Importance: High

Laura and Mike:

Do you have time to meet with us this morning? We need to talk about five urgent items:

- 1) Medtronic Release (judge signed the CD on Monday, but RSOL didn't alert us until last night);
- 2) Bank of America Release (RSOL promised a draft by yesterday but I have still not received it);
- 3) Blog for Monday – we have a draft we'd like to discuss with you; it's a follow-up to last Friday's Twitter Chat
- 4) Final rules for 503/VEVRAA being published in the Federal Register on Tuesday
- 5) Macy's decision

Since Pat is on furlough today, I think we should meet with Les and Pam and make some quick decisions on these issues.

Hi, OFCCP!

Checking in for the weekly update.

- First: Any update on Medtronic? (b) (5)
- Also, any updates on the status of the Waupaca, PFG, G&K and Wood Group releases?
- The final rules *Federal Register* update is slated for Sept. 24.
- Your next blog is due Monday, which means we'd like to have it today.

- (b) (5)
- Please let us know by **COB Monday** if you plan to submit anything else.
- Can you remind me what our protocol is with requests for Consent Decrees? (b) (5)
- I got Kelley’s question about videos yesterday and I’ve forwarded it to our AV staff to see if they can answer it. Still waiting for an answer, but I’ll let you know when I hear back from them.
- As a general FYI, I’ll be out of the office from Sept. 30 through noon Oct. 7, so Trupo will be your first point of contact for any public affairs issues. (b) (7) (c)

I think that’s it, but let us know if we missed anything!

Best,
Laura
