Dear Mr. Pruitt:

Pursuant to 74 O.S. § 212, the State Auditor and Inspector has the duty to examine the books and accounts of all state agencies. As such, a representative from our office will be contacting you to schedule a meeting to discuss an audit of the Oklahoma Office of the Attorney General. Our audit will be conducted in accordance with the applicable standards contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

The cost of the audit will be dependent upon the audit objectives and the procedures to be performed. The audit objectives and other aspects of our audit will be summarized in an engagement letter. Assuming no other scheduling conflicts by either party, we hope to begin our work in January 2016. Also, in order to help us gain an understanding of your agency and to identify risks facing the agency, please provide the information on the enclosed request list by December 31, 2015. The information may be emailed to mstarchman@sai.ok.gov or mailed to:
