Donald J. Trump President-elect of the United States of America Trump Tower 735 5<sup>th</sup> Avenue New York, NY 10022

## Dear President-Elect Trump,

We are a group of 176 retired flag officers from all branches of the United States military. We have over six thousand years of combined experience in commanding and leading American men and women in war and in peace, and believe strongly in the values and ideals that our country holds dear. We know from experience that U.S. national security policies are most effective when they uphold those ideals.

For these reasons, we are concerned about statements made during the campaign about the use of torture or cruel, inhuman, or degrading treatment of detainees in U.S. custody. The use of waterboarding or any so-called "enhanced interrogation techniques" is unlawful under domestic and international law. Opposition to torture has been strong and bi-partisan since the founding of our republic through the administration of President Ronald Reagan to this very day. This was reinforced last year when the Congress passed the McCain-Feinstein anti-torture law on an overwhelmingly bi-partisan basis.

Torture is unnecessary. Based on our experience—and that of our nation's top interrogators, backed by the latest science—we know that lawful, rapport-based interrogation techniques are the most effective way to elicit actionable intelligence.

Torture is also counterproductive because it undermines our national security. It increases the risks to our troops, hinders cooperation with allies, alienates populations whose support the United States needs in the struggle against terrorism, and provides a propaganda tool for extremists who wish to do us harm.

Most importantly, torture violates our core values as a nation. Our greatest strength is our commitment to the rule of law and to the principles embedded in our Constitution. Our servicemen and women need to know that our leaders do not condone torture or detainee abuse of any kind.

We look forward to working with you in the future on this and any other issue as you serve our great country.

Sincerely,

GENERAL KEITH B. ALEXANDER, USA (RET.)
