Well we have a rally downtown today I can not cancel it but what I do is not march.

Please call me so that we can talk.

I am available now

I will meet with you on the condition that you publicly agree to discontinue protests in the downtown area given the tragic circumstances of July 7 and the associated concerns for our officer's safety....and that you choose a protest location more tactically advantageous to officer safety

Hello how you doing Chief it was great speaking with you briefly today but I am sending this email to request a meeting with you one on one.

I would like this meeting to be as soon as possible.

Please call me if you have any questions.
