RE: Budget Committee / Commission Meeting on June 29, 2016

In an effort to facilitate a streamlined approach to the upcoming Budget Committee / Commission meeting, please have your amendments (in writing) prepared in advance for distribution so as to maintain decorum in the meeting.

Once we get in the Commission meeting we will not adjourn until we have a budget. If you think that the meeting will last longer than a day, please bring a suitcase with a change of clothing because we won't stop until we have a budget. If you think that the meeting will last longer than one day, please bring two sets of clothing. Remember we are committed to the people of this county and as Chairman I have faith in each and every one of you.

Thank you for all your hard work and cooperation during this budget process.
