONS

State law requires that municipal funds be deposited in federally insured banks located in the State of Arkansas. The municipal deposits may be in the form of checking accounts, savings accounts, and time deposits. Public funds may also be invested in direct obligations of the United States of America and obligations, the principal and interest of which, are fully guaranteed by the United States of America.

The A\&PC maintains separate bank accounts in two banks. Deposits with banks at December 31, 2015 amounted to $\$ 819,926$, of which $\$ 290,481$ was insured and the remaining amount was collateralized by securities held in the A\&PC's name.

The A\&PC's portion of investments held by the City amounted to \$1,840,256 at December 31, 2015, and is held at one financial institution in the name of the City. Approximately $.24 \%$ of the pool is insured, $2.85 \%$ is collateralized by securities held in the City's name and the remaining balance is invested in direct obligations of the United States of America.

## NOTE 4: EMPLOYEE BENEFIT PLAN

The A\&PC offers a SIMPLE IRA plan to all employees who meet the eligibility requirements. The A\&PC matches employee contributions up to $3 \%$ of compensation, while the employee may contribute up to $10 \%$ of their salary. The commission of the A\&PC has the authority to amend the plan and contribution rate. The A\&PC made contributions in the amount of $\$ 14,678$ and $\$ 13,418$ for the years ended December 31, 2015 and 2014, respectively.

## NOTE 5: CONCENTRATIONS AND RISK OF ACCOUNTING LOSS

Interest Rate Risk - As a means of limiting its exposure to fair value losses arising from rising interest rates, the A\&PC's investment policy is to attempt to match investment maturities with cash flow requirements. The A\&PC's investments are money market mutual funds, U.S. Treasury obligations, corporate bonds and U.S. Government agency obligations.

## NOTE 5: CONCENTRATIONS AND RISK OF ACCOUNTING LOSS - CONTINUED

Credit Risk - Credit risk is the risk that the issuer or other counterparty to an investment will not fulfill its obligations. It is the A\&PC's policy to minimize credit risk losses due to default of security issuers or backers by limiting investments to the safest types of securities in accordance with the City's investment policies. It is the City's policy to invest no more than $20 \%$ in corporate debt and securities of a management type investment company or investment trust. The corporate bonds must be rated as Single A minus or better by both Moody's Investor Service and Standard and Poor's at the time of purchase. Investment in commercial paper will be rated A-1/P-1. Investment in management type investment companies or investment trusts is limited to companies with portfolios who are limited to U.S. Government obligations and repurchase agreements with approved collateralization. The City's investments in corporate bonds ranged between $A$ and $B B B$ and the government agencies were ranked $A A+$ by Standard \& Poor's at December 31, 2015 and 2014.

Custodial Credit Risk - Custodial credit risk is the risk that, in the event of the failure of the counterparty, the A\&PC will not be able to recover the value of its investment or collateral securities that are in the possession of an outside party. (See Note 3).

Concentration of Credit Risk- The A\&PC's investment policy, in accordance with the City's investment policies, limits investment in any one issuer to $5 \%$ of the cost basis of the portfolio and limits concentration in any one business sector to $15 \%$ of the cost basis of the portfolio excluding U.S. Treasury securities and collateralized certificates of deposits. The A\&PC had no concentration risk as of December 31, 2015 and 2014.

Foreign Currency Risk- This risk relates to adverse effects on the fair value of an investment from changes in exchange rates. The City's investment policy doesn't directly address foreign currency risk. The City's investment manager only buys U.S. dollar pay securities. The A\&PC had no investments that were denominated in foreign currency at December 31, 2015 and 2014.

## NOTE 6: RELATED PARTY TRANSACTIONS

As stated in Ordinance Number 95-1, the commission of the A\&PC consists of seven members, four of which are owners or managers of businesses in the tourism industry which collect the hotel or restaurant taxes levied. Thus, four members of the commission are employed by restaurants or hotels that pay the tax which is the primary funding for the A\&PC.

During the years ended December 31, 2015 and 2014, the A\&PC paid approximately $\$ 7,000$ and $\$ 5,000$, respectively, for expenses related to operational services performed by the City for the lease of parking spaces.

## NOTE 6: RELATED PARTY TRANSACTIONS - CONTINUED

The A\&PC had amounts due from the City for $\$ 11,690$ and $\$ 11,963$ at December 31, 2015 and 2014, respectively, and amounts due to the City for $\$ 5,226$ and $\$ 4,731$ at December 31, 2015 and 2014, respectively, for interfund transactions recorded during the year. Furthermore, the A\&PC had accounts receivable from the City's Parking Department of $\$ 8,933$ and $\$ 8,366$ at December 31, 2015 and 2014, respectively.

The A\&PC has an agreement to pay the City a collection fee of $2 \%$ of the taxes collected. During the years ended December 31, 2015 and 2014, the A\&PC paid collection expenses of $\$ 61,044$ and $\$ 55,155$, respectively, to the City in exchange for the City collecting tax revenue on behalf of the A\&PC.

The A\&PC has an agreement with the City to pay $\$ 673,000$ per year, plus fees, for bonds secured by a $1 \%$ gross receipts tax. This bond issue was fully repaid during the year ended December 31, 2014. Additionally, the City retains $\$ 742,528$ per year, plus fees, for payments on the Capital Improvement and Refunding Bonds issued in October 2014. See Note 2.

## NOTE 9: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Codification Topic Fair Value Measurements and Disclosures establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1), and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the investments fall within different levels of the hierarchy, the categorization is based on the lowest level of input that is significant to the fair value measurement of the investment.

Investments recorded in the Statements of Assets, Liabilities and Fund Balance Modified Accrual Basis based on the inputs to valuation techniques are as follows:

Level 1 - These are investments where values are based on unadjusted quoted prices for identical assets in an active market that the A\&PC has the ability to access. These investments are comprised of money market mutual funds, corporate bonds, U.S Agency obligations and U.S Treasuries.

Level 2 - These are investments where values are based on quoted prices in markets that are not active or model inputs that are observable either directly or indirectly for substantially the full term of the investments.

Level 3 - These are investments where values are based on prices or valuation techniques that require inputs that are both unobservable and significant to the overall fair value measurement. These inputs reflect assumptions of management about assumptions market participants would use in pricing the investments.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS 

Board of Commissioners

## Fayetteville Advertising and Promotion Commission

Fayetteville, Arkansas
We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of the Fayetteville Advertising and Promotion Commission (the "A\&PC") as of and for the year ended December 31, 2015 and have issued our report thereon dated May 9, 2016. In our report we expressed an adverse opinion on accounting principles generally accepted in the United States of America because the financial statements are prepared on the basis of accounting practices prescribed or permitted by the State of Arkansas (regulatory basis) and not in accordance with accounting principles generally accepted in the United States of America. In our report, we expressed an unqualified opinion on the regulatory basis of accounting, which is a basis of accounting other than principles generally accepted in the United States of America.

## Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the A\&PC's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the A\&PC's internal control. Accordingly, we do not express an opinion on the effectiveness of the A\&PC's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the A\&PC's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

## Compliance and Other Matters

As part of obtaining reasonable assurance about whether the A\&PC's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

## Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the A\&PC's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the A\&PC's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
