

7 SCOTT PRUITT

**Second
Baseman...Freshman
5-10...160...S/R
Lexington, Kentucky**

An injured leg held this talented switch-hitter out of action this fall. However, Scott showed promise in the limited work he received. Always giving

100 percent, Pruitt is the scrappy-type player that Kentucky is looking for.

Scott was a three-year letterman in baseball and football at Lexington Lafayette High School. This second sacker brings a lot of leadership ability to Kentucky. He was selected as captain of his high school squad and then again that summer for South Lexington Connie Mack. Leading by example, Scott was voted MVP at Lafayette while hitting .500 and leading the team in steals. Pruitt's feats were recognized by area coaches when he was named to the All-District team as a senior.

A competitor to the very end, Scott also was chosen for the 110 percent Award as a senior footballer at Lafayette. When he gets off the baseball diamond, he enjoys the outdoors as a fisherman.
